Notes: Every county business license, location expansion and change of location application needs to be reviewed and approved by the Hamblen County Zoning before a business license application can be processed.

Hamblen County has zoning districts that reflect the diversity of business and neighborhood uses, Each zoning district has different regulations about the type of business activities that are permitted.

It is very important that you check the zoning requirements of your proposed business location carefully) It is critical that you:

DO NOT enter into any financial commitments (i.e. sign a lease) unless you are certain that you are in a proper zoning district that allows the proposed business activity.

DO NOT assume the previous owner's zoning approval applies.

MEMORANDUM

TO:

Anne Bryant-Hurst, Finance Director

FROM:

Chris Bell

DATE:

2 May 2019

RE:

FY19 Homeland Security Grant

CC:

All Commissioners

The EMA office has received the application for the contract for the FY19 Homeland Security Grant through the District II Office of Homeland Security. This grant, like those in the past, is a federally funded, 100% grant with no match required. My office is applying for this grant in the amount of \$20,000.

In accordance with the grant contract, my office intends to comply with the terms and limitations of the Initial Strategy Implementation Plan (ISIP).

The scope of this grant will provide necessary equipment / upgrades for the various Emergency Departments which is state mandated.

All agencies / departments that will be receiving equipment purchased from this grant have submitted documentation stating their compliance with the National Incident Management System (NIMS), which is a requirement for receipt of homeland security grant funding.

I respectfully request that approval be given to fill out the application for the FY19 Grant.

I will contact Administrative Assistant Trish Bowman to have this item placed on the May Commission agenda.

As always, I will be available to answer any questions that you or the other Commissioners may have.

Thank you.

OTC Savings Drug List

Because many medications are available over the counter (OTC), your plan does not cover certain prescription allergy treatment drugs and stomach disorder drugs that have OTC alternatives unless your condition meets specific medical criteria (see below).

OTC alternatives, which are not covered by your plan, cost significantly less than their prescription alternatives, yet they can have similar results. And you can purchase these popular medications when you need them most without a prescription.

The chart below shows you available OTC alternatives to prescription drugs and drug classes not covered by your plan.

Specialty Pharmacy Network

Specialty drugs are expensive injectable, infusion and oral medications used to treat serious, chronic conditions such as multiple sclerosis, rheumatoid arthritis, cancer and hemophilia. They often require special handling, education and monitoring during treatment. Some specialty drugs must be given in a doctor's office (provider-administered), but others can be used at home (self-administered).

BlueCross BlueShield of Tennessee's Specialty Pharmacy Network has experts in these high-cost, biological drugs and offers these medicines at special rates. When your doctor faxes your prescription to the specialty pharmacy, your drugs will be sent to your home or other designated location. If you have questions about your medicine, our pharmacists and nurse specialists are available to answer them.

Depending on your plan, your copay may be higher or the medicine may not be covered if you buy self-administered specialty drugs from outside of our Specialty Pharmacy Network.

Your doctor may obtain approval and order Specialty Pharmacy products by calling one of these Specialty Pharmacies. You may also order self-administered drugs from one of these Specialty Pharmacies:

Specialty SmartStart Program

Lowering Costs, Improving Adherence

The Specialty SmartStart program helps make sure members get the prescription that's right for them by targeting high-cost drugs that have a risk of incompatibility.

How Does SmartStart Work?

- 1. A member who is new to therapy takes a 30-day prescription to a Specialty Pharmacy. The drug must be on the SmartStart list.
- 2. The pharmacy fills the first 15 days of the prescription. The member pays half of the copay or cost share.
- 3. After a length of time determined by the prescribing doctor, a pharmacist calls the member to ask how well the prescription is working and if there are any side effects.
- 4. If the member is doing well, the pharmacy sends a second 15-day dose. The member pays the other half of the copay or cost share.

How Does SmartStart Help Members and Employers?

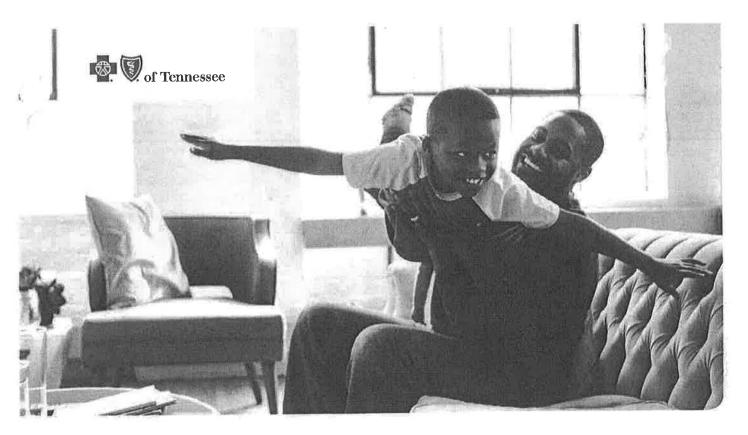

- It cuts down on drug waste and costs by reducing the initial fill of a medication in case it doesn't work well for a member.
- It makes sure members have a medication that they're comfortable with, making them more likely to take it and improve their health.

Specialty SmartStart Drug List: Oncology

AFINITOR	INLYTA	TARCEVA
AFINITOR DISPERZ	IRESSA	TARGRETIN caps
ALECENSA	JAKAFI	TYKERB
BEXAROTENE	LENVIMA	VERZENIO
BOSULIF	LYNPARZA	VOTRIENT
CALQUENCE	NERLYNX	XALKORI
CAPECITABINE	NEXAVAR	XELODA
CAPRELSA	ODOMZO	XTANDI
ERIVEDGE	RUBRACA	ZOLINZA
GLEEVEC	SPRYCEL	ZYKADIA
ICLUSIG	SUTENT	ZYTIGA
IMATINIB MESYLATE	TAFINLAR

Who Can Participate?

SmartStart is available to self-funded and fully insured groups that use the BlueCross BlueShield of Tennessee Preferred Specialty Network.

Save With Maintenance Matters

The Maintenance Matters program helps you save money by offering employees 90-day prescription fills for their long-term medications. Longer fills also support better health results by reducing the chances that a member runs out of their medication.

Benefits Include:

- Lower cost: 90-day supplies allow aggressive price discounts.
- Choices: Medications are available via retail or home delivery.
- Adherence: 90-day fills and home delivery can make therapy more effective, lowering plan costs.
- Access: Home delivery lets members speak 24/7 to experienced pharmacists.
- **Convenience:** There are thousands of retail pharmacies in the 90-day network.

Results:

- Plan sponsors can save up to 4 percent when members get their maintenance medications from a 90-day retail pharmacy or from the Home Delivery pharmacy.
- Members stay healthier when they choose
 90-day supplies for their long-term medications.

How it Works:

Members Make A Choice

- 90-day supply from the Home Delivery pharmacy, or
- Go to a network 90-day retail pharmacy

If a Member Doesn't Fill a 90-day Supply:

- After one, two or three (depending on your plan details) courtesy fills, we'll send them a letter encouraging them to choose 90-day retail or home delivery fills.
- Members who still don't choose will pay full price for their next refill. We'll send a more urgent letter each quarter reminding them to choose.

- 3. The Commission Chairman shall not allow disruptive comments and remarks from the audience, stamping of feet, whistles, yells, and similar demonstrations. The person guilty of such conduct may be removed from the room. In case the Commission Chairman shall fail to act, any member of the County Commission may move to require enforcement of the rules and the affirmative vote of the majority of the County Commission shall require the presiding officer to act.

RE:

2020 KENWORTH BRUSH TRUCK

Commission Members:

The Hambien County Garbage Department received the new 2020 Tandem Axle Cab & Chassis and Dump Body with Hoist from Worldwide Equipment, Inc. in Abingdon, VA the week of May 5, 2019.

Following a careful inspection of the unit, there is much concern regarding the quality of materials. There is significant rust/oxidation on many engine parts. The rust/oxidation seems accelerated and that causes suspicion regarding sustained engine performance.

A recommendation to refuse to accept the unit from Worldwide Equipment would be appropriate in my opinion. Please consider this recommendation as you deliberate on May 23, 2019 at the regularly scheduled meeting of the Commission.

Sincerely,

Harry G. Poole

Re: Transfer from Sanitation Capital Projects Fund (#173) to Solid

Waste/Sanitation Fund (#116), and Closing of Sanitation Capital Project

Fund (#173)

Several years ago, TDEC required Hamblen County to repair the cap of its old landfill site on Neblett Road. The repair work was completed in 2014 and TDEC began the process to remove the site from the State's Superfund List. Once it was removed from the list, the County was only to be responsible for minor maintenance to the property.

There is a balance of \$78,316.72 in the Sanitation Capital Projects Fund (#173) from the repair project. I am asking the Finance Committee to recommend to the full County Commission move the balance of this fund to the Solid Waste/Sanitation Fund #116 and close the Sanitation Capital Projects Fund #173. Since the proceeds for the original project were restricted for Solid Waste and Sanitation related projects the funds may now only be transferred to the Solid Waste/Sanitation Fund (#116).

Do not hesitate to call me with any questions or concerns.

Re:

Liability and Workman's Comp Insurance Renewal

Two companies submitted proposals to provide property and casualty, auto, and law enforcement liability coverage as well as workman's compensation insurance for Hamblen County.

The County Mayor's Office, in consultation with our insurance broker Strate Insurance Group, is recommending that Tennessee Risk Management Trust (TNRMT) be awarded the contract.

Below is a comparison of the proposals submitted by each carrier:

	<u>TNRMT</u>	BRIT/QBE
Premium	\$745,141	\$749,617
Law Enforc. Excess Liability	\$4 Million	Not Offered
Law Enforc. Each Occurrence	\$1 Million	\$1 Million
Law Enforc. Aggregate Limit	No Limit	\$2 Million
Law Enforc. Deductible	\$25,000 / claim	\$150,000 / claim

We determined the TNRMT proposal is the <u>best value</u> based on the information above.

I am requesting that the County Commission approve the contract with the Tennessee Risk Management Trust effective July 1, 2019.

To:

Hamblen County Commissioners

From:

Bill Brittain, County Mayor

Re:

Planning Services Agreement with City of Morristown

At my request, the City of Morristown and its Planning Department have agreed to provide planning services for Hamblen County beginning with the 2019-20 fiscal year.

The agreement includes a greater time commitment (4 hours/week) for a planner to work with the County Planning Department. The needs of our Planning Department have out grown the time available with the current contractor, the East Tennessee Development District.

The cost of the services remains the same at \$15,500 annually.

I am asking the County Commission to approve contracting with the City of Morristown for planning services.

Do not hesitate to contact me with any questions.

INTERLOCAL COOPERATION AGREEMENT FOR PLANNING ADVISOR

This Interlocal Cooperation Agreement ("Agreement") is entered into this ____ day of ____ 2019 by and between THE CITY OF MORRISTOWN, TENNESSEE ("City") and HAMBLEN COUNTY, TENNESSEE ("County").

WITNESSETH

Whereas, *Tennessee Code Annotated* §12-9-104 authorizes public agencies to exercise and enjoy jointly with other public agencies of the State, any power or powers, privileges or authority exercised or capable of exercise by a public agency of the State; and

Whereas, the County has requested the assistance of the City planning department, by specifically having a City planner work with the County's Planning Operations Manager four (4) hours per week; and

Whereas, the City has agreed to make a planner available to the County subject to the terms of this Agreement; and

Whereas, the City and the County hereby enter into this Interlocal Cooperation Agreement for the purpose of the City making a City planner available to the County to serve in an advisory position at the County on a limited basis and pursuant to the terms addressed herein.

NOW THEREFORE IT IS AGREED AS FOLLOWS:

- 1. The City agrees to ensure that a City planner is available to the County for four (4) hours every week to assist and work with the County's Planning Operations Manager. The City currently has two (2) planners on staff, and the City intends to allow each planners to be available to the County in alternating months, i.e. one planner will work with the County in odd numbered months and the other planner will work with the County in even numbered months.
- The parties understand that the duties of the planner will consist of conferring with the local planning commission, board of zoning appeals and other local officials in the County's comprehensive planning program. The planner will work directly with the County's Planning Operating Manager and will assist with the following non-comprehensive list of services:

- a) Attend the county planning commission meeting and board of zoning appeals meetings regularly, <u>as well as attend the County Commission meetings on an as needed basis</u>, and assist in the preparation of agenda items (reviews and recommendations) for both boards;
- b) Advise the planning commission and board of zoning appeals on plat approvals, rezoning requests, site plan proposals, subdivision regulations, development proposals and other land use controls;
- c) Assist in planning and offering training for planning commissioners, members of the board of zoning appeals and other local officials;
- d) Provide administrative interpretations of state laws and county regulations for property use issues.
- 3. The parties understand that the planner will not be utilized to work the service counter, greet the public or answer the telephone in any County office. Nor will the planner be expected to work with any property maintenance, building code or storm water issues that may arise and involve the County.
- 4. The parties understand and agree that the planner(s) will be covered as a City Employee and under the City's workers compensation insurance policy.
- 5. The City and County shall each designate a specific contact person for issues related to this Agreement and shall provide that person's name and telephone number to the other party upon approval of this Agreement. If there is any change in the contact person, notification to the other shall be immediately given.
- 6. The County shall pay the City an annual sum of fifteen thousand and five-hundred dollars (\$15,500) for the use of the City planner. The City shall invoice the County on a quarterly basis and the County shall remit payment to the City within fifteen (15) days of receiving said invoice. The County agrees to grant an annual pay increase up to, but not to exceed, the unadjusted percent change for the most recent twelve (12) months for which data is available, that is not subject to revision, in the Consumer Price Index (CPI-U).
- 7. After the approval by both the City Council and the County Commission, the term of this Agreement shall commence on July 1, 2019 and shall continue for a period of one (1) year. This Agreement shall automatically renew each year, unless either party desires not to renew or continue the Agreement and provides at least a

- thirty (30) day written notice of same to the other party. Additionally, this Agreement and any extension(s) thereof shall be subject to the funds being appropriated by the County.
- 7. This Agreement shall take effect upon its adoption and approval by the governing bodies of both parties hereto and shall be binding upon the undersigned, their successors and assigns unless modified by an agreement in writing executed by the parties hereto.

Witness the day and year first above written.

Whereas, the City and the County hereby enter into this Interlocal Cooperation Agreement for the purpose of the City providing mosquito spraying services to certain areas in the County and pursuant to the terms addressed herein.

NOW THEREFORE IT IS AGREED AS FOLLOWS:

- 1. The City agrees to provide mosquito spraying services to areas in the County, and particularly areas that flooded and received a significant amount of rainwater. The County has specifically requested that the City provide these services to the following areas: Hunter Road, Lanier Drive, Colgate Drive, Brady Drive, Everett Road, The Meadows Subdivision and Tara Subdivision.
