TO:Hamblen County CommissionFROM:Lori Matthews, Senior Planner for MorristownDATE:April 13<sup>th</sup> 2020SUBJECT:Rezoning Request in the Urban Growth Boundary Area

#### BACKGROUND -

A rezoning request has been submitted by Guzman Construction on behalf of property owner Mr. Fred Burnett for his property addressed as 3451 Virgie Road, which is located along the east side of South Sugar Hollow Road. The applicant is asking to rezone the property from A1 (Agriculture and Forestry) to C1 (Commercial) in order to operate a towing business at this location.

As the request falls within the City's Urban Growth Boundary area, It must be reviewed by the Morristown Regional Planning Commission and a recommendation forwarded to the Hamblen County Commission. Should the rezoning be approved, the applicant will submit a site plan to City Staff which will be reviewed by the Planning Commission and approved or denied.

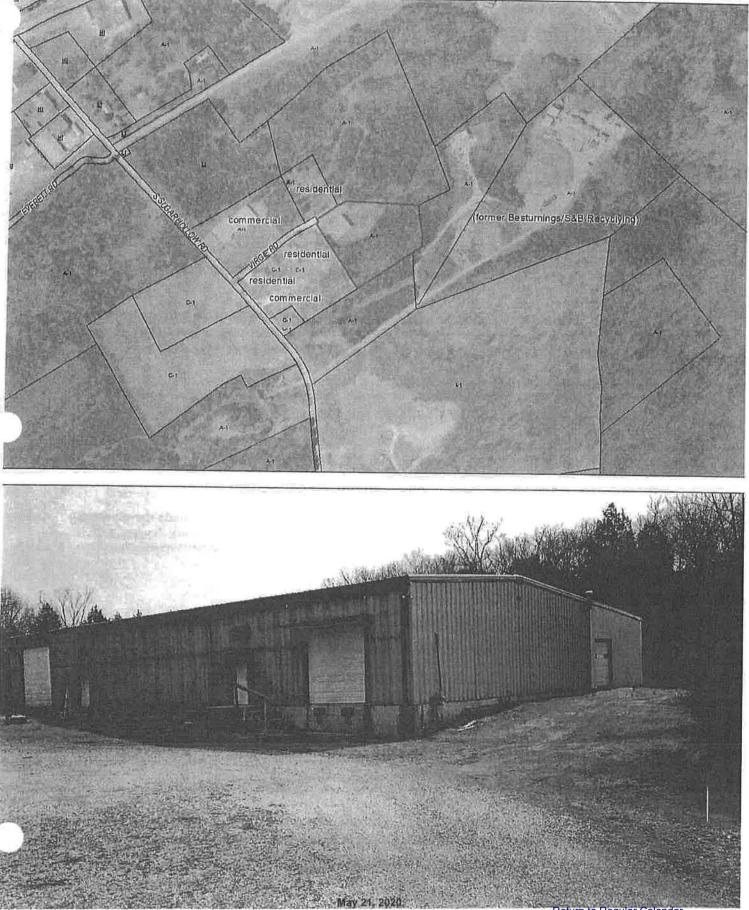

The subject property, zoned A1 is approximately 3.20 acres in size. Existing on the property is a 7,500 square foot building, built in 1978, which has been classified as a commercial entity according to tax records. Surrounding uses include two residential houses and one small business on one tract (zoned C1) which is located between the subject property and South Sugar Hollow Road. Another business sits at the northwest intersection of Sugar Hollow and Virgie which is zoned A1. The third residential house, zoned A1, sits directly opposite the subject property. The former Besturning/S&B Recycling facility is located behind the subject site and it is zoned A1.

Sugar Hollow Road has many commercially used properties along that portion which falls inside the city limits of Morristown. The remainder of this road for the most part, has very few residential houses and is predominantly vacant on both sides, the exception being the concrete manufacturer located midway between West Andrew Johnson and 160.

#### **RECOMMENDATION:**

At the March 10<sup>th</sup> 2020 Morristown Regional Planning Commission, this request was heard and unanimously approved to forward to the Hamblen County Commission with a positive recommendation.

To:Hamblen County Citizens and All Interested PartiesFrom:Bill Brittain, County Mayor<br/>Anne Bryant-Hurst, Finance DirectorDate:April 13, 2020Re:Annual Debt Report

In compliance with Section II.B of Hamblen County's Debt Management Policy, we present the Annual Debt Management Report for the fiscal year ending June 30, 2020. It is our goal to demonstrate strong financial management practices to the citizens of Hamblen County, investors, and credit agencies. We will continue our practice of strategic planning to issue and manage debt based on focused long-term goals.

Hamblen County received a rating of Aa3 from Moody's Investors Service, and an AA- from Standard and Poor's during its most recent ratings review. These ratings are a positive reflection of Hamblen County's solid financial position, conservative budgetary practices, and well managed debt profile. These ratings allow Hamblen County to obtain financing at lower interest rates, which in return results in a lower tax burden on its citizens.

The most recent ratings are further supported by comparing selected ratios to national benchmarks. Based on the outstanding principal at June 30, 2020, Hamblen County's net debt to assessed property value is 1.97 percent compared to a national benchmark which recommends a percentage of no more than 10 percent. Additionally, Hamblen County's net debt-per-capita ratio of \$445 is considered in the very low category in Standard & Poor's classification system for setting credit ratings. Finally, Hamblen County's net debt as a percentage of personal income is 1.22% percent as compared to the benchmark which recommends a percentage of 4.5% percent or less. Each of these ratios individually, and in combination, reinforces the County's strong financial management practices. Hamblen County also compares favorably with surrounding counties. As of June 30, 2019 Hamblen County had the lowest per capita debt of all its contiguous neighbors and the next to lowest after issuing general obligation bonds for school and county projects in January 2020.

As we begin the 2020-2021 budget discussions, we will work with our Finance Committee, Budget Committee, and County Commission to adopt an adequately funded debt budget that meets the present and future needs of the citizens of Hamblen County.

Net Debt		\$ 28,373,570
Population		 63,740
Net Debt Per Capita - S & P's Very Low Category	\$ 1,000	\$ 445

**Net Debt** - Net debt is the outstanding principal less the fund balance that is currently available in the General Debt Service Fund. This allows Hamblen County to determine the amount required to be collected in the future to retire the outstanding principal on its debt.

Net Debt Per Capita - Net debt per capita is calculated by dividing the net debt by the total number of citizens of Hamblen County. This is the additional amount that Hamblen County would need to collect from every citizen in order to retire its outstanding principal balance. Simply stated, if every citizen remitted an additional \$445 to Hamblen County at June 30, Hamblen County would be able to retire all of its debt excluding the interest component at one time. For comparison, Standard and Poor's classifies governments with less than \$1,000 in net debt per capita as having a very low debt burden.

**Debt as a Percentage of Personal Income** - This ratio incorporates an ability to pay concept into the assessment of debt burden. It uses total personal income (including wages, dividends, interest, rent, and government payments) divided by total population. The lower the percentage the more desirable the measurement. A low debt per capita percentage indicates either a low debt burden or strong personal income or some combination of the two.

It uses the total personal income (including wages, dividends, interest, rent, and government payments) divided by total population. This ratio can be utilized to determine how Hamblen County's debt load can be spread to its citizens based on their ability to pay. For comparison, a national standard uses a benchmark of not greater than 4.5% of total personal income to assess net debt. Hamblen County's current net debt as a percentage of personal income is 1.22%.

#### NOTE:

The Qualified School Construction Bonds were issued through the Tennessee State School Bond Authority and loaned to Hamblen County on December 17, 2009, in the amount of \$11,280,000. This other loan was issued at a cost of \$124,936 for capital projects related to the school department. It is important to note that the Tennessee State School Bond Authority issued the bonds and loaned the proceeds to Hamblen County and various other governments across Tennessee. Hamblen County pays interest of 1.515 percent on its share of the bonds and also pays a monthly administrative fee to the State of Tennessee. Hamblen County and the other borrowers of the bond proceeds are required to comply with federal regulations established for the Qualified School Construction Bond program. Failure to comply with those requirements may result in the loss of the tax credit status of the bonds. This would result in further charges to the borrowers (Hamblen County) including the requirements to pay the taxcredit rate (5.86 percent) in addition to the 1.515 percent for a total rate of 7.375 percent. Currently, the budget is based on the 1.515 percent and the related monthly administrative fee.

Payments are made to the State of Tennesse and deposited into a sinking fund. The State holds the sinking fund payments in escrow and will pay off the full \$11,280,000 in 2027. This schedule reflects the remaining payments required to be made to the sinking fund.

# MEMORANDUM

TO:	Anne Bryant-Hurst, Finance Director
FROM:	Chris Bell
DATE:	18 March 2020
RE:	FY20 Homeland Security Grant
CC:	All Commissioners

The EMA office has received the application for the contract for the FY20 Homeland Security Grant through the District II Office of Homeland Security. This grant, like those in the past, is a federally funded, 100% grant with no match required. My office is applying for this grant in the amount of \$20,500.

In accordance with the grant contract, my office intends to comply with the terms and limitations of the Initial Strategy Implementation Plan (ISIP).

The scope of this grant will provide necessary equipment / upgrades for the various Emergency Departments which is state mandated.

All agencies / departments that will be receiving equipment purchased from this grant have submitted documentation stating their compliance with the National Incident Management System (NIMS), which is a requirement for receipt of homeland security grant funding.

I respectfully request that approval be given to fill out the application for the FY20 Grant.

I will contact Administrative Assistant Trish Bowman to have this item placed on the April Commission agenda.

As always, I will be available to answer any questions that you or the other Commissioners may have.

Thank you.

#### May 2018

1. Employee Acknowledgement Form.

#### March 2019

- 1. Section 1.2—Handguns and Workplace Violence Prevention Policy.
- 2. Section 2.0—Part-Time Employees who work above 25 hours per week will now gain limited access to the County Employee Health Clinic.

#### <u>May 2020</u>

- 1. Section 1.8—allowing accrued leave pay in addition to workers compensation pay up to 100% of normal salary.
- 2. Section 4.5—Expiration of FMLA Leave—After allotted weeks of FMLA have expired and employee is still out with no accrued leave time, COBRA will be offered.
- 3. Section 4.5—Families First Coronavirus Response Act (FFCRA)
- 4. Section 4.11—(1) Offer of COBRA if granted administrative leave without pay exceeds 30 days. (2) If an employee is placed on leave for reasons other than qualifying leave or granted leave, all benefits including health insurance and clinic access for that employee will be suspended until he/she returns to work.
- 5. Section 5.1—Employee Courtesy #9—any employee found to be engaging in any type of unlawful conduct will be subject to disciplinary action, up to and including termination of employment.
- 6. Section 6.2—Definitions of Disciplinary Actions—Dismissal—"including engaging in any unlawful conduct."
- 7. Section 7.7—Working from home.

#### 1.8 WORKERS COMPENSATON POLICIES

Workers Compensation Payments for Lost Work Time – An employee is not entitled to receive workers compensation payments for lost work time unless he/she is disabled for a period of seven (7) calendar days. To continue his/her pay during the first seven days of absence, an employee may utilize accumulated sick and/or annual leave. If employee is out more than 7 calendar days, but less than 14 calendar days, workers compensation pays for calendar days 8 to 13. If the employee is out 14 calendar days or more, then workers compensation goes back to day one of lost time and begins paying from day one. An employee may not collect both workers compensation payments and accrued leave payments in excess of 100% of their normal salary. An employee must request to be paid the difference of workers compensation and normal salary using their accrued leave.

Denial of Workers Compensation Benefits – Hamblen County has a Workplace Violence Prevention Policy that prohibits threats and physical acts of violence. If an employee is injured while participating in a fight or after instigating a fight, then entitlement to workers compensation benefits may be impacted. Hamblen County is also designated as a Drug-free Workplace under Tennessee State law. If an employee receives a positive urine drug test or breath alcohol test, or refuses to submit to such testing, following an on-the-job injury, then entitlement to workers compensation benefits may be denied. If an employee does not immediately notify Hamblen County of an on-the-job injury, the injury may be deemed not compensable under the workers compensation program.

Failure to Report Accidents and Injurics – Employees and/or supervisors who fail to immediately notify the Human Resources Manager of an on-the-job injury shall be subject to disciplinary action.

Employees are required to continue paying their portion of the group health care premium and premiums for any voluntary elected benefits while out of work for Worker's Compensation.

While an employee is on an intermittent or reduced schedule leave, Hamblen County may temporarily transfer the employee to an available alternative position that better accommodates the recurring leave and which has equivalent pay and benefits.

### Pay and Benefits During FMLA Leave

The provisions of this policy shall apply to all family and medical leaves of absence and shall be coordinated with other employment isaves and/or benefit plans or policies to which the employee may be eligible.

The employee must use any such other said paid leave, available for all or any part of the leave period. In other words, if an employee is entitled to vacation or paid leave under another company benefit plan or policy, the employee must take the paid leave concurrently with FMLA leave. The use of any paid leave does not extend the limitation for the basic family leave period (twelve (12) weeks) or the military family leave period (twenty-six (26) weeks).

During an approved family medical leave Hamblen County will maintain the employee's health benefits as if the employee continued to be actively employed and Hamblen County will pay its normal portion of health premiums.

While on paid leave Hamblen County will continue to make payroll deductions to collect the employee's normal portion of the premium as applicable. While on unpaid leave the employee will be required to pay her or his normal portion of the premium. The employee will be required to begin making this payment at the end of the month following the month that the leave begins. The employee will be required to make this payment in person or by mail. The payment must be received in the Human Resources Department by the 10<sup>th</sup> day of each month beginning with the month following the month the leave begins.

An employee's health coverage will cease if the employee's premium payment is more than thirty (30) days late. If the payment is more than fifteen (15) days late, Hamblen County will send the employee a letter to this effect. If Hamblen County does not receive the premium payment within fifteen (15) days after the date of that letter, the employee's coverage may cease.

In the event that an employee elects not to return to work upon completion of an approved, unpaid leave of absence, Hamblen County may recover from the employee the cost of any payments made to maintain the employee's coverage, unless the failure to return to work was for reasons beyond the employee's control.

Employees who are on an approved, unpaid leave of absence will not accrue vacation hours, and will not be eligible for holiday, funeral leave or jury or witness duty pay.

#### Expiration of FMLA Leave

If an employee is not able to return to work after the expiration of the granted FMLA leave and the employee has no paid leave available to use, a notice of COBRA coverage will be mailed to the employee within 30 days and a letter to the employee that he/she will not be covered under the County's Health Insurance plan until he/she can return to work.

#### -4.5 FAMILY AND MEDICAL LEAVE ACT -(Pages 58 -60)

Return to the Job at the end of FMLA Leave

Upon return from FMLA leave, the employee will be reinstated to her or his original job, or a position of similar status and pay, commensurate with her or his skills and qualifications.

The only exceptions include certain employees who hold executive positions within Hamblen County. Under specified and limited circumstances, where restoration to employment will cause substantial and grievous economic injury to our operations, Hamblen County may refuse to reinstate certain highly paid "key" employees after using FMLA leave during which health coverage was maintained. A key employee is a salaried, eligible employee who is among the highest paid ten percent (10%) of employees within seventy-five (75) miles of the work site.

Hamblen County will require a fitness-for-duty certification for certain jobs from the employee's own health care provider certifying ability to return to work. The certification must be provided prior to return from a leave for an employee's serious health condition. The certification must address the employee's ability to perform the essential functions of the position. While there is no guarantee that a position can be provided which meets the restrictions, Hamblen County will seek to do so when practicable.

Additionally Hamblen County will require a fitness-for-duty certification up to once every thirty (30) days for an employee taking intermittent or reduced schedule FMLA leave if reasonable safety concerns exist regarding the employee's ability to perform her or his duties based on the condition for which leave was taken. A return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner.

An employee who fails to return at the conclusion of a FMLA leave, and has exhausted any applicable short term disability benefits, will be deemed to have resigned, no matter what the reason or circumstances, and will be terminated.

Families First Coronavirus Response Act

Hamblen County Complies with the provisions contained in the federal Families First Coronavirus Response Act (FFCRA)- public Law No. 116-127.

This act creates two new types of leave related to COVID-19, summarized below in verbiage recommended by CTAS.

1. Emergency Family and Medical Leave Expansion Act (Section 3101 et seq.) – Public Health Emergency Leave

Amends FMLA to add public health emergency leave; applies to public agencies with one or more employees.

Eligible Employee: Has been employed for at least 30 calendar days

Reasons for Leave: Eligible employees who are unable to work or telework are entitled to jobprotected leave to care for the employee's child under the age of 18 if the child's school or place of care is closed or the childcare provider is unavailable due to a public health emergency with respect to COVID-19 declared by a federal, state, or local government.

#### Amount of Leave: 12 weeks

#### Compensation during Leave:

- May be unpaid for the first 10 days, during which time the employee may choose to substitute any accrued paid leave the employee may have (or paid leave under Section 2 below). The employer cannot require the employee to substitute paid leave.
- After the first 10 days, leave must be paid at 2/3 of the employee's regular pay, capped at \$200/day for a total of \$10,000.
- Employees with variable hours (to the extent that the employer cannot determine what the employee's schedule would have been) are paid based on the average hours the employee was scheduled to work per day over the past 6 months, including leave taken during that time.

## Emergency Paid Sick Leave Act (Section 5101 et seq.)

Eligible Employee: Same definition of employee as FLSA, no minimum length of service.

Reasons for Leave: Eligible employees are entitled to paid sick leave if the employee is unable to work or telework for any of the following reasons tied to COVID-19:

- The employee is subject to a federal, state, or local quarantine or isolation order related to COVID-19.
- The employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
- The employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.
- The employee is caring for an individual who is subject to a quarantine or isolation order related to COVID-19 or an individual that has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
- The employee is caring for his or her son or daughter if the school or place of care has been closed or the childcare provider is unavailable due to COVID-19 precautions.
- The employee is experiencing any other substantially similar condition specified by the Secretary of Health and Human Services in consultation with the Secretary of the Treasury and the Secretary of Labor.

Amount of Leave: Full time employees: 80 hours. Part-time employees: a number of hours equal to the average number of hours the employee works over a 2-week period.

- Leave for reasons 4 6 above may be paid at 2/3 the employee's regular rate of pay, capped at \$200/day and \$2,000 total.

The employer cannot require the employee to use other accrued paid leave before the employee uses this leave.

# 4.6 BEREAVEMENT LEAVE

In case of death in the employee's immediate family, the employee will be given 3 days paid leave which will not be charged to vacation leave. Employee shall receive his or her regular compensation based on his or her regular scheduled workday during bereavement leave. It also includes other relatives by blood or marriage if they are living under the same roof with the employee.

An employee who claims funeral leave may, at the discretion of his Elected Official or Department Head, be required to furnish confirmation of the death which may include an obituary notice or funeral home announcement.

# 4.7 PARENTAL LEAVE

Any employee who has been employed by Hamblen County for at least twelve (12) consecutive months as a regular full-time employee may be absent from employment for a period not to exceed four (4) months for adoption, pregnancy, childbirth, and nursing the infant. The four (4) month period shall include leave required before and after the birth of a child.

With regard to adoption, the four (4) month period shall begin at the time an employee receives custody of the child.

Any employee who has less than one (1) year of service may be granted parental leave for a period not to exceed thirty (30) workdays following the birth of a child. T.C.A. section 4-21-408

Regular full-time employees who are members of any federal or state military reserve component will be granted military training leave for such time as they are in the military service on field training or active duty for periods not to exceed fifteen (15) working days per calendar year. This time may not be used for weekend drills. Such requested leave shall be supported with copies of the armed service orders.

Full time employees who are members of a federal or state military reserve unit who have completed their military training duty for the calendar year, and are reactivated for additional training, will be allowed an additional fifteen (15) days military leave if the additional military training:

1) Occurs during the same calendar year; and

sponsored healthcare under the TRICARE program.

2) Fulfills the employee's military training obligation for the subsequent calendar year.

During such time that the employee is on military training leave, the employee will receive full pay and benefits to which he or she would otherwise be entitled. The employee's time sheet should indicate "Military Leave."

Should the full-time employee enter the military on an active basis, the employee must present their orders to their supervisor as soon as they receive them. The full- time employee will be granted an unpaid leave of absence to serve a tour of duty. Military Leave shall be granted in accordance with TCA Title 8 Chapter 33.

# **4.11 LEAVE WITHOUT PAY**

Any employee, at the discretion of the Elected Official or Department Head, may be granted administrative leave without pay for sufficient reason as determined by the Elected Official or Department Head. During the period of absence, the employee will not accrue vacation, sick leave or other benefits. If such administrative leave without pay exceeds 30 days, the employee will receive a notice that the county offered health insurance will end and COBRA (Consolidated Omnibus Budget Reconciliation Act) coverage will be offered at the expense of the employee until the employee returns to work.

If an employee is placed on leave for reasons other than qualifying leave or granted administrative leave, all benefits including health insurance and clinic access for that employee will be suspended until he/she returns to work.

As provided by Tenn. Code Ann. § 50-1-3 reasonable time will be provided for the expression of breast milk close to the work area in privacy by nursing mothers.

#### 5.1 EMPLOYEE COURTESY

9. We certainly cannot and do not want to dictate off-the-job activities but bear in mind that as public employees we are held in a special light. Off-the-job activities do reflect on the offices and the respective Department Heads and Elected Officials. Any employee found to be engaging in any type of unlawful conduct will be subject to disciplinary action, up to and including termination of employment.

# 5. 2 ATTENDANCE POLICY

Hamblen County's expectation in the area of employee attendance is that people come to work each day, on time. We realize, however, that there may be occasions in a person's life when they develop legitimate problems that result in them missing time from work.

When employees develop problems with respect to their attendance, these problems will be addressed with the employee. It is important to note, however, that if employees demonstrate that they cannot or are not willing to come to work on a regular basis, then they will be subject to discharge from employment.

When you are absent for any reason that has not been previously approved by your supervisor, you must call in and speak with your supervisor prior to the time for your shift to start. A doctor's excuse can and will be asked for if the situation warrants.

# **5.3 DRESS CODE**

It is expected that all Hamblen County employees will report to work dressed appropriately for their specific job.

Department Managers and/or Elected Officials will instruct employees as to the acceptable clothing for their area. Some departments require standard uniforms. Other departments require clothing appropriate for interaction with the public.

Regardless of the specific department requirements, all employees are expected to present themselves with clean clothing and good personal hygiene. Remember that each of us is a representative of Hamblen County Government.

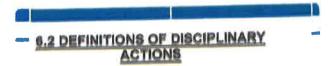

# 5.4 USE OF TECHNOLOGY RESOURCES

Hamblen County's technology resources include but are not limited to computers, software, telephones, facsimile (FAX) and photocopy machines. Hamblen County owns and maintains technology resources for the purpose of carrying out Hamblen County's business.

While Hamblen County recognizes that employees may occasionally need to use technology resources for personal reasons, all such personal use should be incidental and kept to a minimum.

#### Demotion

Demotion is the re-assignment of an employee to a classification in a lower skill level of the Pay Plan.

An employee may be demoted when his/her job performance is unsatisfactory and all efforts to bring the employee's performance to a satisfactory level have failed.

An employce may be demoted for disciplinary reasons when an employee's behavior is deemed to be serious misconduct.

#### **Dismissal**

An employee who gives unsatisfactory service or who is guilty of any substantial violation of Hamblen County's policies and procedures shall be subject to dismissal at the will of the employer. Dismissal may be the culmination of a series of events for which disciplinary actions have been taken. Dismissal may also be the result of a single event that is serious enough to warrant immediate termination including engaging in any unlawful conduct.

# 6.3 DISCIPLINARY ACTION PROCEDURE IN EVENT OF VIOLATIONS OF HAMBLEN COUNTY'S POLICIES AND PROCEDURES

Employees will be subject to disciplinary action if they violate any Hamblen County policy and/or procedure. The type of action taken must be determined in relation to the specific violation according to Section VI: Disciplinary Action.

All applicable laws, regulations, and procedures will be followed when disciplinary action is taken. In addition, violations of Federal criminal statues may subject the violator to criminal prosecution.

An employee is responsible for reporting to his supervisor any violation of law and Hamblen County policies and procedures committed by another employee when he/she has knowledge of such activities. If the violation is committed by the employee's supervisor, the report should be filed with the next official in the chain of command.

### **Disciplinary Authority**

A supervisor should recommend disciplinary action that is appropriate given the severity of the employee's violation. While an employee may be given an opportunity to improve his/her job performance following a violation, the application of progressive disciplinary action is not required prior to dismissal. An employee may be dismissed immediately for a single event that is serious enough to warrant this action.

## 7.6 GOVERNMENTAL RECORDS REGULATION

#### **TENNESSEE CODE ANNOTATED § 39-16-504**

Section 39-16-504. Destruction of and tampering with governmental records

- (a) It is unlawful for any person to:
  - (1) Knowingly make a false entry in, or false alteration of, a governmental record;
  - (2) Make, present, or use any record, document or thing with knowledge of its falsity and with intent that it will be taken as genuine governmental record; or
  - (3) Intentionally and unlawfully destroy, conceal, remove or otherwise impair the verity, legibility or availability of any governmental record.
- (b) A violation of this section is a Class A misdemeanor.

## 7.7 WORKING FROM HOME

In certain positions and under certain circumstances, employees can effectively work remotely from home. Working remotely from home must be authorized and/or directed by the department head. Employees may be required to report to their workplace on a limited basis in order to fulfill some of the job responsibilities. Employees shall record hours worked at home, or at the workplace. The department head is responsible for supervising the employee.

§ 4.2 The Architect may provide Additional Services after execution of this Agreement without invalidating the Agreement. Upon recognizing the need to perform Additional Services, the Architect shall notify the Owner. The Architect shall not provide the Additional Services until the Architect receives the Owner's written authorization. Except for services required due to the fault of the Architect, any Additional Services provided in accordance with this Section 4.2 shall entitle the Architect to compensation pursuant to Section 11.3.

§ 4.2.1 The Architect shall provide services necessitated by a change in the Initial Information, changes in previous instructions or approvals given by the Owner, or a material change in the Project including size; quality; complexity; the Owner's schedule or budget for Cost of the Work; or procurement or delivery method as an Additional Service

§ 4.2.2 The Architect has included in Basic Services as needed ( ) visits to the site by the Architect during construction. The Architect shall conduct site visits in excess of that amount as an Additional Service.

§ 4.2.3 The Architect shall, as an Additional Service, provide services made necessary by a Contractor's proposed change in the Work. The Architect shall prepare revisions to the Architect's Instruments of Service necessitated by Change Orders and Construction Change Directives as an Additional Service.

§ 4.2.4 If the services covered by this Agreement have not been completed within N/A () months of the date of this Agreement, through no fault of the Architect, extension of the Architect's services beyond that time shall be compensated as Additional Services.

#### ARTICLE 5 OWNER'S RESPONSIBILITIES

§ 5.1 Unless otherwise provided for under this Agreement, the Owner shall provide information in a timely manner regarding requirements for and limitations on the Project, including a written program which shall set forth the Owner's objectives, schedule, constraints and criteria, including space requirements and relationships, flexibility, expandability, special equipment, systems and site requirements.

§ 5.2 The Owner shall establish the Owner's budget for the Project, including (1) the budget for the Cost of the Work as defined in Section 6.1; (2) the Owner's other costs; and, (3) reasonable contingencies related to all of these costs. The Owner shall update the Owner's budget for the Project as necessary throughout the duration of the Project until final completion. If the Owner significantly increases or decreases the Owner's budget for the Cost of the Work, the Owner shall notify the Architect. The Owner and the Architect shall thereafter agree to a corresponding change in the Project's scope and quality.

§ 5.3 The Owner shall furnish surveys to describe physical characteristics, legal limitations and utility locations for the site of the Project; a written legal description of the site; and services of geotechnical engineers or other consultants, when the Architect requests such services and demonstrates that they are reasonably required by the scope of the Project.

**§ 5.4** The Owner shall coordinate the services of its own consultants with those services provided by the Architect. Upon the Architect's request, the Owner shall furnish copies of the scope of services in the contracts between the Owner and the Owner's consultants. The Owner shall require that its consultants and contractors maintain insurance, including professional liability insurance, as appropriate to the services or work provided.

§ 5.5 The Owner shall furnish tests, inspections and reports required by law or the Contract Documents, such as structural, mechanical, and chemical tests; tests for air and water pollution; and tests for hazardous materials.

§ 5.6 The Owner shall furnish all legal, insurance and accounting services, including auditing services, that may be reasonably necessary at any time for the Project to meet the Owner's needs and interests.

§ 5.7 The Owner shall provide prompt written notice to the Architect if the Owner becomes aware of any fault or defect in the Project, including errors, omissions or inconsistencies in the Architect's Instruments of Service.

§ 5.8 The Owner shall endeavor to communicate with the Contractor through the Architect about matters arising out of or relating to the Contract Documents.

§ 5.9 The Owner shall provide the Architect access to the Project site prior to commencement of the Work and shall obligate the Contractor to provide the Architect access to the Work wherever it is in preparation or progress.

§ 5.10 Within 15 days after receipt of a written request from the Architect, the Owner shall furnish the requested information as necessary and relevant for the Architect to evaluate, give notice of, or enforce lien rights.

#### **ARTICLE 6 COST OF THE WORK**

§ 6.1 For purposes of this Agreement, the Cost of the Work shall be the total cost to the Owner to construct all elements of the Project designed or specified by the Architect and shall include contractors' general conditions costs, overhead and profit. The Cost of the Work also includes the reasonable value of labor, materials, and equipment, donated to, or otherwise furnished by, the Owner. The Cost of the Work does not include the compensation of the Architect; the costs of the land, rights-of-way, financing, or contingencies for changes in the Work; or other costs that are the responsibility of the Owner.

§ 6.2 The Owner's budget for the Cost of the Work is provided in Initial Information, and shall be adjusted throughout the Project as required under Sections 5.2, 6.4 and 6.5. Evaluations of the Owner's budget for the Cost of the Work, and the preliminary estimate of the Cost of the Work and updated estimates of the Cost of the Work prepared by the Architect, represent the Architect's judgment as a design professional. It is recognized, however, that neither the Architect nor the Owner has control over the cost of labor, materials or equipment; the Contractor's methods of determining bid prices; or competitive bidding, market or negotiating conditions. Accordingly, the Architect cannot and does not warrant or represent that bids or negotiated prices will not vary from the Owner's budget for the Cost of the Work, or from any estimate of the Cost of the Work, or evaluation, prepared or agreed to by the Architect.

§ 6.3 In preparing estimates of the Cost of Work, the Architect shall be permitted to include contingencies for design, bidding and price escalation; to determine what materials, equipment, component systems and types of construction are to be included in the Contract Documents; to recommend reasonable adjustments in the program and scope of the Project; and to include design alternates as may be necessary to adjust the estimated Cost of the Work to meet the Owner's budget. The Architect's estimate of the Cost of the Work shall be based on current area, volume or similar conceptual estimating techniques. If the Owner requires a detailed estimate of the Cost of the Work, the Architect shall provide such an estimate, if identified as the Architect's responsibility in Section 4.1, as a Supplemental Service.

§ 6.4 If, through no fault of the Architect, construction procurement activities have not commenced within 90 days after the Architect submits the Construction Documents to the Owner the Owner's budget for the Cost of the Work shall be adjusted to reflect changes in the general level of prices in the applicable construction market.

Init.

§ 6.5 If at any time the Architect's estimate of the Cost of the Work exceeds the Owner's budget for the Cost of the Work, the Architect shall make appropriate recommendations to the Owner to adjust the Project's size, quality or budget for the Cost of the Work, and the Owner shall cooperate with the Architect in making such adjustments.

§ 6.6 If the Owner's current budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services is exceeded by the lowest bona fide bid or negotiated proposal, the Owner shall

- .1 give written approval of an increase in the budget for the Cost of the Work;
- .2 authorize rebidding or renegotiating of the Project within a reasonable time;
- .3 terminate in accordance with Section 9.5;
- .4 in consultation with the Architect, revise the Project program, scope, or quality as required to reduce the Cost of the Work; or
- .5 implement any other mutually acceptable alternative.

§ 6.7 If the Owner chooses to proceed under Section 6.6.4, the Architect shall modify the Construction Documents as necessary to comply with the Owner's budget for the Cost of the Work at the conclusion of the Construction Documents Phase Services, or the budget as adjusted under Section 6.6.1. If the Owner requires the Architect to modify the Construction Documents because the lowest bona fide bid or negotiated proposal exceeds the Owner's budget for the Cost of the Work due to market conditions the Architect could not reasonably anticipate, the Owner shall compensate the Architect for the modifications as an Additional Service pursuant to Section 11.3; otherwise the Architect's services shall be without additional compensation. In any event, the Architect's modification of the Construction Documents shall be the limit of the Architect's responsibility under this Article 6.

#### ARTICLE 7 COPYRIGHTS AND LICENSES

Init.

I

§ 7.1 The Architect and the Owner warrant that in transmitting Instruments of Service, or any other information, the transmitting party is the copyright owner of such information or has permission from the copyright owner to transmit such information for its use on the Project.

§7.2 The Architect and the Architect's consultants shall be deemed the authors and owners of their respective Instruments of Service, including the Drawings and Specifications, and shall retain all common law, statutory and other reserved rights, including copyrights. Submission or distribution of Instruments of Service to meet official regulatory requirements or for similar purposes in connection with the Project is not to be construed as publication in derogation of the reserved rights of the Architect and the Architect's consultants.

§ 7.3 The Architect grants to the Owner a nonexclusive license to use the Architect's Instruments of Service solely and exclusively for purposes of constructing, using, maintaining, altering and adding to the Project, provided that the Owner substantially performs its obligations under this Agreement, including prompt payment of all sums when due pursuant to Article 9 and Article 11. The Architect shall obtain similar nonexclusive licenses from the Architect's consultants consistent with this Agreement. The license granted under this section permits the Owner to authorize the Contractor, Subcontractors, Sub-subcontractors, and suppliers, as well as the Owner's consultants and separate contractors, to reproduce applicable portions of the Instruments of Service, subject to any protocols established pursuant to Section 1.3, solely and exclusively for use in performing services or construction for the Project. If the Architect rightfully terminates this Agreement for cause as provided in Section 9.4, the license granted in this Section 7.3 shall terminate.

§ 7.3.1 In the event the Owner uses the Instruments of Service without retaining the authors of the Instruments of Service, the Owner releases the Architect and Architect's consultant(s) from all claims and causes of action arising from such uses. The Owner, to the extent permitted by law, further agrees to indemnify and hold harmless the Architect and its consultants from all costs and expenses, including the cost of defense, related to claims and causes of action asserted by any third person or entity to the extent such costs and expenses arise from the Owner's use of the Instruments of Service under this Section 7.3.1. The terms of this Section 7.3.1 shall not apply if the Owner rightfully terminates this Agreement for cause under Section 9.4.

§ 7.4 Except for the licenses granted in this Article 7, no other license or right shall be deemed granted or implied under this Agreement. The Owner shall not assign, delegate, sublicense, pledge or otherwise transfer any license granted herein to another party without the prior written agreement of the Architect. Any unauthorized use of the Instruments of Service shall be at the Owner's sole risk and without liability to the Architect and the Architect's consultants.

§7.5 Except as otherwise stated in Section 7.3, the provisions of this Article 7 shall survive the termination of this Agreement.

#### ARTICLE 8 CLAIMS AND DISPUTES

§ 8.1 General

§ 8.1.1 The Owner and Architect shall commence all claims and causes of action against the other and arising out of or related to this Agreement, whether in contract, tort, or otherwise, in accordance with the requirements of the binding dispute resolution method selected in this Agreement and within the period specified by applicable law, but in any case not more than 10 years after the date of Substantial Completion of the Work. The Owner and Architect waive all claims and causes of action not commenced in accordance with this Section 8.1.1.

§ 8.1.2 To the extent damages are covered by property insurance, the Owner and Architect waive all rights against each other and against the contractors, consultants, agents, and employees of the other, for damages, except such rights as they may have to the proceeds of such insurance as set forth in AIA Document A104-2017, Standard Abbreviated Form of Agreement Between Owner and Contractor. This mutual waiver is applicable, without limitation, to all consequential damages due to either party's termination of this Agreement, except as specifically provided in Section 9.6.

#### § 8.2 Mediation

§ 8.2.1 Any claim, dispute or other matter in question arising out of or related to this Agreement shall be subject to mediation as a condition precedent to binding dispute resolution. If such matter relates to or is the subject of a lien arising out of the Architect's services, the Architect may proceed in accordance with applicable law to comply with the lien notice or filing deadlines prior to resolution of the matter by mediation or by binding dispute resolution.

§ 8.2.2 Mediation, unless the parties mutually agree otherwise, shall be administered by the American Arbitration Association in accordance with its Construction Industry Mediation Procedures in effect on the date of this Agreement. The parties shall share the mediator's fee and any filing fees equally. The mediation shall be held in the place where the Project is located, unless another location is mutually agreed upon. Agreements reached in mediation shall be enforceable as settlement agreements in any court having jurisdiction thereof.

§ 8.3.4.2 Either party, at its sole discretion, may include by joinder persons or entities substantially involved in a common question of law or fact whose presence is required if complete relief is to be accorded in arbitration, provided that the party sought to be joined consents in writing to such joinder. Consent to arbitration involving an additional person or entity shall not constitute consent to arbitration of any claim, dispute or other matter in question not described in the written consent.

In the event of a suspension of services, the Architect shall have no liability to the Owner for delay or damage caused the Owner because of such suspension of services. The Architect's fees for the remaining services and the time schedules shall be equitably adjusted.

§ 9.3 If the Owner suspends the Project for more than 90 cumulative days for reasons other than the fault of the Architect, the Architect may terminate this Agreement by giving not less than seven days' written notice.

§ 10.5 Nothing contained in this Agreement shall create a contractual relationship with, or a cause of action in favor of, a third party against either the Owner or Architect.

§ 10.6 The Architect shall have no responsibility for the discovery, presence, handling, removal or disposal of, or exposure of persons to, hazardous materials or toxic substances in any form at the Project site.

#### ATTACHMENT "A"

#### Mayor Brittain:

The information contained herein is our formal response to the RFP for the Work requested (attachment)

# Item a) Prepare grading plan for parking lot/maintenance building

We have consulted with three civil engineering firms regarding the scope of work with this specific item. All three firms are familiar with the site and the various constraints associated with the property. Additionally, the firms we have consulted with know the policies and procedures to gain "approval" status thru the city of Morristown for construction documents.

explored on a deal and the second of the definition

#### Item b)

## Design and prepare construction plans for parking lot

In the same manner as described above in item a); our designated civil engineer will prepare the necessary construction documents necessary for bidding purposes to construct the parking lot. Our Work will include the preparation of bidding documents, conducting and receiving bids, preparation of a contract between Owner and Contractor and providing construction administration throughout the entirety of the scope of Work.

# <u>Item c)</u> Design Maintenance Building and prepare construction documents for the Maintenance Building

Our office has engaged the various consultants to prepare the necessary construction documents for bidding purposes for the proposed Maintenance Building. As in Item b) above, we would conduct a formal bid opening; prepare a contract between Owner and Contractor and provide construction administration through the entirety of the scope of work.

## Item d) Provide ADA improvements to the Hale House

Within the last year, our office completed a comprehensive ADA plan of correction for the Town of Greeneville and its city-owned buildings. In a like manner, we will address and provide the necessary construction documents to address ADA issues associated with the Hale House (entrance/ramp, toilets, doors and hardware, etc.) and its intended public use. These documents will be utilized for bidding purposes. Our office will provide construction administration throughout the entirety of the scope of work.

#### \*\*\*Additional Work as discussed 3-11-20:\*\*\*

Investigate re-roofing the existing Hale House with a standing seam metal roof (to coordinate with the proposed Maintenance Building) OR painting the existing metal roof.

It is understood per TCA 12-4-107, architects/engineers are forbidden from including specific fee amounts in responding to formal RFP requests, until a selection of an Architect/Engineer is made by the Owner.

\*\*\*Under State Statutes regarding a "public" Project, I cannot discuss a specific fee amount until a selection of an architect is made. Several architects in our area have jeopardized their standing with the State Board on this item. Once an architect is selected, specific fee amounts and arrangements can then commence.\*\*\*

I sincerely appreciate the opportunity to work with you and the county of this Work. If I can be of further assistance to you, please feel free to contact me at any time.

Sincerely,

Dave Wright architect

# WITNESSETH:

WHEREAS, the District is an Emergency Communications District created pursuant to the provisions of *Tennessee Code Annotated* § 7-86-101 *et seq*. for the purpose of providing a system of emergency communications whereby a caller dialing 9-1-1 would immediately be connected to a public safety answering point that would quickly and efficiently assure that the appropriate emergency responders in Hamblen County, Tennessee are notified; and

WHEREAS, the District is funded in part by the emergency telephone service charge allowed by *T.C.A.* § 7-86-108; and

WHEREAS, the rate of funding from the emergency telephone service charge is governed by the '911 Modernization and IP Transition Act of 2014' as amended by a Joint Resolution of the Tennessee General Assembly in 2020 which set the state-wide rate for emergency telephone service charges at \$1.50 for all classifications of service users, including wireline, wireless, and voice over internet protocol (VoIP) users; and

WHEREAS, the Tennessee Emergency Communications Board requires an Interlocal Cooperation Agreement be in place by and among a local emergency communications district and local government entities for purposes of economic stability; and

WHEREAS, both the County and City recognize the value of an efficient and wellequipped District in carrying out its mission of saving lives and reducing the destruction of property; and

WHEREAS, Hamblen County and the City of Morristown desire that the District operate and maintain a fully consolidated center which serves not only as the public safety answering point for both the County and the City but also provides dispatch services for all emergency service entities responding within Hamblen County as well as serving as TBI's Terminal Agency for all law enforcement agencies of the County and City; and

**WHEREAS,** all parties desire to agree to a predictable rate of funding on which the District may rely; and

**WHEREAS,** the District, City, and County are authorized to enter into this Interlocal Cooperative Agreement pursuant to *Tennessee Code Annotated* § 12-9-101 *et seq.*;

SUBJECT:	Text Amendment - Definition of a Recreational Vehicles

# **BACKGROUND**:

This is a staff-initiated proposal to include a proposed definition of "Recreational Vehicles." The intent of the proposed language is to define what a recreational vehicle is and to better clarify where they are permitted. The proposed amendment went before the Hamblen County Planning Commission on March 3<sup>rd</sup> for consideration. The Planning Commission recommended that the proposed definition should be forward to the County Commission for approval.

# Article 5 Definitions:

**<u>Recreational Vehicle</u>**: A vehicular type unit, motorized or non-motorized structure designed to be towed by a vehicle. Recreational vehicles are a broad category primarily designed as temporary leisure quarters, not for permanent living quarters. Mainly used for recreational, camping, or travel use, which either has its own motive power or is mounted on or drawn by another vehicle. # **RECOMMENDATION:**

TO:County CommissionFROM:Lori Matthews, Senior PlannerDATE:June 9<sup>th</sup> 2020REQUEST:County Rezoning Request (Urban Growth Boundary)

A rezoning request has been submitted by Mr. Humberto Villalobos for his property located at 325 South Sugar Hollow Road which is part of the City's Urban Growth Boundary area. All rezoning requests inside of the Urban Growth Boundary must be taken to the Morristown Regional Planning Commission for a recommendation, which will then be forwarded to the Hamblen County Commission to vote on.

The applicant wishes to rezone the 3+/- acre parcel from A1 (Agriculture and Forestry) to I1 (Light Industrial) to accommodate an office and light manufacturing business. M & M Saws purchased the property in 1968, and built the existing 15,000 square foot structure to use for a light manufacturing business. Since that time, it has changed hands a couple of times, the last owner/occupant being a church.

The property adjoins Virgie Road which provides ingress/egress to 4 houses and 2 businesses, all zoned commercially. A single family house joins the site to the north with undeveloped A1 and C1 zoned property located south across South Sulphur Springs Road.

Staff would ask the Planning Commission to forward a recommendation of approval to the County Commission for this rezoning request.

#### Special Stipulations:

Whereas the parties have discussed certain language in the original offer/acceptance( which is prohibited under state law) which would require Buyer to indemnify and hold harmless both the "Seller" and "Holder" as designated in that agreement, and whereas the parties have now agreed upon other language that adequately protects Seller from liability in connection with this purchase and sale of real property, now therefore the parties agree as follows: 1. Re: Purchase of Rescue Squad/EMS Properties

The County Mayor's office and the M-H Rescue Squad/EMS have been discussing the purchase of properties owned by the Rescue Squad/EMS for the justice center project.

We have tentatively agreed to the following plan to propose to the County Commission and the Rescue Squad Board of Directors for approval.

The proposal includes:

- a) Rescue Squad agrees to deed the county three parcels:
  - i) Parcel #30: 419 Allison Street the location of the EMS administrative building
  - ii) Parce #29: 413 Allison Street the vacant lot south of the EMS building
  - iii) Parcel # 25: The eastern half of the vacant lot located at 430 N Jackson Street
- b) The County agrees to:
  - i) Purchase Parcel #32 at 425 N. Jackson Street and deed it to the Rescue Squad for EMS to move its administrative offices
  - ii) Deed the land that the main Rescue Squad building sits on to the Rescue Squad with the County retaining a first right of refusal to buy the building if the Rescue Squad decides to sell it in the future
  - iii) Reimburse the Rescue Squad the cost of the appraisal of the Rescue Squad properties conducted for this transaction
  - iv) Reimburse the Rescue Squad for moving the telecommunications lines to its new administrative office
- c) Purchase the property (Parcel # 32) at 425 N Jackson Street at a total cost of \$266,000 and a 12 month lease for 670 sq ft of office space in the Hale House.

I am asking the Justice Center Project Committee to recommend and the Commission to approve this proposal and authorize the purchase of the property at 425 N Jackson Street.

Bill Brittain, County Mayor
