### PROPOSAL

OF THE DEPARTMENT OF TRANSPORTATION OF THE STATE OF TENNESSEE

TO THE COUNTY OF HAMBLEN, TENNESSEE:

The DEPARTMENT OF TRANSPORTATION of the State of Tennessee, hereinafter "DEPARTMENT", proposes to construct a project in the County of Hamblen, Tennessee, hereinafter "COUNTY", designated as Federal Project No. STP-34(39), State Project No. 32005-2228-14, that is described as "SR-34 (U.S. 11E) from West of Old Stagecoach Rd. in Russellville to Steadman Rd.", provided the COUNTY agrees to cooperate with the DEPARTMENT as set forth in this proposal, so that the general highway program may be carried out in accordance with the intent of the General Assembly of the State.

Accordingly, the parties agree as follows:

- 1. That in the event any civil actions in inverse condemnation or for damages are instituted by reason of the DEPARTMENT, or its contractor, going upon the highway right-of-way and easements, and constructing said project in accordance with the plans and as necessary to make the completed project functional, it will notify in writing the Attorney General of the State, whose address is 425 Fifth Avenue North, Nashville, Tennessee, 37243, of the institution of each civil action, the complaint and all subsequent pleadings, within ten (10) days after the service of each of the same, under penalty of defending such actions and paying any judgments which result therefrom at its own expense.
- 2. The COUNTY will close or otherwise modify any of its roads or other public ways if indicated on the project plans, as provided by law.
- 3. The COUNTY will transfer or cause to be transferred to the DEPARTMENT, without cost to the DEPARTMENT, all land owned by the COUNTY or by any of its instrumentalities as

Federal Project Number: STP-34(39) State Project Number: 32005-2228-14

required for right-of-way or easement purposes, provided such land is being used or dedicated for road or other public way purposes.

4. Where privately, publicly or cooperatively owned utility lines, facilities and systems for producing, transmitting or distributing communications, power, electricity, light, heat, gas, oil, crude products, water, steam, waste, storm water not connected with highway drainage, and other similar commodities, including publicly owned facilities such as fire and police signal systems and street lighting systems are located within the right-of-way of any road or other public way owned by the COUNTY, or any of its instrumentalities, the COUNTY agrees that it will take any action necessary to require the removal or adjustment of any of the above-described facilities as would conflict with the construction of the project. But the foregoing may not be a duty of the COUNTY since it shall become operative only after the DEPARTMENT has been unsuccessful in its efforts to provide for said removals or adjustments for the benefit of the COUNTY.

The foregoing does not apply to those utility facilities which are owned by the COUNTY or one of its instrumentalities, it being understood that the COUNTY has the duty to relocate or adjust such facilities, if required, provided the COUNTY is notified to do so by the DEPARTMENT with detailed advice as to this duty of the COUNTY.

- 5. The COUNTY will maintain any frontage road to be constructed as part of the project;
- 6. After the project is completed and open to traffic, the COUNTY will accept jurisdiction and maintenance such parts of any existing DEPARTMENT highway to be replaced by the project, as shown on the attached map.
- 7. The COUNTY will make no changes or alter any segment of a road on its road system that lies within the limits of the right-of-way acquired for any interchange to be constructed as part of the project and will not permit the installation or relocation of any utility

Masch 20, 2047

Federal Project Number: STP-34(39) State Project Number: 32005-2228-14

facilities within the right-of-way of any such a segment of one of its roads without first obtaining the approval of the DEPARTMENT.

- 8. No provision hereof shall be construed as changing the maintenance responsibility of the COUNTY for such part of the project as may presently be on its highway, street, road or bridge system.
- 9. It is understood and agreed between the DEPARTMENT and the COUNTY that all traffic control signs for the control of traffic on a street under the jurisdiction of the COUNTY and located within the DEPARTMENT's right-of-way shall be maintained and replaced by the COUNTY.
- 10. When traffic control devices for the direction or warning of traffic, lighting of roadways or signing, or any of them, which are operated or function by the use of electric current are constructed or installed as part of the project, they will be furnished with electricity and maintained by the COUNTY.
- 11. If, as a result of acquisition and use of right-of-way for the project, any building and/or structure improvements become in violation of a COUNTY setback line or building and/or structure requirement, including, but not limited to, on-premise signs, the COUNTY agrees to waive enforcement of the COUNTY setback line or building and/or structure requirement and take other proper governmental action as necessary to accomplish such waiver.
- 12. If, as a result of acquisition and use of right-of-way for the project, any real property retained by any property owner shall become in violation of a COUNTY zoning regulation or requirement, the COUNTY agrees to waive enforcement of the COUNTY zoning regulation or requirement and take other proper governmental action as necessary to accomplish such waiver.
- 13. The COUNTY will not authorize encroachments of any kind upon the right-of-way, nor will the COUNTY authorize use of the easements for the project in any manner which affects

Federal Project Number: STP-34(39) State Project Number: 32005-2228-14

the DEPARTMENT's use thereof.

14. The COUNTY will obtain the approval of the DEPARTMENT before authorizing

parking on the right-of-way and easements for the project and before installing any device for the

purpose of regulating the movement of traffic.

15. If a sidewalk is constructed as a component of this project, the COUNTY shall be

responsible for maintenance of the sidewalk and shall assume all liability for third-party claims

for damages arising from its use of the sidewalk.

16. When said project is completed, the COUNTY thereafter will not permit any

additional median crossovers, the cutting of the pavement, curbs, gutters and sidewalks, by any

person, firm, corporation, or governmental agency, without first obtaining the approval of the

DEPARTMENT.

17. The DEPARTMENT will acquire the right-of-way and easements, construct the

project and defend any inverse condemnation for damage or civil actions of which the Attorney

General has received the notice and pleadings provided for herein; provided, however, that if the

project is being constructed pursuant to a contract administered by the DEPARTMENT's Local

Programs Development Office, the terms of that contract shall control in the event of a conflict

with this proposal.

18. The project plans hereinbefore identified by number and description are incorporated

herein by reference and shall be considered a part of this proposal, including any revisions or

amendments thereto, provided a copy of each is furnished the COUNTY.

19. The acceptance of this proposal shall be evidenced by the passage of a resolution,

which shall incorporate this proposal verbatim, or by reference thereto.

IN WITNESS WHEREOF, the DEPARTMENT has caused this proposal to be executed

by its duly authorized official on this the \_\_\_\_ day of \_\_\_\_\_, 20\_\_\_.

#### **RESOLUTION No. 17-04**

## A RESOLUTION OF THE COUNTY COMMISSION OF HAMBLEN COUNTY, TENNESSEE TO IMPLEMENT AN ELECTRONIC TRAFFIC CITATION FEE IN HAMBLEN COUNTY, TENNESSEE

**WHEREAS,** Tennessee state law enforcement agencies have begun issuing electronic traffic citations within the boundaries of Hamblen County; and

**WHEREAS,** the use of electronic traffic citation technology is considered an effort to improve the efficiency of the traffic citation process with both law enforcement and judiciary; and

**WHEREAS,** the Hamblen County Sheriff Dept. plans to implement an electronic traffic citation program within the next twelve (12) to twenty-four (24) months; and

**WHEREAS,** implementing the electronic traffic citation system requires the purchase of software that works to integrate with the records management systems of the law enforcement agencies and the court clerks' offices; and

**WHEREAS,** TCA 55-10-207 was amended in 2014 to allow court clerks to charge a \$5.00 electronic traffic citation fee for each traffic citation resulting in a conviction; and

**WHEREAS,** TCA 55-10-207 designates \$1 of the electronic traffic citation can be retained by the court clerk with the remaining \$4 being transmitted monthly by the court clerk to the law enforcement agency that prepared the traffic citation that resulted in a conviction; and

**WHEREAS,** under TCA 55-10-207 all funds derived from the electronic citation fee must be set aside for expenses related to the electronic citation system and related expenditures by local law enforcement agencies for technology, equipment, repairs, replacement and training to maintain electronic citation programs; and

**WHEREAS,** under TCA 55-10-207 any electronic traffic citation fee imposed by this resolution shall terminate five (5) years from the date on which this resolution is adopted.

**NOW, THEREFORE, BE IT RESOLVED** that the Hamblen County Legislative Body hereby adopts by a majority vote a \$5.00 electronic traffic citation fee according to the requirements established in TCA 55-10-207.

BE IT FURTHER RESOLVED that this resolution shall take effect from and after its passage on this the 20th day of April, 2017. This resolution shall be spread upon the minutes of the Hamblen County Legislative Body.

Re:

**Annual Debt Report** 

We are pleased to present to you our Annual Debt Report (Report) in compliance with Section II.B of Hamblen County's Debt Management Policy for the fiscal year ending June 30, 2017. It is our goal to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

Hamblen County received a rating of Aa3 from Moody's Investors Service, and an AA- from Standard and Poor's during its most recent ratings. These ratings are a positive reflection of Hamblen County's solid financial position, strengthening of reserves, conservative budgetary practices, and manageable debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lesser burden on its citizens.

The most recent ratings are further supported by examining certain ratios to national benchmarks. Based on the principal that will be outstanding as of June 30, 2017, Hamblen County's net debt to assessed property value is 1.69 percent compared to the national benchmark of no more than 10 percent. Additionally, Hamblen County's net debt-percapita ratio of \$374 is more than favorable compared to the benchmark of \$1,200. Finally, the fact that Hamblen County's net debt as a percentage of personal income is 1.08 percent compared to the benchmark of 15 percent or less reinforces the strong financial management practices that are being utilized.

As we begin the 2017-2018 budget discussions, we will work with County Commission and exercise strong financial management practices to ensure the continued financial success of Hamblen County.

Re:

Annual Debt Report

In compliance with Section II.B of Hamblen County's Debt Management Policy, Michelle Woods, Finance Director, and I present the Annual Debt Report (Report) for the fiscal year ending June 30, 2017, for your approval. Michelle and I agree that the timing of this report is advantageous. This report provides invaluable information to the Finance Committee, Budget Committee, and County Commission that will allow us to adopt an adequately funded debt budget. The information contained herein will allow us to evaluate our current financial position, future funding requirements, and our ability to issue debt in the future based on capacity.

Hamblen County's ratings of Aa3 from Moody's Investors Service and AA- from Standard and Poor's are a positive reflection of Hamblen County's solid financial position, strengthening of reserves, conservative budgetary practices, and manageable debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lesser burden on its citizens.

Additionally, I feel that this report allows us to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

We look forward to working together, so that we can, and will, prepare a debt budget that meets the needs of the citizens. Again, we are pleased to present the Annual Report as we begin to consider the 2017-2018 General Debt Service Fund Budget.

**Net Debt** - Net debt is the outstanding principal less the funds that are currently available in fund balance. This allows Hamblen County to determine the amount that will be required to be collected in the future to retire the outstanding principal. This ratio is used in evaluating Hamblen County's ability to pay off its debt by taking the total principal on outstanding debt divided by the citizens in the county.

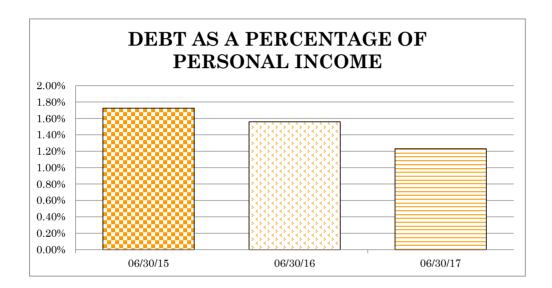

Net Debt Per Capita - This is calculated by taking the net debt divided by the total citizens of Hamblen County. This is the additional amount that Hamblen County would need to collect from every citizen in order to retire the outstanding principal balance. Simply stated, if every citizen remitted an additional \$575 at June 30, Hamblen County would be able to retire all of its debt excluding the interest component. The national benchmark is \$1,200 in principal indebtedness per citizen. However, this benchmark on the citizens of Hamblen County would not be a sustainable level, and would impact Hamblen County's ability to borrow additional debt in the future and higher interest rates.

 $<sup>^{1}\,</sup>$  Only the principal amount less projected year-end fund balance is utilized.

Net Debt as a Percentage of Personal Income - This ratio incorporates an ability to pay concept into the assessment of debt burden. It uses the total personal income (including wages, dividends, interest, rent, and government payments) divided by total population. The importance of this ratio is that it can be utilized to determine how Hamblen County's debt load can be spread to its citizens on their ability to pay compared to a benchmark. The current benchmark is that net debt as a percentage of personal income is 15% or less. Hamblen County's current net debt as a percentage of personal income is 1.79%.

 $<sup>^{1}\,</sup>$  Only the principal amount less projected year-end fund balance is utilized.

#### NOTE:

The Qualified School Construction Bonds were issued through the Tennessee State School Bond Authority and loaned to Hamblen County on December 17, 2009, in the amount of \$11,280,000. This other loan was issued at a cost of \$124,936 for capital projects related to the school department. It is important to note that the Tennessee State School Bond Authority issued the bonds and loaned the proceeds to Hamblen County and various other governments across Tennessee. Hamblen County pays interest of 1.515 percent on its share of the bonds and also pays a monthly administrative fee to the State of Tennessee. Hamblen County and the other borrowers of the bond proceeds are required to comply with federal regulations established for the Qualified School Construction Bond program. Failure to comply with those requirements may result in the loss of the tax credit status of the bonds. This would result in further charges to the borrowers (Hamblen County) including the requirements to pay the tax-credit rate (5.86 percent) in addition to the 1.515 percent for a total rate of 7.375 percent. Currently, the budget is based on the 1.515 percent and the related monthly administrative fee.

Re: LAMTPO School Safety Project

On March 3, 2017, Hamblen County Government accepted qualifications from two engineering firms for the LAMTPO School Safety Project. The Consultant Evaluation Committee (CEC) scored each firm based on experience criteria. This committee consisted of Rich DesGroseilliers, MTPO Coordinator for LAMTPO; Hugh Clement, Assistant Director Hamblen County Schools; Barry Poole, Road Superintendent. Based on those scores, the CEC recommends **Mattern and Craig,** located in Kingsport, TN, as the consultant for this project. Price negotiations will begin at the kick-off meeting scheduled Thursday, April 13, 2017 at 3:30p.m. The costs of these projects are covered 100% by state-administered federal funds.

# MEMORANDUM

TO:

Michelle Woods, Finance Department

FROM:

Chris Bell

DATE:

20 March 2017

RE:

FY16 Homeland Security Grant

CC:

All Commissioners

In February 2017, my office received a copy of the executed contract for the FY16 Homeland Security Grant through the Office of Domestic Preparedness. This grant, like those in the past, is a federally funded, 100% grant with no match required. This grant is in the amount of \$17,000.

In accordance with the grant contract, my office intends to comply with the terms and limitations of the Initial Strategy Implementation Plan (ISIP) that I previously submitted to the State. This ISIP was agreed upon following a decision of the Homeland Security District II Council.

The scope of this grant will provide necessary equipment / upgrades for the various local Emergency Departments.

All agencies / departments that will be receiving equipment purchased from this grant have submitted documentation stating their compliance with the National Incident Management System (NIMS), which is a requirement for receipt of homeland security grant funding.

I respectfully request that the Finance Committee approve a budget amendment in the amount of \$17,000 so that my office may begin the process of expending these funds.

As always, I will be available to answer any questions that you or the other Commissioners may have.

Thank you.

OFFICE OF THE MAYOR

Mr. Christopher R. Bainbridge Director of Codes Enforcement State Fire Marshall's Office Davy Crockett Tower, 10<sup>th</sup> Floor 500 James Robertson Pkwy Nashville, TN 37243

Dear Mr. Bainbridge,

The following the Plan of Corrective Action (POCA) for the fire code deficiencies identified at the Hamblen County jail during the inspection on August 4, 2016.

### 1. Deficiency - Overcrowding

The Hamblen County jail is chronically overcrowded because of the lack of bed space. The County Commission is currently considering its options to adding space to the facility or building a new one. Our goal is for the Commission to choose an option and fund it this calendar year. An architectural firm, Mosely Architects, is helping us with the planning stages. One of the options is to implement more jail diversion programs to help better manage the jail population.

In the meantime, the County has been working with TDOC to reduce the number of state prisoners housed in the jail. The state prisoner population fluctuates with the number of beds available in the state prison system and with our criminal court schedule. The state prisoner population has been as low as 24. It is 55 today because a term of criminal court is underway.

We are also reducing the number of misdemeanor offenders incarcerated by offering credit for attending domestic violence prevention classes and earning their GED. In September 2016, we expanded a jail diversion program called the Intensive Community Corrections program. From July 2016 through February 2017, 1,697 jail nights have been avoided by using these three programs.

General Sessions Court began working closely with Frontier Health that provides mental health liaison services to help reduce recidivism of misdemeanor offenders by connecting them to social services within the community. This work began in January 2017.

### 1. Deficiency - Maintenance of the Means of Egress

After this deficiency was identified during the last inspection, the jail administrators rented two storage pods placed outside the jail building to house all the inmate property and other items that obstructed some hallways, stairwells, and/or exits.

Hamblen County is working toward correcting the deficiencies identified in the inspection report. However, until our jail facility is replaced or expanded, we will be unable to correct the overcrowded conditions completely.

Do not hesitate to contact me with any questions.

Sincerely, Bell Buttain

Bill Brittain
County Mayor
