FRESH PRODUCE Performance Food Group Reinhart Food Services Gordon Food Services

Recommendation of Lieutenant Hambrick and Kitchen Manager Andie Miller:

Gordon Food Service - (A.) Prices appear to be cheaper and the box counts are done by "pieces" instead of weight. Sometimes there are less pieces in a box even though the weight is the same. (B.) They offer a "specialty" line of food for our special diet inmates (example would be gluten free diet ordered by a doctor).

Hamblen County Commission County Mayor Bill Brittain 511 West Second North Street Morristown, TN 37814

Dear Commissioners and Mayor Brittain:

As you are probably aware, Tennessee is a "reimbursement only" state with regard to federal grants, which means our school district must expend federal funds then request reimbursement from the state. We currently have \$300,000 in reserve for cash flow purposes; however, our monthly federal payroll is in excess of \$400,000, and it is impossible to process payroll as a reimbursable expense and still issue payments for nonpayroll-related expenditures.

We are hereby requesting permission to transfer \$200,000 from our general fund to our federal fund, bringing the federal fund total cash reserve to \$500,000 during the current fiscal year, as indicated on the attached resolution approved by the Hamblen County Board of Education in regular session on March 8, 2016. Please include our request on the agenda for the May 19 meeting of the Hamblen County Commission.

Thank you for your consideration of this request.

Respectfully,

Dale P. Lynch, Director of Schools

## RESOLUTION TO TRANSFER FUNDS FROM GENERAL PURPOSE SCHOOL FUNDS TO FEDERAL PROJECTS FUND FOR FISCAL YEAR ENDING JUNE 30, 2016

WHEREAS, Federal Projects grants operate on a reimbursement basis and funds are requested from the State of Tennessee by the Hamblen County School District for non-payroll expenditures on a monthly basis; and,

WHEREAS, the Federal Projects Fund should be able to issue expenditures prior to requesting reimbursement without a cash deficit and in anticipation of a one week or more turn-around time for reimbursements from the State of Tennessee; and,

WHEREAS, Generally Accepted Accounting Principles (GAAP) consider a cash deficit in any fund to be a significant deficiency in internal control; and,

WHEREAS, the Hamblen County School District does not desire to operate any fund with a cash deficit.

**NOW, THEREFORE, BE IT RESOLVED,** by the Board of Education of the Hamblen County School District, a school district in Tennessee, meeting in regular session on this 8<sup>th</sup> day of March, 2016, and by the County Commission of Hamblen County, a county in Tennessee, meeting in regular session on this 19<sup>th</sup> of May, 2016, that:

**SECTION 1.** The General Purpose School Fund shall transfer \$200,000 to the Federal Projects Fund during the fiscal year ending June 30, 2016.

**SECTION 2.** The \$200,000 transfer shall remain in the Federal Projects Fund as a designated fund balance from the General Purpose School Fund and may be repaid at any time as noted in a resolution passed by the Board of Education and County Commission.

**SECTION 3.** This resolution will take effect upon adoption. The Secretary of the Board of Education shall include this Resolution in the minutes of the Hamblen County School District. The County Clerk shall include this Resolution in the minutes of Hamblen County.

THIS REAL ESTATE CONSULTING AGREEMENT (hereinafter "Agreement") is made this 1st day of May, 2016, by and between Hamblen County, Tennessee (the "County") and Lebel Commercial Realty (the "Consultant").

#### **BACKGROUND:**

- a. The County desires to retain the Consultant to provide certain real estate consulting services, and is of the opinion that Consultant has the necessary qualifications, experience, and abilities to provide such services to the County.
- b. The Consultant desires to provide certain real estate consulting services to the County in accordance with the terms and conditions contained in this Agreement.

**NOW, THEREFORE,** in consideration of the mutual benefits and obligations set forth in this Agreement, the receipt and sufficiency of which consideration is hereby acknowledged, County and Consultant agree as follows:

### Services Provided

- 1. The County hereby agrees to retain the Consultant to provide the County with real estate consulting services (hereinafter "Services") related to a) the search for property for needs that may arise; b) the negotiation for the purchase and/or lease of identified property; and c) assistance with the process of closing the purchase and/or lease of identified property. The Consultant shall provide such real estate consulting services as reasonably requested by the County during the term of this Agreement, provided that nothing here within shall require the Consultant to devote a minimum number of hours per week to the performance of services herein.
- 2. Services will also include any other tasks that the County and the Consultant both mutual agree on.

#### Terms of Agreement

- 3. The term of this agreement will begin on the date of this Agreement and will remain in full force and effect until April 30, 2018.
- 4. Services shall be performed at the request of the County Mayor and/or the Chairman of the County Commission. A scope of work agreement must be signed by the County Mayor and the Consultant before billable hours can begin.
- 5. The Consultant shall provide a certificate of insurance which shall insure County against any errors or omissions of Consultant which might result in a claim or claims against County due to any act or failure to act of Consultant in connection with services provided hereunder. Consultant's production of a certificate of such

insurance in an amount not less than one million (\$1,000,000) shall be a precondition of Consultant's providing services hereunder.

The County hereby agrees to indemnify, defend and hold harmless, the Consultant and assigns from and against any and all claims, damages, losses, liability, deficiencies, actions, suits, proceedings, cost or legal expenses arising out this Agreement unless activities or services performed by the Consultant were the result of intentional misconduct or gross negligence of the Consultant.

- 6. The County acknowledges and takes full responsibility and maintains control of all conclusions and decisions made as a result of the services provided by the Consultant. The County acknowledges that the Consultant cannot control future events, and therefore, cannot be responsible for long-term outcomes of budget or financial strategies.
- 7. This Agreement shall be for a time period specified by and agreed to by both parties. Cancellation of the Agreement requires written notification by the requesting party not less than 30 days in advance of cancellation unless it is determined by the County or the Consultant that a direct or indirect conflict of interest exists. If so, this Agreement will be terminated immediately without prejudice.
- 8. Under certain circumstances, brokers can have a conflict in the representation of two parties. If a professional conflict of interest arises involving lead broker Paul LeBel, LeBel Commercial Realty will assign broker Will Sliger to represent the County.
- 9. County acknowledges that the Consultant is an independent contractor and is NOT considered an employee of the County. Consultant acknowledges that it is an independent contractor and has no expectations to be treated as an employee.
- 10. Hamblen County's Request for Qualifications/Proposals for Real Estate Agent Services and LeBel Commercial Realty's response are part of this consulting agreement.

#### Performance

11. Both parties agree to do everything necessary to ensure that the terms of this Agreement take effect.

### Compensation

12. For the services rendered by the Consultant, the Consultant will be compensated on a case by case basis depending on the scope of work. If the County is responsible for paying the fee, it may be a percent of the transaction amount or an hourly rate depending on the scope of work agreed upon by the Consultant and the County Mayor before work begins. The percentage fee, to be divided among the realtors involved, will be 7% for transactions below \$300,000 and

5% for transactions at or above \$300,000. The hourly fee is \$130 per hour. The hourly rate will be used for consulting duties that do not involve property transactions, such as negotiating lease agreements. For work compensated by the hourly rate, the Consultant shall submit an invoice for payment on a monthly basis that will be paid by the fifteenth of the subsequent month.

Placement of a mobile home

The applicant has requested to place a mobile home on his property on Bernie Circle. However, the property is zoned R-1 which does not allow mobile homes. There are several mobile homes in the immediate area as well as an adjacent A-1 zone which allows mobile homes. Therefore, the staff is recommending that this property be rezoned to A-1. If you have any questions, please call me at 865-748-5113.

Dr. Michael Bratton, Chairman Morristown-Hamblen Humane Society 300 Dice Street Morristown, TN 37813

Dear Dr. Bratton,

The intent of this letter is to inform the MHHS Board of Directors that Hamblen County does not wish to exercise the automatic renewal of the contract with MHHS for animal control and shelter services at this time. It is my understanding that the City of Morristown has issued a similar notice to the MHHS Board.

Under item (t) Term of the contract, the current "agreement automatically renews for one year unless any party notifies the other in writing no less than 60 days prior to the end of the term that it does not wish to renew the agreement." The term of the current agreement expires June 30, 2016.

It is Hamblen County's intention to discuss the continuation of its relationship with the City of Morristown and MHHS regarding animal control and shelter services.

Do not hesitate to call with any questions.

Sincerely,

Bill Brittain County Mayor

Cc:

Tony Cox Rick Eldridge Pam Velder
