STATE OF TENNESSEE **DEPARTMENT OF ENVIRONMENT AND CONSERVATION** Division of Financial Assurance William R. Snodgrass Tennessee Tower 312 Rosa L. Parks Ave., 10th Floor Nashville, TN 37243 (615) 532-0339 TDEC.Financial.Assurance@tn.gov

The Honorable Bill Brittain Hamblen County Mayor 511 West Second North Street Morristown, Tennessee 37814-3964 The Honorable Gary Chesney City of Morristown Mayor P. O. Box 1499 Morristown, Tennessee 37816-1499

RE: 2023 Annual Inflation Adjustment of the Financial Assurance for *Hamblen County and City of Morristown Landfills*, Permit Number(s) *SNL320000152 Original, SNL320000152 Extension, and DML320000100 Entire Landfill*, as required by the Regulations of TDEC's Division of Solid Waste Management

To whom it may concern:

All county and municipal "Contracts of Obligation in Lieu of Performance Bonds" must be adjusted annually for inflation by no later than the anniversary date of the issuance of the contract.

Rule Chapters 0400-12-01-.06(8) and 0400-11-01-.03(3) state that the inflation adjustment may be made by recalculating the closure and/or post-closure cost estimate in current dollars or by using an inflation factor derived from the most recent Implicit Price Deflator for the Gross National Product published by the U. S. Bureau of Economic Analysis in its Survey of Current Business.

The staff of TDEC's Division of Financial Assurance, utilizing data published by the U. S. Bureau of Economic Analysis, has projected the inflation factor to be used for **2023** inflation adjustments as **7.30%**. The amount of your financial assurance instrument(s) from the **Year 2022** must be multiplied by **1.0730**. The permitted facility and/or TDEC may reserve the right to adjust this figure later based upon revised data released by the U. S. Bureau of Economic Analysis during the year.

Effective immediately, any County or Municipal Contract of Obligation in Lieu of Performance Bond incurring an annual inflation adjustment shall not be processed by amendment until the cumulative amount of the adjustment(s) equals or exceeds TEN THOUSAND DOLLARS (\$10,000.00). This is a change from the previous threshold of Five Thousand Dollars (\$5,000.00). About the Cooperative H-GAC and the Cooperative Purchasing Program

The Houston-Galveston Area Council (H-GAC) is the largest of 24 Councils of Government (COG) in Texas, and is a political subdivision of the State of Texas. It has been serving local governments for more than 40 years.

H GAC's Cooperative Purchasing Program, known as HGACBuy, was established pursuant to Texas Interlocal Cooperation Act [Texas Local Government Code, Title 7, Chapter 791]. The Act allows local governments and certain non-profits to contract or agree under the terms of the Act to make purchases or provide purchasing services and other administrative functions appropriately established by another government entity. The Interlocal Contract (ILC) is the required legal document that establishes a link between the Member (local governments and certain non-profits) and HGACBuy, and gives the Member access to HGACBuy contracts.

HELPING GOVERNMENTS ACROSS THE COUNTRY BUY

H-GAC has established Interlocal Contracts with thousands of Members throughout Texas and across the United States.

HGACBuy contracts are established based on the requirements of [Texas Local Government Code, Chapter 252]. Products and services are contracted after having been subjected to either a competitive bid (IFB) or competitive proposal (RFP) process. Contracts are blanket type, usually for a term of two or three years. Use of HGACBuy for purchases by any Member Is strictly at the discretion of that entity. Member issue their purchase orders and pay the HGACBuy Contractor directly.

- Be a state agency, county, municipality, special district, or other political subdivision of a state, or a qualifying non-profit corporation (providing one or more governmental function or service)
- Possess legal authority to enter into the Contract.

The Member warrants that both requirements are fulfilled by execution of an interlocal Contract (ILC).

(c) The Note shall not be sold at an interest rate exceeding the maximum interest rate permitted by law. The sale of the Note to the Bank shall be binding on the County, and no further action of the Governing Body with respect thereto shall be required. The form of the Note set forth in Section 6 hereof, shall be conformed to reflect any changes made pursuant to this Section 8 hereof. The County Mayor and County Clerk, or either of them, are authorized to cause the Note to be authenticated and delivered by the Registration Agent to the Bank and to execute, publish, and deliver all certificates and documents as they shall deem necessary in connection with the sale and delivery of the Note. (e) The Note shall not be issued until after the approval of the State shall have been obtained as required by Sections 9-21-101 et seq., Tennessee Code Annotated.

Section 9. Disposition of Note Proceeds.

The proceeds of the sale of the Note shall be paid to the County to be deposited with a (a) financial institution regulated by the Federal Deposit Insurance Corporation or similar or successor federal agency in a special fund known as the 2023 General Obligation Note Fund (the "Note Fund") to be kept separate and apart from all other funds of the County. By agreement with the Bank, the Bank may advance the proceeds of the Note as requested by the County to pay the costs of the Projects, and upon each such advance, the County will deposit such proceeds in the Note Fund. The County shall disburse funds in the Note Fund to pay costs of issuance of the Note, including necessary legal, accounting and fiscal expenses, advertising and similar expenses, administrative and clerical costs, and other necessary miscellaneous expenses incurred in connection with the issuance and sale of the Note. The remaining monies in the Note Fund shall be solely used by the County to pay costs of the Projects and, if applicable, to reimburse the County for any funds previously expended for costs of the Projects. Moneys in the Note Fund shall be invested at the direction of the County in such investments as shall be permitted by applicable law. Earnings from such investments shall be deposited by the County in the Note Fund to pay costs of the Projects or to the County's debt service fund to pay principal and interest on the Note at the direction of the County Mayor. Funds remaining in the Note Fund after payment of costs of issuance, completion of the Projects and reimbursement to the County for funds previously expended for costs of the Projects, if any, shall be transferred to the County's debt service to be used to pay principal and interest on the Note.

The department heads responsible for the fund or funds are further authorized to amend the proper budgets to reflect the appropriations and expenditures of the receipts authorized by this resolution.

Section 10. Federal Tax Matters Related to the Note. The County expects that the Note will be issued so that the interest thereon is excluded from gross income for purposes of federal income taxation under laws in force on the date of delivery of the Note. If the Note is so issued, the County agrees that it shall take no action that may render the interest on any of said Note subject to federal income taxation. It is the reasonable expectation of the Governing Body that the proceeds of the Note will not be used in a manner which will cause the Note to be an "arbitrage bond" within the meaning of Section 148(a) of the Code, including any lawful regulations promulgated or proposed thereunder, and to this end the said proceeds of the Note and other related funds established for the purposes herein set out, shall be used and spent expeditiously for the purposes described herein. The Governing Body further covenants and represents that in the event it shall be required by Section 148(f) of the Code to pay any investment proceeds of the Note to the United States government, it will make such payments as and when required by said Section and will take such other actions as shall be necessary or permitted to prevent the interest on the

9

Note from becoming subject to inclusion in the gross income for purposes of federal income taxation. The County Mayor and the County Clerk are authorized and directed to make such certifications in this regard in connection with the sale of the Note as any or all shall deem appropriate, and such certifications shall constitute a representation and certification of the County. The County's Federal Tax Compliance Policies and Procedures previously adopted by the County Mayor as an administrative policy are hereby ratified or approved.

<u>Section 11.</u> <u>Discharge and Satisfaction of Note</u>. If the County shall pay and discharge the indebtedness evidenced by the Note in any one or more of the following ways:

(a) By paying or causing to be paid the principal of and interest on such Note as and when the same become due and payable;

(b) By depositing or causing to be deposited with any trust company or bank whose deposits are insured by the Federal Deposit Insurance Corporation and which has trust powers ("a Trustee"), in trust, on or before the date of maturity, sufficient money or Defeasance Obligations, the principal of and interest on which, when due and payable, will provide sufficient moneys to pay such Note and to pay interest thereon when due until the maturity date; or

(c) By delivering such Note to the Registration Agent, for cancellation by it;

and if the County shall also pay or cause to be paid all other sums payable hereunder by the County with respect to such Note, or make adequate provision therefor, and by resolution of the Governing Body instruct any such Trustee to pay amounts when and as required to the Registration Agent for the payment of principal of and interest on such Note when due, then and in that case the indebtedness evidenced by such Note shall be discharged and satisfied and all covenants, agreements and obligations of the County to the owner of such Note shall be fully discharged and satisfied and shall thereupon cease, terminate and become void.

If the County shall pay and discharge the indebtedness evidenced by the Note in the manner provided in either clause (a) or clause (b) above, then the registered owner thereof shall thereafter be entitled only to payment out of the money or Defeasance Obligations deposited as aforesaid.

Except as otherwise provided in this Section, neither Defeasance Obligations nor moneys deposited with the Registration Agent pursuant to this Section nor principal or interest payments on any such Defeasance Obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal and premium, if any, and interest on said Note; provided that any cash received from such principal or interest payments on such Defeasance Obligations deposited with the Registration Agent, (A) to the extent such cash will not be required at any time for such purpose, shall be paid over to the County as received by the Registration Agent and (B) to the extent such cash will be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Defeasance Obligations maturing at times and in amounts sufficient to pay when due the principal and interest to become due on said Note and interest earned from such reinvestments shall be paid over to the County, as received by the Registration Agent. For the purposes of this Section, Defeasance Obligations shall mean direct obligations of, or obligations, the principal of and interest on which are guaranteed by, the United States of America, or obligations of any agency or instrumentality of the United States, which obligations shall not be subject to redemption prior to their maturity other than at the option of the registered owner thereof.

<u>Section 12</u>. <u>Reimbursement</u>. It is reasonably expected that the County will reimburse itself for certain expenditures made by it in connection with the Projects by issuing the Note. This resolution shall

be placed in the minutes of the Governing Body and shall be made available for inspection by the general public at the office of the Governing Body. This resolution constitutes a declaration of official intent under Treas. Reg. §1.150-2.

Section 13. Qualified Tax-Exempt Obligations. The Governing Body hereby authorizes the County Mayor to designate the Note as "qualified tax-exempt obligations," to the extent the Note, or any emission thereof, may be designated, within the meaning of and pursuant to Section 265 of the Code.

<u>Section 14</u>. <u>Reasonably Expected Economic Life</u>. The "reasonably expected economic life" of the Projects within the meaning of Section 9-21-101 <u>et seq.</u>, Tennessee Code Annotated, is greater than the authorized maturity of the Note.

<u>Section 15</u>. <u>Resolution a Contract</u>. The provisions of this resolution shall constitute a contract between the County and the registered owner of the Note, and after the issuance of the Note, no change, variation or alteration of any kind in the provisions of this resolution shall be made in any manner until such time as the Note and interest due thereon shall have been paid in full.

<u>Section 16</u>. <u>Separability</u>. If any section, paragraph or provision of this resolution shall be held to be invalid or unenforceable for any reason, the invalidity or unenforceability of such section, paragraph or provision shall not affect any of the remaining provisions of this resolution.

<u>Section 17</u>. <u>Repeal of Conflicting Resolutions and Effective Date</u>. All other resolutions and orders, or parts thereof, in conflict with the provisions of this resolution are, to the extent of such conflict, hereby repealed and this resolution shall be in immediate effect from and after its adoption.

<u>Section 18</u>. <u>Financial Statements</u>. Until the Note matures or is redeemed, the County agrees, if required by the Bank, to use its best efforts to cause copies of its audited financials to be furnished to the Bank within 270 days after the close of each fiscal year but no later than one year after the close of the fiscal year.

THE CITY OF # HEST

November 17, 2023

Mr. Steve Borden Director and Assistant Chief Engineer Tennessee Department of Transportation Region 1 7345 Region Lane Knoxville, TN 37914

Dear Mr. Borden,

Highway 160 is an important corridor for our community. Working with the Lakeway Area Metropolitan Transportation Planning Organization (LAMTPO), we have just completed a study of the highway 160 corridor to identify areas where improvements might be made to address safety and functionality. The City of Morristown, Hamblen County, and the Hamblen County Department of Education joined together to provide the local match for this planning study.

One of the areas identified as a high priority for improvements was the adjacent intersections of Martin Luther King Parkway and Sulphur Springs Road with State Route 160. The study suggested that these intersections could be improved by restricting left turning movements and construction of a J turn system. The importance of these locations is even greater because of the location of schools, including a new Lincoln Elementary under construction. The LAMTPO board agreed with us and passed a resolution identifying these intersections as high priority projects.

We understand that there is a possibility that construction of these improvements might be considered by TDOT and that the preliminary budget estimate for the project is \$1.7 million. To facilitate the construction of the project, we would pledge a 20% local match for this project with a cap of \$340,000 for the local contribution. The local agencies participating would include the following:

Agency	Amount	% of Total Pledged		
City of Morristown	\$170,000	50%		
Hamblen County	\$ 85,000	25%		
Hamblen County Dept. of Education	\$ 85,000	25%		

The cooperative spirit between TDOT and our community is very much appreciated, and we hope that this project is an area where we can continue to build upon that joint effort. Please let us know how we can help facilitate these much-needed improvements.

Sincerely,

Gary D. Chesney Mayor City of Morristown

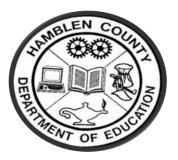

Bill Brittain Mayor Hamblen County Govt.
