Records Management:

Question posed to CTAS regarding Records Management – specifically to Court Records

The issue of paper copy vs digital/electronic copy is pertinent to counties who generate thousands of paper documents each year and are running out of space to store them. Digital/Electronic copies require less space.

- a) Does a permanent record of a court document have to be a paper (hard) copy or can it be a scanned digital image?
- b) If scanned digital images are not suitable for a permanent record, is the state of Tennessee considering a standard that allows scanned digital images as a form of permanent record of a document?

Answer provided by Jeffrey Michael Metzger, CTAS

Short Answer:

The State Library and Archives (and we defer to them at the state experts on record retention) recommends that permanent value records not be maintained solely in electronic format (they recommend either a paper copy be retained or the record be microfilmed).

Long Answer:

The law authorizes counties to start maintaining records solely in electronic format under TCA 10-7-121 but the state library and archives recommends that they maintain a paper copy of permanent records.

TCA 10-7-121 requires: (1) Information be available for public inspection, unless it is a confidential record according to law; (2) Due care be taken to maintain any information during the time required by law for retention; (3) All daily data generated and stored within the computer system shall be copied to computer storage media daily, and the newly created computer storage media more than one (1) week old shall be stored at a location other than at the building where the original is maintained; and (4) The official must be able to provide a paper copy of the information when needed or when requested by a member of the public (if not confidential).

I've bolded number three because that's the main electronic record keeping requirement. The state library and archives would recommend under number two that they should not maintain permanent value records solely in electronic format (and we defer to them at the state experts) but I don't know that they are prohibited from doing it.

Unfortunately, the law for destroying existing paper records once scanned is a bit more muddled. The law which provides for the destruction of existing records once converted to electronic form (TCA 10-7-404(d)) provides that: "The secretary of state, as supervisor of the state library and archives, shall promulgate regulations regarding the approved technology, standards and procedures for reproducing public records under this subsection (d), which shall be followed by county officers, department heads and the county public records commission." These regulations appear to have been issued in Tennessee

Archives Management Advisory Opinion 99-007 which provides that electronic storage is not proper for permanent value records.

What we are left with (best I can tell) is the following:

- 1). They may switch to a solely electronic records system per TCA 10-7-121, however, the Tennessee State Library and Archives recommends they don't (i.e., recommends they continue to keep permanent value records in paper form (or microfilm)); and
- 2). Despite TCA 10-7-404(d), it does not appear that existing permanent value paper records may be destroyed after conversion to electronic format based on Tennessee Archives Management Advisory Opinion 99-007.

As for records that are not permanent value, they can be destroyed under TCA 10-7-404(d), however, prior to any destruction they must advertise in a newspaper of general circulation in the county that the records, to be described in the advertisement by title and year, have been electronically stored, reproduced and protected and that they have applied for permission to the county public records commission to no longer retain such originals.

- D.21. <u>Strict Performance</u>. Failure by any party to this Grant Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Grant Contract is not a waiver or relinquishment of any term, covenant, condition, or provision. No term or condition of this Grant Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties.
- D.22. Independent Contractor. The parties shall not act as employees, partners, joint venturers, or associates of one another in the performance of this Grant Contract. The parties acknowledge that they are independent contracting entities and that nothing in this Grant Contract shall be construed to create a principal/agent relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.

A strike, lockout or labor dispute shall not excuse either party from its obligations under this Grant Contract. Except as set forth in this Section, any failure or delay by a party in the performance of its obligations under this Grant Contract arising from a Force Majeure Event is not a default under this Grant Contract or grounds for termination. The non-performing party will be excused from performing those obligations directly affected by the Force Majeure Event, and only for as long as the Force Majeure Event continues, provided that the party continues to use diligent, good faith efforts to resume

performance without delay. The occurrence of a Force Majeure Event affecting Grantee's representatives, suppliers, subcontractors, customers or business apart from this Grant Contract is not a Force Majeure Event under this Grant Contract. Grantee will promptly notify the State of any delay caused by a Force Majeure Event (to be confirmed in a written notice to the State within one (1) day of the inception of the delay) that a Force Majeure Event has occurred, and will describe in reasonable detail the nature of the Force Majeure Event. If any Force Majeure Event results in a delay in Grantee's performance longer than forty-eight (48) hours, the State may, upon notice to Grantee: (a) cease payment of the fees until Grantee resumes performance of the affected obligations; or (b) immediately terminate this Grant Contract or any purchase order, in whole or in part, without further payment except for fees then due and payable. Grantee will not increase its charges under this Grant Contract or charge the State any fees other than those provided for in this Grant Contract as the result of a Force Majeure Event.

- D.25. <u>Tennessee Department of Revenue Registration</u>. The Grantee shall comply with all applicable registration requirements contained in Tenn. Code Ann. §§ 67-6-601 608. Compliance with applicable registration requirements is a material requirement of this Grant Contract.
- D.26. Charges to Service Recipients Prohibited. The Grantee shall not collect any amount in the form of fees or reimbursements from the recipients of any service provided pursuant to this Grant Contract.
- D.27. State Interest in Equipment or Motor Vehicles. The Grantee shall take legal title to all equipment or motor vehicles purchased totally or in part with funds provided under this Grant Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. The term "equipment" shall include any article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds five thousand dollars (\$5,000.00). The term "motor vehicle" shall include any article of tangible personal property that is required to be registered under the "Tennessee Motor Vehicle Title and Registration Law", Tenn. Code Ann. Title 55, Chapters 1-6.

As authorized by the Tennessee Uniform Commercial Code, Tenn. Code Ann. Title 47, Chapter 9 and the "Tennessee Motor Vehicle Title and Registration Law," Tenn. Code Ann. Title 55, Chapters 1-6, the parties intend this Grant Contract to create a security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this Grant Contract. A further intent of this Grant Contract is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Grantee pursuant to the provisions of this program's prior year Grant Contracts between the State and the Grantee.

The Grantee grants the State a security interest in all equipment or motor vehicles acquired in whole or in part by the Grantee under this Grant Contract. This Grant Contract is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment or motor vehicles herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Grantee hereby grants the State a security interest in said equipment or motor vehicles. The Grantee agrees that the State may file this Grant Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment or motor vehicles herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Grantee agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Grant Contract in such form as the State may require to perfect a security interest with respect to said equipment or motor vehicles. The Grantee shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Grantee shall

not create or suffer to be created pursuant to the Uniform Commercial Code any other security interest in said equipment or motor vehicles, including replacements and additions thereto. Upon the Grantee's breach of any covenant or agreement contained in this Grant Contract, including the covenants to pay when due all sums secured by this Grant Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Grantee agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Grant Contract. - j. Monthly depreciation amount, if applicable.

The Grantee shall tag equipment or motor vehicles with an identification number which is cross referenced to the equipment or motor vehicle item on the inventory control report. The Grantee shall inventory equipment or motor vehicles annually. The Grantee must compare the results of the inventory with the inventory control report and investigate any differences. The Grantee must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Grantee shall submit its inventory control report of all equipment or motor vehicles purchased with funding through this Grant Contract within thirty (30) days of its end date and in form and substance acceptable to the State. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control. The Grantee shall notify the State, in writing, of any equipment or motor vehicle loss describing the reasons for the loss. Should the equipment or motor vehicles be destroyed, lost, or stolen, the Grantee shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

Upon termination of the Grant Contract, where a further contractual relationship is not entered into, or at another time during the term of the Grant Contract, the Grantee shall request written approval from the State for any proposed disposition of equipment or motor vehicles purchased with Grant funds. All equipment or motor vehicles shall be disposed of in such a manner as the parties may agree from among alternatives approved by the Tennessee Department of General Services as appropriate and in accordance with any applicable federal laws or regulations.

- D.29. Governing Law. This Grant Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Grantee agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Grant

Contract. The Grantee acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising there from, shall be subject to and limited to those rights and remedies, if any, available under Tenn. Code Ann. §§ 9-8-101 through 9-8-407.

- D.30. <u>Completeness</u>. This Grant Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions agreed to by the parties. This Grant Contract supersedes any and all prior understandings, representations, negotiations, or agreements between the parties, whether written or oral.
- D.31. Severability. Cherokee Park, Citizen Tribune - Jefferson Federal Amphitheater Rental

Agreement Update

It is time to update the rental agreement for the Citizen Tribune - Jefferson Federal Amphitheater. The document we currently use was prepared in 2003 and is out of date. The county attorney has reviewed the revised document.

There are not many changes to it. The significant ones are:

- Item #1 includes use of the Hale-Matney Pavilion with the rental of the amphitheater;
- Item #3 simplifies the security required for events at the amphitheater and states that the level of security depends on the type of event and will be negotiated with the County;
- Item #5 states that promoter of the event is responsible for traffic control and parking;

I am requesting that the Commission adopt the revised rental agreement for use by the County.

The Honorable Bill Brittain Hamblen County 511 West Second North Street Morristown, Tennessee 37814

Dear Franchise Administrator:

As part of our ongoing commitment to keep you informed, we want to let you know that Comcast's right to continue carrying:

- Fox College Sports Atlantic;
- Fox College Sports Central; and
- Fox College Sports Pacific

(collectively referred to as "Fox College Sports") will expire on December 31, 2016. At that time, we lose authorization to continue carrying Fox College Sports signals, so we must remove the programming from our lineup on January 1, 2017.

We are committed to keeping you and our customers abreast of the expiration of upcoming programming agreements. We regularly inform our customers in their bills, and our customers and franchising authorities in our annual notices, that we maintain a website (www.xfinitytv.com/contractrenewals) and toll-free number (866.216.8634) that are updated regularly to reflect the programming contracts that are set to expire each month and the channels we might lose the rights to continue to carry.

Sincerely,

James A. Macke
