A RESOLUTION OF THE COUNTY COMMISSION OF HAMBLEN COUNTY, TENNESSEE AUTHORIZING THE APPLICATION FOR TDEC RECYCLING EQUIPMENT, CONVENIENCE CENTER AND EDUCATION AND OUTREACH GRANTS

WHEREAS, the Hamblen County Commission supports all attempts to improve recycling opportunities within Hamblen County; and

WHEREAS, Hamblen County and the City of Morristown both provide door-to-door pickup service for their citizens and want to begin disposing of the recyclables at a convenience center operated by the Hamblen County – Morristown Solid Waste System ("System"); and

WHEREAS, the "System" has indicated its intention to make major capital improvements at its landfill to build the convenience center to support recycling efforts; and

WHEREAS, the Tennessee Department of Environment and Conservation (TDEC) offers grants to local governments for partial financing of improvements made to solid waste facilities; and

WHEREAS, the System is committed to providing necessary matching funds and/or in-kind services which will be used to satisfy the forty percent (40%) funding match required by the TDEC recycling equipment, convenience center and education and outreach grants.

NOW, THEREFORE, BE IT RESOLVED, that the Hamblen County Commission hereby authorizes the County Mayor or his representative(s) to prepare grant applications to fund the proposed improvements at the Hamblen County – Morristown landfill. The applications will seek grant funds not to exceed \$200,000 with 40% of the total project cost to be matched by Hamblen County through the System, the City of Morristown and other in-kind matching sources. If awarded the grant funding, Hamblen County in partnership with the System will meet the time deadlines outlined in the grant contract.

Inmate Food Consulting Services Bid

Cindy,

Can you add the Inmate Food Consulting Services bid to the agenda for the September meeting? I will not have the bid tabulation until Thursday, September 20th because there is a vendor presentation on Tuesday, September 18th.

Thank you!

TENNESSEE TOURISM'S DIRECT ECONOMIC IMPACT TOPS \$20 BILLION IN 2017 \$100 MILLION IN HAMBLEN COUNTY

Nashville, TN - - Governor Bill Haslam and Tennessee Department of Tourist Development commissioner Kevin Triplett announced Tennessee tourism's direct domestic and international travel expenditures reached a new all-time record high of \$20.7 billion in 2017, up 6.3 percent over the previous year, as reported by the U.S. Travel Association. Tourism also generated 184,300 jobs for Tennesseans, a 3.1 percent growth year over year.

For the 12th consecutive year, tourism topped \$1 billion in state and local sales tax revenue, reaching \$1.8 billion. That marks a 7.6 percent increase over 2016, higher than the national growth of travel-related state tax revenues of 4.6 percent.

Hamblen County's direct economic impact rose to a record \$100.4 million, a 7% increase over 2016's numbers. Visitors to Hamblen County generated \$6.29 million in state sales tax revenue and \$2.2 million in local tax revenue.

"These record-breaking numbers validate that visitors enjoy all of the wonderful attractions, festivals, museums, and outdoor activities that we offer in Morristown and Hamblen County", stated Anne Ross, director of tourism for the Morristown Area Chamber of Commerce. "Whether here for several days, or a quick meal while heading to another location, visitors appreciate the warm welcome they receive in our community."

"The growth of the tourism industry and its economic impact comes from guests discovering the world-class food, history and culture, scenic beauty and outdoors and experiences that make Tennessee 'The Soundtrack of America.'," Commissioner Kevin Triplett said. "The authenticity and Southern hospitality from our communities and partners gives visitors an unbeatable experience and inspires them to return. The numbers show Tennessee is a destination of choice for visitors around the world. However, we would not have these numbers if not for the capital investments, renovations and dedication made by tourism partners across the state to deliver great experiences that create wonderful memories."

A record 113.6 million person stays also were recorded in 2017, according to U.S. Travel. Those numbers place Tennessee among the Top 10 travel destinations in the nation for the fourth consecutive year. Tennessee is also considered a top retirement destination.

The Honorable Bill Britton, County Mayor Hamblen County Hamblen County Courthouse 511 West Second North Street Morristown, TN 37814

The Honorable Gary Chesney, Mayor City of Morristown 700 West First North Street Morristown, TN 37814

Dear Gentlemen:

In accordance with TCA 68-211 Part 7 (The Jackson Law), Lowland Waste Solutions hereby respectfully requests your approval of a Class III landfill adjacent to SR160 in the Lowland area. In accordance with TDEC- Division of Solid Waste Management classifications, a Class III is used for the disposal of:

- Farming Wastes
- Landscaping and land clearing wastes
- Demolition/Construction wastes
- Shredded Automotive Tires
- Other similar wastes approved in writing by TDEC-DSWM

Information concerning the proposed site is as follows:

- Hamblen County Parcel 059-009.00 & 059-009.05
- Located on Enka Highway (SR160)
- Acreage: 83.05 total acres
- Zoning Classification: 09- Industrial

- Within the Morristown Corporate limits
- Portion of the original BASF property

Please not the following information relative to our proposed Class III landfill:

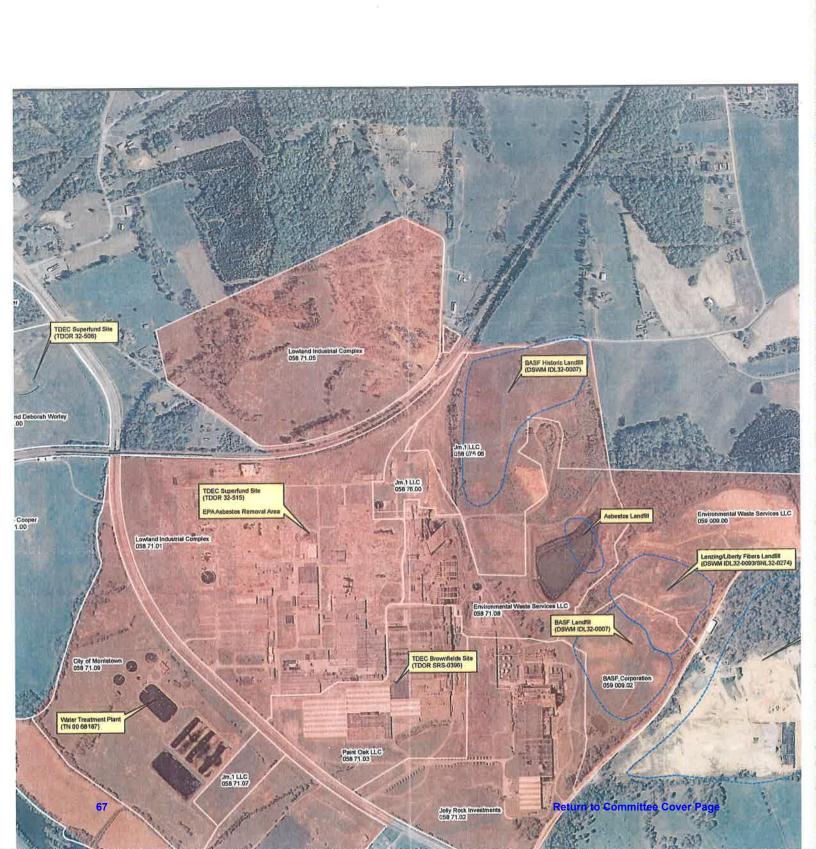

- The landfill will accept Class III waste only
- The waste will be placed, compacted, and covered in compliance with TDEC restrictions
- The site is directly adjacent to an active Class I landfill (Waste Industries, Inc) and previously closed landfill that were operated by Lenzing and BASF
- Noise and odor impacts would be minimal as the site is adjacent to an active Class I landfill, and we will not handle any odorous materials, and would be operated during normal daily working hours
- Impacts to surrounding property values would be minimal due to the existing landfills and industrial sites adjacent to the property
- Existing roads are adequate to accept any additional traffic due to landfill operations that already exist
- Development of a Class III would allow construction and demolition type wastes that are presently being disposed of in the existing Morristown/ Hamblen County Class I Landfill to be diverted. This would extend the life of the existing landfill and minimize materials being deposited in the Class I facility that should be diverted.
- The proposed site is presently zoned for industrial use, which includes landfill development.
- No rezoning is proposed

In accordance with TDEC-DSWM requirements, a Public Notice of your consideration of this request must be issued in accordance with TCA subsection 68-211-703(a) and signage placed in accordance with TCA subsection 68-211-703(h). A copy of a portion of a Hamblen County CLT map with the proposed site highlighted is attached for your reference.

We would appreciate your consideration of this request at a regularly scheduled meeting. If you have any questions or need any additional information, please feel free to contact me at 423-736-3999.

Sincerely.

Patrick McGuffin

Re: Landfill Construction; Jackson Law Requirements/Overview

MEMO -

Issue: What are the responsibilities and requirements to comply with the Jackson Law regarding construction of a new landfill?

Tennessee Code Annotated §68-211-701 et. seq. as codified is generally known as the "Jackson Law." These statutes govern the local approval of solid waste facilities. I have attached a copy of the TCA sections with this memo, as well as a brief summary from CTAS regarding the Jackson Law. Hamblen County originally adopted the Jackson law on 1-20-1992 and re-adopted this law on 3-20-2003. Since this law has already been adopted in our county, basically this now ensures that the county legislative body has to approve the construction of any new landfill. Furthermore, if the proposed new landfill is within the city limits, or within a mile of the city limits, then the new landfill must also be approved by the municipal governing body.

Prior to either governing body granting approval for the landfill construction, public notice and an opportunity for public hearing must be had. TCA §68-211-703 addresses the required notice in detail. Specifically, in order to inform people in the area where the landfill is potentially going to be constructed, both the County and the City need to provide notice by either posting in public places and post offices near to the proposed landfill and/or by publishing in the local newspaper. The **public notice** shall contain the following:

-name, address and phone number for the city/county department/agency reviewing the application for the proposed landfill;

-name and address of proposed landfill owner and/or operator;

- -location and size of the proposed landfill;
- -a brief description of the type of operation to be operated at the landfill, the location of the landfill, and the type of waste that will be accepted;
- -a description of the time frame and procedures for making a final determination of the landfill application approval or disapproval; and

-the address and phone number for where citizens can obtain further info about the proposed landfill, request copies of documents and/or review documents about the proposed landfill.

Anyone who is an "interested person" about the proposed landfill can submit comments within 30 days of the public notice being issued and they can also request a public hearing be held. The statute states that if there is significant public interest in having a hearing, one hearing shall be held; if there is a question as to whether or not there is "significant public interest in having a hearing," the hearing should be held. If it is determined that a hearing is going to be held, there needs to be public notice of this hearing provided at least 15 days prior to the hearing. This notice needs to be done by newspaper and by sending notice of the hearing directly to the people who specifically requested info on when the public hearing will be held or requested more info on the proposed landfill. The **public hearing notice** shall contain the following:

-name, address and phone number for the city/county department/agency who was responsible for the application review;

- -name and address of each proposed landfill owner or operator who will be heard at the hearing;
- -a description of the proposed landfill and the type of disposal methods to be used;
 - -a brief reference to the public notice issued for the proposed landfill;
 - -information regarding the time and location for the hearing;
 - -the purpose of the hearing;
- -a concise statement of the issues raised by the persons requesting the hearing;

-address and phone number of the location where interested persons may obtain further info, request a copy of each draft permit, request a copy of each fact sheet, and inspect and/or copy forms and related documents; and

-a brief description of the nature of the hearing, including the rules and procedures to be followed.

Additionally, the proposed landfill owner shall provide notice to all property owners owning property within a 3 mile radius of the landfill at least 15 days prior to any hearing by erecting signs on all roads leading directly to the proposed landfill site. The signs must be erected on such roads at the perimeter of the 3 mile radius, be clearly visible to people traveling into the area, must be at least 3 feet high and 5 feet wide and must contain the following information in clear type:

- -the name of the city/county department/agency reviewing the application;
- -name and address of the proposed landfill owner/operator;
- -location and size of the proposed landfill;
- -a brief description of the type of operation to be operated at the landfill and the type of waste that will be accepted;
- -a description of the time frame for making a final determination on the landfill application approval or disapproval; and
- -the address and phone number of the location where further information and documents pertaining to the landfill can be reviewed and/or copied.

Within 30 days after notice and an opportunity for a public hearing, the County and City governing bodies can take action to approve or disapprove the proposed new construction. Depending on the bodies' action, the matter can be reviewed by the Chancery Court.

Landfill Approval by County - "Jackson Law"

Tennessee Code Annotated Tennessee Attorney General Opinions

Reference Number: CTAS-542

Reference Number: CTAS-542

The so-called "Jackson Law" is an optional general law that may be adopted by a county or municipal legislative body by a two-thirds (2/3) majority vote. If adopted, it provides that no new construction will be initiated for a landfill without the approval of the county legislative body unless the landfill only accepts waste generated by its owner and all such waste is generated in the same county as the landfill. Additionally, if such proposed construction is in an incorporated area or within one mile of an incorporated area, the governing body of the municipality must also approve before construction can be initiated. T.C.A. § 68-211-701. Public notice and public hearings are required before the vote of the legislative body. T.C.A. § 68-211-703. This law states criteria that must be considered by the legislative body in determining whether or not to approve the construction. Judicial review of the legislative body's determination may be had before the chancery court for the county in which the landfill is to be located. T.C.A. § 68-211-704. The Tennessee Court of Appeals upheld a decision by the Davidson County Chancery Court that exclusion of county and municipal landfills from application of the Jackson Law as provided in T.C.A. § 68-211-706(b) is unconstitutional as a violation of the equal protection clause since there is no rational basis for this discrimination against private landfills. However, the Court applied the doctrine of elision (removal of offending provision, exemption of public landfills) and upheld the remainder of the act. Profill Development, Inc. v. Dills, 960 S.W.2d 17 (Tenn. App. 1977).

In 2013, the Jackson Law was amended to increase the scope of the law to include a change in classification of a landfill to a classification with higher standards. However, this amendment provides that it only applies if independently approved by a two-thirds vote of the county legislative body if the county adopted the Jackson Law prior to May 13, 2013.

In a statute separate from the "Jackson Law," municipalities must obtain the approval of the county legislative body at two consecutive regularly scheduled meetings before the municipality may exercise the power of eminent domain to obtain property to be used as a landfill for solid waste disposal outside of the corporate limits of the municipality. T.C.A. § 68-211-122.

§ 68-211-701. Counties; municipal corporations

Effective: May 13, 2013 Currentness

- (a) No construction shall be initiated for any new landfill for solid waste disposal or for solid waste processing until the plans for such new landfill have been submitted to and approved by:
- (1) The county legislative body in which the proposed landfill is located, if such new construction is located in an unincorporated area;
- (2) Both the county legislative body and the governing body of the municipality in which the proposed landfill is located, if such new construction is located in an incorporated area; or
- (3) Both the county legislative body of the county in which such proposed landfill is located and the governing body of any municipality which is located within one (1) mile of such proposed landfill.
- (b) Prior to accepting any waste that would require a change in the classification of a landfill under rules promulgated pursuant to this chapter to a classification with higher standards including, but not limited to, changing the classification from a Class III or IV to a Class I or II or from a Class II to a Class I, the plans for which were approved pursuant to subsection (a), the landfill operator shall first submit the proposal to accept the waste to:
- (1) The county legislative body in which the landfill that is the subject of the proposed change in classification is located, if such landfill is located in an unincorporated area;
- (2) Both the county legislative body and the governing body of the municipality in which the landfill that is the subject of the proposed change in classification is located, if such landfill is located in an incorporated area; or
- (3) Both the county legislative body of the county in which the landfill that is the subject of the proposed change in classification is located and the governing body of any municipality which is located within one (1) mile of such landfill.

(c) After submission to the county legislative body or municipality under subsection (b), the county legislative body or the municipality or both shall give public notice and an opportunity for public hearing on the proposal and then approve or disapprove it in accordance with § 68-211-704(a) and (b). Judicial review of the decision shall be available in accordance with § 68-211-704(c).

§ 68-211-703. Public notice; written comments; hearings

Effective: May 20, 2011 Currentness

- (a) In order to inform interested persons in the area of a proposed landfill, public notice shall be circulated by the county legislative body, the municipal governing body, or both such entities within the geographical area of the proposed landfill approval by any of the following means:
- (1) Posting in the post office and public places of the municipality nearest the landfill under consideration; or
- (2) Publishing in local newspapers and periodicals, or, if appropriate, in a daily newspaper of general circulation.
- (b) Public notice of a proposed landfill approval includes the following:
- (1) Name, address and telephone number of the local city/county/official/department/agency reviewing the application;
- (2) Name and address of the proposed landfill owner and/or operator;
- (3) Location and size of the proposed landfill;
- (4) Brief description of the type operation to be operated at the landfill, the location of the landfill and the type waste that will be accepted;
- (5) A description of the time frame and procedures for making a final determination on the landfill application approval or disapproval; and
- (6) Address and telephone number of the premises at which persons may obtain further information, request copies of data on the landfill, and inspect this data.

- (c) A copy of the public notice and fact sheet shall be sent to any person who specifically requests one. A copy of each notice of application and fact sheet shall also be sent to those persons who have requested the addition of their names to a mailing list.
- (d) Interested persons may submit written comments on the proposed landfill within thirty (30) days of the public notice or such greater period as is allowed. All written comments submitted shall be retained and made available to the department of environment and conservation in its final determination of registration of the proposed site.
- (e) Interested persons may request in writing that the county legislative body, municipal governing body or both such entities hold a public hearing on any proposed new construction for solid waste disposal by landfilling or solid waste processing by landfilling prior to approval of such new construction. The request must be filed within the period allowed for public comment and must indicate the interest of the party filing it and the reason why a hearing is warranted. If there is a significant public interest in having a hearing, one (1) hearing shall be held in the geographical area of the proposed landfill. Instances of doubt should be resolved in favor of holding a hearing. The comments made at the hearing shall be transcribed or recorded to assist in the final determination of approval of the proposed new landfill.
- (f) No less than fifteen (15) days in advance of the hearing, public notice of it shall be circulated at least as widely as was the notice of the proposed landfill approval. The procedure for circulation of public notice for the hearing shall include the following:
- (1) Publication in a newspaper of general circulation within the geographical area of the landfill; and
- (2) Sending notice to all persons who received a copy of the notice or fact sheet for the proposed landfill approval and any person who specifically requests a copy of the notice of the hearing.
- (g) Each notice of a public hearing shall include at least the following contents:
- (1) Name, address and telephone number of the city/county official/department/agency who/which was responsible for the review of the application;
- (2) Name and address of each proposed landfill owner or operator who will be heard at the hearing;
- (3) A description of the proposed landfill and the type of disposal methods to be used;
- (4) A brief reference to the public notice issued for each proposed landfill;
- (5) Information regarding the time and location for the hearing;

- (6) The purpose of the hearing;
- (7) A concise statement of the issues raised by the persons requesting the hearing;
- (8) Address and telephone number of the premises at which interested persons may obtain further information, request a copy of each draft permit, request a copy of each fact sheet, and inspect and copy forms and related documents; and
- (9) A brief description of the nature of the hearing, including the rules and procedures to be followed.
- (h)(1) In addition to all other notice requirements of this section, the proposed landfill owner shall provide notice to persons owning property within a three-mile radius of such landfill no less than fifteen (15) days in advance of any hearing scheduled in accordance with this part by having signs erected on all roads leading directly to the proposed landfill site. The signs shall contain the information required in subdivision (h)(2), shall be erected on such roads at the perimeter of the three-mile radius and be clearly visible to persons traveling into the area.
- (2) The signs shall be at least three feet (3#) high and five feet (5#) wide and include the following in legible type:
 - (A) Name of the local city/county/official/department/agency reviewing the application;
 - (B) Name and address of the proposed landfill owner and/or operator;
 - (C) Location and size of the proposed landfill:
 - (D) Brief description of the type operation to be operated at the landfill and the type waste that will be accepted;
 - (E) A description of the time frame for making a final determination on the landfill application approval or disapproval; and
 - (F) Address and telephone number of the premises at which persons may obtain further information, request copies of data on the landfill, and inspect this data.
- (3) The highway department for the county in which the landfill is proposed to be located may erect and maintain the signs, and remove the signs within ten (10) days of the completion of all hearings related to the application for a proposed landfill.

- (4) All costs associated with the erection of the signs including, but not limited to, their design, construction, delivery and removal shall be borne by the proposed landfill owner.
- (5) A violation of this subsection (h) shall be a Class B misdemeanor punishable by a fine only of up to five hundred dollars (\$500). Each day a violation occurs constitutes a separate offense.

Currentness

- (a) Within thirty (30) days after notice and an opportunity for a public hearing as provided in § 68-211-703, the county legislative body, the municipal governing body or both such entities shall approve or disapprove the proposed new construction for solid waste disposal by landfilling or solid waste processing by landfilling.
- (b) The following criteria shall be considered in evaluating such construction:
- (1) The type of waste to be disposed of at the landfill;
- (2) The method of disposal to be used at the landfill;
- (3) The projected impact on surrounding areas from noise and odor created by the proposed landfill;
- (4) The projected impact on property values on surrounding areas created by the proposed landfill;
- (5) The adequacy of existing roads and bridges to carry the increased traffic projected to result from the proposed landfill;
- (6) The economic impact on the county, city or both;
- (7) The compatibility with existing development or zoning plans; and
- (8) Any other factor which may affect the public health, safety or welfare.
- (c) Judicial review of the legislative body's determination shall be a de novo review before the chancery court for the county in which the landfill is proposed to be located.

From: Louis "Doe" Jarvis, Commission Chairman

County Mayor Bill Brittain

Re: Committee Meetings - Time and Location Change

I have heard from some commissioners a desire to move Committee Meetings to the evening to better accommodate work schedules. That along with the mid-day parking shortage at the Health Department due to the MUS renovations of the Sun Trust building and the closure of the parking lot I am asking the Commission considers the following change of time and location of our regularly monthly committee meetings:

- Continue to meet on the second Monday of the month
- Move committees meeting location to the Large Courtroom of the Hamblen County Courthouse
- Move committees meeting time to 5:00 p.m.
