\* In August 1991 the Hamblen County Commission approved the Coroner hiring ONE Deputy Coroner. Payment for the Coroner and Deputy was \$15.00 per call answered. The Coroner served without the benefit/assistance of a Deputy Coroner from June 1991 until August 1991 and at various times when a Deputy would leave Office until another Deputy could be hired.

\*\* In 2005 the Hamblen County Commission approved the Coroner's request and he was authorized to hire up to four (4) Deputy Coroner's. The Commission also increased Payment to the Coroner and the Deputies to \$25.00 per Call.

Respectfully submitted,

Eddie R. Davis  
Hamblen County Coroner
