WHEREAS, Tennessee Code Annotated (TCA) §12-3-1205 allows for master cooperative purchasing agreements upon the approval and consent of the local legislative body; and

WHEREAS, cooperative purchasing agreements allow local governments to purchase goods and services from other local, state and national cooperative purchasing alliances that have been competitively bid under the same requirements as required by the laws of the purchasing entity; and

WHEREAS, Tennessee state law was recently amended at the request of the Tennessee Association of Public Purchasing and the Tennessee County Commissioner's Association for all Tennessee counties to take advantage of cooperative purchasing agreements in effect throughout our state and nation; and

WHEREAS, Tennessee Code Annotated, Section 12-3-1205, states as follows:

- (1) Notwithstanding any other law to the contrary, any municipality county, utility district, or other local government of the state may participate in, sponsor, conduct, or administer a cooperative purchasing agreement for the procurement of any goods, supplies, services, or equipment with one (1) or more other governmental entities outside this state, to the extent the laws of the other state permit the joint exercise of purchasing authority, in accordance with an agreement entered into between or among the participants; provided, such goods, supplies, services, or equipment were procured in a manner that constitutes competitive bidding and were advertised, evaluated, and awarded by a governmental entity and made available for use by other governmental entities.
- (2) A municipality, county, utility district, or other local government of the state may participate in a master agreement by adopting a resolution accepting the terms of the master agreement. If a participant in a joint or multi-party agreement is required to advertise and receive bids, then it will be deemed sufficient for those purposes that the purchasing entity or the entity that procured the bid complied with its own purchasing requirements. The participant shall acquire and maintain documentation that the purchasing entity or entities that procured the bid complied with its own purchasing requirements.

WHEREAS, Hamblen County desires to take advantage of the newly created law and reduce the taxpayer burden for duplication of services while still taking advantage of the lowest and best pricing under the master cooperative agreements that have been competitively bid under the same requirements as required by the laws of the purchasing entity.

MEMORANDUM

TO: Anne Bryant-Hurst, Finance Director; Trish Bowman, Mayor's Office

FROM: Chris Bell DATE: 3 August 2021

RE: 2022 Community Development Block Grant

CC: All Commissioners

The Morristown-Hamblen EMA office continues to work with our four Volunteer Fire Departments in the plan Director Bell, Mayor Brittain, and then County Commission put into place five years ago to use the Community Development Block Grant to support the fire response efforts in Hamblen County. In conjunction with other efforts all four volunteer fire departments have been able to lower their ISO rating which in turn allows the homeowners to seek a lower premium with their insurance agency.

The plan has seen East and West Hamblen VFD be approved for the grant. We are now beginning the 2 year process for South Hamblen VFD.

I respectfully request that approval be given to apply for the 2022 CDBG.

I will contact Administrative Assistant Trish Bowman to have this item placed on the August Commission agenda.

As always, I will be available to answer any questions that you or the other Commissioners may have.

Thank you.

We are updating our Hambien County Government Financial Management System Policies and Procedures. One of our goals is to make sure these policies and procedures are consistent with current Tennessee Code Annotated laws and regulations.

There have been changes to T.C.A. §5-21-121 dealing with conflicts of interest. T.C.A. Title 5 Chapter 21 outlines the County Financial Management System of 1981. This is the model on which our Financial Management System is based.

The amendment to T.C.A. §5-21-121 clarifies the difference between having a direct vs. an indirect interest in the purchase of supplies, materials, equipment, or contractual services for the county.

Direct Interests

Direct interests are not allowed by the following groups:

- 1. Finance director
- 2. Purchasing agent
- 3. Members of the finance committee
- 4. Members of the legislative body
- 5. Other officials of the county (county mayor and other elected and appointed officials)
- 6. Members of the board of education
- 7. Members of the highway commission
- 8. Employees of the finance department and purchasing department

Direct interest means a contract with a person personally or with a business in which the person is the proprietor, a partner, or the person having the controlling interest in the business.

Indirect Interests

Indirect interests **are not** allowed by the groups listed above **unless** the person publically acknowledges the interest by reporting the interest to the office of the county mayor. The mayor's office will compile a list of those persons who have an indirect interest and maintain that list as a public record.

Indirect interest means a contract in which a person is interested, but not directly so, and includes contracts where the person is directly interested and is also the sole supplier of goods or services in the county.

Re: Pay Increase for Civil Service Board Members

The former chairman of the Hamblen County Civil Service Board requested before his resignation that the compensation for the three-member board be increased to the same amount that the City of Morristown's Civil Service Board receives. The job duties are very similar.

The members of the County's Civil Service Board currently receive \$100 per month. Granting the request would increase their pay to \$150 per month or \$1,800 annually. **The total cost of the request is \$1,800.**

The County's Civil Service Board currently has one vacancy.

Re: American Rescue Plan Act Travel, Tourism and Outdoor Recreation Grant

Hamblen County Government would like to apply for an American Rescue Plan Act Travel, Tourism and Outdoor Recreation Grant through the U.S. Department of Commerce Economic Development Administration. These funds would be used for multiple upgrades at Cherokee Park including sewer for the campground, adding additional campsites for short-term rental, new roofs for the amphitheater and Horner-Dougherty pavilion, pave parking lot and expand the walking trail. The County can use its ARP funds to provide the match. I am asking for permission to apply for this grant.

Resolution 21-18

A RESOLUTION OF THE COUNTY COMMISSION OF HAMBLEN COUNTY, TENNESSEE AUTHORIZING THE FY2021 AMERICAN RESCUE PLAN ACT TRAVEL, TOURISM AND OUTDOOR RECREATION GRANT APPLICATION

WHEREAS, the Hamblen County Commission supports all attempts to improve recreation and tourism opportunities within Hamblen County; and

WHEREAS, Hamblen County has indicated its intention to make capital improvements to Cherokee Park which is a tourist destination for concerts, camping, disc golf and fishing; and

WHEREAS, the American Rescue Plan Act Travel, Tourism and Outdoor Recreation Grant, as administered by the U.S. Department of Commerce Economic Development Administration offers grants to local governments for both full and partial financing of improvements made to local tourism assets; and

WHEREAS, Hamblen County has committed to providing any necessary matching funds from existing capital improvement funds and/or in-kind services to satisfy any matching funds required by the American Rescue Plan Act Travel, Tourism and Outdoor Recreation Grant for the improvements at Cherokee Park; and

WHEREAS, the County commits to complete the grant project within 48 months of the grant contract execution.

NOW, THEREFORE, BE IT RESOLVED, that the Hamblen County Commission hereby authorizes the County Mayor or his representative(s) to prepare the American Rescue Plan Act Travel, Tourism and Outdoor Recreation grant application to fund the proposed improvements at Cherokee Park. The application would seek grant funds for a minimum of \$500,000 with the County match to be decided upon once grant is awarded. Dear Mayor Brittain and Members of the Board:

This letter acknowledges receipt of a certified copy of the fiscal year 2022 budget. Thank you for your timely adoption and submission of the County's budget.

We have reviewed the budget and have determined that projected revenues and other available funds are sufficient to meet anticipated expenditures. Our review of the budget is based solely on the information we have received. With regard to programs included in the budget such as education, roads, and corrections, we have not attempted to determine that the local government has complied with specific program statutes or guidelines, or with any financing requirements prescribed by any state or federal agency. Please note local officials are required to ensure the budget remains balanced throughout the fiscal year and that all maintenance of effort requirements are met – our office has not reviewed or approved any maintenance of effort programs in this budget. Budget amendments must be sent to our office for formal acknowledgement after they are approved by the local governing body (submit to: LGF@cot.tn.gov).

This letter constitutes approval, by this office, for the County's fiscal year 2022 budget as adopted by the County Commission.

PROPOSAL

OF THE DEPARTMENT OF TRANSPORTATION OF THE STATE OF TENNESSEE TO THE COUNTY OF HAMBLEN, TENNESSEE:

The DEPARTMENT OF TRANSPORTATION of the State of Tennessee, hereinafter "DEPARTMENT", proposes to construct a project in the COUNTY of HAMBLEN, hereinafter "COUNTY", designated as State Project Number 32006-1226-14, that is described as S.R. 66 from North of I-81 at S.R. 341 in Jefferson County to S.R. 160 in Morristown, and the COUNTY agrees to cooperate with the DEPARTMENT as set forth in this proposal, so that the general highway program may be carried out in accordance with the intent of the General Assembly of the State.

Accordingly, the parties agree as follows:

- 1. That in the event any civil actions in inverse condemnation or for damages are instituted by reason of the DEPARTMENT, or its contractor, going upon the highway right-of-way and easements, and constructing said project in accordance with the plans and as necessary to make the completed project functional, the COUNTY will notify in writing the Attorney General of the State, whose address is 425 Fifth Avenue North, Nashville, Tennessee 37243, of the institution of each civil action, the complaint and all subsequent pleadings, within ten (10) days after the service of each of the same, under penalty of defending such actions and paying any judgments which result therefrom at its own expense.
- 2. The COUNTY will close or otherwise modify any of its roads or other public ways if indicated on the project plans, as provided by law.
- 3. The COUNTY will transfer or cause to be transferred to the DEPARTMENT without cost to it, all land owned by the COUNTY or by any of its instrumentalities as required for right-of-way or easement purposes, provided such land is being used or dedicated for road or other public way purposes.

4. Where privately, publicly or cooperatively owned utility lines, facilities and systems for producing, transmitting or distributing communications, power, electricity, light, heat, gas, oil, crude products, water, steam, waste, storm water not connected with highway drainage, and other similar commodities, including publicly owned facilities such as fire and police signal systems and street lighting systems are located within the right-of-way of any road or other public way owned by the COUNTY, or any of its instrumentalities, the COUNTY agrees that it will take action necessary to require the removal or adjustment of any of the above described facilities as would conflict with the construction of the project. But the foregoing may not be a duty of the COUNTY since it shall become operative only after the DEPARTMENT has been unsuccessful in its efforts to provide for said removals or adjustments for the benefit of the COUNTY.

The foregoing does not apply to those utility facilities which are owned by the COUNTY or one of its instrumentalities, it being understood that the COUNTY has the duty to relocate or adjust such facilities, if required, provided the COUNTY is notified to do so by the DEPARTMENT with detailed advice as to this duty of the COUNTY.

- 5. The COUNTY will maintain any frontage road to be constructed as part of the project.
- 6. After the project is completed and open to traffic, to the COUNTY will accept for jurisdiction and maintenance such parts of any existing DEPARTMENT highway to be replaced by the project.
- 7. The COUNTY will make no changes or alter any segment of a road on its road system that lies within the limits of the right-of-way acquired for any interchange to be constructed as part of the project and will not permit the installation or relocation of any utility facilities within the right-of-way of any such a segment of one of its roads without first obtaining the approval of the DEPARTMENT.
- 8. No provision hereof shall be construed as changing the maintenance responsibility of the COUNTY for such part of the project as may presently be on its highway, street, road or bridge system.

Federal Project Number: STP-66 (33)______ State Project Number: 32006-1226-14

- 9. It is understood and agreed between the DEPARTMENT and the COUNTY that all traffic control signs for the control of traffic on a street under the jurisdiction of the COUNTY and located within the DEPARTMENT's right-of-way shall be maintained and replaced by the COUNTY.
- 10. When traffic control devices for the direction or warning of traffic, lighting of roadways or signing, or any of them, which are operated or function by the use of electric current are constructed or installed as part of the project, they will be furnished with electricity and maintained by the COUNTY.
- 11. If, as a result of acquisition and use of right-of-way for the project, any building improvements become in violation of a COUNTY setback/building line requirement, the COUNTY agrees to waive enforcement of the COUNTY setback/building line requirement and take other proper governmental action as necessary to accomplish such waiver.
- 12. The COUNTY will prohibit encroachments of any kind upon the right-of-way and easements for the project.
- 13. The COUNTY will prohibit the servicing of motor vehicles within the right-of-way and easements for the project.
- 14. The COUNTY will obtain the approval of the DEPARTMENT before authorizing parking on the right-ofway and easements for the project and before installing any device for the purpose of regulating the movement of traffic.
- 15. The DEPARTMENT will maintain the completed project if it is classified as full access control (i.e., a project which has no intersecting streets at grade), and it will maintain the pavement from curb to curb where curbs exist or the full width of the roadway where no curbs exist on non-access control projects. The COUNTY agrees to maintain other parts of non-access control projects.
- 16. If a sidewalk is constructed as a component of this project, the COUNTY shall be responsible for maintenance of the sidewalk and shall assume all liability for third-party claims for damages arising from its use of

- 17. When said project is completed, the COUNTY thereafter will not permit any additional median crossovers, the cutting of the pavement, curbs, gutters and sidewalks, by any person, firm, corporation or governmental agency, without first obtaining the approval of the DEPARTMENT.
- 18. The DEPARTMENT will acquire the right-of-way and easements, construct the project and defend any inverse condemnation or damage civil actions of which the Attorney General has received the notice and pleadings provided for herein.
- 19. The project plans hereinbefore identified by number and description are incorporated herein by reference and shall be considered a part of this proposal, including any revisions or amendments thereto, provided a copy of each is furnished the COUNTY.

MEMORANDUM

TO: Anne Bryant-Hurst, County Finance Director

FROM: Chris Bell, Director DATE: 17 August 2021

RE: Surplus 2000 Ford Expedition
CC: Bill Brittain & County Commission

Morristown-Hamblen Emergency Management Agency has a 2000 Ford Expedition, VIN# 1FMRU1669YLA25921, that EMA needs to surplus. It has 234,642 miles. Please confirm that the VIN# we provided matches the number on the title in the County Mayor's Office. The vehicle has mechanical issues including leaking coolant, uses 1 quart oil every 500-700 miles, no heat, a ball joint needs replaced, and some instruments on dash board do not work. It also has paint that is peeling and rusting in several areas. These issues make the repairing of such a larger expense than the current value of the Expedition.

I ask that the County Commission surplus the 2000 Ford Expedition from the EMA asset list.

EMA requests to use the proceeds from sale of vehicle to use toward the purchase of another large SUV or F250 (or comparable) in the FY2022-2023 Capital Expenditures budget.
