Re: Transfer from Sanitation Capital Projects Fund (#173) to Solid

Waste/Sanitation Fund (#116), and Closing of Sanitation Capital Project

Fund (#173)

Several years ago, TDEC required Hamblen County to repair the cap of its old landfill site on Neblett Road. The repair work was completed in 2014 and TDEC began the process to remove the site from the State's Superfund List. Once it was removed from the list, the County was only to be responsible for minor maintenance to the property.

There is a balance of \$78,316.72 in the Sanitation Capital Projects Fund (#173) from the repair project. I am asking the Finance Committee to recommend to the full County Commission move the balance of this fund to the Solid Waste/Sanitation Fund #116 and close the Sanitation Capital Projects Fund #173. Since the proceeds for the original project were restricted for Solid Waste and Sanitation related projects the funds may now only be transferred to the Solid Waste/Sanitation Fund (#116).

Do not hesitate to call me with any questions or concerns.

Mayor Bill Brittain

From:

Bill Brittain, County Mayor

Re:

Planning Services Agreement with City of Morristown

At my request, the City of Morristown and its Planning Department have agreed to provide planning services for Hamblen County beginning with the 2019-20 fiscal year.

The agreement includes a greater time commitment (4 hours/week) for a planner to work with the County Planning Department. The needs of our Planning Department have out grown the time available with the current contractor, the East Tennessee Development District.

The cost of the services remains the same at \$15,500 annually.

I am asking the County Commission to approve contracting with the City of Morristown for planning services.

Do not hesitate to contact me with any questions.

INTERLOCAL COOPERATION AGREEMENT FOR PLANNING ADVISOR

This Interlocal Cooperation Agreement ("Agreement") is entered into this _____ day of _____ 2019 by and between **THE CITY OF MORRISTOWN, TENNESSEE** ("City") and **HAMBLEN COUNTY, TENNESSEE** ("County").

WITNESSETH

Whereas, *Tennessee Code Annotated* §12-9-104 authorizes public agencies to exercise and enjoy jointly with other public agencies of the State, any power or powers, privileges or authority exercised or capable of exercise by a public agency of the State; and

Whereas, the County has requested the assistance of the City planning department, by specifically having a City planner work with the County's Planning Operations Manager four (4) hours per week; and

Whereas, the City has agreed to make a planner available to the County subject to the terms of this Agreement; and

Whereas, the City and the County hereby enter into this Interlocal Cooperation Agreement for the purpose of the City making a City planner available to the County to serve in an advisory position at the County on a limited basis and pursuant to the terms addressed herein.

NOW THEREFORE IT IS AGREED AS FOLLOWS:

- 1. The City agrees to ensure that a City planner is available to the County for four (4) hours every week to assist and work with the County's Planning Operations Manager. The City currently has two (2) planners on staff, and the City intends to allow each planners to be available to the County in alternating months, i.e. one planner will work with the County in odd numbered months and the other planner will work with the County in even numbered months.
- 2. The parties understand that the duties of the planner will consist of conferring with the local planning commission, board of zoning appeals and other local officials in the County's comprehensive planning program. The planner will work directly with the County's Planning Operating Manager and will assist with the following non-comprehensive list of services:

- a) Attend the planning commission and board of zoning appeals meetings and assist in the preparation of agenda items (reviews and recommendations) for both boards;
- b) Advise the planning commission and board of zoning appeals on plat approvals, rezoning requests, site plan proposals, subdivision regulations, development proposals and other land use controls;
- c) Assist in planning and offering training for planning commissioners, members of the board of zoning appeals and other local officials;
- d) Provide administrative interpretations of state laws and county regulations for property use issues.
- 3. The parties understand that the planner will not be utilized to work the service counter, greet the public or answer the telephone in any County office. Nor will the planner be expected to work with any property maintenance, building code or storm water issues that may arise and involve the County.
- 4. The County shall designate a specific contact person for issues related to this Agreement and shall provide that person's name and telephone number to the City upon approval of this Agreement. The County shall immediately notify the City of any change in said contact person.
- 5. The County shall pay the City an annual sum of fifteen thousand and five-hundred dollars (\$15,500) for the use of the City planner. The City shall invoice the County on a quarterly basis and the County shall remit payment to the City within fifteen (15) days of receiving said invoice. The County agrees to grant an annual pay increase up to, but not to exceed, the unadjusted percent change for the most recent twelve (12) months for which data is available, that is not subject to revision, in the Consumer Price Index (CPI-U).
- 6. After the approval by both the City Council and the County Commission, the term of this Agreement shall commence on July 1, 2019 and shall continue for a period of one (1) year. This Agreement shall automatically renew each year, unless either party desires not to renew or continue the Agreement and provides at least a thirty (30) day written notice of same to the other party. Additionally, this Agreement and any extension(s) thereof shall be subject to the funds being appropriated by the County.

7.	This Agreement shall take effect upon its adoption and approval by the governing
	bodies of both parties hereto and shall be binding upon the undersigned, their
	successors and assigns unless modified by an agreement in writing executed by the parties hereto.

Witness the day and year first above written.

- 1. The City agrees to provide mosquito spraying services to areas in the County, and particularly areas that flooded and received a significant amount of rainwater. The County has specifically requested that the City provide these services to the following areas: Hunter Road, Lanier Drive, Colgate Drive, Brady Drive, Everett Road, The Meadows Subdivision and Tara Subdivision.
