A RESOLUTION AUTHORIZING HAMBLEN COUNTY TO MAKE APPLICATION FOR A 2016 COMMUNITY DEVELOPMENT BLOCK GRANT

- WHEREAS, the Community Development Block Grant (CDBG) Program as administered by the State of Tennessee offers grants to local jurisdictions to fund sewer and water line extensions, sewer and water system upgrades, as well as community livability projects, and
- WHEREAS, fire protection is provided to citizens of Hamblen County located outside the corporate limits of the City of Morristown via four volunteer fire departments (VFD);
- **WHEREAS**, Hamblen County Government and the VFDs wish to provide the best services possible at a reasonable cost for their citizens;
- **WHEREAS**, Hamblen County Government and VFDs have a long range plan of lowering the ISO rating in many areas of the county to help property owners purchase affordable homeowners insurance;
- **WHEREAS**, the purchase of firefighting equipment, like fire trucks, is considered a qualifying project for CDBG grant funding, because fire protection is considered one of the basic services provided by local governments;
- WHEREAS, the VFDs have agreed that East Hamblen County Volunteer Fire Department (EHCVFD) has the greatest need among the four VFDs for a Primary Response Fire Engine;
- **THEREFORE, BE IT RESOLVED** that the Hamblen County Legislative Body approves the application for a total not to exceed \$300,000, of which \$240,000 will be CDBG grant funds and the remainder will be a local match to purchase a new fire truck and other firefighting equipment for the EHCVFD; and
- **BE IT FURTHER RESOLVED**, the Hamblen County Legislative Body commits to providing the necessary matching funds not to exceed \$60,000 with the EHCVFD committed to paying \$10,000 of the match from its annual appropriation from county government;
- **BE IT FURTHER RESOLVED,** Hamblen County has selected East Tennessee Development District to assist in preparing the grant application for the proposed project.

RE:	Purchase of Records and Jail Management Software

During the FY 2015-2016 budget process, \$210,000 was appropriated for the purchase of new Law Enforcement/Jail/Records Software for the Sheriff's Department and Jail. The Hamblen County Sheriff's Department has viewed the system in place in Coffey County and wishes to purchase from the same vendor.

T.C.A. § 12-3-1203 allows the county to make purchases under contracts or price agreements entered into by any other local governmental unit of this state. The purchases shall be made on the same terms and under the same rules and regulations as regular purchases of the purchasing entity (i.e., piggybacking on another county's bid). County Audit verified that piggybacking off of another county's bid is acceptable and stated that in addition to the bid documents, we are required to have written permission from Coffey County authorizing Hamblen County to piggyback off of their bid. Authorization from Coffee County Purchasing Officer Andy Farrar to piggyback on their bid is included as an attachment.

Coffey County awarded the bid for the system to PTS Solutions. Attached are copies of their bid information and public advertisement as documentation that the system was publicly bid.

Also attached is the quote from PTS Solutions for Hamblen County's proposed system. Please note that the annual maintenance fee of \$25,000 is included in the software cost for the first year.

I respectfully present this information to you for recommendation to the Finance Committee and Legislative Body that the Hamblen County Sheriff's Department be allowed to piggyback on Coffey County's bid for Law Enforcement/Jail/Records Software from PTS Solutions at the quoted price of \$210,000 with an annual maintenance fee of \$25,000 following the first year.

Thank you for your consideration.

Title 12 Public Property, Printing And Contracts Chapter 3 Public Purchases Part 12 Local Governments

Tenn. Code Ann. § 12-3-1203 (2015)

12-3-1203. Purchases for other local governmental units.

(a) Any municipality, county, utility district, or other local governmental unit of the state may, upon request, purchase supplies, equipment, and services for any other municipality, county, utility district, or other local governmental unit.

(1) The purchases shall be made on the same terms and under the same rules and regulations as regular purchases of the purchasing entity.

(2) The cost of the purchase shall be borne by the local government for which the purchase was made.

(3) Where the local government making the request is required to advertise and receive bids, it shall be sufficient for those purposes that the purchasing entity comply only with its own purchasing requirements.

(b) (1) Any local education agency (LEA) may purchase equipment under the same terms of a legal bid initiated by any other LEA in Tennessee.

(2) (A) Any LEA may purchase directly from a vendor the same equipment at the same price and under the same terms as provided in a contract for such equipment entered into by any other LEA.

(B) Any LEA which purchases equipment under this subsection (b) shall directly handle payment, refunds, returns, and any other communications or requirements involved in the purchase of the equipment without involving the LEA which originated the contract. The originating LEA shall have no liability or responsibility for any purchases made by another LEA under a contract which the originating LEA negotiated and consummated.

(c) (1) Any municipality, county, utility district, or other local governmental unit of this state may purchase supplies, goods, equipment, and services under contracts or price agreements entered into by any other local governmental unit of this state. Such purchases shall be made on the same terms and under the same rules and regulations as regular purchases of the purchasing entity. Any local governmental unit that purchases supplies, goods, equipment, or services under this section shall directly handle payment, refunds, returns, and any other communication or requirements involved in the purchase without involving the local governmental unit that originated the contract. The originating local governmental unit shall have no liability or responsibility for any purchases made by another local governmental unit under a contract that the originating local governmental unit negotiated and consummated. Where any local or private act, charter, or general law requires that a local governmental unit purchase by competitive bidding, the local government or competitive bidding in accordance with this section.

(2) This subsection (c) shall not apply to:

(A) Purchases of new or unused motor vehicles, unless the motor vehicles are manufactured for a special purpose as defined in § 12-3-1208; and

(B) Purchases related to any transportation infrastructure project, including, but not limited to, projects for the construction or improvement of streets, highways, bridges, tunnels, or any roadway related facility.

From: Sheriff Stephen M. Graves

Re: Records and Jail Management Software

Ms. Edinger,

On September 10, 2014 Coffee County Purchasing Agent, Andy Farrar, placed a notice in the newspaper advising we were in the process of selecting a new records and jail management software for the new Coffee County Jail project as well as to run the old facility that would be utilized as the Work Hose for Coffee County. Prior to this notice Captain Frank Watkins headed a committee comprised of individuals from each of the department that would be the end users for this proposed new software. Several vendors called and even came by to express their interest in the project. Once the budget was passed for the 2014 – 2015 budget year, the project went forward to see what other records and jail management software was available that would best serve and enhance the abilities of the Sheriff's Department.

Prior to the notice being placed in the newspaper, three vendors came to the Sheriff's Department and performed demonstrations for the committee to show the abilities of their software. Agisent Technologies of Tullahoma was the first to perform a demonstration at the Sheriff's Department. Agisent was formally J2SS who was partnered with Avion Solutions early on in the project. J2SS employed the records portion of the software while Avion handled the inmate tracking part. Since the early discussions that happened the partnership between the two were dissolved. Agisent developed their own inmate management portion and released their software that was known as PSIMS. Agisent showed their software to the committee. Some of their modules were not complete but explained it would be completed by the perspective implementation date of December 1, 2014. The next company to perform a demonstration was Avion Solutions and their new partners End2End Software. Avion Solutions again was responsible for the inmate management portion of the software while End2End Software was shown first and then Avion demonstrated Intact for the committee. Avion explained

(931) 728-3591 (931) 723-5123

FAX (931)723-5149 Com. Center (931) 728-9555

that some of their modules were incomplete but when the scope of the function was determined then a definite answer could be determined as well as the price. The last vendor to perform a demonstration was PTS Solutions. Our current vendor, M&M Software did not do a demonstration due us being an existing customer. However, Martin Elder did call and talk to Captain Watkins at great length on how S.O.M.S. currently meets all the criteria in the specifications and that all we needed to do is budget for some training time every year to keep up to date with the new functions that S.O.M.S. was able to do.

After the demonstrations were conducted a list of specifications were comprised that would give us, the end user, the ability to grade each of the vendors as to their ability to meet the specification with not just a yes or no answer. This specification sheet gave the vendors the opportunity to rate their answer if they were compliant, could accomplish the specification with a work around, would be available in an upcoming software release, required a custom code change at no cost, a custom code change with a cost, or was not available. We felt this gave us more information for us to analyze to make a more informed decision.

Captain Watkins distributed out the evaluation sheet to those companies that had already known about the project and also to those that requested one after the notice was place in the newspaper. A meeting was held on September 24, 2014 at the Coffee County Administrative Plaza with Captain Watkins and Andy Farrar for the vendors to ask any questions regarding the specifications or any other question regarding the records and jail management software. The meeting was attended by representative from Avion Solutions, Agisent, PTS, and New World Systems. The meeting was concluded at 4:00pm.

On October 8, 2014 at 10:00 a.m. the bid acceptance was closed with the bids being recorded at the Coffee County Budget Office. There were six vendors that submitted a proposal for the records and jail management software, M&M Software, Southern Software, Evercom, PTS, Avion Solutions, and Agisent Technologies. These proposals were taken and condensed into a spreadsheet that showed all the individual specifications in each of the categories of general specifications, law enforcement rms, jail management system, miscellaneous tools, civil module, investigation case management, and document imaging. The end of the valuation sheet tabulated the scores in each of the categories for ease of evaluation and also noted the price of the software, and any comments that were made throughout the tabulation sheet. A complete copy was sent to

(931) 728-3591 (931) 723-5123 FAX (931)723-5149 Com. Center (931) 728-9555

all members that attended any of the demonstrations so they could analyze the scores and give a recommendation.

After speaking to all members of the selection committee and hearing their likes and dislikes, pros and cons of each of the vendors that submitted a proposal or performed a demonstration, the committee came to the following decision.

The committee has determined that it would be in the best interest for the department and its future to go forward with seeking a new vendor for the records and jail management software. We make this decision even though M&M Micro Systems is our current vendor which we have had for the past 20 years. Even though M&M has stated in their proposal that they now are in compliance with the specifications set forth in the RFP we feel that as a current customer it was the vendors obligation to make us, the end user, aware of new and different features and abilities that come with new releases or upgrades that are part of the maintenance agreement. M&M Micro Systems submitted their proposal for a total cost of \$10,250.00 which was for an upgrade to the database, 5 days of onsite training, VINE Go Mobile Application, Evidence Bar Code Scanner, signature pad, and DL Scanner. The next lowest bid was that of Agisent Technologies with was \$91,750.00 with \$16,515.00 for maintenance agreement per year and also a cost of \$5,952.00 for network maintenance per year. Agisent also neglected to complete the Jail Management Systems portion of the evaluation, so we had no basis for comparison for that module. PTS was the next lowest bid at \$139,995.00 for software and equipment, \$19,500.00 per year for maintenance which also includes the maintenance and replacement of the server while under contract. If a lease is done then \$50,000.00 is due at signing and \$29,998.33 is due for the next 3 years plus the maintenance agreement. All equipment is included such as biometrics, high speed scanner for document imaging, and signature pads, as well as the conversion and migration of current S.O.M.S. data. Southern Software with the next highest proposal coming in at \$157,454.00 with \$28,128.00 for the server, and \$17,070.00 for maintenance yearly. They specified a Dell Poweredge R620 server with an additional \$4,500.00 support through Dell yearly as well as a floating price for data conversion and migration. The highest vendor was Avion coming in at \$169,990.00 with \$23,500.00 for maintenance per year and a lease option of \$52,598.00 per year for 5 years. They noted several specification would be priced to be determined after definition of scope and effort. Evidence bar coding was an additional cost of \$5,000.00 and medical alerts,

(931) 728-3591 (931) 723-5123 FAX (931)723-5149 Com. Center (931) 728-9555

notes, dietary restrictions, and disciplinary hearings were not included in the pricing. After taking all of the evaluations under consideration we would like the bid to be awarded to PTS Solutions, Inc. as we feel they best fit the specifications set forth in the RFP and the price was the lowest of any other vendor that submitted a completed specification evaluation sheet. Thank you for your time in this matter. If you have any questions feel free to contact me.

Sincerely,

ian M. Granes

Other Commissioner Comments

a) The existing Justice Center/Jail is roughly 27,000 sq ft. I believe there is enough property available beside the present facility to building more of an annex to accommodate overcrowding. This will leave the existing jail to serve as maximum security.

b) Second preference was to renovate existing building and add on if it can be proven there is enough room, i.e parking, courts

c)Buy existing building and retrofit it for a Jail only. Include holding cells at the current Justice enter. Transport inmates from new jail each day.

d) Building new justice is best and only option.

SUBDIVISION PLATS APPROVED BY THE HAMBLEN COUNTY PLANNING COMMISSION.

A RESOLUTION TO REQUIRE THE RECORDING OF ALL

- WHEREAS, The Hamblen County Planning Commission has recognized the need to record all subdivision plats that have been submitted to them for review and have received the planning commission's approval; and,
- WHEREAS, The Hamblen County Planning Commission does hereby recommend to the Hamblen County Board of Commissioners the requirement that all plats approved by the Hamblen County planning commission be submitted by the Hamblen County Planning Department to the Registrar of Deeds for recording and the developer/applicant shall be required to pay the Registrar of Deeds current recording fees to the Hamblen County Planning Department immediately upon approval of the plat by the planning commission.

NOW THEREFORE BE IT RESOLVED by the Hamblen County Board of Commissioners

that all subdivision plats approved by the Hamblen County Planning Commission shall have the current Registrar's recording fee submitted with the final plat to be signed by the secretary of the planning commission and no plat shall be signed by the secretary of the planning Commission unless the Registrar's recording fee has been submitted with the final plat. After signature, the plat shall be taken to the Registrar of Deeds by the Director of the Hamblen County Planning Department for recording.

RE: Important Information—Billing Changes

Dear Mayor Brittain:

As part of our continuing effort to keep you informed, I wanted to let you know of a change, beginning November 2, 2015, in the billing vendors Comcast uses, which will enable us to provide an improved billing experience for our customers in Hamblen County.

We plan for this change to have a minimal impact on our customers; however, customers' account numbers and monthly due dates will change. Customers will need to update their Comcast account number if they make payments online or through their bank. We are informing customers of this upcoming change through emails and letters to their homes. A sample notification letter is enclosed for your reference. This change to the billing system will enable us to provide more detailed bills and enhance our customers' experience.

We know you may have questions about these changes. If I can be of any further assistance, please contact me at 865.862.5001.

Sincerely,

Flood Byrd

Russell Byrd Senior Director, Government Affairs

IMPORTANT INFORMATION ABOUT YOUR BILL

Dear [NAME],

Beginning **November 2, 2015,** we will be converting to a new billing system in order to provide an improved billing experience for our customers.

As part of this billing system conversion, several changes will take place starting with your next monthly bill. Your **account number and your bill due date will change.** Your **new due** date is **[Insert Date].** We will be unable to mail bills during the billing system conversion, so we may be a couple of days late mailing your bill. Please be assured even if your bill is delayed, you will have 21 days to pay.

If you use electronic banking to pay your Comcast bill, you may need to:

- Update your due date with the new due date.
- Update the Comcast information on your bank's bill pay system with your new account number.

If you use Comcast's AutoPay service to pay your Comcast bill:

□ No action is required.

If you are a Comcast Ecobill customers:

□ No action is required however the availability of your bill online may be delayed. You will receive an email when your Ecobill is available.

For more information or to sign up for Ecobill, please log in to your Comcast account online at www.xfinity.com/help.

Thank you for choosing Comcast. We appreciate your business and look forward to serving you in the future. Should you have any questions or concerns, please feel free to visit us at www.xfinity.com/billchange or call 1-800-XFINITY.

Sincerely, Comcast

General Guidelines for Public Comment at a HAMBLEN COUNTY COMMISSION Meeting

- 1. Everyone attending the meeting will refrain from private conversations while the County Commission is in session and cell phones shall be set to silent.
- 2. Citizens and visitors attending the county commission meetings, committee meetings, and work sessions shall observe the same rules of propriety, decorum, and good conduct applicable to members of the County Commission. Any person making personal, impertinent, profane or slanderous remarks or who becomes boisterous while addressing the County Commission or while attending the meeting or work session, shall be removed from the room if so directed by the Commission Chairman. The person shall be barred from further audience before the County Commission during that meeting. If the Commission Chairman fails to act, any member of the Commission may move to require enforcement of the rules, and the affirmative vote of a majority of the Commission shall require the presiding officer to act.
- 3. The Chairman shall not allow disruptive comments and remarks from the audience, stamping of feet, whistles, yells, and similar demonstrations. The person guilty of such conduct may be removed from the room. In case the Chairman shall fail to act, any member of the Commission may move to require enforcement of the rules and the affirmative vote of the majority of the Commission shall require the presiding officer to act.
- 4. No placards, banners, or signs will be permitted in the County Commission meeting room or in any other room in which the Commission is meeting. Exhibits, displays, and visual aids used in connection with presentations, however, are permitted.
- 5. Cameras, video equipment, and other recording devices shall be restricted to a designated area of the meeting room and shall not be allowed to interfere with the conduct of the meeting or hamper the ability of the audience to observe and participate in the meeting. The Chairman shall require that such equipment be operated within these guidelines or have the equipment removed from the meeting room.

Guidelines for speaking during the Public Comment Section of the Agenda

Members of the audience may speak during this section subject to the following guidelines:

- A person wishing to address the County Commission must first be recognized by the Chairman.
- The speaker must provide his name and address for the minutes.
- Citizens will be encouraged to speak before non-residents.
- Speakers must address their comments to the Chairman rather than to individual Commission members or staff.
- Each speaker will have a maximum of three minutes to address the Commission. A majority vote of the Commission will be required to extend the time limit. The Commission may impose more restrictive time limits if a large number of persons desire to speak. If a large number of speakers are present to address an issue, Commission may set a limit on the total time allowed for all speakers or ask that a Spokesperson be named to speak on behalf of the group.
- A person desiring more than three minutes to address the Commission can be given permission for five minutes by properly completing and submitting a Request to Appear Before Committee/Commission form. The request will be reviewed by the Chairman and placed in the appropriate committee/commission meeting. Per County Commission policy, anyone satisfactorily completing the form will receive (5) minutes to address the County Commission during "Recognition of Visitors". Some issues may not be appropriate for public Discussion (e.g. pending legal matter of those covered by Privacy Acts).
- The County Commission will not discuss or consider any item addressed during the public forum section. Commission members will not interact with the public during the time allotted to speakers. Issues raised may be referred to staff for response or may be scheduled for discussion by Commission at a later time.

These guidelines should be made available to the audience prior to the meeting.

Bill Brittain Hamblen County Mayor October 19, 2015

Dear Bill,

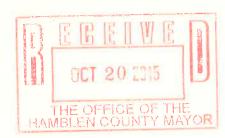

The current Work Release Commission consists of Jail Administrator Captain Teresa Laws and Circuit/Sessions Court Clerk Teresa West. This Commission requires three members. Due to the recent passing of member Larry Samsel, Sheriff Jarnagin has appointed Constable Tom McKinney to serve the remainder of the unexpired term, subject to the approval of the county legislative body.

This action as per TCA 41-2-134.

Please forward this to the Hamblen County Commission for their consideration.

Thank you,

Chief Deputy
