RE:

Hamblen County Justice Center Bid Acknowledgement

Mr. Bill Brittain Hamblen County Mayor's Office 511 W. 2nd North Street Morristown, Tennessee 37814

Dear Bill:

Attached is a copy of the *Tabulation of Bids* for the above referenced project. We have noted on the *Tabulation of Bids* items that may be considered irregularities or incomplete information. To the best of our knowledge and belief, it is our opinion that Blaine Construction Corporation appears to be the apparent low bidder, based on base bid amount only.

Although we have conducted our review, we recommend that you and your legal counsel:

- review the submitted Tabulation of Bids, Bid Form, Bid Bonds;
- identify and request if additional information is required to determine if Blaine Construction Corporation is a responsive and responsible bidder;
- identify any informalities;
- confirm that Bids and Bidders comply with all applicable laws, regulations, and statutes, including those related to procurement, especially if any Bids or Bidders are considered for rejection; and
- · determine which Bidder should be awarded this contract.

Designing solutions. Building trust. Enriching lives.

It is customary to retain the Bid Bonds of those Bidders who are under consideration and return the others. The Bid Bonds that are retained are usually held until a Construction Contract is executed and the successful Contractor has furnished the required performance and payment bonds, and insurance at which time all Bid Bonds are returned. Please refer to the *Instructions to Bidders* for further information.

Please do not hesitate to contact us if you have any questions or if we may be of further assistance.

Sincerely,

Dan Mace, AIA

ARTICLE 5 PAYMENTS

§ 5.1 Progress Payments

- § 5.1.1 Based upon Applications for Payment submitted to the Architect by the Contractor and Certificates for Payment issued by the Architect, the Owner shall make progress payments on account of the Contract Sum to the Contractor as provided below and elsewhere in the Contract Documents.
- § 5.1.2 The period covered by each Application for Payment shall be one calendar month ending on the last day of the month, or as follows:
- § 5.1.3 Provided that an Application for Payment is received by the Architect not later than the <u>first</u> day of a month, the Owner shall make payment of the amount certified to the Contractor not later than the day of the month thirty days after the Owner receives the Certified Application for Payment. If an Application for Payment is received by the Architect after the application date fixed above, payment of the amount certified shall be made by the Owner not later than (<u>forty-five</u> (45) days after the Architect receives the Application for Payment. (Federal, state or local laws may require payment within a certain period of time.)

- § 5.1.4 Each Application for Payment shall be based on the most recent schedule of values submitted by the Contractor in accordance with the Contract Documents. The schedule of values shall allocate the entire Contract Sum among the various portions of the Work. The schedule of values shall be prepared in such form, and supported by such data to substantiate its accuracy, as the Architect may require. This schedule of values shall be used as a basis for reviewing the Contractor's Applications for Payment.
- § 5.1.5 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment.
- § 5.1.6 In accordance with AIA Document A201TM–2017, General Conditions of the Contract for Construction, and subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:
- § 5.1.6.1 The amount of each progress payment shall first include:
 - .1 That portion of the Contract Sum properly allocable to completed Work;
 - .2 That portion of the Contract Sum properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction, or, if approved in advance by the Owner, suitably stored off the site at a location agreed upon in writing; and
 - .3 That portion of Construction Change Directives that the Architect determines, in the Architect's professional judgment, to be reasonably justified.
- § 5.1.6.2 The amount of each progress payment shall then be reduced by:
 - .1 The aggregate of any amounts previously paid by the Owner;
 - .2 The amount, if any, for Work that remains uncorrected and for which the Architect has previously withheld a Certificate for Payment as provided in Article 9 of AIA Document A201–2017;
 - .3 Any amount for which the Contractor does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Contractor intends to pay;
 - .4 For Work performed or defects discovered since the last payment application, any amount for which the Architect may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of AIA Document A201–2017; and
 - .5 Retainage withheld pursuant to Section 5.1.7.

§ 5.1.7 Retainage

§ 5.1.7.1 For each progress payment made prior to Substantial Completion of the Work, the Owner may withhold the following amount, as retainage, from the payment otherwise due:

(Insert a percentage or amount to be withheld as retainage from each Application for Payment. The amount of retainage may be limited by governing law.)

Until final completion, the Owner will pay 95% of the amount due the Contractor on account of progress payments and will retain the remaining five percent (5%) of the amount due the Contractor on the Project. At the Owner's option, retainage may be reduced to two- and one-half percent (2.5%) when the Project is eighty percent (80%) complete.

§ 5.1.7.1.1 The following items are not subject to retainage:

(Insert any items not subject to the withholding of retainage, such as general conditions, insurance, etc.)

§ 5.1.7.2 Reduction or limitation of retainage, if any, shall be as follows:

(If the retainage established in Section 5.1.7.1 is to be modified prior to Substantial Completion of the entire Work, including modifications for Substantial Completion of portions of the Work as provided in Section 3.3.2, insert provisions for such modifications.)

§ 5.1.7.3 Except as set forth in this Section 5.1.7.3, upon Substantial Completion of the Work, the Contractor may submit an Application for Payment that includes the retainage withheld from prior Applications for Payment pursuant

to this Section 5.1.7. The Application for Payment submitted at Substantial Completion shall not include retainage as follows:

(Insert any other conditions for release of retainage upon Substantial Completion.)

- § 5.1.9 Except with the Owner's prior approval, the Contractor shall not make advance payments to suppliers for materials or equipment which have not been delivered and stored at the site.

§ 5.2 Final Payment

- § 5.2.1 Final payment, constituting the entire unpaid balance of the Contract Sum, shall be made by the Owner to the Contractor when

NOW, THEREFORE, BE IT RESOLVED by the Board of County Commissioners of Hamblen County, Tennessee, as follows:

<u>Section 1.</u> <u>Authority</u>. The bonds authorized by this resolution are issued pursuant to 9-21-101, <u>et seq.</u>, Tennessee Code Annotated, as amended, and other applicable provisions of law.

- <u>Section 2.</u> <u>Definitions.</u> In addition to the terms defined in the preamble above, the following terms shall have the following meanings in this resolution unless the text expressly or by necessary implication requires otherwise:
- (a) "Bonds" means the not to exceed \$10,000,000 General Obligation Bonds of the County, to be dated their date of issuance, and having such series designation or such other dated date as shall be determined by the County Mayor pursuant to Section 8 hereof.

- (c) "Code" means the Internal Revenue Code of 1986, as amended, and all regulations promulgated thereunder.
 - (d) "County Mayor" shall mean the County Mayor of the County.
- (e) "Depository" means any securities depository that is a clearing agency under federal laws operating and maintaining, with its participants or otherwise, a Book-Entry System, including, but not limited to, DTC.
- (f) "DTC" means the Depository Trust Company, a limited purpose company organized under the laws of the State of New York, and its successors and assigns.

 - (h) "Governing Body" means the Board of County Commissioners.
- (i) "Municipal Advisor" for the Bonds authorized herein means Cumberland Securities Company, Inc., Knoxville, Tennessee.
- (j) "Projects" means: (i) constructing, improving, repairing, renovating and equipping of courtroom, corrective and detention facilities, schools and other educational facilities, libraries, stormwater drainage facilities, parks and recreation facilities and other public buildings, including any equipment required therefor; (ii) constructing and improving roads, streets, bridges and highways; and (iii) payment of legal, fiscal, administrative, architectural and engineering costs incident to all of the foregoing.
- (k) "Registration Agent" means the registration and paying agent appointed by the County Mayor pursuant to the terms hereof, or any successor designated by the Governing Body.

Section 3. Findings of the Governing Body; Compliance with Debt Management Policy.

(a) In conformance with the directive of the State Funding Board of the State of Tennessee, the County has heretofore adopted its Debt Management Policy. The Governing Body hereby finds that the issuance and sale of the Bonds, as proposed herein, is consistent with the County's Debt Management Policy.

(b) The Governing Body finds that the Municipal Advisor has provided the Governing Body with sufficient information regarding the estimated interest expense relating to the Bonds and costs of issuance of the Bonds for the Governing Body to make an informed decision in connection with the issuance of the Bonds in compliance with the County's Debt Management Policy.

Section 4. Authorization and Terms of the Bonds.

- For the purpose of providing funds to finance, in whole or in part, the cost of the Projects and costs incident thereto; reimbursement to the appropriate fund of the County for prior expenditures for the foregoing costs, if applicable; and payment of costs incident to the issuance and sale of the Bonds, there is hereby authorized to be issued bonds, in one or more series, of the County in the aggregate principal amount of not to exceed \$10,000,000. The Bonds shall be issued in one or more series, in fully registered, book-entry form (except as otherwise set forth herein), without coupons, and subject to the adjustments permitted hereunder, shall be known as "General Obligation Bonds", shall be dated their date of issuance, and shall have such series designation or such other dated date as shall be determined by the County Mayor pursuant to the terms hereof. The Bonds shall bear interest at a rate or rates not to exceed five percent (5.00%) per annum, payable (subject to the adjustments permitted hereunder) semi-annually on June 1 and December 1 in each year, commencing June 1, 2022. The Bonds shall be issued initially in \$5,000 denominations or integral multiples thereof, as shall be requested by the original purchaser thereof. Subject to the adjustments permitted pursuant to the terms hereof, the Bonds shall mature serially or be subject to mandatory redemption and shall be payable on June 1 of each year, subject to prior optional redemption as hereinafter provided and subject to adjustment as provided herein, in the years 2022 through 2051, inclusive. The Mayor is hereby directed and authorized to establish the annual principal payments and final debt service schedule for the Bonds as is provided in Section 8 hereof.
- (b) Subject to the adjustments permitted under Section 8 hereof, Bonds maturing on June 1, 2031 and thereafter shall be subject to redemption prior to maturity at the option of the County on June 1, 2030 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be selected by the Governing Body in its discretion. If less than all of the Bonds within a single maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

- (i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
- (ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.
- (c) Pursuant to the terms hereof, the County Mayor is authorized to sell the Bonds, or any maturities thereof, as term bonds ("Term Bonds") with mandatory redemption requirements corresponding to the maturities set forth herein or as determined by the County Mayor. In the event any or all the Bonds are sold as Term Bonds, the County shall redeem Term Bonds on redemption dates corresponding to the maturity dates set forth herein, in aggregate principal amounts equal to the maturity

amounts established pursuant to the terms hereof for each redemption date, as such maturity amounts may be adjusted pursuant to the terms hereof, at a price of par plus accrued interest thereon to the date of redemption. The Term Bonds to be redeemed within a single maturity shall be selected as follows:

- (i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
- (ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

Notice of any call for redemption shall be given by the Registration Agent on behalf of (d) the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly

provided as set forth herein. In the case of a Conditional Redemption, the failure of the Municipality to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

- The Governing Body hereby authorizes and directs the County Mayor to appoint the (e) Registration Agent for the Bonds and hereby authorizes the Registration Agent so appointed or the Registration Agent for the Bonds to maintain Bond registration records with respect to the Bonds, to authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds cancelled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.
- The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.
- (g) Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when

deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered Owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

- The Bonds are transferable only by presentation to the Registration Agent by the registered owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the included therein completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after calling such Bond for redemption has been given, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.
- (i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the signature of the County Mayor and the attestation of the County Clerk.
- (j) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or

through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO. AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds, or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, then the County shall discontinue the Book-Entry System with DTC or, upon request of such original purchaser, deliver the Bonds to the original purchaser in the form of fully-registered Bonds, as the case may be. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. If the purchaser(s) certifies that it intends to hold the Bonds for its own account, then the County may issue certificated Bonds without the utilization of DTC and the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS; (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ITS NOMINEE, CEDE & CO., AS OWNER.

(k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight

delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds; provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section.

- (l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.
- (m) In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be able to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnify satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.
- <u>Section 5.</u> <u>Source of Payment.</u> The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

<u>Section 6.</u> <u>Form of Bonds.</u> The Bonds shall be in substantially the following form, the omissions to be appropriate completed when the Bonds are prepared and delivered:

(Form of Bond)

REGISTERED Number			REGISTERED \$
	UNITED STATES STATE OF TI COUNTY OF GENERAL OBLIGATION	ENNESSEE HAMBLEN	
Interest Rate:	Maturity Date:	Date of Bond:	CUSIP No.:
Registered Owner:			
Principal Amount:			

FOR VALUE RECEIVED, Hamblen County, Tennessee (the "County") hereby promises to pay to the registered owner hereof, hereinabove named, or registered assigns, in the manner hereinafter provided, the principal amount hereinabove set forth on the maturity date hereinabove set forth (or upon earlier redemption as set forth herein), and to pay interest (computed on the basis of a 360-day year of twelve 30-day months) on said principal amount at the annual rate interest hereinabove set forth from the

Agent shall make all interest payments with respect to this Bond on each interest payment date directly to the registered owner hereof shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by check or draft mailed to such owner at such owner's address shown on said Bond registration records, without, except for final payment, the presentation or surrender of this Bond, and all such payments shall discharge the obligations of the County to the extent of the payments so made. Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of and premium, if any, on this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners, as defined in the Resolution. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy or any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial

Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

Bonds of the issue of which this Bond is one maturing June 1, 2031 and thereafter shall be subject to redemption prior to maturity at the option of the County on June 1, 2030 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

- (i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
- (ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

[Subject to the credit hereinafter provided, the County shall redeem Bonds maturing ______ on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent in the same manner as is described above for optional redemption. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

Final Maturity Redemption Date Principal Amount
of Bonds Redeemed

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be

redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of any call for redemption shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and it notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the Municipality to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the designated trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County for the purpose of providing funds for (i) constructing, improving, repairing, renovating and equipping of courtroom, corrective and detention facilities, schools and other educational facilities, libraries, stormwater drainage facilities, parks and recreation facilities and other public buildings, including any equipment required therefor; (ii) constructing and improving roads, streets, bridges and highways; (iii) payment of legal, fiscal, administrative, architectural and engineering costs incident to all of the foregoing (collectively, the "Projects"); (iv) reimbursement to the appropriate fund of the County for prior expenditures for the foregoing costs, if applicable; and (v) payment of costs incident to the issuance of the Bonds authorized herein, pursuant to 9-21-101, et seq., Tennessee Code Annotated, as amended, and pursuant to a resolution adopted by the Board of County Commissioners of the County on November 1, 2021 (the "Resolution").

The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

IN WITNESS WHEREOF, the County has caused this Bond to be signed by its County Mayor and attested by its County Clerk as of the date hereinabove set forth.

Section 7. Levy of Tax. The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal and interest coming due on the Bonds in said year. Principal and interest falling due at any time when there are insufficient funds from this tax levy on hand shall be paid from the current funds of the County and reimbursement therefor shall be made out of the taxes hereby provided to the levied when the same shall have been collected. The tax herein provided may be reduced to the extent of any direct appropriations from other funds, taxes and revenues of the County to the payment of debt service on the Bonds.

Section 8. Sale of Bonds.

- (a) The Bonds shall be offered for competitive public sale in one or more series, at a price of not less than 98.0% of par, plus accrued interest, as a whole or in part from time to time as shall be determined by the County Mayor, in consultation with the Municipal Advisor. The Bonds, or any series thereof, shall be sold by delivery of bids via physical delivery, mail, fax, or telephone or by electronic bidding means of an internet bidding service as shall be determined by the County Mayor, in consultation with the Municipal Advisor.
- (b) If the Bonds are sold in more than one series, the County Mayor is authorized to cause to be sold in each series an aggregate principal amount of Bonds less than that shown in Section 4 hereof for each series, so long as the total aggregate principal amount of all series issued does not exceed the total aggregate of Bonds authorized to be issued herein.
 - (c) The County Mayor is further authorized with respect to each series of Bonds to:
 - (1) change the dated date of the Bonds, or any series thereof, to a date other than the date of issuance of the Bonds;
 - (2) change the designation of the Bonds, or any series thereof, to a designation other than "General Obligation Bonds" and to specify the series designation of the Bonds, or any series thereof:
 - (3) change the first interest payment date on the Bonds, or any series thereof, to a date other than June 1, 2022, provided that such date is not later than twelve months from the dated date of such series of Bonds:
 - (4) establish and adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any series thereof, provided that (A) the total principal amount of all series of the Bonds does not exceed the total amount of Bonds authorized herein; and (B) the debt service on the Bonds shall not result in balloon indebtedness that requires the approval of the Director of the Division of Local Government Finance.
 - (5) adjust or remove the County's optional redemption provisions of the Bonds, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;
 - (6) sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and
 - (7) cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof.

The form of the Bond set forth in Section 6 hereof shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

(d) The County Mayor is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The

County Mayor is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as the County Mayor shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.

- (e) The County Mayor is authorized to award the Bonds, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate prescribed by Section 4 hereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.
- (f) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and delivery of the Bonds. The Mayor is hereby authorized to enter into a contract with the Municipal Advisor, for Municipal Advisory services in connection with the sale of the Bonds and to enter into an engagement letter with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds, and all actions heretofore taken by the officers of the County in that regard are hereby ratified and approved.
- (g) No Bonds shall be issued until publication of the Initial Resolution in a newspaper of general circulation in the County and the passage of twenty (20) days from the date of publication thereof, and in no event shall the Bonds be issued if a legally sufficient petition, as defined by Section 9-21-207, Tennessee Code Annotated, is filed within such 20-day period.

<u>Section 9.</u> <u>Disposition of Bond Proceeds</u>. The proceeds of the sale of the Bonds shall be disbursed as follows:

- (a) all accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds; and
- (b) the remainder of the proceeds of the sale of the Bonds shall be deposited with a financial institution regulated by the Federal Deposit Insurance Corporation or similar federal agency in a special fund known as the 2021 Project Fund (the "Project Fund"), or such other designation as shall be determined by the County Mayor to be kept separate and apart from all other funds of the County. The County shall disburse funds in the Project Fund to pay costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Bonds. Notwithstanding the foregoing, costs of issuance of the Bonds may be withheld from the good faith deposit or purchase price of the Bonds and paid to the Municipal Advisor to be used to pay costs of issuance of the Bonds. The remaining funds in the Project Fund shall be disbursed solely to pay the costs of the Projects and to reimburse the County for any funds previously expended for costs of the Projects. Money in the Project Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in said Project Fund.

Money in the Project Fund shall be invested at the direction of the County Mayor in such investments as shall be permitted by applicable law to the extent permitted by applicable law.

Section 10. Official Statement. The officers of the County, or any of them, are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the officers of the County, or any of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The officers of the County, or any of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Mayor and the County Clerk, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any series thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any series thereof, for its own account and has no present intention to reoffer the Bonds, or any series thereof.

- <u>Section 11.</u> <u>Discharge and Satisfaction of Bonds</u>. If the County shall pay and discharge the indebtedness evidenced by any series of the Bonds in any one or more of the following ways:
- (a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;
- (b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Defeasance Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice); or
 - (c) By delivering such Bonds to the Registration Agent for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Escrow Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations

of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Defeasance Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Defeasance Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Defeasance Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or obligations of any agency or instrumentality of the United States, which obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 12. Federal Tax Matters Related to the Bonds.

- (a) The County intends that the Bonds are expected to be issued as federally tax-exempt bonds under the Code. If so issued, the County hereby covenants that it will not use, or permit the use of any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond". To that end, the County shall comply with applicable regulations adopted under said Section 148. The County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.
- (b) The Governing Body hereby delegates to the Mayor the authority to designate, and determine whether to designate, the Bonds as "qualified tax exempt obligations," as defined in Section 265 of the Code, the extent the Bonds are not deemed designated as such and may be designated as such.
- (c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds and to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.
- <u>Section 13.</u> <u>Continuing Disclosure</u>. The County hereby covenants and agrees that it will provide annual financial information and material event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the Closing of the sale of the Bonds an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its

obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

- <u>Section 14.</u> <u>Reasonably Expected Economic Life.</u> The "reasonably expected economic life" of the Project within the meaning of Sections 9-21-101, <u>et seq.</u>, Tennessee Code Annotated, is greater than the term of the Bonds authorized herein.
- <u>Section 15.</u> <u>Resolution a Contract</u>. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.
- <u>Section 16.</u> <u>Separability</u>. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.
- <u>Section 17.</u> <u>Repeal of Conflicting Resolutions and Effective Date</u>. All other resolutions and orders, or parts thereof in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

This Resolution shall be in immediate effect from and after its adoption, the public welfare requiring it.

Tennessee State-Subdivision Opioid Abatement Agreement

I. Definitions

For all sections of this Agreement, the definitions for terms set out in this Section I apply. The Agreement also uses additional terms that are defined in the Distributor/J&J Settlements and other agreements. In such instances, which are clearly stated, those terms are defined by those agreements.

- A. "2021 Legislation." Public Chapter No. 491 passed during the 2021 Regular Session of the 112th Tennessee General Assembly and signed into law by Governor Bill Lee on May 24, 2021. For ease of reference purposes only, a copy of Public Chapter No. 491 is attached.
- B. "Agreement." This document, the Tennessee State-Subdivision Opioid Abatement Agreement, a "state-subdivision opioid abatement agreement" as defined in the 2021 Legislation, Section 5(7) and Section 13(6). This Agreement is also a "State-Subdivision Agreement" as defined in the Distributor/J&J Settlement Agreements and a "Statewide Abatement Agreement" as defined in the Purdue Pharma L.P. and Mallinckrodt PLC bankruptcy plans.
- C. "Distributor/J&J Settlements." The settlements consisting of the joint settlement agreement with distributors McKesson Corporation, Cardinal Health, Inc., and AmerisourceBergen Corporation and their subsidiaries and other related entities and the settlement agreement with manufacturer Johnson & Johnson, its Janssen subsidiaries and other subsidiaries and related entities. Both settlements qualify as Statewide Opioid Settlement Agreements.
- D. "Joint Abatement Bankruptcy Plan." A plan confirmed in federal bankruptcy court under Title 11 of the United States Code that resolves state and subdivision claims related to the manufacture, marketing, distribution, dispensing, or sale of opioids in a manner that allocates funds for abatement jointly to the state and its subdivisions. The plans in the Purdue Pharma L.P. and Mallinckrodt PLC bankruptcy cases are examples of Joint Abatement Bankruptcy Plans.
- E. "Opioid Abatement Council." The council created by the 2021 Legislation, Sections 3-9.
- F. "Relevant Funds." Funds that, pursuant to a Joint Abatement Bankruptcy Plan, are allocated to the State for the claims of the State and its Subdivisions and that must be dedicated to opioid abatement programs.
 - G. "State." The State of Tennessee.
- H. "State-Only Opioid Settlement Agreement." A settlement agreement entered into by the State and one or more entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids in which there are not provisions for Subdivision joinder.

- I. "State Opioid Judgment." A judgment obtained by the State against one or more entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids.
- J. "Statewide Opioid Settlement Agreement." A settlement agreement entered into by the State and one or more entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids in which subdivision claims are addressed.
- K. "Statutory Bar." A law barring all subdivisions (not limited to counties and municipalities) in the state from maintaining released claims against released entities, either through a direct bar or through a grant of authority to release claims. The 2021 Legislation, Sections 10-19 establishes a grant of authority process for a statutory bar to be enacted for the entities addressed in the Distributor/J&J Settlements.
 - L. "Subdivision." A Tennessee county or municipality.
- M. "Subdivision-Only Opioid Settlement Agreement" A settlement agreement between one or more Subdivisions and one or more entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids that does not include the State as a party.
- N. "Subdivision Opioid Judgment." A judgment obtained by one or more Subdivisions against one or more entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids.
- O. "Tennessee Opioid Abatement Fund." The opioid abatement trust fund established by the 2021 Legislation, Sections 1-2.

II. Interaction of this Agreement with Settlements, Bankruptcy Plans and Legislation

This Agreement replaces certain default provisions in specified State Opioid Settlement Agreements and Joint Abatement Bankruptcy Plans. Certain default provisions are also replaced by the 2021 Legislation and consent judgments will be filed for State Opioid Settlement Agreements. Thus, there will be multiple sources of authority for the application of each settlement agreement or bankruptcy plan. While parts of the 2021 Legislation are described in this Agreement, such descriptions do not supersede the statutory language, which is controlling.

III. Allocation of Funds in the Distributor/J&J Settlements

The Distributor/J&J Settlements allow for payment and allocation default provisions to be replaced by state-subdivision agreements, by statute, and other means. As referenced below, the 2021 Legislation addressed some of the default provisions in these settlements. This Agreement makes a few additional changes to the default provisions. As described below, some default provisions remain in place.

- A. <u>Allocation among three sub-funds</u>. The Distributor/J&J Settlements initially allocate the vast majority of settlement funds among three sub-funds for each state: the "State Fund," the "Abatement Accounts Fund," and the "Subdivision Fund." Subject to the terms of the specific settlement agreements and assuming full subdivision participation and maximum payments, allocation among the three Tennessee sub-funds shall remain the same as with the default provision: 15% to the State Fund, 70% to the Abatement Accounts Fund, and 15% to the Subdivision Fund.
- B. <u>Use of funds</u>. The Distributor/J&J Settlements have provisions concerning the use of funds and those are controlling.² Generally they require that money from all three sub-funds be used for "Opioid Remediation" as that term is defined in those agreements. Such definitions include restitution for past abatement within the definition of remediation.
- C. <u>State Fund</u>. The 15% State Fund shall be directed to the State's general fund unless directed to the Tennessee Opioid Abatement Fund by future legislation.

D. Abatement Accounts Fund.

- 1. The 70% Abatement Accounts Fund shall be directed to the Tennessee Opioid Abatement Fund.
- 2. The 2021 Legislation fully replaces the default provisions for the Abatement Accounts Fund.³ Among the legislative provisions is the requirement that for the Distributor/J&J Settlements funds deposited into the Tennessee Opioid Abatement Fund, the Opioid Abatement Council shall disburse 35% of these proceeds to counties that join the settlements to be spent on opioid abatement and remediation pursuant to Subsections 6(q)-(s). 2021 Legislation Section 6(p).
- 3. The 2021 Legislation allows for a state-subdivision agreement to determine the metrics used in allocating certain funds among participating counties. 2021 Legislation, Section (6)(q). It is agreed that the allocation formula shall use data for fatal and non-fatal opioid overdoses, opioid sales measured by morphine milligram equivalents, and population. Details and agreed terms regarding the metrics, the updating of allocation percentages, and the initial allocation percentages for each county is set out in Exhibit A.

E. Subdivision Fund.

1. The 15% Subdivision Fund shall generally be directed to the Subdivisions participating in the Distributor/J&J Settlements pursuant to the default provisions of those agreements, including the allocation of funds for non-litigating municipalities with populations under 10,000 to their respective counties.

¹ "State Fund," Abatement Accounts Fund," and "Subdivision Fund" are all defined terms in the Distributor/J&J Settlement agreements. They are sub-funds of the settlements' "Settlement Fund" into which the companies make base and incentive payments pursuant to the settlement agreements.

² Some examples are distributor agreement Subsections V.B.1-2 and J&J agreement Subsections VI.B. 1-2.

³ These are mainly found in distributor agreement Section V.E and J&J agreement Section VI.E.

- The default provisions are adjusted for non-litigating municipalities in 2. participating counties that both (1) have populations of 10,000 to 30,000 per the 2019 U.S. Census estimate and (2) have a Subdivision Fund allocation percentage less than 0.5%.⁴ The allocations for such municipalities shall be directed to their respective counties if the county is a participating subdivision. (If the county is not a participating subdivision, the funds are not redirected to the county.) The reallocation for such municipalities located in multiple counties will be divided among those counties pursuant to the data used in Exhibit G of the Distributor/J&J Settlements. These redirected funds to certain counties shall be spent on future opioid abatement and shall be subject to the same statutory requirements as the Abatement Accounts Fund money the county receives from the Tennessee Opioid Abatement Fund. These redirected funds to certain counties are in addition to the funds allocated to participating counties pursuant to 2021 Legislation Section 6(p) and should not be included in calculating or disbursing the 35% amount allocated to participating counties. Such redirected funds should also not be viewed as an additional recovery by the county for purposes of calculating any contingency fees agreements.
- F. <u>Attorneys' fees and costs</u>. The Distributor/J&J Settlements have provisions for funds dedicated to or related to attorneys' fees, costs, and/or expenses. There are also funds for states without outside counsel, identified as "Additional Restitution Funds." Such funds shall be allocated pursuant to such agreements and are not addressed by this Agreement.

IV. Allocation of Funds for other Statewide Opioid Settlement Agreements

A. Application to future settlements. To the extent allowed by such agreement and subject to IV.B.2 of this Agreement, the provisions in Section III above shall replace default provisions in, and apply to, any future Statewide Opioid Settlement Agreement in which Tennessee counties and municipalities are able to join and receive benefits, either directly or indirectly, in exchange for a release of claims. Not all municipalities need to be eligible to join such a settlement for the provisions of this Section IV to apply. Indirect benefits include funds being allocated to counties and/or the Tennessee Opioid Abatement Fund.

B. Exceptions. The application of Section IV.A. is limited, as follows:

1. The directing of 35% of Abatement Funds to the counties pursuant to the 2021 Legislation Section 6(p) shall not apply to any Statewide Opioid Settlement Agreement that includes an incentive or other benefit for a Statutory Bar unless (a) Section 19 of the 2021 Legislation is amended to specifically allow a Statewide Opioid Settlement Agreement release for the settling entity or entities or (b) another statute that qualifies as a Statutory Bar for such settlement is enacted. Should such settlement become effective prior

⁴ For the avoidance of doubt, a non-litigating municipality with a population between 10,000 and 30,000 that has a Subdivision Fund allocation percentage of 0.5% or greater is not affected by this subsection and receives its direct allocation from the Subdivision Fund.

⁵ For the avoidance of doubt, the Section III provisions include the 15%/70%/15% allocation of settlement funds among the three sub-funds.

to the enactment of a Statutory Bar addressing claims against the settling entity or entities, 35% of the funds directed to the Tennessee Opioid Abatement Fund shall be withheld and not allocated until the earlier of (1) the enactment of such a Statutory Bar or (2) a full regular session of the Tennessee General Assembly has occurred.

- 2. Section IV.A shall not apply to any Statewide Opioid Settlement Agreement unless the application of this Agreement to such settlement is approved by a majority of (a) counties and (b) municipalities having a population over 30,000 after such settlement is negotiated and provided to such subdivisions. Whether there is majority approval shall be measured by population of the relevant subdivisions. Population figures shall be from the most recently published U.S. Census population figures (actual count or estimate) for a year for which data is available for both counties and municipalities.
- 3. Section IV.A shall not apply to any Statewide Opioid Settlement Agreement with Endo International plc. or its subsidiaries.
- C. <u>Statutory provisions</u>. The language in this section does not address or control whether any default provisions in a Statewide Opioid Settlement Agreement are replaced by the 2021 Legislation or any other statutory provision if Section IV.A does not apply to such settlement.

V. Allocation of Funds for Opioid-Related Claims in Joint Abatement Bankruptcy Plans

- A. Relevant Funds. Multiple opioid manufacturers have filed for bankruptcy in actions for which the State and many Subdivisions are creditors for opioid-related claims. These companies include Purdue and Mallinckrodt. It is anticipated that other entities involved in activities related to the manufacture, marketing, distribution, dispensing, or sale of opioids may also file for bankruptcy and that the State and one or more Subdivisions will pursue opioid-related claims in those actions. Funds allocated to the State and Subdivisions for such claims shall be disbursed pursuant to the confirmed bankruptcy plan for the relevant entity, including requirements for funds to be used for future abatement. It is anticipated that one or more of such plans shall include the allocation of Relevant Funds that must be dedicated to opioid abatement programs. All Relevant Funds shall be placed in the Tennessee Opioid Abatement Fund and allocated pursuant to Sections V.B. Relevant Funds do not include funds disbursed through bankruptcy plans that are not restricted to abatement or that are disbursed for claims that are unrelated to the opioid crisis.
- B. <u>Allocation of Relevant Funds</u>. To the extent permissible under the subject bankruptcy plan, Relevant Funds from Joint Abatement Bankruptcy Plans shall be allocated in the same manner as the Abatement Account Funds from the Distributor/J&J Settlements are disbursed under Section III.D and the 2021 Legislation. Thus, the Opioid Abatement Council shall disburse 35% of the proceeds from such bankruptcy plans to the counties subject to 2021 Legislation

Subsections 6(q)-(s). All default provisions related to Relevant Funds in such bankruptcy plans are replaced by this Agreement.⁶

- C. <u>Exception</u>. Section V shall not apply to any bankruptcy plan for Endo International plc. or its subsidiaries.
- D. <u>Statutory provisions</u>. The language in this section does not address or control whether any default provisions in a Joint Abatement Bankruptcy Plan are replaced by the 2021 Legislation or any other statutory provision if Sections V.A-B do not apply to such bankruptcy plans.

VI. No Application to Other Funds

- A. <u>State-Only Opioid Settlement Agreements and State Opioid Judgments</u>. The Attorney General may direct funds from a State-Only Opioid Settlement Agreement or a State Opioid Judgment to the Tennessee Opioid Abatement Fund. Subject to the terms of specific agreements and any conditions placed on the funds prior to their being placed in the Tennessee Opioid Abatement Fund, the funds shall be allocated by the Opioid Abatement Council pursuant to the 2021 Legislation. The allocation and other provisions in this Agreement that apply to certain Statewide Opioid Settlement Agreements and to certain funds from Joint Abatement Bankruptcy Plans do not apply to funds from State-Only Opioid Settlement Agreements or State Opioid Judgments.
- B. <u>Subdivision-Only Settlement Agreements and Subdivision Judgments</u>. The allocation and other provisions in this Agreement that apply to certain Statewide Opioid Settlement Agreements and to certain funds from Joint Abatement Bankruptcy Plans do not apply to funds from Subdivision-Only Opioid Settlement Agreements or Subdivision Opioid Judgments.

VII. Adoption and Amendment of Agreement

A. <u>Controlling Authority</u>. For this Agreement to replace default provisions in the Distributor/J&J Settlements, it must be adopted by statute or approved by the State and a sufficient number of Subdivisions as set forth in Exhibit O of those settlements. For this Agreement to replace default provisions in the Purdue and other bankruptcy plans, it is anticipated that it will need to be approved by the State and a sufficient number of Subdivisions as set forth in the specific bankruptcy plans. There are similar requirements for amending state-subdivision agreements such as this Agreement. It is understood that the approval process and participation requirements set out in this Section VII meet the requirements of these settlement agreements and anticipated bankruptcy plans. For any settlement agreement or bankruptcy plan that allows for a state-subdivision agreement to determine the requirements for amendment of a state-subdivision

⁶ For example, the provisions related to the default "Government Participation Mechanism" in the Purdue bankruptcy plan are not applicable with the adoption of this Agreement (which incorporates the Opioid Abatement Council).

agreement, the approval process and participation requirements set out in this Section VII for an amended agreement shall control. Similarly, if this Agreement is adopted by statute, the approval process and participation requirements set out in this Section VII for an amended agreement shall control.

- B. <u>Adoption of Agreement</u>. This Agreement is adopted if it is approved by the Attorney General, on behalf of the State, and either (1) Subdivisions whose aggregate "Population Percentages," determined as set forth below, total more than 60%, or (2) Subdivisions whose aggregate Population Percentages total more than 50%, provided that these Subdivisions also represent 15% or more of the counties, by number.
- C. Population Percentage Calculation. Population Percentages shall be determined as follows: The Population Percentage of each county shall be deemed to be equal to (1) (a) 200% of the population of such county minus (b) the aggregate population of all Primary Municipalities located in such county, divided by (2) 200% of the state's population. A Primary Municipality means a municipality with a population of at least 25,000. The Population Percentage of each Primary Municipality shall be equal to its population divided by 200% of the state's population. (The result of these calculations is that every person is counted twice: everyone in a Primary Municipality is counted once for that municipality; everyone is counted at least once for their county; and those not in a Primary Municipality are counted a second time for their county.) Except as required by a specific settlement agreement or bankruptcy plan, the population figures for these calculations shall be the 2020 U.S. Census counts for the initial adoption of the Agreement and, for adoption of an amended agreement, the most recently published U.S. Census population figures (actual count or estimate) for a year for which data is available for both counties and municipalities.
- D. <u>Amendment of Agreement</u>. This Agreement may be amended if that amended agreement is approved by the Attorney General, on behalf of the State, and either (1) Subdivisions whose aggregate Population Percentages, determined as set forth above, total more than 60%, or (2) Subdivisions whose aggregate Population Percentages total more than 50% provided that these Subdivisions also represent 15% or more of the counties, by number.

VIII. Effect of Agreement

Nothing in this Agreement is intended to abridge or enlarge the authority of the Attorney General, the State, or the subdivisions, except as expressly stated herein.

Exhibit A: County Allocation for Opioid Abatement Fund

Certain abatement funds are allocated by county pursuant to the 2021 Legislation and/or the provisions of this Agreement. The allocations shall be set consistent with the 2021 Legislation and as set forth below.

- A. County Allocation Data. The following data shall be used in the county allocation calculations:
- 1. <u>Fatal opioid overdose data collected by the Tennessee Department of Health</u>. The aggregate figures for the most recent three years of available data shall be used when allocation calculations are performed.
- 2. <u>Non-fatal opioid overdose data collected by the Tennessee Department of Health.</u> The aggregate figures for the most recent three years of available data shall be used when allocation calculations are performed.
- 3. Opioid sales as measured by morphine milligram equivalents ("MME"). The aggregate figures for the most recent three years of available data shall be used when allocation calculations are performed.
- 4. <u>County population</u>. The 2020 U.S. Census counts will be used for the initial allocations. For future allocation calculations, the most recent population estimate or actual count data published by the U.S. Census shall be used.
- **B.** Weighting of Data. In calculating the county allocation percentages, the data shall be weighted as follows:
 - 1. Fatal opioid overdose data shall be weighted at 12.5%.
 - 2. Non-fatal opioid overdose data shall be weighted at 12.5%.
 - 3. Opioid sales as measured by MME shall be weighted at 25%.
 - 4. Population shall be weighted at 50%.
- C. Updating of Allocations. The county allocations shall be updated pursuant to statute. The 2021 Legislation requires updating every four years and addresses what happens if a data set used in the initial allocations is unavailable.
- **D.** Allocation Process. The State shall make the initial data and allocable share calculations available to the counties to review for 30 days in order to identify and correct any mathematical or data entry errors. The Opioid Abatement Council will allow for similar review for future reallocations.
- **E.** Holdback Share. It is recognized that, particularly for some very small counties, there could be limits on the ability of the data to capture the scope of the opioid crisis in the county. For example, a large segment of a county's population may fill prescriptions in a neighboring county, resulting in MME data that dramatically underrepresents the level of opioids prescribed to the residents of the county. To address limited situations such as this, 2% of the abatement funds

allocated to counties shall be initially held back until the Opioid Abatement Council can consider county requests for adjustments to their allocation percentages due to such data issues. However, such requests will only be granted when there is a finding that the data limitations substantially affected the county's overall allocation. The Council may only adjust allocation percentages upwards through the use of the 2% holdback fund and may find that no adjustments are needed. Any portion of the 2% holdback fund not used to adjust county allocations pursuant to this process will be released to the counties pursuant to their allocations, including any adjusted allocation percentages.

RESOLUTION 21-24

EXISTING METROPOLITAN PLANNING ORGANIZATIONS ((MPOs) SHALL REMAIN (OR GRANDFATHERED) AND NOT BE SUBJECT TO THE PROPOSED 2020 UNITED STATES CENSUS HOUSING UNIT DENSITY THRESHOLD

WHEREAS, the Lakeway Area Metropolitan Transportation Planning Organization (LAMTPO), which consists of the governing agencies of the Tennessee Department of Transportation (TDOT), Morristown, Hamblen County, Jefferson City, White Pine, and Jefferson County, was established as an Urbanized Area (UZA) by the United States Census in 2002 (after the 2000 US Census); and

WHEREAS, Hamblen County seeks to continually maintain, enhance, and improve the transportation system and infrastructure; and

WHEREAS, Hamblen County has the desire to improve and enhance the safety, security, and aesthetics of the transportation system and services within the LAMTPO Metropolitan Planning Area (MPA); and

WHEREAS, federal funding assistance is needed within the LAMTPO MPA to maintain, improve and enhance the following:

- a. Roadways, highways, bridges, etc.
- b. bicycle and pedestrian sidewalks and pathways,
- c. public transportation services; and

WHEREAS, the proposed changes to the US Census 2020 Urban Areas from a 50,000 population threshold with a minimum density of 1,000 people per square mile; to 385 housing units per square mile, with a minimum of 4,000 housing units or has a population of at least 10,000 people will be detrimental to the LAMTPO MPA; and

WHEREAS, preliminary results show that several MPOs within TN, including LAMTPO, will have a decrease in population as well as a decrease in land area, which in turn means a decrease in federal funding; and

WHEREAS, the preliminary mapping results from the proposed change shows several outliers that are not contiguous to the larger urbanized area, thus making it more difficult for transportation planning purposes and for determining where federal funding should go; and

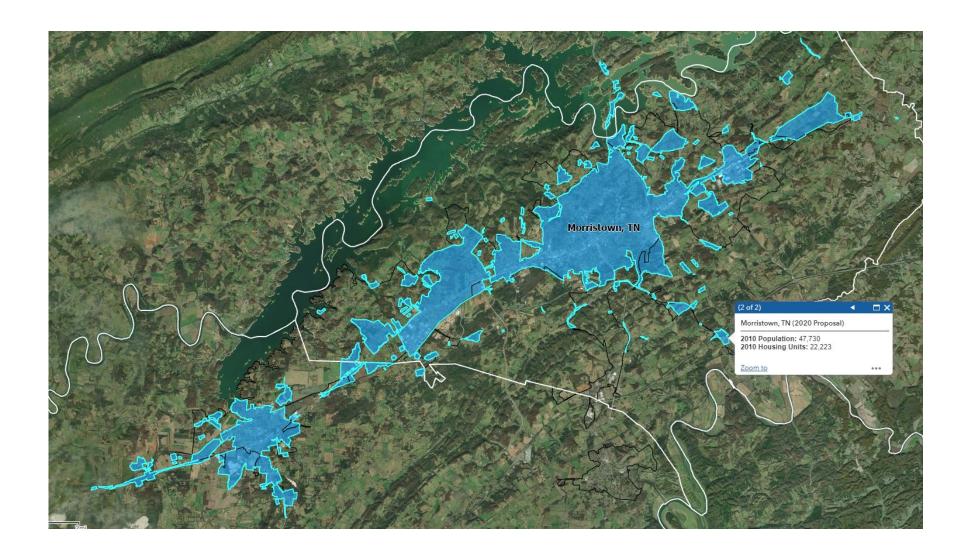

WHEREAS, The US Office of Management and Budget (OMB) in June/ July 2021 decided not to change their definition of a Metropolitan Statistical Area (MSA) of 50,000 people or greater; and

WHEREAS, the proposed urban area boundary would not include recent residential developments, however those developments are within the existing urbanized area boundary; and

WHEREAS, the governing body of Hamblen County requests the United States Census should follow the OMB decision and not change their definition of Urban Areas, or at least allow existing MPOs urban areas (from the 2010 US Census) to be grandfathered in; and

NOW, THEREFORE BE IT RESOLVED that the Hamblen County Commission requests the United States Census should follow the OMB decision and not change their definition of Urban Areas, or at least allow existing MPOs urban areas (from the 2010 US Census) to be grandfathered.
