INTERLOCAL COOPERATION AGREEMENT FOR SR-66 AND SR-160 TRAFFIC SIGNALS

This Interlocal Cooperation Agreement ("Agreement") is entered into this // day of November 2017 by and between THE CITY OF MORRISTOWN, TENNESSEE ("City") and HAMBLEN COUNTY, TENNESSEE ("County").

WITNESSETH

Whereas, *Tennessee Code Annotated* §12-9-104 authorizes public agencies to exercise and enjoy jointly with other public agencies of the State, any power or powers, privileges or authority exercised or capable of exercise by a public agency of the State; and

Whereas, on County roads SR-66 and SR-160, two (2) new intersections have been created and the County has had traffic signals installed at each intersection; and

Whereas, the County does not have the expertise required to adequately maintain these traffic signals, but the City does have said expertise and is willing to maintain these traffic signals for the County, and

Whereas, the City does agree to maintain these traffic signals and the County does agree to reimburse the City for its time and material costs in maintaining said signals; and

Whereas, the City and the County hereby enter into this Interlocal Cooperation Agreement for the purpose of the City's maintenance of the County owned traffic signals located at the two (2) intersections at SR-66 and SR-160.

NOW THEREFORE IT IS AGREED AS FOLLOWS:

1. Maintenance. The City agrees to maintain the traffic signals, including traffic control signs on the mast arms, located at the two (2) new intersections on SR-66 and the on and off ramps of SR-160. The City agrees to complete routine maintenance twice a year on each intersection. The routine maintenance includes cleaning/dusting inside the signal cabinets and changing out the air filters. The City also agrees to be responsible for any additional maintenance required for the signals and intersections, including but not limited to, following up on traffic signal timing complaints, resetting the timing, and changing out the signal bulbs. In the course of maintaining these signals, the City shall handle the removal of any old parts and hardware and shall have the authority to discard, recycle, or store

- said parts and hardware. The City shall maintain and control all aspects of these signals, including Opticom, timings, and the maintenance stated herein.
- 2. <u>Costs</u>. The County agrees to reimburse the City for all of its material costs associated with maintaining the traffic signals. Additionally, based upon the City's estimate of an hour per intersection for the routine maintenance, the County agrees to pay the City at a rate of fifty dollars (\$50.00) per hour per City employed technician. The City shall prepare an itemized billing statement and submit same to the County for reimbursement of its costs associated with the signal maintenance.
- 3. Additional Work. The City and County understand that there may be occasions where additional work or maintenance needs to be completed on the traffic signals or at the intersections and said work is outside the scope of what the City can complete. In these situations, the City shall notify the County and upon agreement of the parties, the City shall be permitted to use outside contractors to complete any additional work or maintenance. The County shall then reimburse the City for any costs and expenses paid for the outside contractors.
- 4. Ownership and Utilities. At all times during this Agreement, the County shall retain ownership of the traffic signals located at the intersections of SR-66 and SR-160, referenced herein. The utilities associated with these signals, including electric and FiberNet shall be kept solely in the County's name and paid for by the County.
- 5. <u>Term.</u> The term of this Agreement shall commence upon the adoption and approval by both the City Council and the County Commissioners and shall continue for a period of three (3) years. This Agreement shall automatically renew at the end of each three (3) year period, unless either party desires not to renew the Agreement and provides written notice of same to the other party no less than sixty (60) days prior to the end of the initial term or any extended term(s).
- 6. Adoption. This Agreement shall take effect upon its adoption and approval by the governing bodies of both parties hereto and shall be binding upon the undersigned, their successors and assigns unless modified by an agreement in writing executed by the parties hereto.

Re:

Health Insurance Eligibility for Pre-65 Retirees

One objective of the strategic plan for our health insurance plan this year is to clarify the eligibility requirements for employees who retire before the age of 65.

Our plan currently says that beginning at age 62 and ending at age 65 retirees qualify to participate with our health insurance plan and have access to the employee health clinic. Dependents of retirees are not eligible for coverage and do not have access to the employee health clinic. Retirees must pay 100% of the premium.

With input from our health insurance consultant Sherrill Morgan, the Finance Department is proposing the following policy regarding health insurance eligibility for Pre-65 retirees effective January 1, 2018.

For non-emergency personnel:

- The retiree must be TCRS retirement eligible (at least age 60);
- The retiree must have been a member of the County's health plan for a minimum of one year;
- The retiree is eligible to use the employee health clinic as long as he/she is a member of the health plan;
- The retiree must pay 100% of the premium set annually by Hamblen County;
- Dependent coverage is not available;
- Eligibility for coverage ends at age 65.

For Emergency personnel:

- The retiree must qualify for the TCRS supplemental bridge benefit (age 55 with 25 years of service);
- The retiree must have been a member of the County health plan for a minimum of one year;

Re:

Purchase of Johnson Property for Jail Project

The family of Annie Dorene Johnson has agreed to sell the property at the corner of Allison Street and West Third North Street to Hamblen County for its jail project. It is the last piece of property on the block adjacent to the Justice Center that the County does not own.

I am asking the Jail Study Committee to recommend to the County Commission that the County purchase the property and that it appropriate \$155,000 from fund balance to pay for the transaction. We can reimburse the General Fund the money used to buy the property when financing for the jail project is finalized.

The property is involved in litigation, but the county attorney is working with the family to complete the purchase.

§ 3.6 CONSTRUCTION PHASE SERVICES

§ 3.6.1 GENERAL

§ 3.6.1.1 The Architect shall provide administration of the Contract between the Owner and the Contractor as set forth below and in AIA Document A201TM–2007, General Conditions of the Contract for Construction. If the Owner and Contractor modify AIA Document A201–2007, those modifications shall not affect the Architect's services under this Agreement unless the Owner and the Architect amend this Agreement.

§ 3.6.1.2 The Architect shall advise and consult with the Owner during the Construction Phase Services. The Architect shall have authority to act on behalf of the Owner only to the extent provided in this Agreement. The Architect shall not have control over, charge of, or responsibility for the construction means, methods, techniques, sequences or procedures, or for safety precautions and programs in connection with the Work, nor shall the Architect be responsible for the Contractor's failure to perform the Work in accordance with the requirements of the Contract Documents. The Architect shall be responsible for the Architect's negligent acts or omissions, but shall not have control over or charge of, and shall not be responsible for, acts or omissions of the Contractor or of any other persons or entities performing portions of the Work.

§ 3.6.1.3 Subject to Section 4.3, the Architect's responsibility to provide Construction Phase Services commences with the award of the Contract for Construction and terminates on the date the Architect issues the final Certificate for Payment.

§ 3.6.2 EVALUATIONS OF THE WORK

§ 3.6.2.1 The Architect shall visit the site at intervals appropriate to the stage of construction, or as otherwise required in Section 4.3.3, to become generally familiar with the progress and quality of the portion of the Work completed, and to determine, in general, if the Work observed is being performed in a manner indicating that the Work, when fully completed, will be in accordance with the Contract Documents. However, the Architect shall not be required to make exhaustive or continuous on-site inspections to check the quality or quantity of the Work. On the basis of the site visits, the Architect shall keep the Owner reasonably informed about the progress and quality of the portion of the Work completed, and report to the Owner (1) known deviations from the Contract Documents and from the most recent construction schedule submitted by the Contractor, and (2) defects and deficiencies observed in the Work.

§ 3.6.2.2 The Architect has the authority to reject Work that does not conform to the Contract Documents. Whenever the Architect considers it necessary or advisable, the Architect shall have the authority to require inspection or testing of the Work in accordance with the provisions of the Contract Documents, whether or not such Work is fabricated, installed or completed. However, neither this authority of the Architect nor a decision made in good faith either to exercise or not to exercise such authority shall give rise to a duty or responsibility of the Architect to the Contractor, Subcontractors, material and equipment suppliers, their agents or employees or other persons or entities performing portions of the Work.

§ 3.6.2.3 The Architect shall interpret and decide matters concerning performance under, and requirements of, the Contract Documents on written request of either the Owner or Contractor. The Architect's response to such requests shall be made in writing within any time limits agreed upon or otherwise with reasonable promptness.

§ 3.6.2.4 Interpretations and decisions of the Architect shall be consistent with the intent of and reasonably inferable from the Contract Documents and shall be in writing or in the form of drawings. When making such interpretations and decisions, the Architect shall endeavor to secure faithful performance by both Owner and Contractor, shall not show partiality to either, and shall not be liable for results of interpretations or decisions rendered in good faith. The Architect's decisions on matters relating to aesthetic effect shall be final if consistent with the intent expressed in the Contract Documents.

§ 3.6.2.5 Unless the Owner and Contractor designate another person to serve as an Initial Decision Maker, as that term is defined in AIA Document A201–2007, the Architect shall render initial decisions on Claims between the Owner and Contractor as provided in the Contract Documents.

§ 3.6.3 CERTIFICATES FOR PAYMENT TO CONTRACTOR

§ 3.6.3.1 The Architect shall review and certify the amounts due the Contractor and shall issue certificates in such amounts. The Architect's certification for payment shall constitute a representation to the Owner, based on the Architect's evaluation of the Work as provided in Section 3.6.2 and on the data comprising the Contractor's Application for Payment, that, to the best of the Architect's knowledge, information and belief, the Work has progressed to the point indicated and that the quality of the Work is in accordance with the Contract Documents. The foregoing representations are subject (1) to an evaluation of the Work for conformance with the Contract Documents upon Substantial Completion, (2) to results of subsequent tests and inspections, (3) to correction of minor deviations from the Contract Documents prior to completion, and (4) to specific qualifications expressed by the Architect.

§ 3.6.3.2 The issuance of a Certificate for Payment shall not be a representation that the Architect has (1) made exhaustive or continuous on-site inspections to check the quality or quantity of the Work, (2) reviewed construction means, methods, techniques, sequences or procedures, (3) reviewed copies of requisitions received from Subcontractors and material suppliers and other data requested by the Owner to substantiate the Contractor's right to payment, or (4) ascertained how or for what purpose the Contractor has used money previously paid on account of the Contract Sum.

§ 3.6.3.3 The Architect shall maintain a record of the Applications and Certificates for Payment.

§ 3.6.4 SUBMITTALS

§ 3.6.4.1 The Architect shall review the Contractor's submittal schedule and shall not unreasonably delay or withhold approval. The Architect's action in reviewing submittals shall be taken in accordance with the approved submittal schedule or, in the absence of an approved submittal schedule, with reasonable promptness while allowing sufficient time in the Architect's professional judgment to permit adequate review.

§ 3.6.4.2 In accordance with the Architect-approved submittal schedule, the Architect shall review and approve or take other appropriate action upon the Contractor's submittals such as Shop Drawings, Product Data and Samples, but only for the limited purpose of checking for conformance with information given and the design concept expressed in the Contract Documents. Review of such submittals is not for the purpose of determining the accuracy and completeness of other information such as dimensions, quantities, and installation or performance of equipment or systems, which are the Contractor's responsibility. The Architect's review shall not constitute approval of safety precautions or, unless otherwise specifically stated by the Architect, of any construction means, methods, techniques, sequences or procedures. The Architect's approval of a specific item shall not indicate approval of an assembly of which the item is a component.

§ 3.6.4.3 If the Contract Documents specifically require the Contractor to provide professional design services or certifications by a design professional related to systems, materials or equipment, the Architect shall specify the appropriate performance and design criteria that such services must satisfy. The Architect shall review Shop Drawings and other submittals related to the Work designed or certified by the design professional retained by the Contractor that bear such professional's seal and signature when submitted to the Architect. The Architect shall be entitled to rely upon the adequacy, accuracy and completeness of the services, certifications and approvals performed or provided by such design professionals.

§ 3.6.4.4 Subject to the provisions of Section 4.3, the Architect shall review and respond to requests for information about the Contract Documents. The Architect shall set forth in the Contract Documents the requirements for requests

for information. Requests for information shall include, at a minimum, a detailed written statement that indicates the specific Drawings or Specifications in need of clarification and the nature of the clarification requested. The Architect's response to such requests shall be made in writing within any time limits agreed upon, or otherwise with reasonable promptness. If appropriate, the Architect shall prepare and issue supplemental Drawings and Specifications in response to requests for information.

§ 3.6.4.5 The Architect shall maintain a record of submittals and copies of submittals supplied by the Contractor in accordance with the requirements of the Contract Documents.

§ 3.6.5 CHANGES IN THE WORK

§ 3.6.5.1 The Architect may authorize minor changes in the Work that are consistent with the intent of the Contract Documents and do not involve an adjustment in the Contract Sum or an extension of the Contract Time. Subject to the provisions of Section 4.3, the Architect shall prepare Change Orders and Construction Change Directives for the Owner's approval and execution in accordance with the Contract Documents.

§ 3.6.5.2 The Architect shall maintain records relative to changes in the Work.

§ 3.6.6 PROJECT COMPLETION

§ 3.6.6.1 The Architect shall conduct inspections to determine the date or dates of Substantial Completion and the date of final completion; issue Certificates of Substantial Completion; receive from the Contractor and forward to the Owner, for the Owner's review and records, written warranties and related documents required by the Contract Documents and assembled by the Contractor; and issue a final Certificate for Payment based upon a final inspection indicating the Work complies with the requirements of the Contract Documents.

§ 3.6.6.2 The Architect's inspections shall be conducted with the Owner to check conformance of the Work with the requirements of the Contract Documents and to verify the accuracy and completeness of the list submitted by the Contractor of Work to be completed or corrected.

§ 3.6.6.3 When the Work is found to be substantially complete, the Architect shall inform the Owner about the balance of the Contract Sum remaining to be paid the Contractor, including the amount to be retained from the Contract Sum, if any, for final completion or correction of the Work.

§ 3.6.6.4 The Architect shall forward to the Owner the following information received from the Contractor: (1) consent of surety or sureties, if any, to reduction in or partial release of retainage or the making of final payment; (2) affidavits, receipts, releases and waivers of liens or bonds indemnifying the Owner against liens; and (3) any other documentation required of the Contractor under the Contract Documents.

§ 3.6.6.5 Upon request of the Owner, and prior to the expiration of one year from the date of Substantial Completion, the Architect shall, without additional compensation, conduct a meeting with the Owner to review the facility operations and performance.

ARTICLE 5 OWNER'S RESPONSIBILITIES

- § 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives, schedule, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements. Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of or enforce lien rights.
- § 5.2 The Owner shall establish and periodically update the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the Project's scope and quality.
- § 5.3 The Owner shall identify a representative authorized to act on the Owner's behalf with respect to the Project. The Owner shall render decisions and approve the Architect's submittals in a timely manner in order to avoid unreasonable delay in the orderly and sequential progress of the Architect's services.

- § 5.4 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project, and a written legal description of the site. The surveys and legal information shall include, as applicable, grades and lines of streets, alleys, pavements and adjoining property and structures; designated wetlands; adjacent drainage; rights-of-way, restrictions, easements, encroachments, zoning, deed restrictions, boundaries and contours of the site; locations, dimensions and necessary data with respect to existing buildings, other improvements and trees; and information concerning available utility services and lines, both public and private, above and below grade, including inverts and depths. All the information on the survey shall be referenced to a Project benchmark.
- § 5.5 The Owner shall furnish services of geotechnical engineers, which may include but are not limited to test borings, test pits, determinations of soil bearing values, percolation tests, evaluations of hazardous materials, seismic evaluation, ground corrosion tests and resistivity tests, including necessary operations for anticipating subsoil conditions, with written reports and appropriate recommendations.
- § 5.6 The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall furnish the services of consultants other than those designated in this Agreement, or authorize the Architect to furnish them as an Additional Service, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project. The Owner shall require that its consultants maintain professional liability insurance as appropriate to the services provided.
- **§ 5.7** The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests, tests for air and water pollution, and tests for hazardous materials.
- **§ 5.8** The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

- § 5.10 Except as otherwise provided in this Agreement, or when direct communications have been specially authorized, the Owner shall endeavor to communicate with the Contractor and the Architect's consultants through the Architect about matters arising out of or relating to the Contract Documents. The Owner shall promptly notify the Architect of any direct communications that may affect the Architect's services.
- § 5.11 Before executing the Contract for Construction, the Owner shall coordinate the Architect's duties and responsibilities set forth in the Contract for Construction with the Architect's services set forth in this Agreement. The Owner shall provide the Architect a copy of the executed agreement between the Owner and Contractor, including the General Conditions of the Contract for Construction.
- § 5.12 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

ARTICLE 6 COST OF THE WORK

- **§ 6.1** For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work does not include the compensation of the Architect, the costs of the land, rights-of-way, financing, contingencies for changes in the Work or other costs that are the responsibility of the Owner.
- § 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and may be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work or from any estimate of the Cost of the Work or evaluation prepared or agreed to by the Architect.

- § 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding and price escalation; to determine what materials, equipment, component systems and types of construction are to be included in the Contract Documents; to make reasonable adjustments in the program and scope of the Project; and to include in the Contract Documents alternate bids as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget for the Cost of the Work. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requests detailed cost estimating services, the Architect shall provide such services as an Additional Service under Article 4.
- **§ 6.4** If the Bidding or Negotiation Phase has not commenced within 90 days after the Architect submits the Construction Documents to the Owner, through no fault of the Architect, the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.
- § 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.
- **§ 6.6** If the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall
 - .1 give written approval of an increase in the budget for the Cost of the Work;
 - .2 authorize rebidding or renegotiating of the Project within a reasonable time;
 - .3 terminate in accordance with Section 9.5;
 - .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
 - .5 implement any other mutually acceptable alternative.
- § 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect, without additional compensation, shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. The Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.

ARTICLE 7 COPYRIGHTS AND LICENSES

- § 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project. If the Owner and Architect intend to transmit Instruments of Service or any other information or documentation in digital form, they shall endeavor to establish necessary protocols governing such transmissions.
- § 7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.
- § 7.3 Upon execution of this Agreement, the Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations, including prompt payment of all sums when due, under this Agreement. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and material or equipment suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.
- § 7.3.1 In the event the Owner uses the Instruments of Service without retaining the author of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the

Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

ARTICLE 8 CLAIMS AND DISPUTES § 8.1 GENERAL

- § 8.1.1 The Owner and Architect shall commence all claims and causes of action, whether in contract, tort, or otherwise, against the other arising out of or related to this Agreement in accordance with the requirements of the method of binding dispute resolution selected in this Agreement within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.
- § 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents and employees of the other for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A201–2007, General Conditions of the Contract for Construction. The Owner or the Architect, as appropriate, shall require of the contractors, consultants, agents and employees of any of them similar waivers in favor of the other parties enumerated herein.
- § 8.1.3 The Architect and Owner waive consequential damages for claims, disputes or other matters in question arising out of or relating to this Agreement. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.7.

§ 8.2 MEDIATION

- § 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.
- § 8.2.2 The Owner and Architect shall endeavor to resolve claims, disputes and other matters in question between them by mediation which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of the Agreement. A request for mediation shall be made in writing, delivered to the other party to the Agreement, and filed with the person or entity administering the mediation. The request may be made concurrently with the filing of a complaint or other appropriate demand for binding dispute resolution but, in such event, mediation shall proceed in advance of binding dispute resolution proceedings, which shall be stayed pending mediation for a period of 60 days from the date of filing, unless stayed for a longer period by agreement of the parties or court order. If an arbitration proceeding is stayed pursuant to this section, the parties may nonetheless proceed to the selection of the arbitrator(s) and agree upon a schedule for later proceedings.
- § 8.2.3 The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.
- **§ 8.2.4** If the parties do not resolve a dispute through mediation pursuant to this Section 8.2, the method of binding dispute resolution shall be the following:

(Check the appropriate box. If the Owner and Architect do not select a method of binding dispute resolution below, or do not subsequently agree in writing to a binding dispute resolution method other than litigation, the dispute will be resolved in a court of competent jurisdiction.)

[] Arbitration pursuant to Section 8.3 of this Agreement

§ 8.3 ARBITRATION

§ 8.3.1 If the parties have selected arbitration as the method for binding dispute resolution in this Agreement, any claim, dispute or other matter in question arising out of or related to this Agreement subject to, but not resolved by, mediation shall be subject to arbitration which, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Arbitration Rules in effect on the date of this Agreement. A demand for arbitration shall be made in writing, delivered to the other party to this Agreement, and filed with the person or entity administering the arbitration.

- § 8.3.1.1 A demand for arbitration shall be made no earlier than concurrently with the filing of a request for mediation, but in no event shall it be made after the date when the institution of legal or equitable proceedings based on the claim, dispute or other matter in question would be barred by the applicable statute of limitations. For statute of limitations purposes, receipt of a written demand for arbitration by the person or entity administering the arbitration shall constitute the institution of legal or equitable proceedings based on the claim, dispute or other matter in question.
- § 8.3.2 The foregoing agreement to arbitrate and other agreements to arbitrate with an additional person or entity duly consented to by parties to this Agreement shall be specifically enforceable in accordance with applicable law in any court having jurisdiction thereof.
- § 8.3.3 The award rendered by the arbitrator(s) shall be final, and judgment may be entered upon it in accordance with applicable law in any court having jurisdiction thereof.

§ 8.3.4 CONSOLIDATION OR JOINDER

- § 8.3.4.1 Either party, at its sole discretion, may consolidate an arbitration conducted under this Agreement with any other arbitration to which it is a party provided that (1) the arbitration agreement governing the other arbitration permits consolidation; (2) the arbitrations to be consolidated substantially involve common questions of law or fact; and (3) the arbitrations employ materially similar procedural rules and methods for selecting arbitrator(s).
- § 8.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.
- **§ 8.3.4.3** The Owner and Architect grant to any person or entity made a party to an arbitration conducted under this Section 8.3, whether by joinder or consolidation, the same rights of joinder and consolidation as the Owner and Architect under this Agreement.

ARTICLE 9 TERMINATION OR SUSPENSION

- § 9.1 If the Owner fails to make payments to the Architect in accordance with this Agreement, such failure shall be considered substantial nonperformance and cause for termination or, at the Architect's option, cause for suspension of performance of services under this Agreement. If the Architect elects to suspend services, the Architect shall give seven days' written notice to the Owner before suspending services. In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. Before resuming services, the Architect shall be paid all sums due prior to suspension and any expenses incurred in the interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.
- § 9.2 If the Owner suspends the Project, the Architect shall be compensated for services performed prior to notice of such suspension. When the Project is resumed, the Architect shall be compensated for expenses incurred in the

interruption and resumption of the Architect's services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

- **§ 9.3** If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.
- § 9.4 Either party may terminate this Agreement upon not less than seven days' written notice should the other party fail substantially to perform in accordance with the terms of this Agreement through no fault of the party initiating the termination.
- § 9.5 The Owner may terminate this Agreement upon not less than seven days' written notice to the Architect for the Owner's convenience and without cause.
- § 9.6 In the event of termination not the fault of the Architect, the Architect shall be compensated for services performed prior to termination, together with Reimbursable Expenses then due and all Termination Expenses as defined in Section 9.7.
- § 9.7 Termination Expenses are in addition to compensation for the Architect's services and include expenses directly attributable to termination for which the Architect is not otherwise compensated, plus an amount for the Architect's anticipated profit on the value of the services not performed by the Architect.
- § 9.8 The Owner's rights to use the Architect's Instruments of Service in the event of a termination of this Agreement are set forth in Article 7 and Section 11.9.

ARTICLE 10 MISCELLANEOUS PROVISIONS

- § 10.1 This Agreement shall be governed by the law of the place where the Project is located, except that if the parties have selected arbitration as the method of binding dispute resolution, the Federal Arbitration Act shall govern Section 8.3.
- **§ 10.2** Terms in this Agreement shall have the same meaning as those in AIA Document A201–2007, General Conditions of the Contract for Construction.
- § 10.3 The Owner and Architect, respectively, bind themselves, their agents, successors, assigns and legal representatives to this Agreement. Neither the Owner nor the Architect shall assign this Agreement without the written consent of the other, except that the Owner may assign this Agreement to a lender providing financing for the Project if the lender agrees to assume the Owner's rights and obligations under this Agreement.
- § 10.4 If the Owner requests the Architect to execute certificates, the proposed language of such certificates shall be submitted to the Architect for review at least 14 days prior to the requested dates of execution. If the Owner requests the Architect to execute consents reasonably required to facilitate assignment to a lender, the Architect shall execute all such consents that are consistent with this Agreement, provided the proposed consent is submitted to the Architect for review at least 14 days prior to execution. The Architect shall not be required to execute certificates or consents that would require knowledge, services or responsibilities beyond the scope of this Agreement.
- § 10.5 Nothing contained in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against either the Owner or Architect.
- § 10.6 Unless otherwise required in this Agreement, the Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.
- § 10.7 The Architect shall have the right to include photographic or artistic representations of the design of the Project among the Architect's promotional and professional materials. The Architect shall be given reasonable access to the completed Project to make such representations. However, the Architect's materials shall not include the Owner's confidential or proprietary information if the Owner has previously advised the Architect in writing of the specific information considered by the Owner to be confidential or proprietary. The Owner shall provide professional credit for the Architect in the Owner's promotional materials for the Project.

§ 10.8 If the Architect or Owner receives information specifically designated by the other party as "confidential" or "business proprietary," the receiving party shall keep such information strictly confidential and shall not disclose it to any other person except to (1) its employees, (2) those who need to know the content of such information in order to perform services or construction solely and exclusively for the Project, or (3) its consultants and contractors whose contracts include similar restrictions on the use of confidential information.

§ 11.10.4 Records of Reimbursable Expenses, expenses pertaining to Additional Services, and services performed on the basis of hourly rates shall be available to the Owner at mutually convenient times.

ARTICLE 12 SPECIAL TERMS AND CONDITIONS

Special terms and conditions that modify this Agreement are as follows:

- 12.1 The Architect agrees to promptly take corrective action to right any negligent acts, errors or omissions in its services. As to any negligent acts, errors or omissions for which the Architect has legal responsibility and for which the Owner incurs and accumulation of excess costs of the actual construction costs as adjusted, the Architect shall bear its proportionate burden of such accumulation of excess costs as legally determined or otherwise agreed; provided that said accumulation of excess costs as legally determined to otherwise agreed; provided that said accumulation of excess costs shall not include an improvement cost or betterment cost and shall not exceed the difference between (1) the actual construction costs resulting from such negligent act, error or omission of the Architect and all damages related to the event of negligence, error or omission, and (2) an estimate of which such costs would have been at the time of the signing of the contract for the construction of the project.
- 12.2 The Owner acknowledges that the requirements of the ADA (Americans with Disabilities Act) will be subject to various and possibly contradictory interpretations. The Design Professional, therefore, will use his or her reasonable efforts and judgment to interpret applicable ADA requirements and other federal, state, and local laws, rules, codes, ordinances and regulations as they apply to the project. - 12.5 In recognition of the relative risks, rewards and benefits of the project to both the client and the consultant, the risks have been allocated such that the client agrees, to the fullest extent permitted by law, to limit the consultant's liability to the client for any and all claims, losses, costs, damages of any nature whatsoever or claims expenses from any cause or causes, including attorneys' fees and costs and expert witness fees and costs, so that the total aggregate liability of the consultant to the client shall not exceed the Architect's insurance coverage available at the time of claim. It is intended that this limitation apply to any and all liability or cause of action, however alleged or arising, unless otherwise prohibited by law.

RESOLUTION No. 17-24

A RESOLUTION OF THE COUNTY COMMISSION OF HAMBLEN COUNTY, TENNESSEE REQUESTING THE TENNESSEE GENERAL ASSEMBLY AND GOVERNOR OF THE STATE OF TENNESSEE TO SUPPORT AND UPHOLD ARTICLE XI, SECTION 18 OF THE TENNESSEE CONSTITUTION, WHICH RECOGNIZES THE ONLY LEGAL MARITAL CONTRACT AS BETWEEN ONE MAN AND ONE WOMAN

WHEREAS, natural marriage consistent with the created order, and the law of nature and nature's God, has always consisted of one man and one woman; and

WHEREAS, The Constitution of Tennessee, Article XI § 18, states the following: The historical institution and legal contract solemnizing the relationship of one man and one woman shall be the only legally recognized marital contract in this state. Any policy or law or judicial interpretation, purporting to define marriage as anything other than the historical institution and legal contract between one man and one woman, is contrary to the public policy of this state and shall be void and unenforceable in Tennessee. If another state or foreign jurisdiction issues a license for persons to marry and if such marriage is prohibited in this state by the provisions of this section, then the marriage shall be void and unenforceable in this state; and

WHEREAS, in Obergefell v Hodges, No. 14-556, 2015 WL 2473451 (June 26, 2015), five justices of the United States Supreme Court issued a lawless opinion with no basis in American law or history, purporting to overturn natural marriage and find a "right" to same-sex "marriage" in the United States Constitution and the fourteenth amendment; and

WHEREAS, the Obergefell opinion is "an act of will, not legal judgment," and the "right it announces has no basis in the Constitution of th[e]; Court's precedent;" Id. at *24 (Roberts, C.J. dissenting); and

WHEREAS, the Obergefell opinion "is a naked judicial claim to legislative-indeed, super-legislative-power; a claim fundamentally at odds with our system of government;" Id. at *43 (Scalia, J., dissenting); and

WHEREAS, a mere two years prior to Obergefell v. Hodges, the Supreme Court stated that "the Constitution delegated no authority to the Government of the United States on the subject of marriage and divorce," and that "The whole subject of the domestic relations of husband and wife, parent and child, belongs to the laws of the States and not to the laws of the United States," Windsor at 2691, internal citations omitted; and

WHEREAS, the United States Constitution is silent on the issue of natural marriage, and the tenth amendment reserves all powers not explicitly delegated to the federal government, to the people and states, respectively; and

WHEREAS, the United States Constitution in Article 3, Section 2, Paragraph 2 gives the U.S. Congress the right to explicitly limit the appellate jurisdiction of the Supreme Court; and

WHEREAS, the duly-elected legislators of the State of Tennessee and the Governor, have sworn an oath to uphold the Constitution of Tennessee and the United States Constitution and not the will of five members of the Supreme Court;

NOW THEREFORE, the Board of Commissioners of Hamblen County, Tennessee, this 21st day of December 2017, calls the Tennessee General Assembly and Governor to keep their oaths to uphold the Tennessee Constitution and the Constitution of the United States by:

- 1) Refusing to accept the lawless opinion of the United States Supreme Court in Obergefell v. Hodges as binding precedent for all but the specific plaintiffs in that case; and
- 2) by Continuing to uphold the Tennessee State Constitution which says: "The historical institution and legal contract solemnizing the relationship of one man and one woman shall be the only legally recognized marital contract in this state;" and;
- 3) by pledging legal and political assistance to anyone who refused to follow Obergefell for constitutionally protected reasons; and
- 4) by appealing to the United States Congress to correct the Supreme Court's usurpation of power by telling the Supreme Court that it does not have appellate jurisdiction in cases regarding the definition of marriage, in accord with their powers delegated in Article 3, Section 2, paragraph 2 of the U.S. Constitution.

PATRIOT'S BRIGADE OF TENNESSEE P.O. Box 2442 Greeneville, TN 37744

WE RECOMMEND THE SULLIVAN COUNTY RESLOUTION, BECAUSE WE BELIEVE THEIR RESOLUTION IS STRAIGHTFORWARD, PRECISE, TO THE POINT AND EXPLAINS WHY THE SUPREME COURT OPINION ON SAME-SEX MARRIAGE MUST BE NULLIFIED.

Some say that because of the June 26, 2015 Supreme Court opinion on same-sex marriage that:

"Our law now simply says if any one of adult age desires to live in a committed and responsible relationship, they 'will' enjoy the same rights extended to all others...period, end of story."

What they refer to as "our law" is not a law at all! WE believe it is an unconstitutional opinion rendered by the Supreme Court. Please let us explain:

In Article I, Section 1, the Constitution states that, "All legislative powers herein granted shall be vested in a Congress of the United States..." However, Congress cannot delegate, confer any lawmaking power to any branch of government, individual, or anything, because it has no "enumerated power" to create lawmakers. The President and Federal Courts are vested with the executive and judicial powers, respectively. However, neither includes a general power of law making. Therefore, no person, agency or department of the judicial or executive branches of the government not even the Supreme Court, or the President of the United States, has any law making powers under the Constitution.

In Article I, Section 7, Paragraph 2, of the Constitution we find how laws are to come into existence: they must be passed by both Houses of Congress, and then the law must be presented to the President. If he approves it, he can sign it into law or he can permit it to become law without his signature in ten days. The President can veto the bill by returning it with his objection to the House of its origin. If the bill is approved by two-thirds vote by both Houses of Congress, it becomes law without his signature.

Laws by the Supreme Court opinions have not been passed by both Houses of Congress, now have they been signed into law by the President. How can they be considered in accordance with the Constitution? They cannot, therefore they are unconstitutional!

WE believe that the five justices—Anthony Kennedy, Ruth Bader Ginsburg, Stephen Breyer, Sonia Sotomayor and Elena Kegan—(The Five) committed a fraudulent crime against "We the people" and the Constitution of the United States when they declared that every Sovereign State must marry members of the same sex and recognize same-sex marriages performed in another state.

1. First, The Five ruled that the Federal Government could not define marriage in the case concerning the Defense of Marriage Act in 2013; they said only the states could do that.

- 2. Then about three months after the Defense of Marriage case was decided, Federal Judges began to declare State laws and Constitutions that stated marriage is between one man and one woman were unconstitutional.
 - A. This was done in spite of the fact The Five had said the Federal Government had no jurisdiction over marriage.
 - B. If the Federal Government has jurisdiction, the lower courts should have judged in favor of one man and one woman, because of the 1882 legislation and the 1885 Supreme Court case declaring that it was constitutional (United States Supreme Court 1885 in the case of Murphy vs. Romsey and others 144 U.S. 15, 45 (1885.) In fact Article VI of the Constitution requires the lower courts to do so.
- 3. The Supreme Court did not take any same-sex marriage cases until Federal Judges declared enough State laws and Constitutions unconstitutional, that Justice Kennedy could write many states have already approved same-sex marriages. When in fact, it was forced upon the States by Federal Judges in violation of Article VI of the Constitution.
- 4. Then The Five did on June 16, 2015, what they said the Federal Government could not do just two years earlier.

They defined marriage as between two people.

- A. How can the Supreme Court define marriage, if a coequal branch of Government, Congress, cannot define marriage?
- B. The truth is they cannot. The Constitution did not give them that power!

The Five in perpetration of this fraudulent crime violated every Article of the Constitution except Article VII, which explains how the Constitution was to be ratified:

<u>Article I</u>, Justice Scalia stated the opinion of The Five is a naked judicial claim to legislative-indeed super-legislative powers; A claim fundamentally at odds with our system of government.

Article II, The Five assume the executive power to sign bills into law.

Article III, The Five did not confine themselves to judicial power.

Article IV, Section 4, "The United States shall guarantee to every State in this Union a republican form of government...." In a representative republic "We the People" are the king and the branches of the Federal Government are our servants. In their opinion The Five assume the role of "We the People" and dictated to us how they believe our society should be socially transformed.

<u>Article V</u>, The Five unilaterally amended the Constitution by granting rights that were not enumerated in the Constitution.

<u>Article VI</u>, The Five did not ensure that lower Federal and States judges were bound by the supreme Law of the Land.

In addition, The Five violated Articles IX and X of the Bill of Rights in granting homosexual marriage equal dignity in the eyes of the law.

The Constitution clearly states: "The enumeration in the Constitution, of certain rights, shall not be construed to deny or disparage others retained by the people."

Equal dignity in the eyes of the law for same-sex marriage is not enumerated in the Constitution. Therefore, the Constitution does not grant that, and because the Supreme Court has no legislative power, neither can The Five grant that right. It is retained by the people!

We have it under no less authority than the Chief Justice of the Supreme Court that the opinion rendered by the five Justices on same-sex marriage is unconstitutional. John Roberts wrote that The Five imposed their "will" on us, that it "was unconstitutional and that it was not a legal judgment... The opinion of the Five was not based on the Constitution or Court's precedents."

NO, we cannot let that be the end of the story. The Five have completely shredded the Constitution and that will be the end of our representative republic if the unconstitutional opinion of the Supreme Court is allowed to stand.

It must be completely nullified if we are to remain a government of the people, by the people and for the people.

In addition we, The Patriot's Brigade of Tennessee, believe that The Five have demonstrated a history of bad behavior two times with cases on Obamacare; and now this grievous fraudulent crime which they have perpetrated on "We the People" and the Constitution has demonstrated that they cannot maintain the good behavior required for them to fulfill the oath that they took to support the Constitution. Therefore, they should be removed from their office by impeachment by the House of Representatives and conviction by the Senate.

We pray that your county will pass a resolution similar to that of Sullivan County's, or one more in keeping with the personality of your county, that will nullify the Supreme Court's opinion on same-sex marriage and require your State Representatives and Senators to do so at the state level; and call for the impeachment of the five lawless Supreme Court Justices.

PATRIOT'S BRIGADE OF TENNESSEE P.O. BOX 2442 GREENEVILLE, TN 37744 EDITION #3, OCTOBER 2016

It was of GREAT disappointment that State Representative Mark Pody's Bill H.B. 1412, along with S.B. 1437 by Senator Mae Beavers, failed to pass in this last session of the General Assembly of Tennessee which would have nullified the sinful unconstitutional U.S. Supreme Court decision on same-sex marriage.

H.B. 1412 was voted down in the Civil Justice Subcommittee on January 20, 2016. This is why it never made it through the other committees and eventually to the House Floor for final vote by our State Representatives.

The Civil Justice sub-committee has five members, three Republicans and two Democrats. It failed by a vote of four to one. The two Republicans that voted against H.B. 1412 were 1st District Jon Lundberg (Bristol) and 29th District Mike Carter (Ooltewah). The two democrats were 51st District Bill Beck (Nashville) and 59th District Sherry Jones (Nashville). We would like to thank 97th District Republican Jim Coley (Bartlett) for the only vote in support of H.B. 1412.

As we stated in our November 2015 newsletter, before the Tennessee Legislature came into session in January 2016, "The five members of the U.S. Supreme Court who voted for same-sex marriage violated their oath of office." Under the Constitution of the United States, the Supreme Court cannot make law. Only Congress can make law. Why haven't our Congressmen and Senators in Washington corrected this unlawful act by the Supreme Court? If they themselves do nothing about it, they also violate their oath of office.

We also stated in that same newsletter that nearly 82% of the citizens of Tennessee voted that marriage is between only one man and one woman. In 2006, this became part of our Tennessee State Constitution:

Tennessee Constitution Article XI, Section 18 (2006)

The historical institution and legal contract solemnizing the relationship of one man and one woman shall be the only legally recognized marital contract in this state. Any policy or law or judicial interpretation purporting to define marriage as anything other than the historical institution and legal contract between one man and one woman is contrary to the public policy of this state and shall be void and unenforceable in Tennessee. If another state or foreign jurisdiction issues a license for persons to marry and if such marriage is prohibited in this state by the provisions of this section, then the marriage shall be void and unenforceable in this state. (Emphasis added)

Why didn't our own Governor and Attorney General take immediate steps to nullify the Supreme Court decision? They took an oath to uphold and defend the U.S. and Tennessee State Constitutions. This means that thus far, they are breaking their oath of offices as well.

In addition, let's not forget to include our County Clerk's throughout Tennessee. They took an oath to uphold both the U.S. and Tennessee State Constitutions. If they issue same-sex marriage licenses, they violate their oath of office. If your County Clerk is issuing same-sex marriage licenses, ask them, "By what authority are you issuing them?" Hold them accountable. They have no legal ground to stand on.

Unfortunately, H.B. 1412 was openly opposed by Family Action Council of Tennessee (FACT), a group that holds itself out as a conservative Christian organization. FACT executive director

David Fowler was making the rounds in Nashville asking that House members vote against H.B. 1412 because he felt that the Tennessee General Assembly had no legal basis to oppose the holding of the U.S. Supreme Court <u>Obergefell</u> decision. Representatives from Patriot's Brigade had lengthy discussions with him about his legal philosophy, but we were unable to persuade him to change positions.

Fowler indicated that, at least at this point, state nullification was not a permissible way to approach the issue. Furthermore, he indicated that he was intending to file (and he later did file) a lawsuit in Williamson County Chancery Court in an attempt to have a Tennessee court rule that the Obergefell opinion struck down ALL marriage laws in Tennessee. By doing so, he hoped to have Tennessee courts rule that: (a) marriage was in disarray in Tennessee, (b) the federal courts had created the problem, (c) the federal courts had overstepped their authority by abolishing Tennessee marriage laws, and (d) the federal courts would have to fix the problem by reconsidering the Obergefell decision and perhaps acknowledge that federal courts really do not have authority to rewrite state marriage laws.

Representative Mark Pody's Bill H.B. 1412 had only 24 co-sponsors, 23 Republicans and 1 Democrat. The Tennessee House has 99 members. Where were the Republicans who have a super majority? Were they hiding? Ask your State Representative in your district if he or she was a co-sponsor of H.B. 1412. If they were not, ask them why they were not a co-sponsor. They ran for that office with an oath, and it is your duty as a good citizen to demand an honest answer.

We have a list of the co-sponsors of H.B. 1412. See if your State Representative's name was on this list. If it's not, you need to get busy.

We must not allow our children and grandchildren to be desensitized into thinking that homosexuality and same-sex marriage is normal. Both the Old and New Testaments in the Holy Bible are very clear of the awful sin of homosexuality. Leviticus 18:22 states it clearly. "Thou shall not lie with mankind, as with womankind: It is an abomination." Other references are Romans 1:26, I Corinthians 6:9, and Jude 7 & 8.

The foundation of our Republic and its laws are based on Christianity. Let us not fall prey to a lawless judiciary in legalizing what God and the Bible forbids.

God Bless,

The Patriot's Brigade

The Honorable Bill Brittain Hamblen County 511 West Second North Street Morristown, Tennessee 37814

RE: Important Information—Price Changes

Dear Mayor Brittain:

We are committed to delivering the entertainment and services our customers in Hamblen County rely on today, and the new experiences they will love in the future. As we continue to invest in our network, products, and services, the cost of doing business rises. Among our largest increasing costs are the fees we pay to programmers so that we can continue to offer the best in entertainment, news and sports. As a result, starting January 1, 2018, prices for certain services and fees will be increasing, including the Broadcast TV Fee and Regional Sports Fee. Please see the enclosed Customer Notice for more information.

While some prices may have increased, we are always investing in technology to drive innovation. We are working hard to bring our customers great value every day and exciting new developments in the near future, including the following:

- the most TV shows and movies available On Demand
- innovative X1 Voice Remote that makes searching for shows and movies easier
- self-service options to save our customers time and adapt to their schedule
- access to Netflix and YouTube content on XFINITY X1
- America's best internet provider, according to Speedtest.net
- the fastest internet and the most WiFi coverage throughout customers' homes
- a new way to personalize and control home networks with XFINITY xFi.

We know you may have questions about these changes. Please feel free to contact me at 865.862.5001 if you have any questions.

Sincerely.

Katy Brown

Manager, External Affairs
