Re: Hiring of Chief Deputy Clerk

It is my wish to promote Rose Wolfe to the position of Chief Deputy Clerk effective December 1, 2015. Rose has 30 years' experience in the clerk's office and is very knowledgeable of all its duties.

Rose's salary will be \$38,665 which is \$1,000 less than budgeted for the chief deputy position. I plan to fill the vacant deputy clerk position at the entry level salary saving approximately \$ 9,000.

Under our pay plan policies, department heads must get county commission approval to start an employee above the midpoint of the salary range. I am requesting your approval to pay Rose Wolfe at an hourly rate equivalent to \$38,665 annually.

Do not hesitate to contact me with any questions.

RE: Purchase of Tires from State of Tennessee Bid

The Sheriff's Department is requesting to purchase tires for police pursuit vehicles from the State of Tennessee bid. The tires will used to replace worn tires on existing fleet vehicles.

I have reviewed the State of Tennessee bid documents and the tires that the Sheriff's Department wishes to purchase are included in the bid. A list is attached that specifies the types of tires to be purchased and anticipated quantities. The quantity to be purchased will depend on funds available in the Sheriff's Department's budget line item for tires.

This memo is for informational purposes and will be placed in the December 2015 Finance Committee packets as an item of information, which will then be presented to the County Commission for approval on the December 2015 Consent Calendar.

Thank you.

RE:	Emergency Purchase – Expedited Shipping for Cooler/Freezer at Hamblen Co. Jail

T.C.A. § 5-14-204 states that all purchases shall be made only after public advertisement and competitive bid **EXCEPT AS FOLLOWS**:

- Purchases costing less than \$10,000;
- Purchases of supplies, materials or equipment for immediate delivery in actual emergencies arising from unforeseen causes, including delays by contractors, <u>delays in transportation</u>, and unanticipated volume of work.

T.C.A. § 5-14-204 goes on to require the following:

- A record of any emergency purchase shall be made by the person or body authorizing such emergency purchase, and shall specify the amount paid, the items purchased, from whom the purchase was made and the nature of the emergency;
- A report of any emergency purchase shall be made as soon as possible to the county governing body and the county mayor, and shall include all items of information as required in the record.

This letter shall serve as proper notification of the emergency purchase of expedited shipping on the purchase of a new walk-in cooler and freezer unit for the Hamblen County Jail. The existing walk-in cooler and freezer units in the jail stopped working and were determined by maintenance staff and qualified repair persons to be beyond repair. Per County purchasing guidelines, three (3) quotes were obtained for the purchase of new walk-in freezer and cooler units. The original purchase order for the new units was issued to Tolliver Heating & Air Conditioning on October 27, 2015 in the amount of \$9,750. Upon notification of unexpected delays in shipping, the purchase order was revised on November 16, 2015 to include an additional \$600 in expedited freight charges to allow the equipment to be delivered so that installation could be completed as soon as possible, thus ensuring food safety and avoiding waste from food spoilage.

Thank you.

To:	Hamblen County Legislative Body

From: Hamblen County Planning Commission

RE: Right-of-Way Abandonment, Shields Ferry Rd.

Date: December 2, 2015

Mr. Barry Poole, County Highway Superintendent, has submitted a letter of request to the Hamblen County Regional Planning Commission recommending the abandonment of a portion of Shields Ferry Road (see attached letter). During the meeting the commissioners unanimously voted for the abandonment of all interest in the undeveloped right-of-way at the northeast end of Shields Ferry Road, as recommended by Mr. Poole, as it is not in the best interest of the County Highway Department to ever develop and construct this road. A resolution is also attached for your action to be taken at your next meeting on December 17, 2015.

Should there be any questions concerning this matter, please let us know.

HAMBLEN COUNTY PLANNING COMMISSION Mrs. Tina Whitaker, Planning Director 511 W. 2nd North St. Morristown, TN 37814

Re: Right-of-Way abandonment, Shields Ferry Road

Dear Mrs. Whitaker,

This letter is issued to request abandonment of the undeveloped right-of-way at the northeast end of Shields Ferry Road. The Hamblen County Road Commission and the Hamblen County Road Department has considered and unanimously approved of this request as it is considered to be in the best interests of Hamblen County.

The existing hot-mix pavement ends approximately 135(one hundred thirty five) feet northeast of the west property line of Parcel 11.01 on Property Tax Map 25 so our claim to any past acceptance of maintenance responsibilities would end at that point as well. Reference information is provided below for this area of property.

I appreciate your consideration of this matter.

Gentlemen

Those of us living in eastern parts of Hamblen County, are being financially impacted by the actions of Comcast Cable. Due to the lack of competition from other providers, we must pay a premium amount for cable internet service.

Comparing Comcast with Morristown Utilities Fibernet service shows a large discrepancy. My Comcast bill for 30 megabytes of service is **\$66.95** per month (*figure 1, my bill*). This cost is only for internet service, no television or telephone. Contrast with Fibernet, their published costs for the same 30 megabyte service is **\$34.95** per month (*figure 2 MusFiberNet Rates*). This is almost one half of the price of Comcast's service for the same service level.

Finally to even exasperate the situation more, Comcast notified its customers that **a data cap** would be put in place (*figure 3 e-mail from Comcast*). Each month there will be an allowance of 300 GB. Each overage of 300 GB will be charged in \$10 blocks of 50GB, much like the cell phone providers.

As an alternate Comcast is offering for an **extra fee of \$35** per month an unlimited data plan. As 300 GB is a small amount of data for a month for a family of 4, I will be forced to opt for the \$35 extra if I want to keep the service.

My bill for internet service for December will be **\$101.95**. Just because I live in the county I have to pay three times for the same service I could get from Fibernet for **\$34** dollars per month.

If the franchise agreement could be reviewed/modified to encourage more competition perhaps I could enjoy a little more money in my pocket at the end of the month. I want to encourage members of our Franchise authority to do anything in your means to help the consumers in east Hamblen County.

Yours Sincerely Stuart Cole 4881 Brookview Dr Russellville, TN 37860

An important update about your XFINITY Internet service

Hi JO

We're writing to let you know that we will be trialing a new XFINITY Internet data plan in your area. Starting **December 1, 2015**, your monthly data plan will include 300 GB. We'll also trial a new "Unlimited Data" option that will give you the choice to purchase unlimited data for \$35 per month in addition to your monthly internet service fee.

The majority of XFINITY customers use less than 300 GB of data in a month, and therefore will not be affected by these changes. If you are not sure of your monthly data usage, please refer to the **Track and Manage Your Usage** section below.

Here are the details of the plan:

You'll get 300 GB of data each month. If for any reason you exceed the 300 GB included in your plan in a month, we will automatically add blocks of 50 GB to your account for an additional fee of \$10 each. We're
