OFFICE OF HAMBLEN
COUNTY MAYOR

Dear Commissioners:

I have served as the Hamblen County Coroner since May, 1991. We have just completed the busiest month in my almost thirty years of service. For the past several years we have averaged approximately 50 to 55 Calls*1 per month. For January, 2021 my Deputies and I responded to 103 Calls. I am proud that we were able to serve our community by taking care of all these families.

The difference that made January so busy was COVID 19! 51 of the deaths were caused by COVID 19. Of the 51, 37 were residents of Hamblen County with various ages and many with pre-existing conditions. The other 14 deaths were folks from surrounding counties who came to our county for medical care.

From my observations, our community was prepared and rose to meet the needs! Under to leadership of our Medical Examiner our EMS, Hospital, Doctors, Nurses, Law Enforcement, Fire Departments, Dispatchers and Funeral Homes all worked together to meet the needs.

*1 As a reminder, based upon T.C.A. 38-708, "The Medical Examiner and Coroner ust be notified immediately by: "Any person having knowledge of the death of any person from sudden violence or by casualty or by suicide or suddenly when in apparent health or when found dead or in prison or in any suspicious, unusual or unnatural manner or where the body is to be cremated shall immediately notify the County Coroner and Medical Examiner."

Sincerely,

Hamblen County Coroner

Re:

Appointment to the Civil Service Board

A vacancy on the County's three-member Civil Service Board was created in December with the resignation of Ron Kramer who moved to Middle Tennessee.

The sheriff's department administrative staff is recommending that retired Morristown Police officer Lt. John Fassler be appointed to the position for a three-year term.

Mr. Fassler had a 30-year law enforcement career, is a veteran of the U.S. Marine Corp, and served more than 20 years with the Air National Guard. He holds a bachelor's degree in criminology from East Tennessee State University.

I am asking that the appointment of Mr. Fassler be added to the agenda of the February county commission meeting.

APPOINTMENT TO THE 911-BOARD

Motion by Bobby Haun to approve the recommendation for the 911-Board to appoint City Council member Kay Senter to fill the vacancy for the remainder of the term that expires in September 2024.

Re:

Confirmation of 911-Board Appointment

Morristown City Council member Tommy Pedigo has resigned from the Hamblen County Emergency Communications District Board effective immediately (see attached letter).

This seat on the board is designated for a member of the Morristown City Council or a representative. I am requesting the County Commission confirm the appointment of City Council member Kay Senter to fill the vacancy for the remainder of the term that expires in September 2024. She has agreed to serve.

Anne Bryant-Hurst, Finance Director and I present the following preliminary plan of action for the upcoming FY 2021-2022 Budget Plan. We look forward to working with the Budget Committee, elected officials, and department heads to develop a budget that will allow us to meet the needs of Hamblen County taxpayers in an efficient manner.

As in previous years, it is our plan to present to you the budget in its totality; and the goal is to pass a budget by June 30, 2021. We encourage you to please contact us if you have questions or need additional explanations. Please keep in mind that the budget process is a fluid process.

Budget worksheets will be prepared and presented to the elected officials and department heads by mid-February 2021. Meetings will be held with the elected officials/department heads on an individual basis during March 2021 to discuss the specifics of their budget request. If a SPECIAL REQUEST exists, it is to be discussed during the individual meetings, and a request by memo is to be submitted to the Finance Department. Based on the nature of the special requests, the elected official/department head may be required to appear before the Budget Committee The Finance Director with the aid of the Mayor's Executive for explanation. Assistant will manage the agendas of the Budget Committee to allow elected officials/department heads to be heard should the need arise.

We are scheduling the large courtroom as usual for May & June on Tuesdays and Thursdays at 5:00 PM. Please see the attached Preliminary Budget Plan of Action for the anticipated meetings and corresponding agendas. These dates are subject to change. We will meet on an as-needed basis as determined by you, the Budget Committee Chairman.

We look forward to working together, so that we can and will prepare a budget that meets the needs of the citizens.

ANNUAL FINANCIAL REPORT HAMBLEN COUNTY, TENNESSEE

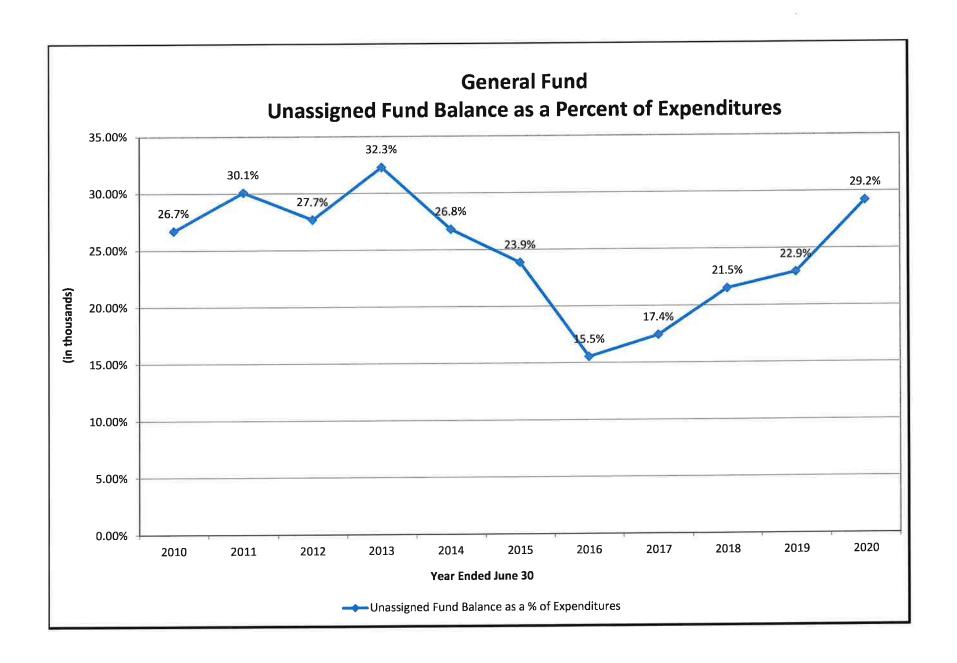

FOR THE YEAR ENDED JUNE 30, 2020

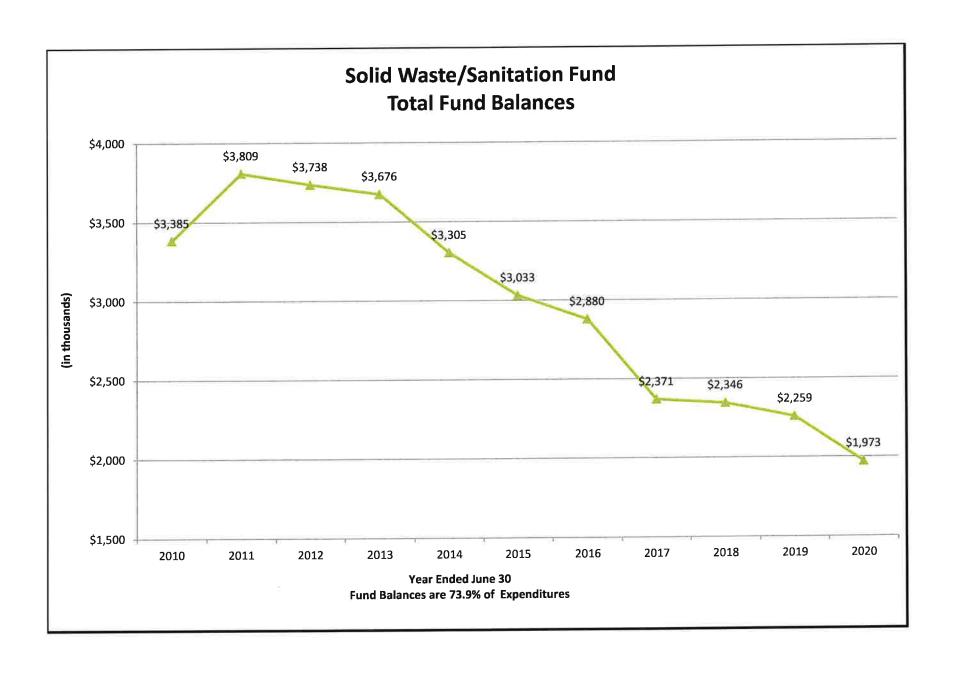

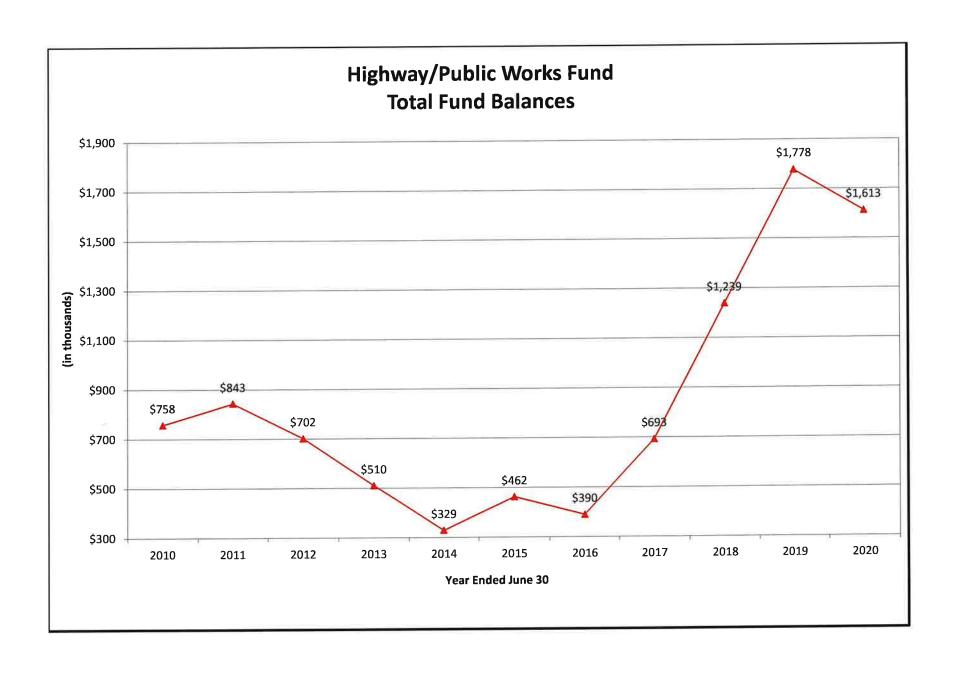

DIVISION OF LOCAL GOVERNMENT AUDIT

Summary of Audit Findings

Annual Financial Report Hamblen County, Tennessee For the Year Ended June 30, 2020

Scope

We have audited the basic financial statements of Hamblen County as of and for the year ended June 30, 2020.

Results

Our report on Hamblen County's financial statements is unmodified.

Our audit resulted in two findings, which we have reviewed with Hamblen County management. The detailed findings, recommendations, and management's responses are included in the Single Audit section of this report.

Finding

The following are summaries of the audit findings:

OFFICE OF COUNTY MAYOR

♦ The Tennessee Department of Health reported questioned costs of \$14,570 related to a purchase of playground equipment funded by the Healthy and Active Built Environment Grant.

OFFICE OF SHERIFF

♦ The sheriff used calendar funds to purchase a surveillance system for his personal residence.

Corrective Action Plan

FINDING: THE TENNESSEE DEPARTMENT OF HEALTH REPORTS QUESTIONED COSTS OF \$14,570 RELATED TO A PURCHASE OF PLAYGROUND EQUIPMENT FUNDED BY THE HEALTHY AND

ACTIVE BUILT ENVIROMENT GRANT

Response and Corrective Action Plan Prepared by: Bill Brittain, County Mayor and Anne Bryant-Hurst, Finance Director

Person Responsible for Implementing the Corrective Action: Anne Bryant-Hurst, Finance Director

Anticipated Completion Date of Corrective Action: January 31, 2021

Repeat Finding:

No

Planned Corrective Action:

We concur with this finding. The County has interpreted the Hamblen County's purchasing policies related to purchasing with grant funds as an affirmation of the importance of competitive bidding that did not exclude purchasing from state contracts or price agreements entered into by the Tennessee Department of General Services (TDGS) or from approved in-state or out-of-state purchasing cooperatives. Tennessee Code Annotated (TCA) 12-3-1201 explicitly authorizes counties, without public advertisement and competitive bidding, to purchase under the provisions of contracts or price agreements entered into by the TDGS. TCA 12-3-1205 authorizes both in-state and out-of-state cooperative purchasing agreements after such agreements are approved by the local legislative body. Items available through State of Tennessee contracts and national purchasing cooperatives have been competitively bid and therefore allow local governments to take advantage of a wide variety of competitive contracts and agreements. We believe this meets grant contract recommendations related to competitive bidding.

We will modify and amend the Hamblen County Purchasing Policies and Procedures to explicitly and clearly permit purchases with grant funds to include purchasing from state contracts and approved purchasing cooperatives.

ANNUAL OPERATIONS REPORT

2020

Hamblen County Emergency Communications District

The mission of the Hamblen County Emergency Communications District (E-911) is to aid and assist in the rapid and accurate collection, exchange, and dissemination of information relating to emergencies and other vital public safety functions.

ANNUAL OPERATIONS REPORT

HAMBLEN COUNTY EMERGENCY COMMUNICATIONS DISTRICT

26 February 2021

I am very pleased to present the Seventh Annual Operations Report of the Hamblen County Emergency Communications District.

Following you will find information regarding the over 62,000 calls for service and over 138,000 telephone calls handled by Hamblen County ECD last year. As in past years, this Report includes additional charts which better relate the historical data/trends of our client agencies.

Also included is data relating to our performance under Section 7.4.1 of NFPA 1221, the Standard for the Installation, Maintenance, and Use of Emergency Services Communications Systems. This standard relates to the answering times for alarms received on emergency lines, and this year's Report continues to reflect our level of compliance with this national standard.

Having undergone major system upgrades in 2020 – both to our computer aided dispatch (CAD) program and our telephony system – Hamblen County ECD continues to perform at a superior level in our efforts to lower the response times of our client agencies.

As referenced by our NCIC Activity Report, Hamblen County ECD serves as the TBI's Terminal Agency and we processed over 52,000 entries and queries in 2020.

In order to continue to serve our jurisdiction and our client agencies with the excellent service they are accustomed to, we understand that a robust training program is essential. In spite of the overwhelming number of cancellations and postponements in 2020, Hamblen County ECD employees completed a combined 692 hours of training.

This Report will continue to grow as we evolve with changing technology and as we increase the number of 'next generation' features and services offered. Meeting our goals with efficiency and professionalism will always be our aim.

I hope that you will find this information useful.

Eric Carpenter, ENP

Executive Director

PROFESSIONALISM ACCURACY DEDICATION INTEGRITY

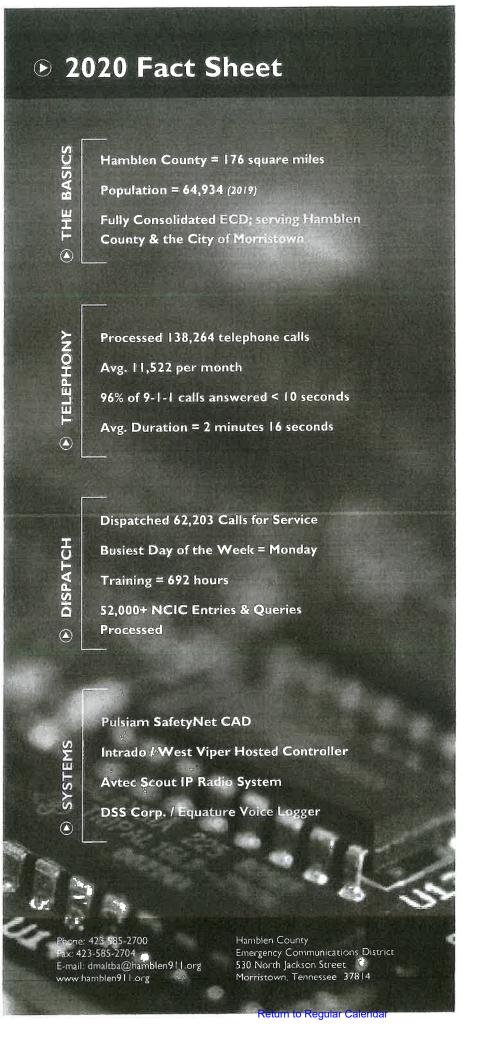

Truly our community's "first point of contact" with emergency services, our telecommunicators handle all emergency and non-emergency calls that come into the 911 center around the clock. In addition, they dispatch all law enforcement, fire service and EMS personnel.

As the vital link between the caller and the first responder, our staff provides CPR and pre-arrival instructions, critical data entry, and support for law enforcement personnel through NCIC entry and query duties.

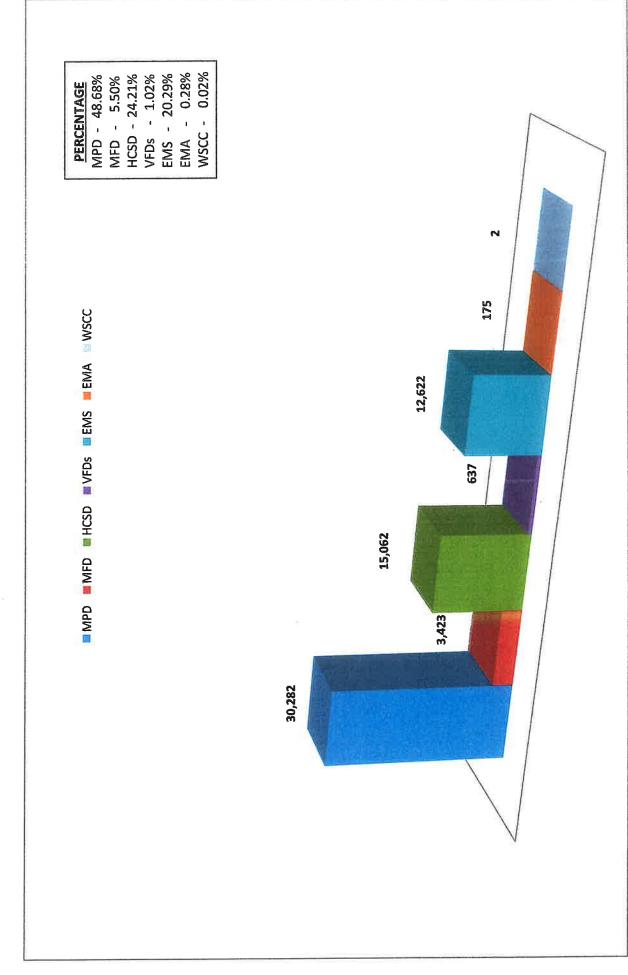

Our participation in public education and community involvement activities aids in enhancing emergency awareness and preparation for crisis, as well as helping link citizens to their emergency responders.
