Re:

Annual Debt Report

We are pleased to present to you our Annual Debt Report in compliance with Section II.B of Hamblen County's Debt Management Policy for the fiscal year ending June 30, 2018. It is our goal to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

Hamblen County received a rating of Aa3 from Moody's Investors Service, and an AA- from Standard and Poor's during its most recent ratings. These ratings are a positive reflection of Hamblen County's solid financial position, conservative budgetary practices, and well managed debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lower tax burden on its citizens.

The most recent ratings are further supported by comparing selected ratios to national benchmarks. Based on the outstanding principal at June 30, 2018, Hamblen County's net debt to assessed property value is 1.36 percent compared to a national benchmark which recommends a percentage of no more than 10 percent. Additionally, Hamblen County's net debt-per-capita ratio of \$301 is considered in the very low category in Standard & Poor's classification system for setting credit ratings. Finally, Hamblen County's net debt as a percentage of personal income is .84% percent as compared to the benchmark which recommends a percentage of 4.5% percent or less. Each of these ratios individually, and in combination, reinforces the County's strong financial management practices. Hamblen County also compares favorably with surrounding counties. As of June 30, 2017 Hamblen County had the lowest per capita debt of all its six contiguous neighbors.

As we begin the 2018-2019 budget discussions, we will work with our County Commission and exercise strong financial management practices to ensure the continued financial success of Hamblen County.

Re:

Annual Debt Report

In compliance with Section II.B of Hamblen County's Debt Management Policy, Anne Bryant-Hurst, Finance Director, and I present the Annual Debt Report for the fiscal year ending June 30, 2018, for your approval. Anne and I agree that the timing of this report is advantageous. This report provides invaluable information to the Finance Committee, Budget Committee, and County Commission that will allow us to adopt an adequately funded debt budget. The information contained herein will allow us to evaluate our current financial position, future funding requirements, and our ability to issue debt in the future based on capacity.

Hamblen County's ratings of Aa3 from Moody's Investors Service and AA- from Standard and Poor's are a positive reflection of Hamblen County's solid financial position, conservative budgetary practices, and well managed debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return means a lower tax burden on its citizens. Hamblen County also compares favorably with surrounding counties. As of June 30, 2017 Hamblen County had the lowest per capita debt of all its six contiguous neighbors.

Additionally, I feel that this report allows us to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. This transparency strengthens the accountability for all of us. We must, and will, ensure that taxpayers' dollars are properly expended.

We look forward to working together, so that we can, and will, prepare a debt budget that meets the needs of the citizens. Again, we are pleased to present the Annual Report as we begin to consider the 2018-2019 General Debt Service Fund Budget.

**Net Debt** - Net debt is the outstanding principal less the fund balance that is currently available in the General Debt Service Fund. This allows Hamblen County to determine the amount required to be collected in the future to retire the outstanding principal on its debt.

Net Debt Per Capita - Net debt per capita is calculated by dividing the net debt by the total number of citizens of Hamblen County. This is the additional amount that Hamblen County would need to collect from every citizen in order to retire its outstanding principal balance. Simply stated, if every citizen remitted an additional \$301 to Hamblen County at June 30, Hamblen County would be able to retire all of its debt excluding the interest component at one time. For comparison, Standard and Poor's classifies governments with less than \$1,000 in net debt per capita as having a very low debt burden.

The Qualified School Construction Bonds were issued through the Tennessee State School Bond Authority and loaned to Hamblen County on December 17, 2009, in the amount of \$11,280,000. This other loan was issued at a cost of \$124,936 for capital projects related to the school department. It is important to note that the Tennessee State School Bond Authority issued the bonds and loaned the proceeds to Hamblen County and various other governments across Tennessee. Hamblen County pays interest of 1.515 percent on its share of the bonds and also pays a monthly administrative fee to the State of Tennessee. Hamblen County and the other borrowers of the bond proceeds are required to comply with federal regulations established for the Qualified School Construction Bond program. Failure to comply with those requirements may result in the loss of the tax credit status of the bonds. This would result in further charges to the borrowers (Hamblen County) including the requirements to pay the tax-credit rate (5.86 percent) in addition to the 1.515 percent for a total rate of 7.375 percent. Currently, the budget is based on the 1.515 percent and the related monthly administrative fee.

Re: Inmate Healthcare Services Hamblen Co Jail

On Thursday, April 5, 2018, the Interview Committee for the Inmate Healthcare Services at Hamblen County Jail conducted interviews with the two providers that recently submitted proposals. The Interview Committee consisted of Wayne Mize, Geno Hambrick, Teresa Laws, Anne Bryant-Hurst, Johnna Harrell, Todd Davis and myself.

Based on the scoring results and much discussion, as well as cost analysis, we unanimously recommend Southern Health Partners to receive the contract for the healthcare services for inmates at the jail.

I am asking permission to negotiate a 3-year contract with Southern Health Partners to provide inmate healthcare at the Hamblen County Jail.

**REQUEST:** 

Rezoning Request in Urban Growth Boundary

#### **BACKGROUND**:

City staff has received a rezoning request located within the City's Urban Growth Boundary from Mr. Alvy Couch for his property at 3887 South Davy Crockett Highway. Currently zoned A-1 (Agricultural/Forestry), Mr. Couch is seeking a C-1 (Commercial) designation for his business.

The 2.25 acre site is located behind Raimondi Carmel Apple factory and north (across Spencer Hale Drive) from Lakeway Auto Salvage. The property fronts South Davy Crockett Parkway. Surrounding properties are all zoned A-1, the exception being the paint shop directly across 25E which is zoned C-1.

Three buildings occupy the site, all between eight and nine thousand square feet in size and all used for commercial large motor vehicle storage, the exception being the northern most building which has an office in the front (Life Care).

#### **RECOMMENDATION:**

A memorandum (attached) from the County expresses support for this rezoning request with which City Staff concurs, therefore, Staff asks that the Morristown Regional Planning Commission recommend this rezoning request be granted by the Hamblen County Commission.

Re:

Corridor Study Agreement SR66

The Lakeway Transportation Planning Organization (LAMTPO) is conducting a corridor management study for the new SR 66 highway connecting I-81 Exit 4 in Jefferson County to Hwy 160 in Hamblen County. The purpose of the study is to prepare guidelines to manage and control growth along the route of the highway.

Part of the study process is the creation of a Corridor Management Agreement (CMA) among the local governments, the state department of transportation and the local transportation planning agency along the route. The three (3) core elements of a CMA are:

- 1) **Purpose**: To make sure SR 66 will be a free flowing, multi-model transportation network. This can be accomplished by limiting the number of driveway connections, linking parking lots, having frontage/access roads, limiting the number of traffic signals. minimizing the number of conflict points, etc.
- 2) Agreement: To make sure that the governing agencies communicate and collaborate with one another, when new developments and property redevelopment occurs along the thoroughfare;
- 3) Governance: To establish specific goals and strategies and/or actions for SR66. This will mostly be outlined in the SR66 Corridor study what will be completed by WSP Consultants.

I am proposing that Hamblen County join the City of Morristown, Jefferson City, Jefferson County, the City of White Pine, the Tennessee Department of Transportation (TDOT) and LAMTPO in a corridor management agreement that all the agencies will use to manage development along SR 66. The agreement is attached.

Re:

Surplus of 1990 Chevrolet C63 Bus

The Hamblen County Community Work Program has a 1990 Chevrolet C63 Bus, VIN #2GBHG31K4L4104244, which we wish to surplus. The vehicle has mechanical issues that will cost the County a larger expense than its current value. The van's engine is inoperable, the warning lights are inoperable, the turn signals do not work properly and the defrost and heater functions are inoperable.

I am asking the County Commission to surplus the 1990 Chevrolet C63 Bus from the Community Service Work Program's asset listing and allow the funds to be applied to the purchase of another vehicle in an effort to continue operating our Community Service Program.
