Hamblen County specifically prohibits sexual harassment in the workplace. For the purposes of this policy, sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when either of the following conditions exists:

QUID PRO QUO

Submission to or rejection of this conduct by an individual is used as a factor in decisions affecting hiring, evaluation, promotion or other aspects of employment.

Or

HOSTILE WORK ENVIRONMENT

This conduct substantially interferes with an individual's employment or creates an intimidating, hostile, or offensive work environment.

Both perpetrators and victims of sexual harassment can be of either gender and sexual harassment can occur between persons of the same gender.

In pursuing the investigation, the reporting officer and/or legal counsel will take the wishes of the complainant under consideration but will thoroughly investigate the matter as they see fit, keeping the complainant informed as to the status of the investigation.

No adverse Human Resources action will be taken against an employee for reporting a bona fide incident of discrimination or harassment or for participating in the investigation of a complaint; however, disciplinary action may be taken against any individual providing false information in connection with a complaint.

The purpose of having several persons to whom complaints may be made is to avoid a situation where an individual is faced with complaining to the person, or a close associate of the person, who would be the subject of the complaint. The Reporting Officer notified will report the incident to the County Mayor or legal counsel representing Hamblen County for investigation and resolution.

Retaliation against Complainant

Retaliation against any individual who has articulated any concern of harassment is prohibited.

Retaliation is a serious violation of this harassment policy and should be reported immediately. Any person found to have retaliated against another individual for reporting harassment will be subject to the same type of disciplinary action as perpetrators of harassment.

Resolving the Complaint

Upon completing the investigation of a harassment complaint, a decision as to whether harassment has occurred and the appropriate action to take on the complaint will be made by the County Official or his/her designee, or if the County Mayor is the subject of the complaint, by the Chairman of the County Commission Human Resources Committee. Hamblen County will communicate its findings and intended actions to the complainant and alleged perpetrators.

If the investigators find that harassment has occurred, the perpetrators will be appropriately disciplined up to and including termination. Hamblen County's ability to discipline a non-employee (e.g., client, supplier) is limited by the degree of control, if any. Hamblen County will, if harassment is substantiated and to the extent reasonable, take appropriate action.

If the reporting officer or panel of officers determines that no harassment has occurred, this finding will be communicated to the complainant in an appropriately sensitive manner.

False Accusation

False accusations of harassment make the investigation of valid complaints more difficult. If an investigation results in a clear finding that the complainant falsely accused another of harassment knowingly or in a malicious manner, the complainant may be appropriately disciplined up to and including termination. The Department Head/Elected Official should consult with the Human Resource Manager and the County Attorney before disciplinary action is taken.

Appeal Process

If either party directly involved in a harassment investigation is dissatisfied with the outcome or resolution, that individual has the right to appeal the decision internally with Human Resources Department for review. If still dissatisfied, the party obviously has the right to seek outside legal counsel at their own expense.

The applicant shall pay for the test of the split specimen. The test of the split specimen may occur at another Department of Health and Human Services (DHHS) laboratory.

Disqualification Action – If the result of alcohol and/or drug testing is the basis for withdrawal of the conditional offer of employment, the applicant has no right to appeal this action

Consequences of a Positive Alcohol and/or Drug Test for an Active Employee – Failure to comply with the provisions of this policy may be used as grounds for disciplinary action, up to and including dismissal. Hamblen County reserves the right to allow employees to participate in an education and/or treatment program approved by Hamblen County as an alternative to or in addition to disciplinary action. An employee who received a confirmed positive alcohol and/or verified positive drug test shall be subject to the following conditions:

- **Removal from the Work Site** – The employee will be removed from the work site until the next scheduled work day unless at least 24 hours have elapsed.
- **Treatment** – An employee who receives a confirmed positive alcohol and/or verified positive drug test result may be evaluated by a Substance Abuse Professional (SAP). If the SAP determines that an employee does not require treatment, the SAP may recommend that the employee return to work in accordance with the provisions of this policy. Otherwise, an employee who receives a confirmed positive alcohol and/or verified positive drug test result may be referred to an approved education or treatment program. Payment for the treatment cost is the responsibility of the employee and is strictly dependent upon the provisions of the individual's health plan options.
- **Leave of Absence** – Employees referred for education and/or treatment may be granted leave of absence to participate in an approved education or treatment program pursuant to this policy. For the purposes of Hamblen County’s policy, successfully completing the recommended education and/or treatment program means the employee completed the initial period of education and/or treatment and complied with the after-care program including attending support groups for a period of one year or longer if recommended by the treatment provider. It also means the employee achieved and maintained an alcohol and drug-free state and will normally be determined by negative results from Hamblen County authorized alcohol and/or drug tests.
- **Failure to Complete Treatment** – The employee shall be subject to dismissal if the employee fails to successfully complete an alcohol and/or drug evaluation and the approved education and/or treatment program, in a timely manner as designated by the program.
- **Relief of Duty or Reassignment** – If the Department Head or Elected Official determines that the employee poses a threat to safety and health at the work site while undergoing out-patient or after-care treatment, they may re-assign the employee in accordance with the department’s policy or relieve the employee of duties pursuant to existing policies and procedures until such time that the threat no longer exists.
 - **Refusal to Participate** – Refusal by an employee to participate in an approved drug assessment and education or treatment program will be considered failure by the employee to successfully complete the approved education or treatment program for disciplinary purposes.
 - **Return-to-duty Testing** – An employee shall not return to duty until he/she has complied with specified treatment recommendations and has received a negative alcohol and/or drug test result.
 - **Treatment Completion and Follow-up Testing** – Employees required to participate in a treatment program shall be subject to unannounced follow-up alcohol and/or drug tests. Follow-up alcohol and/or drug tests may be extended for up to sixty (60) months following return-to-duty.

Hamblen County reserves the right to allow employees to participate in an education and/or treatment program approved by Hamblen County as an alternative to or in addition to disciplinary action. An employee who received a confirmed positive alcohol and/or verified positive drug test result shall be subject to the following conditions:

Disciplinary or Disqualification Action – If the result of alcohol and/or drug testing warrants disciplinary or disqualification action, an employee shall be entitled to all the rights and remedies that are otherwise provided in Hamblen County’s policies and procedures.

1.5 SMOKE-FREE / VAPE-FREE WORKPLACE POLICY

Hamblen County intends to fully comply with the Tennessee Non-Smoker Protection Act, Tenn. Code Ann. § 39-17-1801.

Due to the adverse health effects of second-hand smoke and to protect and enhance indoor air quality, all facilities owned and operated by Hamblen County are designated as smoke-free and vape-free environments. Employees are prohibited from smoking and/or vaping in offices, lobbies, maintenance shops, and all common areas of Hamblen County facilities.

There shall be no usage of tobacco or electronic cigarettes on the premises except for those areas specifically designated for the use of tobacco products. Smoking and/or vaping is permitted only in outdoor areas that are at least 20 feet from the entrance to offices, break rooms, or other public areas.

The user is expected to remove any waste created using the tobacco products. All tobacco products must be disposed of in a safe and sanitary manner. Leaving tobacco waste products

anywhere other than appropriate receptacles will result in progressive discipline up to and including possible termination.

Smokers are expected to observe the same guidelines as non-smokers regarding the frequency and length of break periods.

1.6 WORKPLACE SEARCH POLICY

All offices, desks, computers, files, voice mailboxes, lockers, and so forth provided by Hamblen County are considered property of the Hamblen County and are issued for the use of employees during their employment with Hamblen County. Employees should have no expectation of privacy related to any of the property.

Inspections or searches may be conducted of Hamblen County property at any time at the discretion of the Elected Officials and/or Department Heads.

If Hamblen County has probable cause to believe that any employee or customer is possessing, selling, or using illegal drugs, weapons, or stolen property on Hamblen County's premises, they reserve the right to notify proper law enforcement authorities and initiate appropriate searches.

Hamblen County reserves the right to take any and all steps deemed necessary in the course of investigations relating to the work place, including the right to search or to require Employees to exhibit the contents of their personal property, including, but not limited to, work spaces, bags, purses, vehicles, briefcases, packages, tool boxes, lockers and other such items.

Employees who, after proper inspection or searches, are found to be in possession of stolen property, weapons, or illegal drugs will be subject to disciplinary action up to and including termination.

1.7 SAFETY POLICY and PROCEDURES

Policy

It is the policy of Hamblen County to comply with all applicable standards of the Occupational Safety and Health Act of 1970 (OSHA) including the general duty clause requiring employers to provide a safe and healthy workplace.

Hamblen County provides information and training to employees about workplace safety and health issues through regular internal communication and group meetings. This information includes general safety rules and job-specific safety rules. The training will include special handling of equipment and wearing of personal protective equipment (PPE) where appropriate.

Each employee is expected to obey safety rules and exercise caution and common sense in all work activities. Employees must immediately report any unsafe conditions to their supervisor.

Employees who violate safety standards, cause hazardous or dangerous situations, or fail to report, or where appropriate, remedy such situations, may be subject to disciplinary action including termination of employment.

In the case of an accident that results in injury, regardless of how insignificant the injury may appear, employees should notify their supervisor

Safety is not a separate subject that we discuss when there is a problem or at special times of the year. Safety is one of the most important parts of our job because it must be a part of everything we do.

It is the intent of Hamblen County that all employees have the understanding and knowledge needed to prevent accidents. Hamblen County will make every effort to provide a workplace free of hazards and to train employees in safe working habits. Real Safety, however, is more than a set of rules and procedures. Safety is a way of life. Safety at work is a partnership between the company and all employees. Together we can create and maintain a safe and healthy work environment.

Procedures

Our Safety Program can only be effective if every employee makes safety his or her responsibility. Each employee will receive area-specific training and information that will aid in identifying hazards and in developing safe work procedures.

The fact that there are potential hazards doesn't mean we do anything especially dangerous. Potential hazards exist at home as well as at work. Our cars can be hazards if we don't maintain them properly and drive them safely.

All employees should use common sense and follow these basic guidelines.

- Report any accident, injury, or illness immediately to the immediate supervisor.
- Inspect tools and protective equipment before use.
- Report any defective, malfunctioning, or "Just not right" tool, machine, or protective equipment item immediately.
- Wear protective equipment whenever appropriate, e.g. reflective jackets.
- Follow instructions on using tools and machines safely.
- Walk; don't run.
- Don't fool around or ignore safety rules.
- Keep the work area neat and the aisles clear.
- Ask questions about anything you don't understand.
- Always be alert to possible risks or anything that just "doesn't seem right."

1.8 WORKERS COMPENSATION POLICIES

All employees shall immediately report injuries occurring on-the-job to the direct supervisor. If the direct supervisor is unavailable, the employee shall report the injury immediately to the next supervisor in the chain-of-command.

If nobody in the chain-of-command is available, the employee shall call the Human Resources Manager immediately to report the injury. An employee who fails to immediately report an on-the-injury shall be subject to disciplinary action.

Employees with serious injuries requiring immediate medical attention shall be treated as soon as possible at the nearest hospital. When an on-the-job injury is reported, the supervisor shall notify the Human Resources Manager immediately. The supervisor shall ensure that the employee reports to the Human Resources Manager as soon as possible following the injury.

The Human Resources Manager will arrange for appropriate medical care, schedule a drug and alcohol test, and coordinate the completion of required forms. Supervisors must complete an Accident Investigation form and a First Report of Work Injury form after each injury and submit it to the Human Resources Manager.

An employee may select a physician from Hamblen County's list of approved Worker's Compensation physicians which is posted on all official Hamblen County bulletin boards.

Hamblen County is obligated to pay for an employee's treatment when it is provided by one of the physicians on Hamblen County's list of authorized physicians/providers. Employees are required to provide the Human Resources Manager with the doctor's report following each visit for treatment. It is the employee's responsibility to keep the Human Resources Manager updated regarding the status of his/her recovery and return to work status. The Human Resources Manager will coordinate all claims information with Hamblen County's workers compensation insurance provider. Time off work due to workers compensation injuries may be designated as family and medical leave time.

Injuries After Normal Business Hours – If an employee has an on-the-job injury after normal business hours that requires medical attention, the supervisor should take the employee to the Emergency Department at Morristown Hamblen Healthcare System (or) Lakeway Regional Hospital. After initial evaluation, the employee should be referred to one of the physicians listed on the approved panel of physicians for Hamblen County employees for all follow-up treatment. Hamblen County's policy requires that all employees have a post-accident alcohol and drug test when involved in an accident where there is personal injury or property damage. Drug and alcohol tests can be done at the Emergency Department of the hospital. The supervisor shall be responsible for telling the hospital staff that the employee is required to have a breath alcohol test and urine drug test. The Emergency Department staff will then arrange for these tests. The supervisor shall also be responsible for telling hospital staff that the employee's injuries have been reported as work-related and a claim will be filed with Hamblen County's workers compensation insurance. The supervisor shall make certain the employee does not provide the hospital with his/her personal health insurance information. The supervisor shall notify the Human Resources Manager of this injury at the start of the next business day and shall complete all required paperwork at that time.

Workers Compensation Payments for Lost Work Time – An employee is not entitled to receive workers compensation payments for lost work time unless he/she is disabled for a period of seven (7) calendar days. To continue his/her pay during the first seven days of absence, an employee may utilize accumulated sick and/or annual leave. If employee is out more than 7 calendar days, but less than 14 calendar days, workers compensation pays for calendar days 8 to 13. If the employee is out 14 calendar days or more, then workers compensation goes back to day one of lost time and begins paying from day one. An employee may not collect both workers compensation payments and accrued leave payments in excess of 100% of their normal salary. An employee must request to be paid the difference of workers compensation and normal salary using their accrued leave.

Denial of Workers Compensation Benefits – Hamblen County has a Workplace Violence Prevention Policy that prohibits threats and physical acts of violence. If an employee is injured while participating in a fight or after instigating a fight, then entitlement to workers compensation benefits may be impacted. Hamblen County is also designated as a Drug-free Workplace under Tennessee State law. If an employee receives a positive urine drug test or breath alcohol test, or refuses to submit to such testing, following an on-the-job injury, then entitlement to workers compensation benefits may be denied. If an employee does not immediately notify Hamblen County of an on-the-job injury, the injury may be deemed not compensable under the workers compensation program.

Failure to Report Accidents and Injuries – Employees and/or supervisors who fail to immediately notify the Human Resources Manager of an on-the-job injury shall be subject to disciplinary action.

Employees are required to continue paying their portion of the group health care premium and premiums for any voluntary elected benefits while out of work for Worker's Compensation.

1.9 WHISTLEBLOWER PROTECTION POLICY

Hamblen County Employees are entitled to the rights and remedies under **41 U.S.C. 205 Employee Whistleblower Protection (41 U.S.C. 4712)** which prohibits any form of discrimination against an employee as reprisal for disclosure of information to any of the list of persons or entities provided below, that the employee reasonably believes is evidence of gross mismanagement of a federal grant (includes waste, abuse, specific danger to public health and safety, violations of law, rule, or regulation related to a federal grant).

The list of persons and entities referenced in the paragraph above includes the following:

2.1 CLASSIFICATION PLAN

Purpose - The classification plan shall provide a complete inventory of all authorized positions and an accurate description of each classification. Each classification is indicative of a specific range of duties and responsibilities and has the same meaning throughout all county government offices.

Authority - The County Mayor or his/her designee is responsible for developing, maintaining, and monitoring the classification plan.

Composition of the Plan - The classification plan shall consist of:

Class Titles – Class titles used shall be descriptive of the nature of each class. Class titles are to be used on all official county government records. However, other titles may be used as working titles during departmental routine to indicate authority, status in the department, or administrative rank.

Class Specifications – Written specifications for each class of positions shall be maintained. The specifications are meant to be descriptive of the kind of work performed and not necessarily inclusive of all duties performed. Specifications are to be interpreted in their entirety and in relation to others in the classification plan. Examples or phrases are not to be isolated and treated as a full definition of the class.

Skill Level – A grouping of all classifications which are basically equal when evaluated regarding the nature of work and knowledge and ability requirements, supervision exercised and scope of responsibility, scope and effect of decisions and actions, problem solving and complexity, nature, and extent of guidelines, application of authority, purpose and nature of work contacts, and physical or sensory demands or hazards.

Maintenance of the Classification Plan - The County Mayor, under the direction of the Hamblen County Commission, is charged with the maintenance of the classification plan. Maintenance shall include, but not be limited to, periodic review and revision of classification specifications and classification listing. The County Mayor shall recommend to Hamblen County Commission appropriate and necessary amendments to the classification plan based on these reviews.

New Classifications - When the County Mayor or his/her designee determines that a new classification must be added, the Classification Plan shall be revised and submitted to the Hamblen County Commission for approval.

Revision of Existing Classifications - The County Mayor or his/her designee shall periodically review the entire plan and recommend revisions to class descriptions to reflect gradual changes in the duties and responsibilities of existing classes over a period.

Abolition of Classifications - The County Mayor or his/her designee shall recommend the abolition of classes that are no longer required in the plan.

Review of Employee Requisitions - All Employee Requisitions submitted by department heads or elected officials shall be reviewed by the County Mayor or his/her designee to verify that the duties and responsibilities ascribed to the position(s) to be filled are assigned to the proper classification. Approval of such requisitions by the County Mayor or his/her designee shall constitute an assignment of the positions to the indicated class. If the requested classification on an Employee Requisition is not appropriate for the duties and responsibilities of the position, the County Mayor or his/her designee shall make a recommendation regarding a more appropriate

classification assignment. The County Mayor or his/her designee shall verify that the requested positions have been approved in the current budget. Unbudgeted positions must be approved by the Hamblen County Commission for them to be filled.

Creation of New Positions - When a new position is to be created, the supervisor shall submit an Employee Requisition form and a completed Position Description Questionnaire to the County Mayor or his/her designee. They shall conduct a thorough job analysis to document the nature of the new position. The position may be assigned to an existing classification. If the position does not match an existing classification, then a new classification must be created. A classification specification shall be written for each new classification. In addition, the County Mayor or his/her designee shall evaluate and recommend to the Hamblen County Commission the addition of the new classification to the Pay Plan and allocation to the appropriate skill level.

Reclassification of a Position - It is the intent of this rule to provide guidelines for monitoring the reclassification of an employee to ensure that merit systems principles are not circumvented. The basis for a reclassification must be a gradual accretion of duties and not a sudden change occasioned by a re-organization or the assignment of completely new duties and responsibilities. The process of placing an employee in an acting capacity in any position does not constitute a gradual accretion of duties.

A reclassification request may be initiated by an elected official, a department head, or by an employee. An employee who considers his/her position improperly classified shall first submit a Request for Reclassification through his/her immediate supervisor to the department head or elected official. The request shall include a statement of the reasons for requesting the study. If the elected official or department head finds merit in the request, he/she shall submit a recommendation to the County Mayor or his/her designee.

The County Mayor or his/her designee shall conduct a thorough analysis of the position. The analysis may include, but shall not be limited to, reviewing current class information, analyzing a completed Position Description Questionnaire, conducting a job observation, discussing the class with supervisors, and comparing this position with other positions in the class. The County Mayor or his/her designee shall recommend an appropriate classification based on the results of this analysis. If there is a disagreement between a department head or elected official and the County Mayor or his/her designee regarding appropriate classification, the Hamblen County Commission Human Resources Committee shall decide the issue.

2.2 RECRUITMENT

PURPOSE

The purpose of these policies and procedures is to facilitate the recruitment, selection, and appointment of the most qualified applicants and to ensure equal employment opportunity for all.

EMPLOYMENT APPLICATION FORM

Applicants shall be required to complete an Employment Application form supplied for that purpose by Hamblen County. Employment applications are available during normal office hours

in the County Mayor's office. All spaces on the employment application must be completed. Any applicant who knowingly makes any false statement in the Employment Application may forfeit the right to employment with Hamblen County.

Applications for posted vacancies shall be accepted only during the specified posting period. The application deadline for each vacancy is stated on the posting announcement. All applications received during this period will be compiled into an applicant pool for the vacancy. Applications received after the stated deadline shall not be eligible for consideration in filling the current vacancy.

In the event an applicant is not selected, the application will be kept on file for one (1) year. If an applicant wishes to be considered for another vacancy, the applicant must personally request that his/her application be activated for consideration for the posted vacancy. When an individual is hired, the Employment Application will be maintained in the employee's Human Resources file.

JOB-RELATED EXAMINATIONS

All examinations shall be consistent with the Uniform Guidelines on Employee Selection Procedures, which were adopted by the EEOC, U.S. Civil Service Commission, and U.S. Departments of Labor and Justice. Such examinations shall be job related and reliably predict the applicant's ability to perform the duties of the position he/she is seeking.

Examination Parts: The examination shall consist of one or more of the following parts:

Written Test: This exam shall include a written demonstration designed to show the degree of knowledge, skills, and abilities which are required to successfully perform the duties of the classification being tested.

Oral Interview: This exam shall include a personal interview to show the degree of knowledge, skills, and abilities which are required to successfully perform the duties of the classification being tested. An oral interview may be used when a written test is either unnecessary or impractical to administer.

Physical Test: This post-offer examination by a physician consists of an evaluation of the applicant's medical history and physical condition to determine if the person can perform the essential functions of the assigned classification with or without accommodation. Certain positions may require the applicant to have a serology and chest examination.

Physical and Psychological Examinations: Some departments may require a prospective employee to pass a post-offer employment physical and/or psychological examination prior to being employed.

Motor Vehicle Records Check: - All applicants selected for appointment to a position which requires the operation of agency-owned vehicles shall be required to possess a valid Tennessee Driver's License, or a commercial driver's license if necessary.

Other: Any type of examination, other than those listed above, as might be determined appropriate by the Elected Official or Department Head.

2.3 SELECTION

Justification for Selection

The hiring authority or designated supervisor shall interview applicants according to a structured interview plan. Questions shall seek information about the applicant's experience, education, training, abilities, and accomplishments which are related to the position he/she is seeking. The interviewer shall not ask questions about age, sex, race, national origin, political affiliation, physical and mental disabilities, religious beliefs, genetics, marital status and children, or other matters not related to the job. If no one is selected as a result of the interview process, recruitment efforts will again be initiated.

Rejection of Applicants

Applicants shall become ineligible for employment as a result of any of the following:

Statement by the applicant that he/she is no longer interested in employment with Hamblen County;

Failure to submit a complete application packet by the deadline stated on the job vacancy posting announcement;

Failure to pass any component of a job-related examination;

Failure to report to a required medical appointment, interview, etc.

Negative reference check of previous employers;

Providing false information on the application form, resume, etc.

Having a confirmed positive drug screen will result in disqualification for employment for a period of one (1) year from the date of the drug test; and/or refusing to submit to a drug test, refusing to sign the required consent forms, or failing to report for a drug test is considered the equivalent of receiving a confirmed positive drug test result.

2.4 PROMOTION, DEMOTION, TRANSFER

Promotions

It shall be the policy of Hamblen County to provide promotional opportunities to qualified employees whenever possible. Employees are encouraged to take advantage of these opportunities by qualifying themselves for advancement by obtaining additional education and training, performing at a high level, having an excellent attendance history, and showing an interest in obtaining more responsible work.

Applications from both inside and outside the agency may be accepted at the same time. If employees are equally or better qualified than the outside applicants, then employees will be given a hiring preference. However, it is the responsibility of Hamblen County government to fill openings with the best qualified people available, and if an outside candidate is the most qualified person for the job, he/she will be offered the position.

Eligibility for Promotion: Employees must meet the following requirements to be eligible to compete for a promotion:

- Must have completed satisfactorily his/her initial hire period;
- Must not have received a disciplinary action within the last twelve months; and
- Must meet the minimum requirements as defined on the posting announcement.

Selection Process: The selection process will be administered according to the provisions of Section III: Recruitment, Selection, Appointment, and Separation of this manual.

Equally Qualified Candidates: When all other job-related factors are equal for two or more candidates, then years of service will be the determining factor.

Voluntary Demotions

An employee may voluntarily request a demotion. The employee's request shall be in writing to the Department Head or Elected Official. An employee may also apply for vacant positions, which are at a lower skill level than his/her current classification. When an employee is selected for a voluntary demotion, his/her pay will be determined according to the provisions of Section II: Classification and Compensation Plan of this manual.

Transfers

An employee may be transferred from one position to another without significant change in his/her classification. A transfer may be initiated by the employee or Hamblen County. Hamblen County initiated transfers may be necessary because of a work force reduction, a change in operating procedures, or other special needs. Employees who refuse a county-initiated transfer may be laid off.

Eligibility for Employee-initiated Transfers: Employees must meet the following requirements to be eligible to request a transfer:

- Must have completed satisfactorily his/her initial hire period;
- Must not have received a disciplinary action within the last twelve months;
- Must have a sound and valid reason for requesting a transfer; and
- Must not have transferred at his/her own request within the past twelve (12) months.

Selection Process: The selection process will be administered according to the provisions of Section III: Recruitment, Selection, Appointment, and Separation of this manual. The hiring authority is not required to accept an employee who has applied for a transfer if for some reason he/she feels the employee is not a good match for the current vacancy.

2.5 APPOINTMENT TYPES

All employees working for Hamblen County are employed at-will. Nothing in these policies and procedures shall be taken to imply any type of employment contract. The following definitions describe the types of employment at Hamblen County.

Regular - employed for an indefinite period as reflected in Human Resources records.

Temporary - employed for a specific period (such as seasonal, until a job is completed or to fill in for a sick or injured employee) as reflected by Human Resources records. A temporary appointment shall not exceed 12 months. Exceptions will be considered on a case-by-case basis

Full-time - scheduled to work at least thirty-seven (37.5) hours weekly.

Regular Part-Time – scheduled to work at least thirty (30) hours weekly.

Part-time - scheduled to work less than 30 hours weekly.

2.6 INITIAL HIRE PERIOD – (Initial Period of Employment)

All employees receiving an initial appointment to a regular, full-time position shall be required to complete satisfactorily a ninety (90) day initial hire period prior to receiving regular, full-time status. The initial hire period is an adjustment and trial period for the new employee during which the employee's attitude, work performance, job compatibility, and other job-related criteria will be observed by his/her supervisor. Some Administrative, Supervisory, or Management positions may require a six-month (180 day) period in which to adequately evaluate the employee's suitability for the position.

The supervisor may complete a job-related performance evaluation form no less than two weeks prior to the end of the employee's initial hire period. The supervisor may review the evaluation with the employee. After reviewing the form with the employee, the supervisor may submit the completed form and his/her recommendation to retain or dismiss the employee to the Department Head or Elected Official.

A supervisor may submit to the Department Head or Elected Official a performance evaluation and recommendation to dismiss an employee at any time prior to the completion of the initial hire period if such action is warranted.

2.7 SEPARATIONS

Separation or Termination of employment is an inevitable part of personnel activity within any organization, and many of the reasons for termination are routine. Below are a few examples of some of the most common circumstances under which employment is terminated:

Voluntary Resignations

As a general practice, Hamblen County requests submission of a signed, written notice of intent to resign at least two weeks in advance. The Department Head/Elected Official, however, retains the option to end the employment upon receipt of the employee's notice.

Employees may request his/her Department Head or Elected Official to approve the withdrawal of a tendered resignation up until the end of the employee's last day worked. However, once a voluntary resignation has been tendered, the Department Head or Elected Official is not obligated to permit the employee to rescind the resignation.

Reduction in Force

An employee may be laid off when it is deemed necessary by reason of a shortage of funds or work; abolition of a position or other organizational changes; or for related reasons which are outside the employee's control and which do not reflect discredit upon the service of the employee.

Procedure - Lay-offs shall be made within classes of positions in affected departments. The order of lay-off shall be determined by the Department Head or Elected Official.

At least two weeks' notice, or two weeks' pay in lieu of notice shall be given except for persons employed for a specific period.

Demotion - An employee may be demoted when the employee would otherwise be laid-off.

Termination

In the general course of business, it may become necessary to terminate Hamblen County's employment relationship with an employee.

A decision to terminate may be the result of a variety of issues such as:

- inability of the employee to satisfactorily perform the essential job functions
- violation of Hamblen County Policies
- violation of Hamblen County Standards of Conduct
- at-will of Hamblen County or employee; however,

Hamblen County absolutely reserves the right to terminate an employee at any time for any reason or no reason at all. Every County employee is an employee-at-will.

2.8 REHIRING FORMER EMPLOYEES

Generally, former employees will not be considered for re-employment. Exceptions may be made on a case-by-case basis if the former employee's performance met expectations and he/she left voluntarily with notice or through no fault of his/her own.

2.9 REFERENCES FOR FORMER EMPLOYEES

It shall be the policy of Hamblen County Government, when contacted as a reference source regarding past employees and their employment, to provide only the name of the employee, positions held, and their dates of employment. No other aspect of the employee's work history is authorized for release.

SECTION III

COMPENSATION PLAN

3.0 OVERVIEW and DEFINITIONS

Purpose - The basic purpose of a pay plan is to enable an organization to recruit and retain competent employees. Major goals of the Pay Plan are as follows:

Provide compensation that is internally equitable;

Provide compensation that is consistent with pay in the surrounding market area; and

Allow for flexibility and adjustments in response to changing economic and employment conditions in the local job market.

Authority - The County Mayor or his/her designee is responsible for developing, maintaining, and monitoring the Pay Plan.

Composition of The Pay Plan - The Pay Plan consists of a system of fourteen (14) salary grades and a recommended pay range for each classification. There is a 50% spread between the minimum and maximum of each range with an established mid-point.

Skill levels 1 through 12 have a ten percent (10%) vertical spread.

Skill levels 13 to 14 have a 15% vertical spread

Maintenance of The Pay Plan - The County Mayor or his/her designee shall monitor factors that are relevant to sound compensation practices such as changes in cost of living, labor market conditions, recruitment problems, turnover experience and related factors. In addition, a salary and benefits survey shall be conducted periodically (at least every three years) to ensure the pay plan remains competitive. The County Mayor or his/her designee shall recommend to the Hamblen County Commission any revisions in the Pay Plan which are necessary and appropriate in view of the factors discussed above.

Administration of The Pay Plan - Salary ranges are intended to furnish administrative flexibility in recognizing individual differences among positions allocated to the same class, in providing incentive, and in rewarding employees for meritorious service. The following provisions shall govern the granting of within-range pay increases for employees:

Starting Rate of Pay - The minimum compensation of the pay range for each classification shall be the normal entry rate of pay. When unusual circumstances warrant, an employee may be offered a rate higher than entry level. Situations that may justify hiring above entry-level may include the following: appointment of an applicant whose qualifications greatly exceed minimum requirements for the position, a shortage of qualified applicants available at the minimum entry rate, or the most qualified applicants have declined employment at the entry rate. Hiring above the minimum entry rate up to midpoint of the salary range shall be justified in writing by the hiring supervisor and approved by the County Mayor. Hiring rates above midpoint shall be justified in writing by the hiring supervisor and must be approved by the

Hamblen County Commission.

Maximum Rate of Pay - An employee's rate of pay must be within the salary range for his/her classification. No employee shall receive a pay increase that exceeds the maximum rate of pay established for the class he/she occupies.

End of Initial Hire Period - Employees who successfully complete the initial period of employment will be placed on a regular, full-time status.

Annual Cost-of-Living Increase - An annual increase may be granted to all regular, full-time and part-time employees based on changes in the cost of living as indicated by the National Consumer Price Index (CPI) and local data such as that provided by the University of Tennessee Center for Economic Research and the East Tennessee Development District. When it is determined that the cost of living has increased in any one year, an across the board increase may be given. Employees at the maximum of their salary range will be given a one-time lump-sum bonus equal to the percentage increase. All cost of living increases are subject to the Hamblen County Commission's approval and to the availability of funds.

Holiday Pay - Regular, full-time employees who are required to work on an official holiday shall receive holiday pay (regular straight time) for hours actually worked on the holiday to a maximum of 8 hours in addition to their regular pay.

Hamblen County Departments have the liberty of setting their respective hours of operation. The hours of holiday pay accrued by an employee is determined by the actual hours the employee is regularly scheduled to work. For example, if an employee is regularly scheduled to work a (37.5) hour workweek, the employee would receive seven and one-half (7.5) hours of pay thirty-seven and one-half (37.5) hours divided by (five days) for one day of holiday.

Pay Adjustments in Promotions, Reclassifications, Transfers, and Demotions

When an employee is promoted, demoted, or transferred, his/her rate of pay in the new position shall be established in accordance with the following:

Promotion - When an employee is promoted to a position in a higher skill level, a pay increase will be granted at that time. The amount of increase will be determined by the location of the employee's current salary in the salary range for the new position. If the employee's salary is below the minimum of the new range, the increase will be 10% or to the minimum of the new range, whichever is greater. If the employee's current salary is in the lower half of the new range, the increase will be 7%. If the employee's current salary is in the upper half of the new range, the increase will be 5%.

Reclassification - When an employee is reclassified to a class in a higher skill level, the employee's salary will be increased by 5% or to the minimum of the new range, whichever is greater.

Transfer - When an employee is transferred from a position to another position in the same class, his/her salary will remain the same.

Demotion - When an employee is demoted for cause or as the result of a voluntary request, his/her salary shall be set at a rate within the new range. The department head or elected official will set the pay rate at an appropriate level within the range for the lower class that is equal to or less than the employee's current salary.

3.1 OVERTIME

The Fair Labor Standards Act of 1938 (FLSA), as amended, is a federal statute of general application that establishes a minimum wage, overtime pay, child labor, and equal-pay requirements. The provisions of Hamblen County's Overtime Policy comply with all requirements of the Fair Labor Standards Act (FLSA). The FLSA prescribes forty (40) hours as the number of hours employees who are not exempted from the overtime-pay requirement are required to work during any workweek without extra compensation for overtime. The general overtime rate of pay cannot be less than one and one-half times the employee's regular rate, and the employee must receive the overtime rate for all hours worked in excess of forty hours during any workweek. Compensation for all overtime may be provided to employees hired after the effective date of this policy, and for existing employees with a prior agreement or understanding with the county, as compensatory time off at the rate of one and one-half hour for each hour of overtime worked. Existing employees who have not entered into an agreement to receive compensatory time shall be paid an overtime rate of one and one-half times the employee's regular rate.

Authorized Overtime – Hamblen County employees shall not work more than 40 hours during any workweek unless the overtime work is authorized by a Supervisor and approved by the Department Head or elected official. Although all overtime worked will be compensated pursuant to the County's policy and the FLSA, working unauthorized overtime is a violation of county policy and will result in disciplinary action, up to and including termination of employment.

Time off for holidays when Hamblen County offices are closed shall be considered time worked. Time off for annual leave, sick leave, jury duty, or other leave shall be considered time worked.

All overtime must be authorized by appropriate Supervisory staff prior to the assignment of overtime. All authorized overtime must be within budgetary limitations. It is the responsibility of Supervisors, Department Heads, and Elected Officials to manage their Human Resources to minimize the necessity of overtime. If long-term overtime exists, management should analyze the staffing level to determine if additional staff should be hired rather than assigning overtime work. In the absence of a sufficient number of volunteers, Supervisors may require any employee to work overtime if he/she deems it necessary to meet the demands of the work. Employees shall not work overtime without first receiving the approval of their Supervisor. Except for payment for Compensatory Time, hours for which an employee is paid but has not worked will be used in the calculation of overtime. For the Sheriff's Department, the overtime is defined as work in excess of the 171 hours in the twenty-eight (28) day work period.

3.2 EMERGENCY RESPONSE POLICY

Return to Work from Home – When a non-exempt employee is “on-call” and an emergency requires the employee to return to the work site from home without prior notice, the employee’s pay shall be determined under the Emergency Response Policy.

When an emergency requires the employee to work two (2) hours or less, the employee will be paid for two (2) hours at his regular pay rate unless the time causes the employee to exceed 40 hours for the work week. This guarantees an employee of a minimum of two (2) hours for the inconvenience of returning to work.

If the emergency requires the employee to work more than two (2) hours, the employee will receive pay for the number of hours actually worked.

Departments may make other accommodations to compensate employees who are called out for work for an emergency situation.

Emergencies Requiring Extension of the Normal Workday – When an emergency requires a non-exempt employee to work beyond his/her normal hours, the extra hours worked will be considered Emergency Response Time. The employee will receive regular pay for the number of extra hours (i.e., any hours over 8) actually worked that day unless the extra hours cause the employee to exceed 40 hours worked during the work period. The guaranteed two-hour minimum does not apply in this situation.

3.3 WORKWEEK

The workweek for employees of Hamblen County begins at 12:01 a.m. on Monday and ends at 12:00 midnight on Sunday of each week.

Employees who are paid on an hourly basis will receive compensation at their regular rate of pay for all hours earned up to and including forty (40) in the workweek.

Annual hours of regularly scheduled work vary according to departments and positions:

Scheduled Annual Hours Based on Department Structure and Needs
1950
2080
2184

All employees of the Sheriff’s Department who are non-deputies shall have a regular workweek as described in the first paragraph.

The salary paid to exempt salaried employees is compensation for all hours worked. The salary paid to non-exempt salaried employees is compensation for all hours worked by such employees up to and including forty (40) hours in the workweek.

The actual work schedule for each employee will be arranged by that employee's supervisor.

Sheriff Department employees working an annual schedule of 2,184 hours shall have a twenty-eight-day work period in accordance with the 7 (k) exemption provided under FLSA.

The work period for Sheriff Department employees working an annual schedule of 2,184 hours begins at 12:01 a.m. on Monday and ends at 12:00 midnight 28 days following.

(NOTE: ONLY IF SHERIFF DEPARTMENT IS A PART OF COUNTY WIDE POLICIES)

3.4 COMPENSATORY TIME

Definition

Compensatory time may be given to those employees who work overtime as provided in the section on "Overtime" and with whom the county has a prior agreement or understanding that the employee will accept compensatory time in lieu of cash payment for overtime.

Administration of Compensatory Time

The decision on whether or not to pay overtime or grant Compensatory Time shall be made by each elected official, Department Head or Supervisor based upon his/her budgetary constraints. Each elected official, Department Head or Supervisor shall also be responsible for having each employee (existing or new hire) under his/her supervision for whom Compensatory Time shall be applicable, enter into the appropriate Compensatory Time Agreement.

Each elected official, Department Head or Supervisor shall be responsible for maintaining accurate records of accumulated Compensatory Time for each employee under his/her supervision and for carrying out the policies and procedures set out herein.

With regard to Compensatory Time issues affecting Department Heads or Supervisors, the County Mayor shall have the authority to direct the use or payment of such accumulated Compensatory Time in compliance with Hamblen County's policies and procedures.

Should it be determined by the County's Human Resources Committee that these policies and procedures are not being followed, the Human Resources Committee shall have the authority to direct and require any such employee not in compliance with the policies and procedures to immediately use his/her accrued Compensatory Time.

Use of Compensatory Time

Employees are encouraged to use their accrued Compensatory Time, and the County will make every effort to grant reasonable request for the use of Compensatory Time when sufficient advanced notice is given, and the workplace is not unduly disrupted. The maximum number of compensatory hours that an employee may accrue is sixty (60) compensatory hours.

Hamblen County requires employees to use their accumulated Compensatory Time before using Vacation Time.

Sick Time may be used before Comp Time with approval from the Department Head or Elected Official.

Any employee who has reached this maximum shall not work any additional overtime until the employee's accrued Compensatory Time has fallen below the maximum allowed, unless the employee receives advance written authorization from the employee's Supervisor. If the employee does not use Compensatory Time voluntarily, the employee's Supervisor may order the employee to use his/her Compensatory Time at specified times. Based upon budgetary constraints, Hamblen County reserves the right at any time to pay the employee in cash for any or all accrued Compensatory Time and/or to require the employee to use accumulated Compensatory Time

Any employee who has accumulated Compensatory Time shall be required to exhaust such accumulated Compensatory Time prior to taking leave or vacation time. Accumulated Compensatory Time shall be used by the employee by the end of the fiscal year during which it was accrued. The Supervisor or Department Head shall direct that any Compensatory Time accrued during the previous fiscal year and not so used, shall be taken within the first two (2) months of the subsequent fiscal year.

Any employee who receives a promotion and who has accumulated Compensatory Time in the employee's pre-promotion position should use the accrued Compensatory Time prior to assuming the new position. If this is not possible, Compensatory Time will be paid consistent with the pay rate at the time earned.

3.5 TIME RECORDS

Employees are required to correctly record their time worked. If the department has an official time clock, employees must clock in and out as directed.

If the department does not have a time clock, employees must record their hours on the forms provided for this purpose. Employees are required to fill in this form daily and, at the end of the workweek, sign and forward them to your supervisor for review and processing. (*Elected officials and part-time board members not generally subject to the Human Resources policy manual are exceptions to this policy.*)

Please ensure that your actual hours worked and leave time taken are recorded accurately.

All time worked and time on leave is calculated for payroll purposes in fifteen (15) minute increments.

Falsifying these records is a crime under T.C.A. 39-16-504. Falsifying time records is also grounds for immediate termination. Time records shall be maintained at the County Mayor Office.

3.6 PAYDAY

All employees shall be paid on a semi-monthly basis. Paychecks will be distributed on the 15th and last working day of the month. Under no circumstances will any paycheck be distributed prior to 3:00 p.m. on the day before payday.

3.7 FINAL PAYCHECK

An employee whose services are being terminated, either voluntarily or involuntarily, shall be paid for all earnings which are due and accrued, plus all accrued vacation time, overtime and compensatory time on their final regular paycheck. In the event of death, the amount owing to the employee shall be paid to his or her estate or the surviving spouse as may be required by law.

The employee will not be compensated for any unused sick leave days, but unused sick leave days may be transferred to the Tennessee Consolidated Retirement System according to the plan's rules and regulations.

3.8 LONGEVITY PAY

Eligible Hamblen County employees are entitled to receive longevity pay. To be eligible to receive longevity pay, an employee must meet the following requirements:

- Occupy a regular full-time position within Hamblen County Government that qualifies the employee for other county employment benefits, i.e. health insurance, life insurance, retirement, vacation, and sick leave;
- Have accrued at least three (3) years of regular full-time employment within Hamblen County Government; and
- Apply and be approved for the longevity payment by the County Commission's Personnel Committee.

Temporary, casual or part-time employees, department heads and elected officials whose minimum salaries are set by the state legislature are **ineligible** to receive longevity. Time spent working in a part-time position is **not** included in the eligibility calculation for longevity pay. Employees whose full-time work history within Hamblen County Government (HCG) is interrupted will receive credit for all previous full-time employment. For instance, if an employee works 18 months for a county department and leaves employment (and is not

terminated for cause) for a period of time, that employee will receive credit for the 18 months toward the three (3) year eligibility requirement if he/she returns to work for HCG.

Employees must complete an application (available from the Human Resources Manager) to qualify for longevity pay. The application will be reviewed by the County Commission's Personnel Committee, which will either approve or deny the application. Employees should allow 30 days for their application to be processed. If an application is denied, the applicant can request an appeal hearing before the Personnel Committee.

Full-time employees who qualify for longevity pay will receive \$75 per year of service not to exceed \$2,250. Subject to the terms of this policy, the longevity pay will be paid annually with the last pay check of the employee's anniversary month, providing the employee is actively working; otherwise payment will be received upon return to work. Longevity pay will be administered as a lump sum payment with the applicable payroll taxes and retirement contribution deducted and will not become part of the employee's base pay.

Longevity pay will not be included on a pro-rated basis when end of employment or termination pay is calculated. **An employee must be an active employee on his/her anniversary date to receive the longevity pay for that year.**

3.9 EDUCATION PAY

It is the policy of Hamblen County Government to provide employees with a compensation program that fairly compensates employees for the jobs and responsibilities that they hold, establishes compensation equity within the organization and is competitive within the labor market.

The Hamblen County Commission added an education to the pay plan effective with the 2016-17 fiscal year. The education component provides employees who have successfully completed a post-secondary degree or certificate program with a pay increase based on the degree earned. All employees of Hamblen County Government are encouraged to apply.

Temporary, casual or part-time employees, department heads, and elected officials whose minimum salaries are set by the state legislature are ineligible for receipt of Education Component.

Initial Implementation

Employees who hold post-secondary degrees or certificates must complete an application (available from the Human Resources Manager) for the education incentive and provide proof that he/she has earned the degree/certificate. Documented proof of the degree/certificate includes a photo copy of the original diploma or certificate or a certified copy of the official transcript from the education institution. An official transcript is one that has been received directly from the school. It must bear the college seal, date of completion and the Registrar's signature. Master's degrees qualify for the education incentive when they are related to the position the employee holds.

The application must be submitted to the Human Resources Manager for review by the County Commission's Personnel Committee, which will approve or deny the application.

Education incentive amounts are not one-time lump sum payments. Rather, the increase is added to the base pay hourly rate and included in the calculation of any COLA employees may receive in subsequent years. Employees should allow 30 days for their application to be processed. The education increase is effective the pay period immediately following the approval of the application.

On an annual basis, the increases are as follows:

Certified Public Administrator (CTAS, COCTP)	\$200.00
Associate's Degree/CTE Certificates	\$350.00
Bachelor's Degree	\$850.00
Master's Degree	\$1600.00

Employees can qualify for one increase based on the highest level of education achieved. For example, if an employee has an Associate's degree and a Bachelor's degree, that employee would qualify for the increase for the Bachelor's degree. Multiple degrees and/or certificates do not qualify employees for multiple increases.

Continuum of Program

Employees can qualify for an education incentive if they increase their education attainment while employed with Hamble County Government. For example, if an employee was hired without a qualifying post-secondary degree/certificate but earns the degree/certificate during his/her employment, the employee can apply for and be awarded the education increase. Also, if an employee has achieved a qualifying level of education and while employed with Hamblen County Government earns higher degree, he/she can receive an increase reflecting the higher degree. An example is: an employee holds an Associate's Degree and while employed with Hamblen County earns a Bachelor's Degree, he/she will receive a \$500 increase to his/her base pay.

For newly hired employees, department heads should not include the education attainment amount with the starting pay for the new employees. The education component can be added and become effective the pay period immediately following the completion of the new employees' initial periods of employment if the applications are approved by the County Commission's Personnel Committee.

3.10 MILITARY SERVICE PAY

County employees who have active military service can qualify for a military service increase. Time with reserves does not qualify for the program. Employees with active military service can submit an application with documentation (discharge papers) proving their years of service. The military service pay increase will be awarded to employees who received an honorable discharge. The amount will be added to the base pay hourly rate. An employee cannot receive both pay supplements for education attainment and military service. The employee should apply for the supplement that would provide him/her the largest pay increase. Employees should allow 30 days for their application to be processed. The military service increase is effective the pay period immediately following the approval of the application.

On an annual basis, the increases are as follows:

2-10 Years of Active Military Service	\$350.00
11-15 Years of Active Military Service	\$850.00
16+ Years of Active Military Service	\$1600.00

For newly hired employees, department heads should not include the military service amount with the starting pay for the new employees. The military service component can be added and become effective the pay period immediately following the completion of the new employees' initial periods of employment if the applications are approved by the County Commission's Personnel Committee.

3.11 TRAVEL EXPENSE

Employees shall be reimbursed for travel expenses resulting from approved official county business, including registration fees for conferences, conventions, seminars, mileage, etc.

Expenses must be documented on the Reimbursable Expense Statement form or employees have the option to be reimbursed on a per diem basis.

Travel may not be undertaken unless it is authorized in advance by proper authority. Approved county travel is the basis for reimbursement in accordance with the provisions in the Travel Policy of Hamblen County.

When traveling, county employees should be as conservative as circumstances permit. The lower cost should be selected whenever practical. Receipts and proof of mileage and attendance are required. If the employee chooses the per diem method for reimbursement, the employee must submit proof of registration, fee and attendance for the function attended.

Hamblen County Government will adhere to maximum rates of reimbursement. Those rates will be established by the State of Tennessee Commissioner of Finance and Administration and maintained by the Finance Director.

SECTION IV EMPLOYEE BENEFITS

4.0 HEALTH INSURANCE

At the time of new-hire orientation, employees will receive information related to all Hamblen County sponsored insurance programs including the employee's eligibility for each program, and the enrollment period.

Information regarding life insurance, medical insurance and retirement plan benefits offered to full-time regular employees of Hamblen County, Tennessee can be obtained in the Human Resource Office or the Office of the County Mayor.

In cooperation with the City of Morristown, Hamblen County operates an Employee Health Clinic available to all full-time employees and their dependents (2 years or older) who are covered under the County's Medical Plan.

Full-time employees may choose not to participate in the County's Health Insurance Plan but still qualify for membership to the Employee Health Clinic. In this event, the employee's dependents would not qualify for membership. The County Mayor or his/her designee must approve the employee's written request.

Clinic hours of operation are available in the office of the Human Resource Manager. Appointments may be scheduled by calling the clinic directly at **877/423-1330** or on line at **www.carehere.com**.

4.1 TENNESSEE CONSOLIDATED RETIREMENT SYSTEM

Regular full-time employees will be automatically enrolled in the Tennessee Consolidated Retirement System. Additional information will be part of the new-hire orientation process.

4.2 VACATION LEAVE

Vacation is one way the county shows its appreciation to you for your contribution to the administration of county government.

Part-time employees do not qualify for vacation leave.

Full-time Regular Employees are eligible for vacation time off once they have completed six (6) months of service as a full-time employee – at which time five (5) days of vacation will be available. For purposes of this policy, a vacation day shall mean a normal workday for the employee.

All County employees funded under the general fund, highway fund and garbage fund (“major fund categories”) shall complete a time sheet as provided by the county Human Resources Manager listing hours worked, vacation leave and sick leave during prescribed period of work. In departments having time clocks, the Supervisor will indicate type of leave on the card when approving.

(Elected officials and part-time board members not generally subject to the Human Resources policy manual are exceptions to this policy.)

Vacation Time Accrual Rate – Vacation time is credited by employees on January 1st. Hamblen County departments have the liberty of setting their respective hours of operation. Some departments and employees maintain less than a 40-hour workweek. For eligible employees, vacation time accrued is determined by the actual hours an employee is regularly scheduled to work. For example, if an employee is regularly scheduled to work a 37.5-hour workweek, each week of vacation accrued by such employee is equal to 37.5 hours. Accordingly, one day of vacation time accrued or used is equal to 7.5 hours (37.5 hours divided by five days.)

Accumulation of Vacation Time – Vacation time may not be accumulated and carried forward to the next year. Any unused vacation time may be rolled over into sick leave.

Use of Vacation Time – vacation leave may be used only at times approved in advance by the Employer/Department Head/Elected Official. Vacation requests will be honored to the extent possible. If two or more employees request vacation for the same period of time, it will be the Elected Official’s or Department Head’s decision if this will create a hardship upon the department. No employee may give or loan vacation time to another employee.

Hamblen County **requires** that accumulated compensatory time be used in advance of vacation leave. *Refer to Section 3.4 for details*

Termination of Employment – Upon the termination of employment of an employee, he or she shall be entitled to payment for any unused vacation time which has accrued and has not been converted into sick leave. Payment shall be made based upon the daily rate of compensation the employee receives as of the time of termination.

Vacation Time Schedule – The following schedule displays the vacation earning policy for each year of continuous and uninterrupted employment

Full-Time Regular Employees

<u>Years of Service</u> <u>As of anniversary date</u>	<u>Length of Vacation</u> <u>With Pay</u>
After six months	5 days
2 through 9 years	10 days
10 through 19 years	15 days
20 or more years	20 days

4.3 HOLIDAYS

Because of the variety of county services, all employees may not be able to observe holidays on the same day. If your work schedule requires a deviation from the holiday schedule, your Elected Official or Department Head will tell you in advance.

New Year's Day	January 1 st
Martin Luther King Day	Day of Observance (January)
Good Friday	Friday prior to Easter
Memorial Day	Last Monday in May
Independence Day	July 4 th
Labor Day	1 st Monday in September
Columbus Day	Day of Observance (October)
Veteran's Day	November 11 th
Thanksgiving	4 th Thursday and Friday in November
Christmas	2 ½ days ** Generally, ½ day on the 24 th and all of the 25 th and 26 th . If the 25 th falls on Saturday or Sunday, the holiday will be Full or half on Friday depending on whether the office is usually open on Saturday

If a holiday falls on a weekend (Saturday or Sunday), the County Mayor in conference with Department Heads and elected officials will determine when the holiday will be observed.

Example: Saturday holidays might be observed on Fridays and Sunday holidays might be observed on Mondays. The County Mayor will insure that all departments are informed of the decision prior to the actual observed holiday and official closing of offices and departments.

LEAVE RECORDS

Employees requesting leave are required to record leave on forms provided by the county. The forms are to be given to the Elected Official or Department Head by the employee. Time sheets or cards will reflect the type of leave being taken. All leave forms other than FMLA will be maintained in the respective department. All FMLA forms and time sheets will be retained at the office of the County Mayor.

4.4 SICK LEAVE

Earning and Accumulating Sick Days – Sick Leave will be considered a benefit and a privilege and not a right. Full-time regular employees will receive full pay during incapacity caused by illness if sick leave is taken. Sick leave is earned at the rate of one day per month (12 days per year). There are no maximum sick leave credits. Each sick day earned by an employee shall be equal to the employee's regularly scheduled workday. For example, if an employee is regularly scheduled to work 37.5 hours per week, each earned sick day equals 7.5 hours (37.5 hours divided by five days). The employee shall not be paid for accumulated sick leave credit days but shall be able to count the unused sick leave credit days toward their retirement (to the extent allowed under the rules and regulations under TN Consolidated Retirement System).

The Elected Official or Department Head reserves the right to require an employee who misses work for five consecutive days due to sickness to furnish his or her Employer with a doctor's certificate, certifying they were unable to work.

Use of Sick Leave – An employee may use sick leave allowance for absence due to his or her own illness or injury or the illness or injury of the employee's immediate family as defined under Section 4.6. Sick leave may also be used for appointments with our Employee Clinic, a licensed doctor, dentist, or recognized practitioners. Employees who become ill during the period of their vacation may request that their vacation be temporarily terminated, and the time changed to sick leave.

Sick Time may be used before Comp Time with approval from the Department Head or Elected Official. *Refer to Section 3.4 for details*

No employee may give or loan sick leave time to another employee.

Notice of Sick Leave – An employee is required to notify the Elected Official or Department Head by the beginning of the employee's work shift or, in the case of emergency, as early as possible on the first day of their sick leave absence.

Exhaustion of Sick Leave – Employees who have used all of their accumulated sick leave will not receive financial compensation for additional days needed due to illness or injury. For any additional time needed, the employee will be considered on leave without pay status unless the employee has accumulated vacation time or comp time remaining. The employee must request that additional leave be credited against the remaining vacation or comp time.

4.5 FAMILY and MEDICAL LEAVE

The Family Medical Leave Act of 1993 (FMLA) as amended requires employers with fifty (50) or more employees to provide eligible employees with unpaid leave. There are two (2) types of leave available, including the basic twelve (12) week leave entitlement (Basic FMLA Leave), as well as the military family leave entitlements (Military Family Leave) described in this policy.

Eligibility for FMLA Leave

Employees are eligible for FMLA leave if they:

- Have worked for at least twelve (12) months for Hamblen County. The twelve (12) months need not be consecutive. Employment prior to a break in service of seven (7) years or more will not be counted, unless the break in service was caused by the employee's active duty with the National Guard or reserve, or there was a written agreement that Hamblen County intended to rehire the employee after the break in service.
- Have worked at least 1,250 hours for Hamblen County during the twelve (12) calendar months immediately prior to the start of the leave; and
- Are employed at a work site that has fifty (50) or more employees within a seventy-five (75) mile radius.

The principles established under the Fair Labor Standards Act (FLSA) determine the number of hours worked by an employee. The FLSA does not include time spent on paid or unpaid leave as hours worked. Consequently these hours of leave, paid or unpaid, will not be counted in determining the 1,250 hours eligibility test for an employee under FMLA leave.

Employees with any questions about their eligibility for FMLA leave should contact Human Resources for more information.

Basic FMLA Leave

Employees who meet the eligibility requirements described above are eligible to take up to twelve (12) weeks of unpaid leave during any twelve (12) month period. The twelve (12) month period is a rolling period measured backward from the date an employee last uses any FMLA leave. Each time an employee takes leave, Hamblen County will compute the amount of leave the employee has taken under this policy in the last twelve (12) months and subtract it from the twelve (12) weeks of available leave, and the balance remaining is the amount the employee is entitled to take at that time. Leave may be taken for the following reasons:

- To care for the employee's son or daughter during the first twelve (12) months following birth
- To care for the employee's son or daughter, under the age of eighteen (18), during the first twelve (12) months following placement with the employee for adoption or foster care;
- For incapacity due to the employee's pregnancy, prenatal care or childbirth;
- To care for a spouse, son, daughter or parent with a serious health condition; or
- Because of the employee's own serious health condition that renders the employee unable to perform an essential function of her or his position.

For purposes of definition of child, spouse and parent, the U.S. Department of Labor FMLA Final Regulations will be followed.

Military Family Leave

The National Defense Authorization Act (NDAA) for 2008 amended the FMLA to allow eligible employees two types of Military Family Leave:

1. Qualifying Exigency Leave – Employees meeting the eligibility requirements described above may be entitled to use up to twelve (12) weeks of their Basic FMLA Leave entitlement to address certain qualifying exigencies.

Leave may be used because of any qualifying exigency arising out of the fact that the employee's spouse, son or daughter is on a Federal call to covered active duty or called to covered active duty status in the Armed Forces, including the National Guard or Reserves, in support of an operation.

Covered active duty means duty during deployment with the Armed Forces to a foreign country for a member of a regular component of the Armed Forces; or duty during deployment with the Armed Forces to a foreign country under a call or order to active duty for a member of a reserve component of the Armed Forces.

Qualifying exigencies may include:

- Issues arising from a covered military member's short-notice deployment (i.e., deployment on seven (7) or less days of notice) for a period of seven (7) days from the date of notification;
- Attending certain military events and related activities, such as official ceremonies, programs, or events sponsored by the military or family support or assistance programs, and informational briefings sponsored or promoted by the military, military service organizations or the American Red Cross that are related to covered active duty or call to covered active duty status of a covered military member;
- Certain child care or related activities arising from the covered active duty or call to covered active duty status of a covered military member, such as arranging for alternative childcare, providing childcare on a non-routine, urgent, immediate need basis, enrolling or transferring a child in a new school or day care facility, and attending certain meetings at school or a day care facility if they are necessary due to circumstances arising from the covered active duty or call to covered active duty of the covered military member;
- Making or updating financial and legal arrangements to address a covered military member's absence;
- Attending counseling provided by someone other than a health care provider for oneself, the covered military member, or the child of the covered military member, the need for which arises from the covered active duty or call to covered active duty status of the covered military member;
- Taking up to five (5) days of leave to spend time with a covered military member who is on short-term temporary rest and recuperation leave during deployment;
- Attending to certain post-deployment activities, including attending arrival ceremonies, reintegration briefings and events, and other official ceremonies or programs sponsored by the military for a period of ninety (90) days following the termination of the covered military member's covered active duty status, and addressing issues arising from the death of a covered military member; and
- Other activities arising out of the servicemember's covered active duty or call to covered active duty that the employee and Hamblen County agree is a qualifying exigency.

2. Leave to Care for a covered servicemember There is also a special leave entitlement that permits employees who meet the eligibility requirements for FMLA leave to take up to twenty-six (26) weeks of leave for an employee to care for a spouse, son, daughter, parent or next of kin (closest blood relative) covered servicemember during a single twelve (12) month period. The single twelve (12) month period begins on the first day the eligible employees takes military caregiver leave and ends twelve (12) months after that date.

A “covered servicemember” is:

- A member of the Armed Forces, including a member of the National Guard or Reserves, who is undergoing medical treatment, recuperation, or therapy, is otherwise in outpatient status, or is otherwise on the temporary disability retired list, for a serious injury or illness; or
- A veteran who is undergoing medical treatment, recuperation, or therapy for a serious injury or illness and who was a member of the Armed Forces, including a member of the National Guard or Reserves, at any time during the period of five (5) years preceding the date on which the veteran undergoes that medical treatment, recuperation or therapy.

A “serious injury or illness” means:

- For a member of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the member in the line of duty on covered active duty in the Armed Forces (or that existed before the beginning of the member’s covered active duty and was aggravated by service in the line of duty on covered active duty in the Armed Forces) and that may render the member medically unfit to perform the duties of the member’s office, grade, rank or rating; or
- For a veteran who was a covered servicemember of the Armed Forces, including a member of the National Guard or Reserves, an injury or illness that was incurred by the member in the line of duty on covered active duty in the Armed Forces (or that existed before the beginning of the member’s active duty and was aggravated by service in the line of duty on covered active duty in the Armed Forces) and that manifested itself before or after the member became a veteran

Definition of Serious Health Condition

A serious health condition means an illness, injury, impairment, or physical or mental condition that involves either:

- Inpatient care (i.e., an overnight stay) in a hospital, hospice, or residential medical-care facility, including any period of incapacity (i.e., inability to work, attend school, or perform other regular daily activities) or subsequent treatment in connection with such inpatient care; or
- Continuing treatment by a health care provider, which includes:
 - (1) A period of incapacity lasting more than three (3) consecutive, full calendar days, and any subsequent treatment or period of incapacity relating to the same condition that also includes:

- Treatment two (2) or more times by or under the supervision of a health care provider (i.e., in-person visits), the first within seven (7) days and both within thirty (30) days of the first day of incapacity; or
 - One treatment by a health care provider (i.e., in-person visit) within seven (7) days of the first day of incapacity with a continuing regimen of treatment (e.g., prescription medication, physical therapy); or
- (2) Any period of incapacity or treatment for a chronic serious health condition which continues over an extended period of time, requires periodic visits (at least twice a year) to a health care provider, and may involve occasional episodes of incapacity (e.g., asthma, diabetes, epilepsy). A visit to the health care provider is not necessary for each absence; or
- (3) A period of incapacity that is permanent or long-term due to a condition for which treatment may not be effective (e.g., Alzheimer's disease). Only supervision by a health care provider is required, rather than active treatment; or
- (4) Any period of incapacity to receive multiple treatments (including recovery from those treatments) for restorative surgery or for a condition that would likely result in a period of incapacity of more than three (3) consecutive full calendar days if not treated, such as cancer (chemotherapy) or kidney disease (dialysis);
- (5) Any period of incapacity because of pregnancy or prenatal care. A visit to a health care provider is not necessary for each absence.

For purposes of definition with respect to the military leave provisions, covered servicemember, covered veteran, serious health condition and serious injury or illness, the U.S. Department of Labor FMLA Final Regulations will be followed.

For purposes of definition of child, spouse, parent and next of kin, the U.S. Department of Labor FMLA Final Regulations will be followed. Note that son or daughter for a qualifying exigency leave may be of any age.

Employees with questions about what illnesses, injuries or conditions are covered under the FMLA Leave policy, or under any leave policy, are encouraged to consult with the Human Resources Manager.

Employee Responsibilities When Requesting FMLA Leave

If the need to use FMLA Leave is foreseeable, such as the birth or placement for adoption or foster care of a child, or planned medical treatment, the employee must give Hamblen County at least thirty (30) days' prior notice of the need to take leave. When thirty (30) days' notice is not possible, the employee must give notice as soon as practicable (i.e., the same day of learning of the need for leave or the next business day) except in extraordinary circumstances. Generally it should be practicable to provide notice for unforeseeable leave within the time established by Hamblen County's usual and customary notice requirements. Failure to provide timely notice may be grounds for delaying the start of, or denying, the FMLA leave and the employee's absences may be subject to Hamblen County's Absenteeism and Tardiness Policy.

When submitting a request for leave, the employee must provide sufficient information for Hamblen County to determine if the leave might qualify as FMLA leave, and also provide information on the anticipated date when the leave would start as well as the duration of the leave.

Sufficient information may include that the employee is unable to perform job functions; that a family member is unable to perform daily activities; that the employee is pregnant; that the employee or family members need hospitalization or continuing treatment by a healthcare provider; or the circumstances supporting the need for military family leave. Employees also must inform Hamblen County if the requested leave is for a reason for which FMLA leave was previously taken or certified.

Whenever possible, requests for FMLA leave should be submitted to Human Resources using the FMLA Employee Leave Request Form available from the Human Resources Department.

When an employee requests leave; Hamblen County will inform the employee in writing whether he/she is eligible under the FMLA within five (5) business days absent extenuating circumstances. If the employee is eligible, he/she will be given a written notice that includes details on any additional information he/she will be required to provide. If the employee is not eligible under the FMLA, Hamblen County will provide the employee with a written notice indicating the reason for ineligibility.

Hamblen County may require that a request for leave for a qualifying exigency be supported by a certification, i.e., copy of the covered military member's active duty orders or other documentation issued by the military, that the service member is on or has been called to active duty.

If the qualifying exigency involves meeting with a third party, Hamblen County may contact the individual or entity with whom the employee is meeting for purposes of verifying a meeting or appointment schedule and the nature of the meeting.

When an employee seeks leave due to a FMLA-qualifying reason for which Hamblen County has previously provided the employee FMLA-protected leave, the employee must specifically reference either the qualifying reason for leave or the need for FMLA leave.

Employees who take intermittent leave (in separate blocks of time due to a single health condition) for planned medical treatment have an obligation to make a reasonable effort to schedule such treatment so as to not unduly disrupt Hamblen County's operation.

Medical Certification

If the employee is requesting leave because of the employee's own or covered relation's serious health condition, the employee and the relevant healthcare provider must supply appropriate medical certification.

Certification of the serious health condition shall include the date the condition began, its expected duration; and the appropriate medical facts regarding the condition which are within the knowledge of the health care provider; and a statement why the employee is needed to care for an ill family member. For medical leave for the employee's own medical condition, the certification must also include a statement that the employee is unable to perform work of any kind or a statement that the employee is unable to perform the essential functions of her or his position.

Employees may obtain medical certification forms from the Human Resources Department. The employee must return the completed forms within fifteen (15) days or provide a reasonable explanation for the delay. If the employee provides at least thirty (30) days' notice of medical leave, he/she should also provide the medical certification before the leave begins.

If Hamblen County determines a medical certification to be incomplete or insufficient, Hamblen County must specify in writing what information is lacking, and give the employee seven (7) calendar days to provide the information unless seven (7) days is not practicable under the particular circumstances despite the employee's efforts.

Failure to provide requested medical certification in a timely manner may result in denial of leave until it is provided. Also, failure to provide requested documentation of the reason for an absence from work may subject the employee's absences to Hamblen County's Absenteeism and Tardiness Policy.

If the employee plans to take intermittent leave (in separate blocks of time due to a single health condition) or work a reduced schedule (reducing the usual number of hours worked per workweek or workday), the certification must also include dates and the duration of treatment as well as a statement of medical necessity for taking intermittent leave or working a reduced schedule.

Hamblen County may directly contact the employee's health care provider for verification or clarification purposes using a health care professional, an HR professional, leave administrator or management official. Hamblen County will not use the employee's direct supervisor for this contact. Before Hamblen County makes this direct contact with the health care provider, the employee will be given an opportunity to resolve any deficiencies in the medical certification. In compliance with the HIPAA Medical Privacy Rules, Hamblen County will obtain the employee's permission for clarification of individually identifiable health information.

Hamblen County may provide the employee's health care provider with the employee's attendance records and ask whether need for leave is consistent with the employee's, or the employee's family member's serious health condition.

In its discretion Hamblen County may require a second examination and medical opinion and periodic recertification at its own expense if it reasonably doubts the medical certification initially provided for a Basic FMLA Leave. If the first and second opinions differ, Hamblen County, at its own expense, may require another examination and the binding opinion of a third health care provider, approved jointly by Hamblen County and the employee.

While on leave, employees are requested to report periodically to Hamblen County regarding the status of the medical condition and their intent to return to work. Hamblen County will require recertification that supports the need for leave for a Basic FMLA Leave no more frequently than every thirty (30) days and only in conjunction with an FMLA absence and only when circumstances have changed significantly, or if Hamblen County receives information that casts doubt upon the employee's stated reason for the absence or if the employee requests an extension of her or his leave. Where the medical condition is a chronic or long-term condition certified to more than thirty (30) days, Hamblen County will wait for the minimum duration of the condition to expire before requesting a recertification. In all cases, Hamblen County will require

recertification every six (6) months in connection with an FMLA absence. Failure to provide requested certification within fifteen (15) days, except in extraordinary circumstances, may result in the delay, or denial, of further leave until it is provided.

Under the Basic FMLA Leave, Hamblen County may request a new medical certification each leave year for medical conditions that last longer than one (1) year. Such new medical certifications are subject to second and third opinions.

Use of Leave

Leave because of a serious health condition, or either type of family military leave may be taken intermittently (in separate blocks of time due to a single health condition) or on a reduced schedule leave (reducing the usual number of hours worked per workweek or workday) when medically necessary.

Spouses employed by Hamblen County are limited in the amount of family leave they may take for the birth and care of a newborn child, placement of a child for adoption or foster care, or to care for a parent who has a serious health condition to a combined total of twelve (12) weeks (or twenty-six weeks for leave to care for a covered servicemember with a serious injury or illness is used). Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt Hamblen County's operations.

An eligible employee is entitled to a combined total of twenty-six (26) weeks of leave for any FMLA-qualifying reason during the "single twelve (12) month period," provided that the employee is entitled to no more than twelve (12) weeks of leave for other types of FMLA leave.

This means, for example, that an eligible employee may take sixteen (16) weeks of FMLA leave to care for a covered servicemember and ten (10) weeks of FMLA leave to care for a newborn child during the "single twelve (12) month period." However the employee may not take more than twelve (12) weeks of FMLA leave to care for the newborn child during the "single twelve (12) month period," even if the employee takes fewer than fourteen (14) weeks of FMLA leave to care for a covered servicemember.

If leave qualifies as both military caregiver leave and FMLA medical leave to care for a family member with a serious health condition, it must be first counted as caregiver leave. It may not be counted as both caregiver leave and FMLA medical leave.

Leave for birth or care, or placement for adoption or foster care, must conclude within twelve (12) months of the birth or placement.

Leave may not be taken on an intermittent basis when used to care for the employee's own child during the first year of birth, or to care for a child placed with the employee for foster care or adoption, unless Hamblen County and the employee agree to such intermittent leave.

In the case of an employee using intermittent or reduced schedule leave, if an employee would normally be required to work overtime but is unable to do so because of an FMLA qualifying reason, the hours that the employee would have been required to work will be counted against the employee's FMLA entitlement.

While an employee is on an intermittent or reduced schedule leave, Hamblen County may temporarily transfer the employee to an available alternative position that better accommodates the recurring leave and which has equivalent pay and benefits.

Pay and Benefits During FMLA Leave

The provisions of this policy shall apply to all family and medical leaves of absence and shall be coordinated with other employment leaves and/or benefit plans or policies to which the employee may be eligible.

The employee must use any such other said paid leave, available for all or any part of the leave period. In other words, if an employee is entitled to vacation or paid leave under another company benefit plan or policy, the employee must take the paid leave concurrently with FMLA leave. The use of any paid leave does not extend the limitation for the basic family leave period (twelve (12) weeks) or the military family leave period (twenty-six (26) weeks).

During an approved family medical leave Hamblen County will maintain the employee's health benefits as if the employee continued to be actively employed and Hamblen County will pay its normal portion of health premiums.

While on paid leave Hamblen County will continue to make payroll deductions to collect the employee's normal portion of the premium as applicable. While on unpaid leave the employee will be required to pay her or his normal portion of the premium. The employee will be required to begin making this payment at the end of the month following the month that the leave begins. The employee will be required to make this payment in person or by mail. The payment must be received in the Human Resources Department by the 10th day of each month beginning with the month following the month the leave begins.

An employee's health coverage will cease if the employee's premium payment is more than thirty (30) days late. If the payment is more than fifteen (15) days late, Hamblen County will send the employee a letter to this effect. If Hamblen County does not receive the premium payment within fifteen (15) days after the date of that letter, the employee's coverage may cease.

In the event that an employee elects not to return to work upon completion of an approved, unpaid leave of absence, Hamblen County may recover from the employee the cost of any payments made to maintain the employee's coverage, unless the failure to return to work was for reasons beyond the employee's control.

Employees who are on an approved, unpaid leave of absence will not accrue vacation hours, and will not be eligible for holiday, funeral leave or jury or witness duty pay.

Expiration of FMLA Leave

If an employee is not able to return to work after the expiration of the granted FMLA leave and the employee has no paid leave available to use, a notice of COBRA coverage will be mailed to the employee within 30 days and a letter to the employee that he/she will not be covered under the County's Health Insurance plan until he/she can return to work.

Return to the Job at the end of FMLA Leave

Upon return from FMLA leave, the employee will be reinstated to her or his original job, or a position of similar status and pay, commensurate with her or his skills and qualifications.

The only exceptions include certain employees who hold executive positions within Hamblen County. Under specified and limited circumstances, where restoration to employment will cause substantial and grievous economic injury to our operations, Hamblen County may refuse to reinstate certain highly paid “key” employees after using FMLA leave during which health coverage was maintained. A key employee is a salaried, eligible employee who is among the highest paid ten percent (10%) of employees within seventy-five (75) miles of the work site.

Hamblen County will require a fitness-for-duty certification for certain jobs from the employee’s own health care provider certifying ability to return to work. The certification must be provided prior to return from a leave for an employee’s serious health condition. The certification must address the employee’s ability to perform the essential functions of the position. While there is no guarantee that a position can be provided which meets the restrictions, Hamblen County will seek to do so when practicable.

Additionally Hamblen County will require a fitness-for-duty certification up to once every thirty (30) days for an employee taking intermittent or reduced schedule FMLA leave if reasonable safety concerns exist regarding the employee’s ability to perform her or his duties based on the condition for which leave was taken. A return to work may be delayed or denied if the appropriate documentation is not provided in a timely manner.

An employee who fails to return at the conclusion of a FMLA leave, and has exhausted any applicable short term disability benefits, will be deemed to have resigned, no matter what the reason or circumstances, and will be terminated.

Hamblen County TEMPORARY COVID Emergency Sick Leave Policy for 2021

Hamblen County Commissioners approved this temporary policy to allow for emergency COVID paid sick leave to employees effective 1/1/2021 to 4/30/2021 and will be re-evaluated thereafter to determine whether to extend it. **Upon the April 2021 commissioner meetings the Hamblen County Commissioners approved to extend this policy through 06/30/2021 with no new hours added to employees’ COVID leave balances as of 4/30/2021.**

Each full-time county employee shall receive an amount of hours according to their regular work schedule of emergency sick leave to use if he/she is required to be quarantined for exposure to COVID. When the emergency leave time is exhausted, the employee shall use other leave he/she has accrued. If the employee does not have any leave available, the employee will not be paid for the missed work time.

Employees will be given paid time in respect to their normal hours per shift that they work. For example full-time employees that work 7.5 hour shifts will be given 60 hours, employees who work 12-hour shifts will be given 72 hours and regularly scheduled part-time employees will receive 30 hours of emergency sick time.

4.6 BEREAVEMENT LEAVE

In case of death in the employee's immediate family, the employee will be given 3 days paid leave which will not be charged to vacation leave. The employee shall receive his or her regular compensation based on his or her regular scheduled workday during bereavement leave. Paid funeral leave is for scheduled workdays, which normally fall between the day of the death and the day following the funeral. Additional time off without pay may be granted in certain situations.

Immediate family shall be defined as spouse, parent, step-parent, children, brothers or sisters, mother-in-law, father-in-law, grandparents, grandparents in-law, grandchildren of the employee and legal guardians or dependents. It also includes other relatives by blood or marriage if they are living under the same roof with the employee.

An employee who claims funeral leave may, at the discretion of his Elected Official or Department Head, be required to furnish confirmation of the death which may include an obituary notice or funeral home announcement.

4.7 PARENTAL LEAVE

Any employee who has been employed by Hamblen County for at least twelve (12) consecutive months as a regular full-time employee may be absent from employment for a period not to exceed four (4) months for adoption, pregnancy, childbirth, and nursing the infant. SECTION V

CODE OF CONDUCT

PURPOSE

The maintenance of high standards of honesty, integrity, impartiality, and conduct by Hamblen County employees is essential to assure the proper performance of Hamblen County business and the maintenance of confidence by the public in Hamblen County. These standards state the ethical and other conduct standards and responsibilities.

5.0 GENERAL STANDARDS OF CONDUCT

Employee must avoid any action that might result in or create the appearance of using public office for private gain, giving preferential treatment to anyone, impeding Hamblen County government efficiency or economy, making a Hamblen County government decision outside official channels, or eroding the public's confidence in Hamblen County government's integrity. Employees must be particularly careful that their personal interests and activities do not negatively impact or conflict with their Hamblen County duties.

Acceptance of Gifts, Entertainment, and Favor - Generally, an employee may not solicit or accept anything of monetary value, including gifts, gratuities, favors, entertainment or loans from any person who has a contract or is seeking to do business with Hamblen County, conducts operations or activities that are regulated by Hamblen County, or has interests that may be substantially affected by either the performance or non-performance of your official duties. Hamblen County does provide for the following exceptions:

Gifts, gratuities, favors, entertainment, loans or similar favors of monetary value that stem from a family or personal relationship when it is clear that it's the relationship, rather than the business of the person concerned that motivates the gift;

Loans from banks or other financial institutions on customary terms;

Unsolicited advertising or promotional material of nominal value such as pens, note pads, and calendars; and

Food or refreshments of nominal value, served on infrequent occasions, in the ordinary course of a luncheon or dinner meeting and only if you are properly in attendance and there is not a reasonable opportunity to pay, or if the food is offered to all participants attending the meeting or convention.

Use of Hamblen County Property for Personal Reasons – Hamblen County employees have a clear responsibility to protect and conserve county property and to obey all rules and regulations governing its use. Employees cannot directly or indirectly use or allow another individual to use county owned property for other than officially approved activities. This includes property leased to Hamblen County. Specifically, employees cannot:

Use franked Hamblen County envelopes to mail personal correspondence;

Use Hamblen County owned, leased, or rented vehicles for unauthorized purposes;

Use Hamblen County telephones to make personal long-distance telephone calls charged to a Hamblen County account;

Use computers, typewriters, word processors, copiers, and other office equipment for personal matters;

Use hand tools, shop equipment and heavy equipment either owned or leased for personal matters.

5.1 EMPLOYEE COURTESY

All county employees are encouraged to conduct themselves as follows:

1. Remember at all times that the citizens of Hamblen County are our ultimate employers. We must be courteous at all times to our employers.
2. Remember at all times the customer/citizen comes first. Do not make them have to wait on us, act promptly on their arrival and greet them with a smile and a kind word.
3. Our only product to sell is service. Most of our customers are required by law to be here and sometimes they are unhappy about it. Do not argue with them; just politely explain the law and facts. The customer's impression of our offices is based on you.
4. Work to get along with your fellow employees at all times. Remember that we all have good and bad days. A soured relationship between two employees affects the entire office.
5. Even though many of our records are public information, discussing office matters outside the office is not permitted.
6. Laughter and conversation make a happy office, but keep in mind that the customer may not understand office chatter and may think it is directed at him, her or other recent customers.
7. The dress code is up to each individual Department Head or Elected Official, but dress appropriately at all times. If you have a question as to the appropriateness of an outfit, **DO NOT WEAR IT.**
8. We all make errors and mistakes, but if you make one, try to correct it immediately and let your Department Head or Elected Official know of the problem.

9. We certainly cannot and do not want to dictate off-the-job activities but bear in mind that as public employees we are held in a special light. Off-the-job activities do reflect on the offices and the respective Department Heads and Elected Officials. Any employee found to be engaging in any type of unlawful conduct will be subject to disciplinary action, up to and including termination of employment.

5. 2 ATTENDANCE POLICY

Hamblen County's expectation in the area of employee attendance is that people come to work each day, on time. We realize, however, that there may be occasions in a person's life when they develop legitimate problems that result in them missing time from work.

When employees develop problems with respect to their attendance, these problems will be addressed with the employee. It is important to note, however, that if employees demonstrate that they cannot or are not willing to come to work on a regular basis, then they will be subject to discharge from employment.

When you are absent for any reason that has not been previously approved by your supervisor, you must call in and speak with your supervisor prior to the time for your shift to start. A doctor's excuse can and will be asked for if the situation warrants.

5.3 DRESS CODE

It is expected that all Hamblen County employees will report to work dressed appropriately for their specific job.

Department Managers and/or Elected Officials will instruct employees as to the acceptable clothing for their area. Some departments require standard uniforms. Other departments require clothing appropriate for interaction with the public.

6.2 DEFINITIONS OF DISCIPLINARY ACTIONS

Reprimand

Oral Reprimand - When an employee commits a violation of company policy, makes a minor mistake, exhibits poor judgment etc. and the result has only minor negative consequences, the supervisor should have a meeting with the employee to reach an understanding about cause of the offense, offer assistance, and establish a plan for corrective action. The Supervisor should briefly document the oral reprimand in the employee's file maintained by the supervisor.

Written Reprimand - When an employee commits a more serious violation of company policy and/or makes a mistake and the result of this action has more serious negative consequences, a written reprimand is appropriate. A supervisor should proceed to a written reprimand when an oral reprimand fails to achieve improved behavior or when the initial offense is serious enough to warrant this action. The written reprimand documents the nature of the offense, efforts made previously to correct the problem (if applicable) and warns of the consequence of failure to correct the behavior. The Hamblen County Disciplinary Action Form is signed by the Elected Official or Department Head. A copy of the reprimand is placed in the employee's Human Resources file. The employee has the right to offer a written response to be attached to the reprimand in his/her Human Resources file.

Suspension

A supervisor may suspend an employee for repeated or very serious violations of Hamblen County's policies and procedures. The length of the suspension should be relevant to the nature of the offense and the employee's employment history at Hamblen County. A suspension may follow earlier disciplinary action or may be used when a particular incident in and of itself is serious enough to warrant the action.

An employee may be suspended from duty **without pay** for a period not to exceed **three working days** for disciplinary reasons.

An employee may be suspended from duty **with pay** pending investigation of charges where the presence of the employee at work constitutes a hazard to the employee himself/herself, the agency, the public, and/or other employees.

Demotion

Demotion is the re-assignment of an employee to a classification in a lower skill level of the Pay Plan.

An employee may be demoted when his/her job performance is unsatisfactory and all efforts to bring the employee's performance to a satisfactory level have failed.

An employee may be demoted for disciplinary reasons when an employee's behavior is deemed to be serious misconduct.

Dismissal

An employee who gives unsatisfactory service or who is guilty of any substantial violation of Hamblen County's policies and procedures shall be subject to dismissal at the will of the employer. Dismissal may be the culmination of a series of events for which disciplinary actions have been taken. Dismissal may also be the result of a single event that is serious enough to warrant immediate termination including engaging in any unlawful conduct.

6.3 DISCIPLINARY ACTION PROCEDURE IN EVENT OF VIOLATIONS OF HAMBLLEN COUNTY'S POLICIES AND PROCEDURES

Employees will be subject to disciplinary action if they violate any Hamblen County policy and/or procedure. The type of action taken must be determined in relation to the specific violation according to Section VI: Disciplinary Action.

All applicable laws, regulations, and procedures will be followed when disciplinary action is taken. In addition, violations of Federal criminal statutes may subject the violator to criminal prosecution.

An employee is responsible for reporting to his supervisor any violation of law and Hamblen County policies and procedures committed by another employee when he/she has knowledge of such activities. If the violation is committed by the employee's supervisor, the report should be filed with the next official in the chain of command.

Disciplinary Authority

A supervisor should recommend disciplinary action that is appropriate given the severity of the employee's violation. While an employee may be given an opportunity to improve his/her job performance following a violation, the application of progressive disciplinary action is not required prior to dismissal. An employee may be dismissed immediately for a single event that is serious enough to warrant this action.

Written Documentation

All disciplinary actions, except oral reprimands, must be documented in writing on a Hamblen County Disciplinary Action form. Oral reprimands should be documented informally as a note in the employee's file maintained by the supervisor. Disciplinary Action forms are available from the County Mayor's Office. The Disciplinary Action form shall include the name of the employee subject to the action, description of the violation, statement of prior warnings,

description of recommended disciplinary action, specific plan for improvement, list of assistance offered, date of employee and supervisor signatures, and a statement of what further action may be necessary. The supervisor shall meet with the employee and review the information with the employee. The employee shall sign the Disciplinary Action form indicating receipt of information. The supervisor shall sign the form and forward it to the Human Resources Manager.

An employee will not be paid for this meal break.

A "no work period" may be declared by an Elected Official or Department Head for that particular office. If you are absent on previously vacation or sick leave when a "no work period" is officially declared, you will be charged with vacation or sick leave.

7.3 HOUSEKEEPING

Care in handling equipment will help avoid unnecessary losses. Employees are not allowed to remove any equipment from his or her office without the prior approval of the employee's Elected Official or Department Head.

Wherever a Hamblen County employee works, the way an employee handles and maintains the equipment assigned to him or her reflects the quality of his or her work in general and certainly bears on the opinions formed by the public.

7.4 VISITORS and NON-EMPLOYEES on COUNTY OWNED PROPERTY

Visitors, vendors, and other non-county employees are to be escorted by a Hamblen County employee at all times during regular working hours when they are in non-public spaces and private offices.

Under no circumstances are visitors, vendors, and other non-county employees to be allowed access to offices containing sensitive and/or confidential information without the presence of a properly designated Hamblen County employee.

Visitors, vendors, and other non-county employees are not to be on Hamblen County property or in private offices during non-working hours.

Additional security procedures will be implemented as needed based on departmental needs.

Various methods of identification may be adopted to ensure that only authorized individuals are admitted access to Hamblen County property beyond those areas open to the public. These methods may include employee identification badges or technologically controlled entrance devices.

7.5 VEHICLE USE POLICY AND GUIDELINES

POLICY

It is the policy of Hamblen County Government to provide vehicles necessary for the performance of Hamblen County business and to control all aspects of vehicle ownership and usage to ensure safe, effective, and cost-efficient operations.

As fiscal agent, the Hamblen County Mayor has legal authority and control over all vehicles purchased, maintained, repaired and used by all (non-fee basis) operating entities of Hamblen County Government. The guidelines, which follow, are intended as general requirements and more specific requirements may be established by other elected officials/department heads (i.e. pursuit policies for Sheriff's Department, etc.). Revisions may be made to this policy when deemed by the County Mayor to be in the best interest of the County.

It is the responsibility of the Elected Officials, Directors, and Department Heads to assure their employees comply with vehicle operating guidelines and to assure that all decisions relating to the operation of County owned vehicles are in the best interest of the taxpayer. This includes the determination of which employees and tasks require the assignment of a County vehicle; selecting proper vehicle types and equipment; ensuring that all vehicles are maintained and used properly; and fiscal budgeting for acquisition, maintenance, and use.

Use of a County vehicle is a revocable privilege, which accrues to a job position and not to a specific employee. Employees may lose the use of a vehicle when their cognizant management official, together with the County Mayor, decides this is in the best interest of the County. This may result from abuse or failure to maintain a vehicle properly; violation of vehicle use

guidelines; unsafe operation and/or occurrence of preventable accidents; change in job position or duties, etc.

Any County employee who will be driving a county vehicle on or off duty or driving his or her own vehicle while on duty and in the furtherance of County business shall have a valid driver's license, shall be insurable under the County's vehicular liability insurance coverage, and shall follow all Tennessee statutes, rules and regulations relating to the operation of motor vehicles. County employees shall be responsible for immediately informing their department heads of any change in the status of their driver's license during their employment with the County. Failure to maintain a valid driver's license, failure to be uninsurable under the County's vehicular liability insurance coverage or failure to keep the County apprised of any change in the status of one's driver's license may be grounds for disciplinary action including termination of employment.

The Hamblen County School System is not party to these policies and guidelines.

GENERAL GUIDELINES

Vehicle Use: The primary purpose for the ownership and operation of vehicles by Hamblen County is to enable the performance of job duties by its employees; and vehicles may be used only for legitimate County business purposes. Personal use, except as defined in Commuting Privileges is strictly prohibited.

Identification: All Hamblen County vehicles shall be marked to ensure that they can easily be identified as belonging to Hamblen County. This includes government issued license plates, a vehicle control identification number, and a County decal placed in a manner prescribed by the County Mayor. All new vehicles purchased shall be basic white, except in those cases where availability by bid dictates otherwise. The only exceptions to identifying vehicles as described above shall be:

- Undercover vehicles operated by the Sheriff's Department
- Vehicles assigned to the use of Elected Officials, Directors, and Department Heads at the discretion of the cognizant Elected Official
- Certain other vehicles at the discretion of the Elected Official/Department Head (such as prisoner transport vehicles where identification may have a negative impact).

Titles and licensing of County vehicles shall be processed by the office of the cognizant Elected Official/Department Head.

Acquisition and Disposal of Vehicles: All Hamblen County vehicles shall be purchased through the Hamblen County Purchasing Agent after the fiscal budgeting and review process. The Purchasing Agent will purchase vehicles based on specifications provided by the Elected Official/Department Head and approved by the County Mayor. Transfers of vehicles between operating departments must be approved by the County Mayor. Disposition of County vehicles will be accomplished by the County Commission's Finance Committee according to State guidelines.

Two-Way Radios: Mobile radios and telephones are subject to the fiscal approval process as described for vehicle acquisition. They shall be mounted as non-destructively as possible.

Conveyance of Non-County Human Resources: The operation by or conveyance of non-county Human Resources in a County vehicle is prohibited except as required by legitimate County business purposes.

Operator Responsibilities: All operators of County vehicles must have a valid Tennessee Driver's License, appropriate to their vehicle usage classification. If at any time the license is revoked, suspended, cancelled, restricted or otherwise invalidated, the employee must immediately notify the cognizant Elected Official/Department Head and must be suspended from operating any County vehicle. It is the responsibility of the Elected Official to perform periodic license and driving record checks for their employees who operate County vehicles and check these before hiring a new employee who will be driving a County vehicle.

Seat Belts and Safety Devices: The vehicle operator (driver) is responsible for ensuring that all vehicle safety procedures and devices are utilized in full compliance with all applicable State and Federal laws. Use of seat belts and other required safety devices is mandatory for both the operator and any passengers. The operator may refuse to transport any passengers who fail to comply. Removal or disabling of vehicle safety devices is prohibited. Employees should understand also that under Tennessee Workers' Compensation Law, willful failure to use provided safety devices may affect their rights to workers' compensation benefits.

Operation: Employees driving Hamblen County vehicles shall operate them in a safe, lawful, efficient and courteous manner and shall obey all traffic laws, parking regulations and rules of the road. Traffic and parking violations are the operator's responsibility and may result in disciplinary action when warranted. Common sense security precautions and good driving habits shall be observed.

Safety Issues for Cellular Phone Use and Distracted Driving: Employees are expected to follow Tennessee State Law and to keep safety as their first consideration. Regardless of the circumstances, including slow or stopped traffic, employees should never text or read a text while operating a County Vehicle or while operating his/her own vehicle while on duty. Employees are strongly encouraged to pull off to the side of the road and safely stop the vehicle before placing or accepting a call. If acceptance of a call is unavoidable and pulling over is not an option, employees are expected to use hands-free options, keep the call short and refrain from discussion of complicated or emotional issues and keep his/her eyes on the road. Special care should be taken in situations where there is traffic, inclement weather or the employee is driving in an unfamiliar area. Distracted Driving is undertaking any activity that distracts the drivers' focus from driving responsibly.

ALCOHOL AND DRUG POLICY (as related to Vehicle usage)

The county employee handbook (Section 1.4) states that "Unauthorized possession, consumption or sale of alcohol or illegal drugs on County property" is grounds for immediate termination.

Employees should be clear in the intent of this policy and perhaps a few points should be clarified. Alcohol and illegal drugs are not permitted on any County property. This includes all offices and other facilities including County parking lots (including employee vehicles in County lots) and in all County owned vehicles themselves. Possession of alcohol or illegal drugs inside County vehicles for any length of time or for any purpose is a violation of this policy. The only

exception to this policy would be the conveyance of contraband with the prior authorization of law enforcement agencies.

This policy also should be understood to prohibit the reporting to work of employees under the influence of any intoxicating substance. Hamblen County reserves the right to require drug testing of any employee when it is reasonable under the circumstances to suspect that the employee is using, or will use, is under or will be under the influence of such intoxicants. This also includes misuse or unauthorized use of prescription drugs. County employees who drive County vehicles or who work in positions which could affect the safety of themselves, other employees, and/or the public are advised that they must report the use of prescription drugs which may affect their ability to their supervisor prior to reporting to work.

Hamblen County may test all perspective new hires for drugs and alcohol and additionally may require such testing for employees transferred into positions where drug or alcohol use may adversely affect other employees, wards, or the public.

MAINTENANCE

- I. **Preventive Maintenance**: It is the responsibility of the operator and the cognizant Elected Official/Department Head to ensure that vehicles are properly maintained. This is important for both safety and economy reasons. It has been proven that preventive maintenance can extend the life of a vehicle on the average of 25%. County vehicles shall be serviced at regular intervals of 5,000 miles. Service at these intervals includes oil and filter change and lubrication plus a general safety inspection that includes a tire wear check. Operators should make mechanics aware of any operating problems as they occur. It is the responsibility of the operator to ensure that all preventive maintenance is scheduled and performed. Failure to have preventive maintenance performed as indicated may result in having the computerized fueling system inactivated for the driver and vehicle. Failure to maintain a vehicle properly also may result in action being taken by the cognizant Elected Official/Department Head, which may include denial of the privilege of using a County vehicle.
- II. **Service Problems**: The operator is responsible for notifying the County Mayor's Office of any service problems encountered while operating the vehicle. The County Mayor's Office shall determine warranty status if any and shall coordinate all warranty, extended warranty, and recall work. All service work except emergency repairs should be scheduled in advance. Service work will be reported monthly to the cognizant Elected Official/Department Head.
- III. **Accident Damage Repair**: All accidents must be properly reported as is described in the section entitled "Vehicle Accidents and Damage to County Vehicles." The County Mayor's Office is responsible for determining whether repairs will be done in-house or contracted out. Vehicles that may still be driven will be scheduled for body damage repair as soon as possible. The County Mayor's Office must decide on the safety of any damaged vehicle if it is being used until repaired. Damage repairs will be reported to the cognizant Elected Official/Department Head.

- IV. Fueling: Hamblen County Government utilizes the “Fuelman” system as determined by State bid. Fueling stations are accessed by a computerized card activated system. During the fueling process, no smoking is allowed, and the vehicle must have the ignition shut off. Gasoline may not be pumped into any container and no vehicle, except authorized service vehicles, may carry containers of fuel. Operators are prohibited from using any fuel source other than the fueling stations. No gasoline or fuel may be used for personal reasons nor may they be used as a cleaning fluid. Fuel use is tracked, and closely monitored and monthly reports are sent to the cognizant Elected Official/Department Head.
- V. Vehicle Cleanliness: The operator is required to maintain a clean and presentable vehicle, inside and out. The County maintains a contract with a local car wash to provide this service.

VEHICLE ACCIDENTS AND DAMAGE TO COUNTY VEHICLES

In the event of accidents involving County vehicles or other damage to County vehicles the following reporting procedure applies. It is the supervisor’s responsibility to see that each driver is properly trained in these procedures. The procedure list shall be kept in the glove box of each Hamblen County vehicle.

HAMBLEN COUNTY GOVERNMENT **VEHICLE ACCIDENT REPORTING PROCEDURES**

1. It is important to get all necessary information while at the accident scene to properly complete the accident report (WRITE IT DOWN!!!). The following information is important!
 - a. Location of accident – names of the streets
 - b. Name, address, phone # (home & work) of another driver(s).
 - c. Name, address, phone # of other driver’s insurance company
 - d. INJURIES: Get name, address, phone # (home & work) of all injured persons, describe the injury, and where the injured was taken, if known.
 - e. WITNESSES: Get name, address, phone # (home & work) of all witnesses
 - f. SCENE DESCRIPTION: Observe the accident scene for length and location of skid marks, debris, scuff or gouge marks on pavement, slick spots, etc. (measure or step-off length of skid marks).
 - g. Get make, year model, and describe damage to all involved autos and where taken.
 - h. Do NOT admit liability.
Do NOT say you could have avoided the accident
Do NOT discuss what you did in the accident with anyone at the accident scene except the investigating officer or your supervisor.
 - i. Call the appropriate LAW ENFORCEMENT AGENCY.
2. Report promptly to your supervisor.
3. Bring or fax the Accident Report Forms (obtained at the Morristown Police Department, Hamblen County Sheriff’s Department or Tennessee Highway Patrol) to the County Mayor’s Office.
4. Contact HR or Risk Management.

5. Arrange for drug test if at fault.

Vehicle Accident Reviews: All accidents involving Hamblen County vehicles will be reviewed monthly by the Hamblen County Safety Committee. The Hamblen County Safety Committee will attempt to determine the cause of the accident and whether it was preventable or non-preventable by the operator. The results will be reported to the County Mayor and the cognizant Elected Official/Department Head who may take whatever action is deemed necessary to prevent similar accidents in the future, including but not limited to disciplinary action, mandatory driver training, loss of use of a County vehicle, etc. All accidents involving a County vehicle shall be forwarded in summary report to the County Mayor and the Elected Official/Department Head.

Completion of Driver Safety Course: Hamblen County may require employees to participate in a Driver Safety Course. Participation may be made mandatory for employees whose driving record may be judged by the County Mayor and/or cognizant Elected Official/Department Head to warrant this training. This includes drivers who regularly transport passengers, drivers who operate heavy trucks and/or highway equipment, and drivers who are involved in accidents that are judged to be preventable. Driver Safety Courses may also be mandated in lieu of, or in addition to, disciplinary action taken because of documented instances of unsafe driving habits.

Out of State Driving: The driving of county vehicles out of state should be held to a minimum since governmental tort liability protection does not apply out of state. It is preferred that Hamblen County employees traveling out of state on County business use their own private vehicle and obtain mileage reimbursement. The County does have vehicle insurance for out of state driving where the use of a County vehicle for this purpose is necessary and has been approved by the cognizant Elected Official/Department Head.

Supplemental “Non-Owned” Auto Insurance Coverage: The Tennessee Governmental Tort Liability Act states that to the extent that a county would be held liable in an automobile accident, that the county employee is immune if the employee is within the scope of his or her employment at the time of the accident. It has not been determined whether the individual employee could be held personally liable for amounts above the government’s liability under the act.

After July 1, 2007, the limit to which Hamblen County could be held liable under this act is \$300,000 for any one person or \$700,000 for any one accident or \$100,000 for the injury or destruction to property in one accident.

There is available individual non-owned vehicle liability insurance coverage that can be purchased from the employee’s own insurance company to protect the employee in the event of an excessive judgment while driving a Hamblen County vehicle. It is not required that you purchase this coverage. This is to advise that this coverage is available from most auto insurance companies at very economical rates and each employee should decide if they wish to purchase such coverage.

Commuting Use of Hamblen County Vehicles: It is the policy of Hamblen County Government to fully comply with all Internal Revenue Service (IRS) requirements pertaining to the commuting use of County vehicles. There are three alternative categories contemplated by

IRS under which a County vehicle may be used for commuting purposes. Each is described as follows:

Category I – Special Rule

The “**special rule**” of the IRS shall be used in most instances of drive-home vehicle use. The following requirements must be met to remain in compliance and are mandatory for employees who are subject to this “special rule”:

- a. For bona fide non-compensatory business reasons, the County requires an employee to commute to and from work in an assigned vehicle. This includes all employees who drive directly to or from work sites that may vary from day to day and to employees who are key County employees who are required to be on call and to report if needed at any time.
- b. A County vehicle used for commuting may not be used for any personal use other than commuting and “de minimus personal use.” “De minimus personal use” shall have the meaning defined by IRS rules and regulations and shall generally include only stops for personal errands between business and business stops and the employee’s home. County vehicles shall not be used to haul personal materials or supplies which are heavy, bulky, or which may result in damage to the vehicle. Failure to comply with the policy on commuting use of vehicles may result in revocation of commuting use privileges and may result in further disciplinary action.

Category II – “Control Employees”

The IRS defines “control employees” as Elected Officials/Department Heads or employees whose income exceeds \$151,700 per year. These employees are further defined as those who have more liberal personal use of a County vehicle which has been assigned to their usage, at least partially, as a fringe benefit or their employment. Control employees must assist in the keeping of adequate mileage records as required by the County Finance Department.

Category III – Exempt Vehicles

Employees commuting in “exempt vehicles” are not subject to any reporting of commuting use as taxable income. The same guidelines for personal use apply as under the “special rule”; but commuting is excluded from gross income if there is a bona fide business reason that the employee is taking the vehicle home. Exempt vehicles include:

- a. Clearly marked police and fire vehicles. (Insignia and some type of light bar is necessary as a minimum requirement).
- b. Unmarked but designated undercover law enforcement vehicles. The Sheriff and the County Mayor shall make any final determinations as to qualifications under this subcategory.
- c. Vans and trucks with a loaded gross weight of more than 14,000 pounds and trucks and vans of less than 14,000 pounds of the following special conditions are met:
 - i. has a hydraulic lift gate, or
 - ii. has permanently installed tanks or drums, or
 - iii. has permanently installed side boards or panels materially raising the level of the sides of the bed, or
 - iv. has other heavy equipment (such as an electric generator, welder, hook, or crane used to tow other vehicles)

OR

the truck is clearly marked as described above, is used primarily for transporting a particular type of load other than over the public highway in connection with a construction, manufacturing, processing, farming, mining, drilling, timbering, or other similar operation, and has been specially designed or modified to a significant degree for such use.

OR

the van is clearly marked as described above, has a seat only for the driver and one other person, and:

- i. has either permanent shelving that fills most of the cargo area, or
- ii. the cargo area is open and the van constantly (during both working and nonworking hours) carries merchandise, material or equipment used in the County's business.

OR

the van or pickup truck, based upon the facts, satisfied requirements like those described above. In such cases, the IRS local district director should be contacted for further guidance.

Commuting Restrictions: County vehicles may be used for commuting purposes only when the commuting residence is inside County limits.

County vehicles used for commuting shall not be used for "car pool" purposes nor shall passengers (employee or non-employee) be regularly carried for non-business-related reasons without the consent of the cognizant Elected Official/Department Head and the County Mayor.
