Howard.

Thank you.

Since the COAG group and other people have supported videotaping of all meetings, I'll get them to help me draft the resolution and I'll give it to Trish on Nov 5 to include in the committee packets.

I'll present it to the Public Services Committee on Nov 9.

I want to be sure that the videotaping includes commission and all committee meetings and that the videos will be posted on the Hamblen County website and on a Hamblen County YouTube channel and left up and available for years just like other county records. Of course, the videotapes should continue to be posted on the local cable channels, too.

Since we still have audio problems, we need to make sure that the system is tested before taping. The person who recommended and should know the new audio system best is our IT Director Jeff Atkins, so he may be the best person to handle the testing. videotaping, and posting.

Thank you.

Dear Howard,

I'm following up on our conversation last Thursday where I requested that you put taping of committee and commission meetings on the Nov 9 Public Services agenda.

I want the item to include the taping of all committee and commission meetings using the county's camera system and then posting these videos on the county website and on a county YouTube channel where the videos are available for viewing by anyone at any time.

Please reply and let me know that you received this email and that you will put this item on the agenda.

### OF THE DEPARTMENT OF TRANSPORTATION OF THE STATE OF TENNESSEE TO THE COUNTY OF HAMBLEN, TENNESSEE:

The DEPARTMENT OF TRANSPORTATION of the State of Tennessee, hereinafter "DEPARTMENT", proposes to construct a project in the COUNTY of HAMBLEN, hereinafter "COUNTY", designated as State Project Number 32006-1226-14, that is described as S.R. 66 from North of I-81 at S.R. 341 in Jefferson County to S.R. 160 in Morristown, and the COUNTY agrees to cooperate with the DEPARTMENT as set forth in this proposal, so that the general highway program may be carried out in accordance with the intent of the General Assembly of the State.

Accordingly, the parties agree as follows:

- 1. That in the event any civil actions in inverse condemnation or for damages are instituted by reason of the DEPARTMENT, or its contractor, going upon the highway right-of-way and easements, and constructing said project in accordance with the plans and as necessary to make the completed project functional, the COUNTY will notify in writing the Attorney General of the State, whose address is 425 Fifth Avenue North, Nashville, Tennessee 37243, of the institution of each civil action, the complaint and all subsequent pleadings, within ten (10) days after the service of each of the same, under penalty of defending such actions and paying any judgments which result therefrom at its own expense.
- 2. The COUNTY will close or otherwise modify any of its roads or other public ways if indicated on the project plans, as provided by law.
- 3. The COUNTY will transfer or cause to be transferred to the DEPARTMENT without cost to it, all land owned by the COUNTY or by any of its instrumentalities as required for right-of-way or easement purposes, provided such land is being used or dedicated for road or other public way purposes.

But the foregoing may not be a duty of the COUNTY since it shall become operative only after the DEPARTMENT has been unsuccessful in its efforts to provide for said removals or adjustments for the benefit of the COUNTY.

The foregoing does not apply to those utility facilities which are owned by the COUNTY or one of its instrumentalities, it being understood that the COUNTY has the duty to relocate or adjust such facilities, if required, provided the COUNTY is notified to do so by the DEPARTMENT with detailed advice as to this duty of the COUNTY.

- 5. The COUNTY will maintain any frontage road to be constructed as part of the project.
- 6. After the project is completed and open to traffic, to the COUNTY will accept for jurisdiction and maintenance such parts of any existing DEPARTMENT highway to be replaced by the project.
- 7. The COUNTY will make no changes or alter any segment of a road on its road system that lies within the limits of the right-of-way acquired for any interchange to be constructed as part of the project and will not permit the installation or relocation of any utility facilities within the right-of-way of any such a segment of one of its roads without first obtaining the approval of the DEPARTMENT.
- 8. No provision hereof shall be construed as changing the maintenance responsibility of the COUNTY for such part of the project as may presently be on its highway, street, road or bridge system.

Federal Project Number: STP-66 (33)\_\_\_\_\_\_ State Project Number: 32006-1226-14

- 9. It is understood and agreed between the DEPARTMENT and the COUNTY that all traffic control signs for the control of traffic on a street under the jurisdiction of the COUNTY and located within the DEPARTMENT's right-of-way shall be maintained and replaced by the COUNTY.
- 10. When traffic control devices for the direction or warning of traffic, lighting of roadways or signing, or any, of them, which are operated or function by the use of electric current are constructed or installed as part of the project, they will be furnished with electricity and maintained by the COUNTY.
- 11. If, as a result of acquisition and use of right-of-way for the project, any building improvements become in violation of a COUNTY setback/building line requirement, the COUNTY agrees to waive enforcement of the COUNTY setback/building line requirement and take other proper governmental action as necessary to accomplish such waiver.
- 12. The COUNTY will prohibit encroachments of any kind upon the right-of-way and easements for the project.
- 13. The COUNTY will prohibit the servicing of motor vehicles within the right-of-way and easements for the project.
- 14. The COUNTY will obtain the approval of the DEPARTMENT before authorizing parking on the right-of-way and easements for the project and before installing any device for the purpose of regulating the movement of traffic.
- 15. The DEPARTMENT will maintain the completed project if it is classified as full access control (i.e., a project which has no intersecting streets at grade), and it will maintain the pavement from curb to curb where curbs exist or the full width of the roadway where no curbs exist on non-access control projects. The COUNTY agrees to maintain other parts of non-access control projects.
- 16. If a sidewalk is constructed as a component of this project, the COUNTY shall be responsible for maintenance of the sidewalk and shall assume all liability for third-party claims for damages arising from its use of

- 17. When said project is completed, the COUNTY thereafter will not permit any additional median crossovers, the cutting of the pavement, curbs, gutters and sidewalks, by any person, firm, corporation or governmental agency, without first obtaining the approval of the DEPARTMENT.
- 18. The DEPARTMENT will acquire the right-of-way and easements, construct the project and defend any inverse condemnation or damage civil actions of which the Attorney General has received the notice and pleadings provided for herein.
- 19. The project plans hereinbefore identified by number and description are incorporated herein by reference and shall be considered a part of this proposal, including any revisions or amendments thereto, provided a copy of each is furnished the COUNTY.

# RESOLUTION NO. 20- 39

RESOLUTION UPHOLDING AND AFFIRMING THE FIRST AMENDMENT RIGHTS
OF FREE SPEECH AND RIGHT TO PETITION THE GOVERNMENT FOR REDRESS
OF GRIEVANCES AND TO CENSURE HAMBLEN COUNTY COMMISSION
CHAIRMAN HOWARD SHIPLEY FOR VIOLATION OF THE CONSTITUTIONAL
RIGHTS OF HAMBLEN COUNTY CITIZENS

WHEREAS, the First Amendment to the U. S. Constitution embodies and protects the fundamental right of all Americans to freedom and speech and the right to petition the government for redress of grievances; and

WHEREAS, the Tennessee Constitution, Article I, Section 19, further embodies and secures the basic principles of freedom of speech to the citizens of Tennessee; and

WHEREAS, Howard Shipley, Chairman of the Hamblen County Commission ("Commission") both abused and exceeded his authority and power as chairman of the Commission and infringed upon and restricted the First Amendment Rights of citizens, including the right to freedom of speech and the right to petition the government for redress of grievances, by issuing the following directives and taking the following actions on October 22, 2020:

- 1. Arbitrarily, capriciously, and with no basis in law or fact, determining that the wearing of COAG (Citizens for Open and Accountable Government) shirts to the October 22, 2020, public meeting of the Commission would be prohibited or conditioned upon the wearer turning the shirt inside-out prior to being allowed into the meeting room--despite the fact that Shipley had allowed COAG shirts to be worn at Committee and Commission meetings for three months prior to October 22, 2020; despite the fact that Shipley had never publicly stated an objection to the shirts; despite the fact that Shipley never claimed or asserted in a public meeting that the COAG shirts violated any commission rule.
- 2. Using and directing law enforcement personnel of the Hamblen County Sheriff's Department to require that individuals wearing COAG shirts and entering the Courthouse to attend the October 22, 2020, public meeting of the Commission turn the COAG shirts inside-out before being allowed to proceed on to the meeting;
- 3. By the above directive and actions, imposing an impermissible and unconstitutional clothing requirement involving political speech protected by the First Amendment to the U.S. Constitution and further protected by the Tennessee Constitution including Article I, Section 19 upon at least six citizens of Hamblen County.

NOW, THEREFORE, the Hamblen County Commission, sitting in regular session on November 19, 2020, affirms and upholds the right of freedom of speech and the right to petition as embodied in the First Amendment to the U.S. Constitution and as further embodied in the Tennessee Constitution, Article I, Section 19, and does hereby condemn the actions of Chairman Howard Shipley and votes to censure Chairman Howard Shipley for the directives and actions cited above and taken by Chairman Howard Shipley on October 22, 2020 that both exceeded his authority as Chairman and prohibited or restricted American citizens from the exercise of their constitutional right of freedom of speech and the right to petition the government for redress of grievances.

Tim Goins, Vice-chair of the Hamblen County Commission

Bill Brittain, Mayor of Hamblen County

ATTEST:
Penny Petty, Hamblen County Clerk

#### November 19, 2020

Statement by Howard Shipley, Chairman of the Hamblen County Commission

- 1. I am Chairman of the Hamblen County Commission ("Commission") having been elected to that position by vote of the Commission on September 24, 2020.
- On or about October 22, 2020, I directed that the Hamblen County deputy or deputies
  monitoring the entrance to the Hamblen County Courthouse require that individuals
  wearing a COAG shirt (Citizens for Open and Accountable Government) turn the shirt
  inside-out before proceeding upstairs to the commission meeting over which I was to
  preside.
- 3. The commission has no rule concerning clothing or shirts in general and has no specific rule prohibiting political statements on shirts worn to commission meetings.
- 4. COAG shirts had been worn to commission and/or committee meetings since July 23, 2020, and I said nothing, took no action, and did not request courthouse security personal to take any action or direct that COAG shirts be turned inside-out at any time prior to the October 22, 2020, meeting.
- As Commission Chair, I have no authority to direct that county law enforcement tell
  citizens to turn their shirts inside-out before entering the Courthouse to attend a public
  meeting of the commission.
- 6. I exceeded my authority in directing the actions of county law enforcement personnel on October 22, 2020.
- 7. I also exceeded my authority in claiming to be enforcing a rule against "personal, impertinent, profane, or slanderous remarks" when I directed that COAG shirts be turned inside-out before the individuals were allowed to attend the public meeting.
- 8. The First Amendment to the Constitution of the United States and the Tennessee Constitution (Article I, Section 19) supersede any and all powers that I may have as Commission Chair.
- The U.S. Constitution and the Tennessee Constitution prevent government at all levels from wrongly prohibiting the exercise of the right of free speech and the right to petition the government.
- 10. I wrongfully prohibited the exercise of freedom of speech and the right to petition the government when I directed that deputies stop individuals wearing a COAG shirt at the Courthouse door and tell the individuals to turn their shirts inside-out before being allowed to come to the public meeting.

- 11. I acknowledge that I exceeded my authority in multiple ways on October 22, 2020, and that I violated the constitutional rights of citizens on that day.
- 12. I do not want to cost Hamblen County taxpayers money in defending a lawsuit that could be brought due to my actions violating the constitutional rights of any citizen.
- 13. My actions deserve and I will accept a vote of censure by this body. Should the commission decline to approve censure, I will resign my position as Chairman.

14. This letter shall be placed in the minutes of the County Commission.

Howard Shipley, Chairman of the Hamblen County Commission

Sworn to and subscribed before me, a Notary Public, this the 19 day of November 2020.

Notary Public

I wanted to say something before the next agenda item comes up for vote. I had to write it down so I wouldn't forget anything important.

At the November 9<sup>th</sup> meeting, I said I was tired of the bitch session. Mainly I was frustrated that the public address was being held out of order. The time to speak up dealt with Calendar and Rules items only. Ms. Noe was correct to address at that time. The other individuals should have addressed their comments during the Public form held at the end of the meeting. So, if anyone took offense, I sincerely apologize.

I strongly support the First Amendment right of every individual. Every member of the Commission will probably agree with me when I say that while the public has a right to say anything they want, it would be helpful if they were directed at things we can help change, as a commission and as a community. The degrading comments can not be tolerated by this body and have only been counter productive.

Ms. Noe, there have been many times that you have been correct about the Roberts Rules and have been very helpful to this commission. However, as you well know, there are other times you have not been quite as helpful to the commission. Nonetheless, I appreciate your constructive input.

My job, along with the other 13 members of this commission, is to serve the citizens of Hamblen County. Each of us represent one district but we have to look at the entire Hamblen County and hopefully do our best to serve ALL the people. This jail issue has been one example. I have been on the Commission for many years now and the jail has been a thorn in Hamblen County's side for all of those years, even before I was elected. We have spent quite a few years now trying to come up with a solution. While not all will agree with the solution, it is a solution that is now moving forward to a resolution. The finances for this jail are being closely monitored and will be closely monitored all the way to completion. Every person on this commission has worked diligently and with integrity on this project. I find it disheartening when I see social media posts or comments being made that give half-truths or slanderous remarks about the commission members or the commission body.

With that being said, I strongly support the public recording of all open public meetings held by the county commission. I encourage the citizens of Hamblen County to view our commission meetings and contact us with their ideas to make Hamblen County a more rewarding place to live for all our citizens.

Thank you.

Jeff Gardner, Administrator of elections
Hamblen County Tennessee

Re: Resignation

Dear Jeff:

Effective December 1, 2020, I tender my resignation as an Election Commissioner for Hamblen County. I have been honored to work locally with your staff and the other Commissioners in the shared goal of expanding the participation in democracy by our citizens.

While elections are of necessity a partisan undertaking, our jobs have been to focus on and insure that the process rather than the outcome meet the high standards of accountability and instills confidence in our ideals of participatory government. Whether this ideal is shared by the State Legislature, State Election Commission or the Tennessee Secretary of State is a matter of mixed opinions. Notwithstanding the activities of those state offices and institutions, I have been satisfied that we strive for more participation rather than targeting fewer participants.

It has been a privilege to get to know and work with all of the election day poll workers, who are essential to the preservation of the dream of self-government, the staff and Commissioners. It is a "big deal" and worthy of our best efforts to have the responsibility to oversee and conduct fair and transparent election process, in compliance not only with the law but the spirit of the law.

I expect the good work will continue.

# Items to consider for local rules

- 1. List the parliamentary authority the commission is governed by, such as the latest edition of Robert's Rules.
- 2. Set time limits on how long a member can speak the first and second time they are recognized. Under Robert's Rules they can speak two times and 10 minutes each time.
  - a. Give chairman authority to extend limit when presenter has a problem speaking or is interrupted.
- 3. Establish a rule that allows a citizen or citizens to address the commission.
  - a. Establish a provision, should several appear to speak on the same topic or issue, giving the chairman the power to cause the group to appoint 2 or 3 to speak on the issue.
  - b. Include a rule that allows those for and those against an issue have equal time
  - c. Require individuals wanting to speak, sign a sheet requiring name, address or district and topic or issue they want to speak about
  - d. Set a maximum time for public comment.
  - e. Consider allowing those that want to comment on something that is on the calendar, the opportunity to speak early in the meeting.
  - f. Consider allowing those that want to speak about something that is not on the calendar to wait later in the meeting.
- 4. Consider extending the time for which something could be reconsidered. Under Robert's Rules, reconsideration must take place during the same <u>session</u> the item to be reconsidered was voted on. It would be wise not to extend that time beyond the next regularly scheduled meeting.
  - a. Should you extend this time, remember there are somethings you cannot reconsider such as and appointment or election, and after a contract has been signed or an item has been purchased.
  - b. You should always consult an attorney when reconsidering something beyond the meeting in which the original vote took place
  - c. Remember you can always move to rescind or amend a previous action.
- 5. Define who will chair the organizational meeting should the current chair and chair pro tempore fail to be re-elected. It would probably be wise to let the senior commissioner based on years of continuous service on the commission or <a href="the county clerk">the clerk</a>, chair the meeting until a new chair is elected. However, if you have several commissioners with the same years of continuous service, let them decide amongst themselves who will chair the meeting.

- 6. Extend the time limits for a recess. Under Robert's Rules, a recess is defined as a short break during a meeting. However, you can extend the recess period anywhere between a short break up to your next regularly scheduled meeting by defining this in your local rules. I do not believe it would be reasonable to extend beyond the next regularly scheduled meeting.
- 7. Establish a method to amend your local rules. This is usually accomplished by requiring a 2/3 vote to amend.
  - a. Consider allowing the rules to be amended with a simple majority within the first 3 months of a new commissions 4-year term.
- 8. Establish guidelines as how committee members are appointed and how officers of a committee, chair, vice chair, and secretary, are established.
- 9. Establish a committee to review your local rules once per year and make a report to the commission and have the report accepted and entered in the minutes.
- 10. Name standing committees. This is applicable to any committee appointed for a year to address issues as they arise.
- 11. Establish the number of members for each committee including special committees. NOTE, if your county had adopted one of he Financial Management laws, the law may define the number of members.
- 12. Establish appointment guidelines for standing and special committees.
  - a. Define how the members are appointed
  - b. Establish terms for committee membership
  - c. State members serve until someone is appointed to replace them, or until they leave office. NOTE: this is suggested as a safeguard should the commission be unable to agree on new committee members.
- 13. Define the duties of each standing committee.
- 14. Define the number of committee members required for a quorum.
- 15. Establish a provision for a consent calendar for non-controversial items.
- 16. If you make provisions for a consent calendar, you need to establish a method for any commissioner to contest any item on the consent calendar and have it moved to the regular calendar. One method is to have an agenda item that could receive any item bumped from the consent calendar.
- 17. Define how a member seeks recognition from the chair, such as standing, raising their hand, etc.
- 18. Consider a rule that would prevent a member from speaking for or

- against a matter and then call for the Question.
- 19. Consider a rule to prevent a member from assigning their remaining debate time to another member.
- 20. Define how a special meeting is called including public notice
- 21. Establish a safeguard in the event the commissioners will be forced to file a petition for a special meeting. You want the exact language used in the petition to describe the purpose of the special meeting and be used verbatim in the public notice.
- 22. Define the methods for voting.
- 23. Establish a procedure to deal with a citizen who is disrupting a commission or committee meeting.
- 24. Establish a procedure to deal with a commissioner who is disrupting a commission or committee meeting.
- 25. Establish the position of parliamentarian.
- 26. Define how and when a member can change their vote.
- 27. Establish a rule insuring law enforcement will be at meetings.
- 28. Establish a procedure to accept or remove roads from county system
- 29. Establish a procedure to name or change the name of a county road.

  NOTE: The two procedures above, #28 & #29, should include your county highway official or officials, if you have a road commission or board.
- 30. Establish temporary rules to use at beginning of organization year.
- 31. Define adequate notice
- 32. Define the Standard Order of Business, for the agenda
- 33. Define a session, under Robert's rules each commission meeting would be a session. I recommend you keep it this way but specify it in your rules.
- 34. <u>Define commissioner pay and note that it takes a majority of the commission membership to change the method or rate of pay, not a super majority.</u>
- 35. Define Resolution tracking or numbering system
- 36. Define how resolutions are presented
- 37. Define how motions are presented
