SEWER EASEMENT RELOCATION AGREEMENT AND CONFIRMATION OF DRIVEWAY EASEMENT

This Sewer Easement Relocation Agreement and Confirmation of Driveway Easement is entered into among The Helen Ross McNabb Center, Inc., a Tennessee nonprofit corporation (hereinafter "Helen Ross McNabb"), Henry Manor Apartments II, L.P., a Tennessee limited partnership (hereinafter "Henry Manor"), Morristown Utilities System (hereinafter "MUS") and Hamblen County, Tennessee (hereinafter "County"), on this ____ day of October, 2022.

WITNESSETH:

WHEREAS, County is constructing a new Justice Center upon real property which adjoins properties owned by Helen Ross McNabb and Henry Manor; and

WHEREAS, sanitary sewer easements were previously created across properties now owned by Helen Ross McNabb, County and Henry Manor by various instruments of record including without limitation in Book 246, page 482 as amended in Book 252, page 76, in Book 263, page 407 and in Plat Book 9, page 25-30 (Cabinet C, Slides 90-92), all in the County's office of the Register of Deeds (collectively, the "Old Sewer Easement"); and

WHEREAS, because of the construction of a water retention basin now owned by and benefitting County, the sewer line which serves Helen Ross McNabb property must be relocated; and

WHEREAS, the relocation of the Helen Ross McNabb sewer line requires that the sewer line be located in part upon properties owned by Henry Manor and County; and

WHEREAS, it is necessary that Old Sewer Easement benefitting Helen Ross McNabb be extinguished and that the easement as set out herein be established as the only sewer easement encumbering the Henry Manor and County properties,

NOW, THEREFORE, the above parties agree as follows:

In lieu of the Old Sewer Easement, County and Henry Manor do grant and convey to Helen Ross McNabb a permanent sewer easement being 20' in width and located as set out in

Capps & Byrd LLP Morristown, Tennessee

the attached metes and bounds description and survey attached hereto as Attachment A (the "New Sewer Easement") for the purpose of locating, maintaining, and repairing as necessary a 4' sewer line serving Helen Ross McNabb, and this easement shall run with the land subject to the conditions set forth herein. Helen Ross McNabb shall be responsible for all work in servicing, repairing, or replacing this new sewer line once installed upon Hamblen County and Henry Manor property.

Henry Manor also grants and conveys to Morristown Utilities System an easement to come upon the New Sewer Easement area to service and repair the sewer line serving Helen Ross McNabb, provided that this easement is limited to the New Sewer Easement area of and shall continue for so long as the sewer line serving Helen Ross McNabb property is located upon Henry Manor property. MUS agrees to cause the work for the new sewer line installation on the Henry Manor property to be completed in a prompt and workmanlike manner so as to minimize disruption of the Henry Manor property (and its residents) to the greatest extent possible.

Except for limited safety barriers as may be needed while digging for the new sewer line, no party hereto nor any of their licensees, agents, invitees, tenants, successors or assigns, shall place any physical barriers or other restrictions or impediments to the use and enjoyment of the Henry Manor property. Subject only to the right of Helen Ross McNabb and MUS to access the New Sewer Easement area for purposes of necessary maintenance in accordance with the terms of this Agreement, Henry Manor reserves and shall retain full rights and privileges to use, enjoy and possess the Henry Manor property, including the area of the New Sewer Easement, as the sole owner thereof. No equipment or materials may be stored on the Henry Manor property.

Notwithstanding any provision hereof to the contrary, in no event shall any party have the right to use the New Sewer Easement in any manner that would adversely affect Henry Manor (or its residents) in any manner, including without limitation: (i) reducing the available parking spaces or areas needed for employees, tenants and invitees of Henry Manor, (ii) damaging the pavement or other improvements located on the Henry Manor property, (iii) otherwise interfering with the use and enjoyment of the Henry Manor property as a multifamily residential project by its owner, manager and tenants, or (iv) resulting in non-compliance by the Henry Manor property with any applicable zoning ordinance, land-use law, rule or regulation. If any of the foregoing shall occur, this Agreement and all rights hereunder shall automatically be revised to limit the scope or use of the New Sewer Easement to eliminate the offense.

MUS and Helen Ross McNabb shall be jointly and severally responsible for any necessary repairs of the Henry Manor property (including without limitation seeding and strawing where necessary) after repair, maintenance or replacement of the sewer line once it has been installed so that the Henry Manor property is restored to at least equal to its current condition, as reasonably determined by Henry Manor. Further, MUS and Helen Ross McNabb shall indemnify and hold Henry Manor harmless from and against any and all liability, damage, expense, causes of actions, suits, claims, or judgments arising from personal injury, death, and/or property damage arising from or related to use of the New Sewer Easement area.

Morristown Utilities System joins in this easement agreement for the purpose of acknowledging its agreement to service and maintain that portion of the sewer line located upon property owned by Henry Manor.

If a lien is threatened by any contractor or supplier, or in the event of the filing of a notice of any such lien, for work contemplated hereby in the New Sewer Easement area, MUS and Helen Ross McNabb shall, jointly and severally, promptly pay the same or have the lien discharged of record, by bond or otherwise, within 10 days from the date it receives notice of the filing of any such lien. If they fail to pay, discharge or bond any such lien within such time, Henry Manor shall have the right, but not the obligation, to pay or bond the same or any portion thereof and the amounts so paid, including attorneys' fees and expenses incurred in connection therewith shall be paid upon demand to Henry Manor by MUS and Helen Ross McNabb as a condition of the continuation of the New Sewer Easement.

All parties hereby agree that the Old Sewer Easement is hereby terminated and released in its entirety with the New Sewer Easement. In furtherance of the foregoing, County, Helen Ross McNabb and MUS join in this conveyance to convey and extinguish any rights that either may have in the Old Sewer Easement separate and apart from the New Sewer Easement described above and do quitclaim to Henry Manor any easement rights, express or implied, which exist by virtue of the Old Sewer Easement.

County and Helen Ross McNabb further acknowledge and confirm that any portion of the "Driveway" described in the Confirmation and Grant of Easement recorded in Book 1597, page 541 in the County's office of the Register of Deeds that may be located on their respective properties may continue to exist on the terms set forth therein. Without limiting the generality of the foregoing, County agrees that neither the New Sewer Easement nor its construction of a new Justice Center or water retention basin will interfere with use of the Driveway by Henry Manor and its residents and invitees.

This Agreement and the obligations of Henry Manor hereunder are expressly subordinate to any deed of trust or mortgage now or hereafter executed by Henry Manor in favor of the lender providing secured financing to the Henry Manor property. Upon request from Henry Manor from time to time, the other parties shall execute and deliver to Henry Manor a subordination agreement for the benefit of Henry Manor's lender, in the form required by Henry Manor's lender. Without limiting the generality of the foregoing, so long as the Henry Manor property remains pledged as collateral for a loan insured or held by the U.S. Secretary of Housing and Urban Development (the "HUD Loan"), the parties other than Henry Manor agree that they shall not have any claim against the collateral for the HUD Loan, specifically including the Henry Manor Apartment project and any reserves or deposits required by HUD in connection with the HUD Loan and/or rents or other income from the property.

This Agreement is not intended, and shall not be construed, to grant any rights to the public in general. This Agreement contains the entire agreement between the parties hereto with respect to the transactions contemplated by this Agreement and supersedes all prior written or unwritten arrangements or understandings with respect thereto. All parties represent that they are not relying on any representation, statement, or action by any other party except as expressly

stated herein. The descriptive headings of this Agreement are for convenience only. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns. This Agreement shall be governed by and construed in accordance with the laws of the State of Tennessee, without regard to the choice or conflict of law provisions. This Agreement may be executed in any number of counterparts, and each such counterpart hereof shall be deemed to be an original instrument. This Agreement may not be modified, amended, or revoked, except in a writing signed by all parties. This provision may not be orally waived.

Entered into and agreed upon on this date first written above.

RESOLUTION AUTHORIZING A LOAN TO THE BOARD OF THE HAMBLEN COUNTY-MORRISTOWN SOLID WASTE DISPOSAL SYSTEM AND AN AMENDED AND RESTATED SOLID WASTE DISPOSAL AGREEMENT AND ADDRESSING RELATED MATTERS

WHEREAS, pursuant to the Interlocal Cooperation Act, Tennessee Code Annotated Section 12-9-101 et seq., the City of Morristown, Tennessee (the "Municipality"), and the County of Hamblen, Tennessee (the "County") entered into a Solid Waste Disposal System Agreement dated as of July 26, 1988, which agreement has been previously amended (as amended, the "System Agreement"), for the purpose of consolidating their separate landfills into a joint solid waste disposal system designated therein as the Hamblen County-Morristown Solid Waste Disposal System (the "System") and providing for the control, operation, maintenance and improvement of the System by a Board appointed by the Municipality and the County (the "Board");

WHEREAS, the County is authorized by Title 9, Chapter 21, <u>Tennessee Code Annotated</u>, as amended, to issue and sell bonds for the purpose of financing the costs of constructing and equipping public works projects, including financing improvements to the System's landfill, the acquisition of all property real and personal appurtenant thereto or connected with such work, and to pay legal, fiscal, administrative, and engineering costs incident thereto (collectively, the "Project"), and costs incident to the financing thereof;

WHEREAS, pursuant to the terms of the System Agreement, the Municipality and the County have agreed to cooperate on an equal basis as necessary to finance construction and equipment acquisitions;

WHEREAS, the Board of County Commissioners of the County (the "Commission") has previously adopted resolutions authorizing its General Obligations Bonds (the "Bonds") of the County in a principal amount not to exceed to \$4,675,000;

WHEREAS, the proceeds of the sale of the Bonds will be loaned to the Board pursuant to a Loan Agreement between the County and the Board pursuant to which the Board will agree to make payments in an amount sufficient to make payments of principal and interest on the Bonds at the time such payments become due, and to pledge the revenues of the System to support such payment obligation (the "Loan Agreement");

WHEREAS, in connection with the issuance of the Bonds, the County intends to amend and restate its agreement to deposit all of its solid waste with the System, and has been presented with a preliminary form of such amended and restated solid waste disposal agreement (the "Solid Waste Agreement");

WHEREAS, the System Agreement should also be amended to give the Board authority to enter into the Loan Agreement and the Solid Waste Agreement; and

WHEREAS, it is now, therefore, necessary and desirable to provide for the execution, terms, issuance, sale, and payment of the Bonds:

NOW, THEREFORE, BE IT RESOLVED BY THE COMMISSION OF HAMBLEN COUNTY, TENNESSEE, AS FOLLOWS:

- Section 1. Loan Agreement. The County Mayor and the County Clerk are hereby authorized and directed to negotiate the Loan Agreement between the County and the Board. The Loan Agreement shall require the Board to (i) make payments sufficient to pay principal, premium, if any, and interest on the Bonds, and (ii) to pledge the Revenues of the System to such payments. The Loan Agreement shall also require the Board to use the proceeds of the Bonds for the construction of the Project, shall prohibit the Board from using the proceeds or the Project in any manner as to adversely affect the tax-exempt status of the Bonds. The County Mayor and the County Clerk are hereby authorized to execute and deliver the Loan Agreement in the form submitted to this meeting, with such omissions, changes, completions and insertions that are in conformity with this resolution as may be approved by the County Mayor and the County Clerk, their execution of such Loan Agreement to constitute conclusive evidence of their approval of the terms thereof.
- Section 2. <u>Solid Waste Disposal Agreement</u>. The County Mayor and the County Clerk are hereby directed to negotiate with the Board to finalize an Amended and Restated Solid Waste Disposal Agreement among the Municipality, the County and the Board (the "Solid Waste Agreement"), which shall require the County to dispose of all of its non-hazardous solid waste at the System's landfill to the extent provided therein for so long as the Bonds are outstanding, and shall require the Board to establish tipping fees sufficient to cover the debt service on the Bonds and any other bonds to be issued to finance improvements to the System. The County Mayor and the County Clerk are authorized and directed to execute and deliver such Solid Waste Agreement in the form submitted to this meeting, with such omissions, changes, completions and insertions that are in conformity with this resolution as the County Mayor and the County Clerk may approve, their execution and delivery thereof to constitute conclusive evidence of their approval of the terms of the Solid Waste Agreement.
- Section 3. Amendment to System Agreement. The County Mayor and the County Clerk are hereby authorized and directed to negotiate, execute and deliver an amendment to the System Agreement to enable the Board to enter into the Solid Waste Agreement and the Loan Agreement. Such amendment shall be in the form entered into in connection with the issuance of bonds by the County to finance improvements to the System, with such completion, omissions, insertions and changes that are in conformity with this resolution as the County Mayor and the County Clerk may approve, their execution to constitute conclusive evidence of their approval of such terms.
- Section 4. Officers Authorized. Rezoning Request

Applicant/Owners Ricky and Virginia Maiden are requesting that their property located at the northeast intersection of Old Russellville Pike and St. Clair Road be rezoned from its current designation of C-1 (Commercial) to A-1 (Agriculture).

The one-acre lot had previously been rezoned to C-1 (Commercial) in 2001, along with the lot to the north. Since that time, neither parcel has ever developed as commercial business. The lot to the north was rezoned back to the original zoning of A-1 in 2002 and is owned by New Life Baptist Church.

The Maiden's are wishing to build a house on the property, which requires residential zoning. As the surrounding properties are zoned A-1 and R-1 (Single Family Residential), rezoning to either district would be acceptable. As this area of the County has not developed into anything but residential housing, Staff would recommend this rezoning request be approved.

The Term Bonds to be redeemed within a single maturity shall be selected as follows:
 - (i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or

(ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such mandatory redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.

- Notice of any call for redemption shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant or Beneficial Owner will not affect the validity of such redemption. The Registration Agent shall mail said notices as and when directed by the County pursuant to written instructions from an authorized representative of the County (other than for a mandatory sinking fund redemption, notices of which shall be given on the dates provided herein) given at least forty-five (45) days prior to the redemption date (unless a shorter notice period shall be satisfactory to the Registration Agent). From and after the redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and if notice has been duly provided as set forth herein. In the case of a Conditional Redemption, the failure of the Municipality to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.
- (e) The Governing Body hereby authorizes and directs the County Mayor to appoint the Registration Agent for the Bonds and hereby authorizes the Registration Agent so appointed or the Registration Agent for the Bonds to maintain Bond registration records with respect to the Bonds, to

authenticate and deliver the Bonds as provided herein, either at original issuance or upon transfer, to effect transfers of the Bonds, to give all notices of redemption as required herein, to make all payments of principal and interest with respect to the Bonds as provided herein, to cancel and destroy Bonds which have been paid at maturity or upon earlier redemption or submitted for exchange or transfer, to furnish the County at least annually a certificate of destruction with respect to Bonds cancelled and destroyed, and to furnish the County at least annually an audit confirmation of Bonds paid, Bonds outstanding and payments made with respect to interest on the Bonds. The County Mayor is hereby authorized to execute and the County Clerk is hereby authorized to attest such written agreement between the County and the Registration Agent as they shall deem necessary and proper with respect to the obligations, duties and rights of the Registration Agent. The payment of all reasonable fees and expenses of the Registration Agent for the discharge of its duties and obligations hereunder or under any such agreement is hereby authorized and directed.

- The Bonds shall be payable, both principal and interest, in lawful money of the United States of America at the main office of the Registration Agent. The Registration Agent shall make all interest payments with respect to the Bonds by check or draft on each interest payment date directly to the registered owners as shown on the Bond registration records maintained by the Registration Agent as of the close of business on the fifteenth day of the month next preceding the interest payment date (the "Regular Record Date") by depositing said payment in the United States mail, postage prepaid, addressed to such owners at their addresses shown on said Bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the County in respect of such Bonds to the extent of the payments so made. Payment of principal of and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Registration Agent as the same shall become due and payable. All rates of interest specified herein shall be computed on the basis of a three hundred sixty (360) day year composed of twelve (12) months of thirty (30) days each. In the event the Bonds are no longer registered in the name of DTC, or a successor Depository, if requested by the Owner of at least \$1,000,000 in aggregate principal amount of the Bonds, payment of interest on such Bonds shall be paid by wire transfer to a bank within the continental United States or deposited to a designated account if such account is maintained with the Registration Agent and written notice of any such election and designated account is given to the Registration Agent prior to the record date.
- Any interest on any Bond that is payable but is not punctually paid or duly provided for on any interest payment date (hereinafter "Defaulted Interest") shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such Defaulted Interest shall be paid by the County to the persons in whose names the Bonds are registered at the close of business on a date (the "Special Record Date") for the payment of such Defaulted Interest, which shall be fixed in the following manner: the County shall notify the Registration Agent in writing of the amount of Defaulted Interest proposed to be paid on each Bond and the date of the proposed payment, and at the same time the County shall deposit with the Registration Agent an amount of money equal to the aggregate amount proposed to be paid in respect of such Defaulted Interest or shall make arrangements satisfactory to the Registration Agent for such deposit prior to the date of the proposed payment, such money when deposited to be held in trust for the benefit of the persons entitled to such Defaulted Interest as in this Section provided. Thereupon, not less than ten (10) days after the receipt by the Registration Agent of the notice of the proposed payment, the Registration Agent shall fix a Special Record Date for the payment of such Defaulted Interest which date shall be not more than fifteen (15) nor less than ten (10) days prior to the date of the proposed payment to the registered Owners. The Registration Agent shall promptly notify the County of such Special Record Date and, in the name and at the expense of the County, not less than ten (10) days prior to such Special Record Date, shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be mailed, first-class postage prepaid, to each registered owner at the address thereof as it appears in the Bond registration records maintained by the Registration Agent as of the date of such notice. Nothing contained in this Section or in the Bonds shall impair any statutory or

other rights in law or in equity of any registered owner arising as a result of the failure of the County to punctually pay or duly provide for the payment of principal of, premium, if any, and interest on the Bonds when due.

- The Bonds are transferable only by presentation to the Registration Agent by the registered (h) owner, or his legal representative duly authorized in writing, of the registered Bond(s) to be transferred with the form of assignment on the included therein completed in full and signed with the name of the registered owner as it appears upon the face of the Bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the Bond(s) in such form and with such documentation, if any, the Registration Agent shall issue a new Bond or the Bond to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after calling such Bond for redemption has been given, nor to transfer or exchange any Bond during the period following the receipt of instructions from the County to call such Bond for redemption; provided, the Registration Agent, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bond, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any Bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. The Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in any authorized denomination or denominations.
- (i) The Bonds shall be executed in such manner as may be prescribed by applicable law, in the name, and on behalf, of the County with the signature of the County Mayor and the attestation of the County Clerk.
- (j) Except as otherwise provided in this resolution, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are hereinafter referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE REGISTRATION AGENT SHALL TREAT CEDE & CO. AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR

DIRECTING THE REGISTRATION AGENT TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Registration Agent directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation relating to the Bonds from the County and the Registration Agent to DTC (the "Letter of Representation"). DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. The County and the Registration Agent shall not be responsible or liable for payment by DTC or DTC Participants for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds, or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, then the County shall discontinue the Book-Entry System with DTC or, upon request of such original purchaser, deliver the Bonds to the original purchaser in the form of fully-registered Bonds, as the case may be. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. If the purchaser(s) certifies that it intends to hold the Bonds for its own account, then the County may issue certificated Bonds without the utilization of DTC and the Book-Entry System.

THE COUNTY AND THE REGISTRATION AGENT SHALL NOT HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS; (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC OR ITS NOMINEE, CEDE & CO., AS OWNER.

- (k) The Registration Agent is hereby authorized to take such action as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC (or any of its designees identified to the Registration Agent) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the owners of the Bonds; provided, however, that the Registration Agent shall not be liable with respect to any such arrangements it may make pursuant to this Section.
- (l) The Registration Agent is hereby authorized to authenticate and deliver the Bonds to the original purchaser, upon receipt by the County of the proceeds of the sale thereof and to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the Bond(s) to be transferred in proper form with proper documentation as hereinabove described. The

Bonds shall not be valid for any purpose unless authenticated by the Registration Agent by the manual signature of an officer thereof on the certificate set forth herein on the Bond form.

- In case any Bond shall become mutilated, or be lost, stolen, or destroyed, the County, in its discretion, shall issue, and the Registration Agent, upon written direction from the County, shall authenticate and deliver, a new Bond of like tenor, amount, maturity and date, in exchange and substitution for, and upon the cancellation of, the mutilated Bond, or in lieu of and in substitution for such lost, stolen or destroyed Bond, or if any such Bond shall have matured or shall be able to mature, instead of issuing a substituted Bond the County may pay or authorize payment of such Bond without surrender thereof. In every case, the applicant shall furnish evidence satisfactory to the County and the Registration Agent of the destruction, theft or loss of such Bond, and indemnify satisfactory to the County and the Registration Agent; and the County may charge the applicant for the issue of such new Bond an amount sufficient to reimburse the County for the expense incurred by it in the issue thereof.
- Source of Payment. The Bonds shall be payable from unlimited ad valorem taxes to be Section 5. levied on all taxable property within the Municipality. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the Municipality are hereby irrevocably pledged. The Bonds shall also be payable from, but not secured by, payments, if any, made by the Hamblen County-Morristown Solid Waste Disposal Board with respect to any loans made by the Municipality to such Board with respect to the Projects.

Any such interest not so punctually paid or duly provided for on any interest payment date shall forthwith cease to be payable to the registered owner on the relevant Regular Record Date; and, in lieu thereof, such defaulted interest shall be payable to the person in whose name this Bond is registered at the close of business on the date (the "Special Record Date") for payment of such defaulted interest to be fixed by the Registration Agent, notice of which shall be given to the owners of the Bonds of the issue of which this Bond is one not less than ten (10) days prior to such Special Record Date. Payment of principal of and premium, if any, on this Bond shall be made when due upon presentation and surrender of this Bond to the Registration Agent.

Except as otherwise provided herein or in the Resolution, as hereinafter defined, this Bond shall be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"), which will act as securities depository for the Bonds of the series of which this Bond is one. One Bond for each maturity of the Bonds shall be issued to DTC and immobilized in its custody or a custodian of DTC. The Registration Agent is a custodian and agent for DTC, and the Bond will be immobilized in its custody. A book-entry system shall be employed, evidencing ownership of the Bonds in \$5,000 denominations, or multiples thereof, with transfers of beneficial ownership effected on the records of DTC and the DTC Participants, as defined in the Resolution, pursuant to rules and procedures established by DTC. So long as Cede & Co., as nominee for DTC, is the registered owner of the Bonds, the County and the Registration Agent shall treat Cede & Co. as the only owner of the Bonds for all purposes under the Resolution, including receipt of all principal and maturity amounts of, premium, if any, and interest on the Bonds, receipt of notices, voting and requesting or taking or not taking, or consenting to, certain actions hereunder. Payments of principal, maturity amounts, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid directly to DTC or its nominee, Cede & Co. Neither the County nor the Registration Agent shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants. In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) to the extent permitted by the rules of DTC, the County determines that the continuation of the book-entry system of evidence and transfer of ownership of the Bonds would adversely affect its interests or the interests of the Beneficial Owners of the Bonds, the County may discontinue the book-entry system with DTC. If the County fails to identify another qualified securities depository to replace DTC, the County shall cause the Registration Agent to authenticate and deliver replacement Bonds in the form of fully-registered Bonds to each Beneficial Owner. Neither the County nor the Registration Agent shall have any responsibility or obligations to DTC Participant or any Beneficial Owner with respect to (i) the Bonds; (ii) the accuracy or any records maintained by DTC or any DTC Participant; (iii) the payment by DTC or any DTC Participant of any amount due to any Beneficial Owner in respect of the principal or maturity amounts of and interest on the Bonds; (iv) the delivery or timeliness of delivery by DTC or any DTC Participant of any notice due to any Beneficial Owner that is required or permitted under the terms of the Resolution to be given to Beneficial Owners; (v) the selection of Beneficial Owners to receive payments in the event of any partial redemption of the Bonds; or (vi) any consent given or other action taken by DTC, or its nominee, Cede & Co., as owner.

Bonds of the issue of which this Bond is one maturing June 1, 2033 and thereafter shall be subject to redemption prior to maturity at the option of the County on June 1, 2032 and thereafter, as a whole or in part at any time at the redemption price of par plus accrued interest to the redemption date.

If less than all the Bonds shall be called for redemption, the maturities to be redeemed shall be designated by the Board of County Commissioners of the County, in its discretion. If less than all the principal amount of the Bonds of a maturity shall be called for redemption, the interests within the maturity to be redeemed shall be selected as follows:

- (i) if the Bonds are being held under a Book-Entry System by DTC, or a successor Depository, the amount of the interest of each DTC Participant in the Bonds to be redeemed shall be determined by DTC, or such successor Depository, by lot or such other manner as DTC, or such successor Depository, shall determine; or
- (ii) if the Bonds are not being held under a Book-Entry System by DTC, or a successor Depository, the Bonds within the maturity to be redeemed shall be selected by the Registration Agent by lot or such other random manner as the Registration Agent in its discretion shall determine.

Subject to the credit hereinafter provided, the County shall redeem Bonds maturing on the redemption dates set forth below opposite the maturity dates, in aggregate principal amounts equal to the respective dollar amounts set forth below opposite the respective redemption dates at a price of par plus accrued interest thereon to the date of redemption. DTC, as securities depository for the series of Bonds of which this Bond is one, or such Person as shall then be serving as the securities depository for the Bonds, shall determine the interest of each Participant in the Bonds to be redeemed using its procedures generally in use at that time. If DTC or another securities depository is no longer serving as securities depository for the Bonds, the Bonds to be redeemed within a maturity shall be selected by the Registration Agent in the same manner as is described above for optional redemption. The dates of redemption and principal amount of Bonds to be redeemed on said dates are as follows:

Final Maturity

Redemption Date

Principal Amount of Bonds Redeemed

*Final Maturity

At its option, to be exercised on or before the forty-fifth (45th) day next preceding any such redemption date, the County may (i) deliver to the Registration Agent for cancellation Bonds to be redeemed, in any aggregate principal amount desired, and/or (ii) receive a credit in respect of its redemption obligation under this mandatory redemption provision for any Bonds of the maturity to be redeemed which prior to said date have been purchased or redeemed (otherwise than through the operation of this mandatory sinking fund redemption provision) and cancelled by the Registration Agent and not theretofore applied as a credit against any redemption obligation under this mandatory sinking fund provision. Each Bond so delivered or previously purchased or redeemed shall be credited by the Registration Agent at 100% of the principal amount thereof on the obligation of the County on such payment date and any excess shall be credited on future redemption obligations in chronological order, and the principal amount of Bonds to be redeemed by operation of this mandatory sinking fund provision shall be accordingly reduced. The County shall on or before the forty-fifth (45th) day next preceding each payment date furnish the Registration Agent with its certificate indicating whether or not and to what extent the provisions of clauses (i) and (ii) of this

subsection are to be availed of with respect to such payment and confirm that funds for the balance of the next succeeding prescribed payment will be paid on or before the next succeeding payment date.]

Notice of any call for redemption shall be given by the Registration Agent on behalf of the County not less than twenty (20) nor more than sixty (60) days prior to the date fixed for redemption by sending an appropriate notice to the registered owners of the Bonds to be redeemed by first-class mail, postage prepaid, at the addresses shown on the Bond registration records of the Registration Agent as of the date of the notice; but neither failure to mail such notice nor any defect in any such notice so mailed shall affect the sufficiency of the proceedings for the redemption of any of the Bonds for which proper notice was given. The notice may state that it is conditioned upon the deposit of moneys in an amount equal to the amount necessary to effect the redemption with the Registration Agent no later than the redemption date ("Conditional Redemption"). As long as DTC, or a successor Depository, is the registered owner of the Bonds, all redemption notices shall be mailed by the Registration Agent to DTC, or such successor Depository, as the registered owner of the Bonds, as and when above provided, and neither the County nor the Registration Agent shall be responsible for mailing notices of redemption to DTC Participants or Beneficial Owners. Failure of DTC, or any successor Depository, to provide notice to any DTC Participant will not affect the validity of such redemption. From and after any redemption date, all Bonds called for redemption shall cease to bear interest if funds are available at the office of the Registration Agent for the payment thereof and it notice has been duly provided as set forth in the Resolution, as hereafter defined. In the case of a Conditional Redemption, the failure of the Municipality to make funds available in part or in whole on or before the redemption date shall not constitute an event of default, and the Registration Agent shall give immediate notice to the Depository, if applicable, or the affected Bondholders that the redemption did not occur and that the Bonds called for redemption and not so paid remain outstanding.

This Bond is transferable by the registered owner hereof in person or by such owner's attorney duly authorized in writing at the designated trust office of the Registration Agent set forth on the front side hereof, but only in the manner, subject to limitations and upon payment of the charges provided in the Resolution, as hereafter defined, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denominations of the same maturity and interest rate for the same aggregate principal amount will be issued to the transferee in exchange therefor. The person in whose name this Bond is registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the County nor the Registration Agent shall be affected by any notice to the contrary whether or not any payments due on the Bond shall be overdue. Bonds, upon surrender to the Registration Agent, may, at the option of the registered owner thereof, be exchanged for an equal aggregate principal amount of the Bonds of the same maturity in authorized denomination or denominations, upon the terms set forth in the Resolution. The Registration Agent shall not be required to transfer or exchange any Bond during the period commencing on a Regular Record Date or Special Record Date and ending on the corresponding interest payment date of such Bond, nor to transfer or exchange any Bond after the notice calling such Bond for redemption has been made, nor during a period following the receipt of instructions from the County to call such Bond for redemption.

This Bond is one of a total authorized issue aggregating \$_____ and issued by the County for the purpose of financing, in whole or in part, (i) the acquisition, construction, improvement, expansion and/or equipping of a garbage collection and disposal facility, including equipment therefor (the "Projects"); (ii) payment of architectural, engineering, legal, fiscal and administrative costs incident to the Projects; (iii) reimbursement to the Municipality for funds previously expended for any of the foregoing; (iv) payment of capitalized interest during construction of the Project and for up to six months thereafter; and (v) payment of costs incident to the issuance and sale of the bonds authorized herein, pursuant to 9-21-101, et seq., Tennessee Code Annotated, as amended, and pursuant to a resolution adopted by the Board of County Commissioners of the County on October 20, 2022 (the "Resolution").

The Bonds shall be payable from unlimited ad valorem taxes to be levied on all taxable property within the County. For the prompt payment of the principal of, premium, if any, and interest on the Bonds, the full faith and credit of the County are hereby irrevocably pledged. The Bonds shall also be payable from, but not secured by, payments, if any, made by the Hamblen County-Morristown Solid Waste Disposal Board with respect to any loans made by the Municipality to such Board with respect to the Projects.

This Bond and the income therefrom are exempt from all present state, county and municipal taxes in Tennessee except (a) Tennessee excise taxes on interest on the Bond during the period the Bond is held or beneficially owned by any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee, and (b) Tennessee franchise taxes by reason of the inclusion of the book value of the Bond in Tennessee franchise tax base of any organization or entity, other than a sole proprietorship or general partnership, doing business in the State of Tennessee.

It is hereby certified, recited, and declared that all acts, conditions and things required to exist, happen and be performed precedent to the issuance of this Bond exist, have happened and have been performed in due time, form and manner as required by law, and that the amount of this Bond, together with all other indebtedness of the County, does not exceed any limitation prescribed by the constitution and statutes of the State of Tennessee.

The County, through its Governing Body, shall annually levy and collect a tax upon all taxable property within the County, in addition to all other taxes authorized by law, sufficient to pay principal of, premium, if any, and interest on the Bonds when due, and for that purpose there is hereby levied a direct annual tax in such amount as may be found necessary each year to pay principal and interest coming due on the Bonds in said year.  - (c) The County Mayor is further authorized with respect to each series of Bonds to:

- (1) change the dated date of the Bonds, or any series thereof, to a date other than the date of issuance of the Bonds;
- (2) change the designation of the Bonds, or any series thereof, to a designation other than "General Obligation Bonds" and to specify the series designation of the Bonds, or any series thereof:
- (3) change the first interest payment date on the Bonds, or any series thereof, to a date other than June 1, 2023, provided that such date is not later than twelve months from the dated date of such series of Bonds;
- (4) establish and adjust the principal and interest payment dates and the maturity amounts of the Bonds, or any series thereof, provided that (A) the total principal amount of all series of the Bonds does not exceed the total amount of Bonds authorized herein; and (B) the debt service on the Bonds shall not result in balloon indebtedness that requires the approval of the Director of the Division of Local Government Finance.
- (5) adjust or remove the County's optional redemption provisions of the Bonds, provided that the premium amount to be paid on Bonds or any series thereof does not exceed two percent (2%) of the principal amount thereof;
- (6) sell the Bonds, or any series thereof, or any maturities thereof as Term Bonds with mandatory redemption requirements corresponding to the maturities set forth herein or as otherwise determined by the County Mayor, as he shall deem most advantageous to the County; and
- (7) cause all or a portion of the Bonds to be insured by a bond insurance policy issued by a nationally recognized bond insurance company if such insurance is requested and paid for by the winning bidder of the Bonds, or any series thereof.

The form of the Bond set forth in Section 6 hereof shall be conformed to reflect any changes made pursuant to this Section 8 hereof.

- (d) The County Mayor is authorized to sell the Bonds, or any series thereof, simultaneously with any other bonds or notes authorized by resolution or resolutions of the Governing Body. The County Mayor is further authorized to sell the Bonds, or any series thereof, as a single issue of bonds with any other bonds with substantially similar terms authorized by resolution or resolutions of the Governing Body, in one or more series as the County Mayor shall deem to be advantageous to the County and in doing so, the County Mayor is authorized to change the designation of the Bonds to a designation other than "General Obligation Bonds"; provided, however, that the total aggregate principal amount of combined bonds to be sold does not exceed the total aggregate principal amount of Bonds authorized by this resolution or bonds authorized by any other resolution or resolutions adopted by the Governing Body.
- (e) The County Mayor is authorized to award the Bonds, or any series thereof, in each case to the bidder whose bid results in the lowest true interest cost to the County, provided the rate or rates on the Bonds does not exceed the maximum rate prescribed by Section 4 hereof. The award of the Bonds by the County Mayor to the lowest bidder shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required.
- (f) The County Mayor and County Clerk are authorized to cause the Bonds, in book-entry form (except as otherwise permitted herein), to be authenticated and delivered by the Registration Agent to the successful bidder and to execute, publish, and deliver all certificates and documents, including an official statement and closing certificates, as they shall deem necessary in connection with the sale and

delivery of the Bonds. The Mayor is hereby authorized to enter into a contract with the Municipal Advisor, for Municipal Advisory services in connection with the sale of the Bonds and to enter into an engagement letter with Bass, Berry & Sims PLC to serve as bond counsel in connection with the Bonds, and all actions heretofore taken by the officers of the County in that regard are hereby ratified and approved.

- (g) No Bonds shall be issued until publication of the Initial Resolution in a newspaper of general circulation in the County and the passage of twenty (20) days from the date of publication thereof, and in no event shall the Bonds be issued if a legally sufficient petition, as defined by Section 9-21-207, Tennessee Code Annotated, is filed within such 20-day period.
- Section 9. <u>Disposition of Bond Proceeds</u>. The proceeds of the sale of the Bonds shall be disbursed as follows:
- (a) all accrued interest, if any, shall be deposited to the appropriate fund of the County to be used to pay interest on the Bonds on the first interest payment date following delivery of the Bonds; and
- the remainder of the proceeds of the sale of the Bonds shall be deposited with a financial (b) institution regulated by the Federal Deposit Insurance Corporation or similar federal agency in a special fund known as the 2023 Project Fund (the "Project Fund"), or such other designation as shall be determined by the County Mayor to be kept separate and apart from all other funds of the County. The County shall disburse funds in the Project Fund to pay costs of issuance of the Bonds, including necessary legal, accounting and fiscal expenses, printing, engraving, advertising and similar expenses, administrative and clerical costs, Registration Agent fees, bond insurance premiums, if any, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Bonds. Notwithstanding the foregoing, costs of issuance of the Bonds may be withheld from the good faith deposit or purchase price of the Bonds and paid to the Municipal Advisor to be used to pay costs of issuance of the Bonds. The remaining funds in the Project Fund shall be disbursed solely to pay the costs of the Projects and to reimburse the County for any funds previously expended for costs of the Projects. Money in the Project Fund shall be secured in the manner prescribed by applicable statutes relative to the securing of public or trust funds, if any, or, in the absence of such a statute, by a pledge of readily marketable securities having at all times a market value of not less than the amount in said Project Fund. Money in the Project Fund shall be invested at the direction of the County Mayor in such investments as shall be permitted by applicable law to the extent permitted by applicable law.
- Section 10. Official Statement. The officers of the County, or any of them, are hereby authorized and directed to provide for the preparation and distribution of a Preliminary Official Statement describing the Bonds. After bids have been received and the Bonds have been awarded, the officers of the County, or any of them, shall make such completions, omissions, insertions and changes in the Preliminary Official Statement not inconsistent with this resolution as are necessary or desirable to complete it as a final Official Statement for purposes of Rule 15c2-12(e)(3) of the Securities and Exchange Commission. The officers of the County, or any of them, shall arrange for the delivery to the successful bidder on the Bonds of a reasonable number of copies of the Official Statement within seven business days after the Bonds have been awarded for delivery, by the successful bidder on the Bonds, to each potential investor requesting a copy of the Official Statement and to each person to whom such bidder and members of his bidding group initially sell the Bonds.

The County Mayor and the County Clerk, or either of them, are authorized, on behalf of the County, to deem the Preliminary Official Statement and the Official Statement in final form, each to be final as of its date within the meaning of Rule 15c2-12(b)(1), except for the omission in the Preliminary Official Statement of certain pricing and other information allowed to be omitted pursuant to such Rule 15c2-12(b)(1). The distribution of the Preliminary Official Statement and the Official Statement in final form

shall be conclusive evidence that each has been deemed in final form as of its date by the County except for the omission in the Preliminary Official Statement of such pricing and other information.

Notwithstanding the foregoing, no Official Statement is required to be prepared if the Bonds, or any series thereof, are purchased by a purchaser that certifies that such purchaser intends to hold the Bonds, or any series thereof, for its own account and has no present intention to reoffer the Bonds, or any series thereof.

- Section 11. Discharge and Satisfaction of Bonds. If the County shall pay and discharge the indebtedness evidenced by any series of the Bonds in any one or more of the following ways:
- (a) By paying or causing to be paid, by deposit of sufficient funds as and when required with the Registration Agent, the principal of and interest on such Bonds as and when the same become due and payable;
- (b) By depositing or causing to be deposited with any trust company or financial institution whose deposits are insured by the Federal Deposit Insurance Corporation or similar federal agency and which has trust powers (an "Agent"; which Agent may be the Registration Agent) in trust or escrow, on or before the date of maturity or redemption, sufficient money or Defeasance Obligations, as hereafter defined, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay or redeem such Bonds and to pay interest thereon when due until the maturity or redemption date (provided, if such Bonds are to be redeemed prior to maturity thereof, proper notice of such redemption shall have been given or adequate provision shall have been made for the giving of such notice); or
 - (c) By delivering such Bonds to the Registration Agent for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Bonds, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Escrow Agent to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Bonds when due, then and in that case the indebtedness evidenced by such Bonds shall be discharged and satisfied and all covenants, agreements and obligations of the County to the holders of such Bonds shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by any of the Bonds in the manner provided in either clause (a) or clause (b) above, then the registered owners thereof shall thereafter be entitled only to payment out of the money or Defeasance Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Defeasance Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and interest on said Bonds; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Bonds on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Defeasance Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or obligations of any agency or

instrumentality of the United States, which obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

Section 12. Federal Tax Matters Related to the Bonds.

- (a) The County intends that the Bonds are expected to be issued as federally tax-exempt bonds under the Code. If so issued, the County hereby covenants that it will not use, or permit the use of any proceeds of the Bonds in a manner that would cause the Bonds to be subjected to treatment under Section 148 of the Code, and applicable regulations thereunder, as an "arbitrage bond". To that end, the County shall comply with applicable regulations adopted under said Section 148. The County further covenants with the registered owners from time to time of the Bonds that it will, throughout the term of the Bonds and through the date that the final rebate, if any, must be made to the United States in accordance with Section 148 of the Code, comply with the provisions of Sections 103 and 141 through 150 of the Code and all regulations proposed and promulgated thereunder that must be satisfied in order that interest on the Bonds shall be and continue to be excluded from gross income for federal income tax purposes under Section 103 of the Code.
- (b) The Governing Body hereby delegates to the Mayor the authority to designate, and determine whether to designate, the Bonds as "qualified tax exempt obligations," as defined in Section 265 of the Code, the extent the Bonds are not deemed designated as such and may be designated as such.
- (c) The appropriate officers of the County are authorized and directed, on behalf of the County, to execute and deliver all such certificates and documents that may be required of the County in order to comply with the provisions of this Section related to the issuance of the Bonds and to administer the County's Federal Tax Compliance Policies and Procedures with respect to the Bonds.
- Section 13. Continuing Disclosure. The County hereby covenants and agrees that it will provide annual financial information and material event notices if and as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The County Mayor is authorized to execute at the Closing of the sale of the Bonds an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the County to comply with the undertaking herein described and to be detailed in said closing agreement shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the County to comply with their undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.
- <u>Section 14.</u> <u>Reasonably Expected Economic Life.</u> The "reasonably expected economic life" of the Project within the meaning of Sections 9-21-101, <u>et seq.</u>, Tennessee Code Annotated, is greater than the term of the Bonds authorized herein.
- Section 15. Resolution a Contract. The provisions of this resolution shall constitute a contract between the County and the registered owners of the Bonds, and after the issuance of the Bonds, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Bonds and interest due thereon shall have been paid in full.
- <u>Section 16.</u> <u>Separability</u>. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

<u>Section 17.</u> <u>Repeal of Conflicting Resolutions and Effective Date.</u> All other resolutions and orders, or parts thereof in conflict with the provisions of this resolution, are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

This Resolution shall be in immediate effect from and after its adoption, the public welfare requiring it.

The Election Commissioners appreciates your consideration to this request and awaits your decision.

Re:

Purchase of New Voting Machines

During its 2022 session, the Tennessee General Assembly appropriated money for 61 counties to purchase new voting machines capable of producing a voter verifiable paper trail. Hamblen County is one of the counties that will receive funding from the State Election Commission that does not require a local match.

Election administrator Jeff Gardner wants to use the new machines for the May 2023 Morristown City elections. Therefore, the County Election Commission is requesting that the Finance Department proceed with the bidding process for 80 machines.

Once the bids are received, the County Election Commission will recommend to the County Commission the machine it wants to purchase. Under the terms of the state's voting system grant, the County will have to pay for the machines and request reimbursement from the State.

I recommend that the County Commission authorize the Finance Department to conduct the bidding process.

Re:

SIP Service for New Phone System

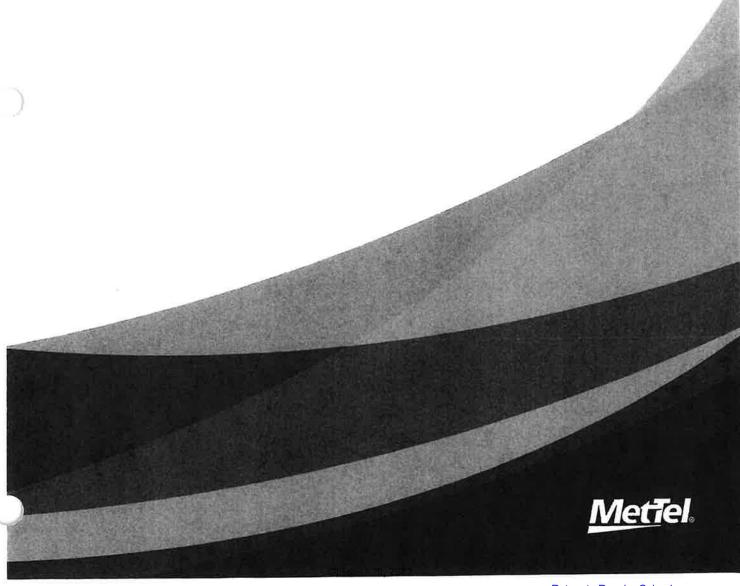

The installation of the new phone system is in its final stages. Our consultant, Telecom Audit Group, has recommended a provider for SIP services which ensures that the Voice Over IP phone system works properly.

The services proposed will include:

- 600 Mb broadband internet connection through Spectrum that will serve as the primary internet service for the telephone system and as a backup for our primary internet service with FiberNet
- SD-WAN service will allow FiberNet to serve as a backup internet service for phone system in the event of a Spectrum outage
- SD-WAN device that will constantly analyze our internet traffic and determine the best path for the data and voice packets to travel
- Monitoring of our internet connections and notification of any problems
- 10,000 minutes of long-distance service which is more than departments use during most months

8. TERMINATION.

- 8.1. Default. A party shall be deemed in default of this Agreement (a "Default") upon the occurrence of any one or more of the following
- (a) except with respect to payment defaults, such party materially fails to perform its material obligations under this Agreement and such nonperformance is not remedied within thirty (30) days after receipt of written notice thereof, provided that if the breach is of such a nature that it cannot be cured within thirty (30) days, then such party shall not be in Default so long as it commences to cure within such period of time and thereafter diligently and continuously pursues such cure to completion; or
- (b) such party fails to make any payment under this Agreement when due and such failure is not remedied within ten (10) days after receipt of written notice thereof.

Upon the occurrence of a Default and subject to the applicable notice and cure periods and Section 8.2 below, the aggrieved party may terminate the applicable Services affected by such uncured Default, suspend the applicable Service, or terminate this Agreement as to such Services. Notwithstanding the foregoing, Customer understands and agrees that Customer cannot terminate Customer's payment obligations with respect to Software or Equipment in a Schedule, which obligations are more specifically addressed in Section 17 relating to Software and Section 18 relating to Equipment prior to the end of the applicable Initial Term for any reason. The foregoing shall be in addition to any other rights and remedies that MetTel may have under this Agreement or at law, in equity or otherwise.

8.2. Effect of Termination. If Customer discontinues any Service before the expiration of the applicable Initial Term or applicable Additional Term, or if MetTel terminates this Agreement or any Service for Customer's Default, Customer will be liable to MetTel for termination charges equal to the monthly recurring charges for the applicable discontinued Services, multiplied by the number of months remaining in the Term, plus any charges MetTel incurs from third parties because of Customer's early termination of the applicable Services and for any charges that may have been waived. Customer must give MetTel prior written notice of any Service termination, and, in addition to the amounts set forth above, will be responsible for all charges for such Service up to the date such Service is disconnected, as well as any charges in connection with the termination. Additionally, if MetTel terminates this Agreement for Customer's Default and/or Customer discontinues any Service before the expiration of the applicable Initial Term or applicable Additional Term without contracting for a replacement Service where any Licensed Software and/or Rented Equipment, as applicable, utilized in connection with the discontinued Service will be redeployed, in addition to the amounts set forth above, Customer will pay MetTel an amount equal to (a) any Monthly Licensed Software Charges (as established by Section 17 below), multiplied by the number of months remaining in the applicable Term, discounted at 3% per annum, related to any Licensed Software utilized in connection with the discontinued Service, plus (b) any Monthly Equipment Rental Charges (as established by Section 18 below), multiplied by the number of months remaining in the applicable Term, discounted at 3% per annum, relating to any Rented Equipment utilized in connection with the discontinued Service, plus (c) any applicable taxes, and Customer will be required to return any Rented Equipment and any other equipment supplied by MetTel in connection with the discontinued Service to the location designated by MetTel (at Customer's expense) in good working condition and free from all liens, charges and encumbrances within 10 days after termination of the Service for which it was used or of this Agreement, or Customer will pay MetTel's purchase price for the equipment as invoiced by MetTel.

9. INTERNET & IP VOICE SERVICES DISCLOSURE.

- 9.1. 911Disclosure. The Federal Communications Commission ("FCC") requires MetTel to obtain Customer's acknowledgement that it has received the following disclosures regarding possible circumstances that COULD IMPAIR YOUR ABILITY TO ACCESS E911 SERVICE: (1) if you utilize equipment that relies on electricity, you will lose E911 service (and service generally) if such devices lose access to electricity such as in a power failure. To reduce the risk of disruption, Customer should deploy a back-up power supply to operate phones and related equipment; (2) if you move your location you must notify us at least 30 days in advance so that we may program the correct information into the E911 system. Otherwise, the E911 system will not contain your correct information; (3) you may be unable to complete calls to 911 or otherwise in the event of network failures or congestion; (4) if you obtain telephone numbers that are not associated with your calling area, you may not be able to reach E911 services; (5) you must notify MetTel of any change in your designated key personnel for E911 notifications, otherwise notifications that an end-user has placed a 911 call will not be deliverable. By executing this Agreement, Customer acknowledges that it understands and accepts the above limitations, and that it will convey these limitations to all persons who may have occasion to use the Services. - 9.3. Alarm Systems and Internet Voice Application Disclosure. Please view additional important disclosures at our Policies URL concerning interoperability of VoIP and POTS replacement products with alarms systems and other legacy equipment.
- 10. NOTICES. Notices under this Agreement shall be sent to MetTel, Contract Department, 55 Water Street, 32nd Floor, New York, New York 10041, and to Customer at the above address. With reasonable prior notice, Customer may assign this Agreement to any entity that is the successor to substantially all of its assets or business, subject to MetTel's acceptance of the assignee and execution and delivery of MetTel standard assignment forms. All other attempted assignments shall be void without MetTel's prior written consent. This Agreement shall be governed by the laws of New York, without regard to its choice of law principles, and the venue for any legal action or litigation involving this Agreement and all proceedings held in such action or litigation will be exclusively the courts of the State of New York, or the federal courts of the United States of America, in each case located within New York County. Each party agrees that any cause of action or claim will be resolved individually and Customer agrees that it will not consolidate or seek class treatment for any claims, unless previously agreed to in writing by both parties. If any part of this Agreement is rendered invalid or unenforceable, the rest of the Agreement will remain valid and enforceable. Provisions of this Agreement that by their terms or nature must survive expiration or termination of this Agreement, will survive expiration or termination of this Agreement, including, but not limited to Sections 3, 5, 7, 8, 11 - 18 and 20 - 22. Failure to insist on strict performance of any of the terms and conditions of this Agreement will not operate as a waiver thereof or of any subsequent default or failure of performance, and no waiver by either party of any breach shall be construed as a waiver of any subsequent breach or as a waiver of the provision itself or any other provision. Purchase orders or other non-MetTel ordering documents relating to Products issued by Customer containing different or additional terms will be construed solely as evidence of Customer's internal business processes and will have no effect on this Agreement or any Products except to the extent evidencing acceptance of a Schedule. If objection is not received by MetTel within three months after an invoice is rendered, the items and charges appearing thereon shall be determined to be correct and binding upon Customer. Customer authorizes MetTel to monitor and record calls to or from MetTel concerning the Services for MetTel's training and quality control purposes.
- 12. TARIFFS, SERVICE PUBLICATIONS, ENTIRE AGREEMENT. This Agreement consists of: (i) the terms in the body of this Master Service Agreement ("MSA"), (ii) any attachments incorporated herein by reference (iii) any attachments and Schedules later added to this agreement ((iii) and (iii), collectively, "Attachments") (iv) MetTel product guides, price lists and product use terms (collectively, "Service Publications") and (v) any applicable tariffs ((i) (v) collectively, the "Agreement"). This Agreement constitutes the entire agreement between the parties with respect to the subject matter hereof and supersedes all other representations, understandings or agreements that are not expressed herein, whether oral or written. Except as otherwise set forth herein, no amendment, waiver or modification of this Agreement shall be valid unless in writing and signed by both parties. Handwritten changes to this Agreement (including without limitation any Attachment) are not valid. This Agreement may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Agreement and all of which, when taken together, will be deemed to constitute one and the same agreement.
- 13. USE OF PRODUCTS. Products purchased under this contract cannot be resold. Customer agrees that it is responsible and accepts full liability for all use of the Products, with or without its permission, and will not resell the Products purchased under this Agreement or distribute/ transfer the Products purchased under this Agreement to any person or entity other than its employees. The Products may not be used for any unlawful, abusive, or fraudulent purpose, in violation of the then-current acceptable use policy ("AUP") located at the Policies URL or another designated url, to support illegal robocalling activity, or in any way that violates or infringes upon the rights of others. Customer agrees to promptly reply, and assist MetTel to reply, to a request from law enforcement or a traceback administrator authorized by USTelecom's Traceback Group for information about suspicious robocalls that have been sent to a downstream provider. Customer shall defend, indemnify and hold harmless MetTel and its affiliates and suppliers and their respective officers, directors, agents, affiliates, and employees from and against any claims, liabilities, losses, costs, or damages, (including legal fees and costs) arising out of any user's use or attempted use of Products. Broadband speed claim(s) represent maximum downstream and/or upstream speed capabilities which may vary and are not guaranteed. Factors including line quality and Customer's distance from the exchange may limit available bandwidth.
- 14. WARRANTIES. CUSTOMER AGREES THAT THE SERVICES ARE PROVIDED ON AN "AS IS" OR "AS AVAILABLE" BASIS, WITH ALL FAULTS, AND THAT METTEL DOES NOT WARRANT THAT THE SERVICES WILL BE WITHOUT FAILURE, DELAY, INTERRUPTION, ERROR, DEGRADATION OF QUALITY OR LOSS OF CONTENT, DATA OR INFORMATION, AND SPECIFICALLY DISCLAIMS ANY AND ALL EXPRESS OR IMPLIED WARRANTIES AS TO ANY SERVICES, EQUIPMENT AND HARDWARE, INCLUDING WITHOUT LIMITATION ANY IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE OR NONINFRINGEMENT OF THIRD PARTY RIGHTS. METTEL IS NOT THE MANUFACTURER OF ANY EQUIPMENT. WITH RESPECT TO METTEL, CUSTOMER PURCHASES OR RENTS THE EQUIPMENT, AS APPLICABLE, "AS IS." EQUIPMENT SHALL BE SUBJECT TO THE WARRANTIES, IF ANY, PROVIDED TO CUSTOMER BY THE EQUIPMENT MANUFACTURER. MODIFICATIONS MAY VOID OR OTHERWISE LIMIT ANY WARRANTY APPLICABLE TO THE EQUIPMENT.
- 15. UNAUTHORIZED USAGE. It is understood that MetTel is under no obligation to investigate the authenticity of calls charged to Customer's account and shall not be liable for any fraudulent or unauthorized calls processed by MetTel and billed to Customer's account.

Notwithstanding, in the event MetTel discovers or reasonably suspects fraudulent calls are being made, or that the Services are being used in connection with (i) illegal, fraudulent or abusive activity, (ii) activity that places MetTel's (or its providers') network at risk or could subject MetTel (or its providers) to liability to a third party or (iii) in a manner that violates this Agreement, the AUP or infringes the rights of a third party (including without limitation, to support illegal robocalling activity), nothing contained herein shall prohibit MetTel from taking immediate action, without notice to Customer, that is reasonably necessary to prevent such calls or transmissions from taking place, but is under no obligation to do so.

- 16. HOSTED PRODUCTS. This section applies solely to MetTel-hosted Services, including hosted PBX. MetTel will provide Customer with password-protected access to its hosted Service(s). Passwords are selected by Customer or its end-users, and Customer shall be solely and exclusively responsible for protecting all account passwords and the use and control of access to Customer's account.
- 17. LICENSED SOFTWARE. This section applies to all SD-WAN services and any other Products listed on a Schedule designated as "Licensed Software" on such Schedule. By Customer's acceptance of the terms of such Schedule, Customer thereby agrees to pay MetTel the monthly amounts set forth on the Schedule relating to the Licensed Software, plus applicable taxes (the "Monthly Licensed Software Charges") for the Initial Term of the applicable Licensed Software. The Initial Term for Licensed Software will commence on the earlier of (i) the date of activation of the Licensed Software, or (ii) ninety (90) days after the date of shipment of the Equipment associated with the Licensed Software (if any). Customer understands and agrees that Customer is unconditionally obligated to pay all Monthly Licensed Software Charges for the applicable Initial Term, and is not entitled to reduce or set-off against any amounts owed relating to the Licensed Software for any reason. Licensed Software cannot be discontinued before the expiration of the applicable Initial Term for any reason. At the conclusion of the Initial Term, Licensed Software and Customer's obligation to pay Monthly Licensed Software Charges relating thereto will automatically terminate without further action required by either party, unless MetTel in its sole discretion allows a limited month to month extension, subject to authorization from the underlying provider. Customer understands that MetTel may assign Customer's payment obligations relating to any Licensed Software to a third-party for financing purposes and that, if assigned, the assignee will have all of MetTel's rights to receive the Monthly Licensed Software Charges, but will not be subject to any claim, defense, or set-off assertable against MetTel or anyone else.
- 18. RENTED EQUIPMENT. This section applies to any Equipment listed on a Schedule designated as "Rented Equipment" on such Schedule and all Equipment provided under a Schedule for a monthly fee. By Customer's acceptance of the terms of the Schedule, Customer thereby agrees to rent the Rented Equipment and pay MetTel the monthly amounts set forth on the Schedule relating to the rental of the Rented Equipment, plus applicable taxes (the "Monthly Equipment Rental Charges") for the Initial Term designated on the Schedule for the applicable Rented Equipment. The Initial Term for any Rented Equipment will commence on the date the applicable Rented Equipment is delivered to Customer or any later date designated by MetTel. Customer understands and agrees that Customer is unconditionally obligated to pay all Monthly Equipment Rental Charges for the Initial Term, and is not entitled to reduce or set-off against any amounts owed relating to the rental of the Rented Equipment for any reason. Customer's obligations with respect to Rented Equipment cannot be discontinued before the expiration of the applicable Initial Term for any reason. Customer agrees to keep the Rented Equipment in good working order, use it for business purposes only, not modify or move it from its initial location without MetTel's consent and to keep the Rented Equipment fully insured against loss at its replacement cost, with MetTel named as loss payee, and to provide proof of such insurance satisfactory to MetTel upon MetTel's request. Customer will be responsible for any damage to or loss of the Rented Equipment, and understands that no such loss or damage to the Rented Equipment will relieve Customer from its obligation to make all Monthly Equipment Rental Charges for the entire Initial Term. MetTel owns the Rented Equipment. Customer agrees to pay when due, either directly or by reimbursing MetTel, for all taxes and fees relating to the Rented Equipment (including, but not limited to, sales or use tax due upfront which will be payable over the Initial Term with a finance charge). Customer's obligations with respect to the Rented Equipment (including, but not limited to, Customer's obligation to pay Monthly Equipment Rental Charges) shall continue on a month to month basis after the end of the Initial Term, or any subsequent Additional Term, unless Customer (A) provides MetTel at least thirty (30) days prior written notice that Customer has determined to return the Rented Equipment at the end of the applicable Initial Term or Additional Term and (B) Customer timely returns the Equipment to the location designated by MetTel, at Customer's expense. If the returned Rented Equipment is not immediately available for use by another customer without need of repair, Customer will reimburse MetTel for all repair costs. Customer understands that MetTel may assign the Rented Equipment and Customer's payment obligations relating to the Rented Equipment to a third-party for financing purposes and that, if assigned, the assignee will have all of MetTel's rights with respect to the Rented Equipment and Customer's payment obligations relating to the Rented Equipment, but will not be subject to any claim, defense, or set-off assertable against MetTel or anyone else. All Schedules, orders or attachments that include equipment are subject to review and approval by MetTel credit, and may require a deposit. Equipment prices do not include shipping charges, which will be the responsibility of Customer. Risk of loss or damage to any Equipment (including portions thereof) and Software purchased outright passes to Customer on delivery to the freight carrier. Notwithstanding the foregoing, if MetTel and Customer enter into a separate rental or finance agreement relating to any equipment provided by MetTel (an "Equipment Use Agreement"), Customer's obligations with respect to such equipment (payment or otherwise) shall be solely governed by the Equipment Use Agreement, and any modification or termination of this Agreement or the Services shall not operate to modify or relieve Customer from any of Customer's obligations under the Equipment Use Agreement. An Equipment Use Agreement may be required for orders with significant Rented Equipment. Amounts owed MetTel under any Equipment Use Agreement are not included in the charges for the Services, Software or Equipment under this Agreement, though such amounts may be invoiced along with the charges owed by Customer to MetTel under this Agreement for Customers convenience.
- 19. INSTALLATIONS. Installation means Service delivery to the demarcation point (the MetTel designated physical interface between the MetTel Service and Customer's telecommunications equipment) which is generally at the MPOE (minimum point of entry). Service, wiring (including extensions of the demarcation point) and equipment for use on Customer's side of the demarcation point are the responsibility of Customer and may be provided by MetTel at an additional cost. Installation does not include buildout or the construction of facilities (if applicable). Cloud-based Services like cloud firewall or SIP call paths are installed and active when the service has been enabled for use in the cloud.

20. METTEL SOFTWARE.

- (A) Use. The following terms apply to any software application embedded in CDS Products and any software application provided to Customer for use with the Service for which there is not a specified monthly payment provided for in a Schedule including, without limitation, the Bruin portal at app.Bruin.com (including any successor, "Portal"), in each case, provided by or on behalf of MetTel Software"). Subject to compliance with this Agreement, and except where a separate license is provided, MetTel hereby grants to Customer a non-exclusive, non-transferable, non-sublicensable, revocable license to use such MetTel Software in object code form only and solely by Customer for Customer's internal business purposes in connection with the Services during the Term. MetTel Software will be deemed a Service under this Agreement but not subject to a Term unless otherwise identified and provided as a separate Service under a Schedule to this Agreement or embedded in another Product. Customer may not and may not permit others to (i) provide, disclose or make MetTel Software available to any third party, or (ii) copy, decompile, reverse engineer, disassemble, modify, rent, lease, loan, distribute, or create derivative works (as defined by the U.S. Copyright Act) or improvements (as defined by U.S. patent law) from, the MetTel Software or any portion thereof, or otherwise attempt to discover the source code or underlying ideas, algorithms, structure or organization of, or reproduce the design of, the MetTel Software or components thereof. Customer agrees that MetTel Software contains proprietary content, design, information and material that is protected by applicable intellectual property and other laws, including but not limited to copyright, and will not use or permit use of such proprietary content, information or materials in any way whatsoever except for permitted use of the MetTel Software provided under this Section. Except for limited rights to use MetTel Software, no license under patents, copyrights, trademarks, service marks, trade names or other indicia of origins or other right is granted to Customer in the MetTel Software or in MetTel's trademark, copyright, patent, trade secret or other proprietary rights nor shall any such rights be implied or arise by estoppel with respect to any transactions contemplated under this Agreement.
- (B) Feedback. Customer or its employees may communicate to MetTel suggested modifications, design changes, or improvements to the MetTel Software ("Feedback"). Customer agrees that MetTel will have any and all rights and interests in any Feedback without the payment of any consideration, and that any Feedback will be considered Confidential Information.
- 21. CUSTOMER PROPRIETARY NETWORK INFORMATION ("CPNI"). Pursuant to federal law, CPNI is (A) information that relates to the quantity, technical configuration, type, destination, location, and amount of use of a telecommunications service subscribed to by Customer, and that is made available to MetTel by Customer solely by virtue of the carrier-customer relationship; and (B) information contained in the bills pertaining to telephone service received by Customer. MetTel will not use, disclose, or permit access to Customer's CPNI except in its provision of services from which such information is derived, or as authorized or required by federal law, or as expressly authorized by Customer. To protect customers' CPNI from inappropriate disclosure to unauthorized third parties, MetTel has implemented strict safeguards that restrict the ability of MetTel representatives to disclose certain information to or permit certain changes to accounts by inbound callers or visitors to MetTel's offices and that regulate MetTel's ability to provide customers with account access over online portals. The FCC permits business customers and their telephone service providers to agree to flexible customer authentication methods that are suited to an efficient business relationship. Customer hereby agrees that its MetTel dedicated account representative and MetTel customer support personnel who are responsible for commercial accounts may disclose Customer CPNI or make changes to Customer's account at the request of persons that they reasonably believe to be Customer's authorized representatives and that MetTel may provide online access to Customer CPNI via the OneMetTel Portal or in any commercially reasonable manner, and that third parties authorized in writing to MetTel may have access to Customer's CPNI. Customer may at any time contact its dedicated account representative to request access to its CPNI. Customer hereby authorizes MetTel to share Customer CPNI with Customer's agents and employees as though such persons were the Customer hereunder; such authorization may be withdrawn as to any person or entity at any time upon written notice to MetTel. Customer agrees that MetTel may share CPNI with its affiliates, agents, and partners relating to business operations, and with businesses acting on MetTel's behalf, to determine if Customer could benefit from the wide variety of MetTel and Affiliate, agent, partner products and services, and in its marketing and sales activities. Customer may withdraw its authorization at any time by informing MetTel in writing. Customer's decision regarding MetTel's use of CPNI will not affect the quality of Service MetTel provides to Customer.
- 22. FIXED-RATE SERVICES. For purposes of this Agreement, "Fixed-Rate Services" means Services for which MetTel's underlying rates and charges do not change during the applicable Term. Rates, discounts and terms for any Services for which MetTel's underlying costs from the underlying carrier change are subject to change from time to time, subject to any applicable tariffs.
- 23. PRIVATE LINE / MPLS. Where Customer is ordering private line or MPLS service from MetTel, the end points for which are located in the same state, Customer agrees that MetTel will classify such services as jurisdictionally interstate and pass through applicable taxes and surcharges accordingly, such as the federal Universal Service Fund surcharge, unless by checking this box [Initials ____] Customer warrants and certifies that ten percent (10%) or less of the traffic across each such service is and will be interstate. Under FCC rules, it is the nature of the traffic itself, and not the physical endpoints of the facility provided by MetTel, that determines jurisdiction. For example, Internet traffic is interstate when used to connect to content delivered from a different state or country. Customer shall notify MetTel within 15 days if the foregoing certification is no longer valid.
- 24. LEGAL AND REGULATORY CHANGES. If any law, regulation or other action of a government authority (collectively a "Government Action") after the Effective Date affects the charges or allocation or collection of costs under this Agreement, the parties agree that MetTel may adjust the charges under this Agreement to conform to such Government Action while collecting the same charges that would have been collected absent the Government Action.
- 25. SUNSET AND TECHNOLOGY TRANSITION. MetTel will not sunset any Services during the Term without providing Customer at least 30 days prior written notice or, if longer, such period required by applicable law, prior to the sunset date and will continue to provide the sunsetting Services at the rate provided in this Agreement through the sunset date, after which such Services will be disconnected. No Service disconnected in connection with a sunset by MetTel will incur termination charges. Customer may elect to terminate the sunsetting Services at any time during the period preceding the sunset date, at which time MetTel will provide reasonable assistance in coordinating cutover to Services provided by other carriers. In addition, MetTel may transition Products to alternatives providing substantially similar functionality provided the aggregate monthly recurring charges for the new Products are not greater than such charges for the Product being replaced. Such replacements will not be a sunset within the meaning of this Section.

Motion by Mike Richardson, seconded by Kyle Walker, to approve the appointment of Mayor Brittain to the Urban Growth Coordinating Committee.

October 5, 2022

To: Public Service Committee

Hamblen County Commission

From: Bill Brittain, County Mayor

Re: Urban Growth Coordinating Committee

Hamblen County and the City of Morristown have received a request from Wallace Properties to amend the urban growth boundary (UGB) to include its property adjacent to the Jefferson County line. According to TCA 6-58-104, the County Mayor has 60 days to reconvene or reestablish the coordinating committee to consider the request and to make a recommendation to the City and County legislative bodies.

Hamblen County has scheduled its second public hearing for Thursday, October 20th. The first public hearing was held jointly with the City of Morristown at Walters State Community College on September 28. City Council is holding its second public hearing on October 18th.

The next step after the public hearings is for the city and county mayors to form the coordinating committee. The committee will consist of:

County Mayor Bill Brittain, if confirmed by the County Commission
Morristown Mayor Gary Chesney, if confirmed by City Council
A representative of Morristown Utilities
Taylor Howington, manager of Russellville-Whitesburg Utility District
Sonya Ricker, Administrator of Hamblen County Soil & Water Conservation District
A representative of the County Board of Education
A representative of the Morristown Area Chamber of Commerce
Bill Hicks, building contractor and County planning commissioner (appointed by County Mayor)
Stan Harville, County Commissioner 10th District (appointed by County Mayor)
Two members appointed by the Morristown Mayor

I am asking that you recommend to the full County Commission my appointment to the UGB Coordinating Committee.

Bill Brittain, County Mayor

Amending the Urban Growth Boundary (UGB)

A city or county can propose amendments to the plan by filing notice with the county mayor/executive and the mayor of every city. (T.C.A. § 6-58-104(d))

Upon receipt of the notice, the county mayor or county executive must take action to reconvene or reestablish the coordinating committee within 60 days of the receipt of the notice.

The coordinating committee is then reestablished and uses the original process to amend the growth plan. The burden of proving the reasonableness or necessity of the amendment is upon the party proposing the change.

Under State law (T.C.A. § 6-58-104) the Coordinating Committee which shall be composed of the following members:

- The county mayor or his/her designee, to be confirmed by the county legislative body;
- The mayor of each municipality or his/her designee, to be confirmed by the municipal governing body;
- One member appointed by the governing board of the municipally owned utility system serving the largest number of customers in the county (MUS);
- One member appointed by the governing board of the utility system, not municipally owned, serving the largest number of customers in the county;
- One member appointed by the board of directors of the county's soil conservation district, who shall represent agricultural interests;
- One member appointed by the board of the local education agency having the largest student enrollment in the county;
- One member appointed by the largest chamber of commerce (Morristown Area Chamber of Commerce); and
- Two (2) members appointed by the county mayor to assure broad representation of environmental, construction and homeowner interests.
- Two (2) members appointed by the mayor of the largest municipality, to assure broad representation of environmental, construction and homeowner interests.

Process

- Municipalities

(a) Criteria for Defining the UGB

The Urban Growth Boundary is to include territory:

- reasonably compact but large enough to accommodate 20 years of growth;
- that is contiguous to the existing municipal boundaries.
- that is reasonably likely to experience growth over the next 20 years, based upon history, economic and population trends, and topographical characteristics.

- where the municipality is better able than other municipalities to efficiently and effectively provide urban services; and
- that reflects the municipality's duty to fully develop the area within the current boundaries, while controlling and managing growth outside those boundaries, taking into account the effect on agriculture, forests, recreation, and wildlife.

(b) Factors to be Considered in Developing the UGB

Before proposing an amendment to the UGB the city must

- develop and report population growth projections in conjunction with the University of Tennessee;
- determine and report the costs and projected costs of core infrastructure, urban services, and public facilities necessary to fully develop the resources within the city's current boundaries, as well as the cost of expanding these into the territory proposed for inclusion within the UGB;
- determine and report on the need for additional land suitable for high-density industrial, commercial, and residential development, after taking into account areas within current municipal boundaries that can be used, reused, or redeveloped to meet these needs; and
- examine and report on agricultural areas, forests, recreational areas, and wildlife management areas under consideration for inclusion in the UGB, and on the likely long-term effect of urban expansion in these areas.

(c) Public Hearing Requirements

Each municipality will hold two public hearings with at least 15 days advance notice in a newspaper of general circulation in the city before formally proposing its UGB amendment to the coordinating committee.

The Coordinating Committee shall:

- Develop a recommended growth plan shall identify urban growth boundaries for the municipality and shall identify planned growth areas and rural areas within the county, all in conformance with § 6-58-106. (See appendix)
- The recommended growth plan shall identify urban growth boundaries for each municipality within the county and shall identify planned growth areas and rural areas within the county, all in conformance with § 6-58-106. In developing a recommended growth plan, the coordinating committee shall give due consideration to such urban growth boundaries as may be timely proposed and submitted to the coordinating committee by each municipal governing body. The coordinating committee shall also give due consideration to such planned growth areas and rural areas as may be timely proposed and submitted to the coordinating committee by the county legislative body. The coordinating committee is encouraged to utilize planning resources that are available within the county, including municipal or county planning commissions. The

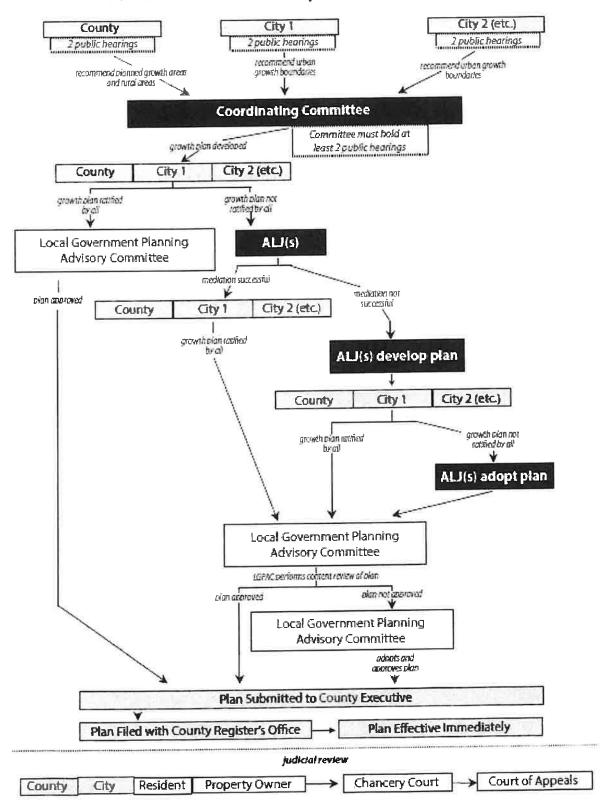

coordinating committee is further encouraged to utilize the services of the county technical assistance service, and the municipal technical advisory service.

- Prior to finalization of the recommended growth plan, the coordinating committee shall conduct at least two (2) public hearings. The county shall give at least fifteen (15) days advance notice of the time, place and purpose of each public hearing by notice published in a newspaper of general circulation throughout the county.
- The coordinating committee shall submit its recommended growth plan for ratification by the county legislative body and by the municipality.
- Not later than one hundred twenty (120) days after receiving the recommended growth
 plan, the county legislative body or municipal governing body, as the case may be, shall
 act to either ratify or reject the recommended growth plan of the coordinating committee.
 Failure by such county legislative body or any such municipal governing body to act
 within such one hundred twenty-day period shall be deemed to constitute ratification by
 such county or municipality of the recommended growth plan.
- If the recommended growth plan is ratification by the county legislative body and by the municipality the Local Government Planning Advisory Committee shall grant its approval, and the growth plan shall become immediately effective.

If there is an impasse:

- If the county or any municipality rejects the recommendation of the coordinating committee, then the coordinating committee shall reconsider its action. After such reconsideration, the coordinating committee may recommend a revised growth plan and submit it back to the county legislative body and the governing body of each municipality for ratification.
- If the revised growth plan is rejected, then the county or any municipality may declare the existence of an impasse and may request the Secretary of State to provide an alternative method for resolution of disputes preventing ratification of a growth plan.
- Upon receiving such request, the secretary of state shall promptly appoint a dispute resolution panel consisting of a minimum of one (1) member and a maximum of three (3) members.
- The panel shall attempt to mediate the unresolved disputes. If, after reasonable efforts, mediation does not resolve the disputes, then the panel shall propose a non-binding resolution. The county legislative body and the municipal governing bodies shall be given a reasonable period in which to consider the proposed resolution. If the county legislative body and the municipal governing bodies do not accept and approve the resolution, the secretary of state shall appoint a new panel of administrative law judges
