Re: Appointment to E-911 Emergency Communications Board

The E-911 Emergency Communications Board has a vacancy caused by an unusual situation.

Board member Mark Hickman, Chief of the West Volunteer Fire Department, has a record of attending most if not all the E-911 Board meetings through the many years he has served, but he missed more than half of the meetings during 2021 because of a company COVID policy that would not let him leave work to attend the meetings and then return to work the same day

Therefore, Chief Hickman was removed from the board in December because he did not meet the attendance requirement for an E-911 Board as stated in TCA 7-86-314 (see attachment).

At Board Chairman Robert Laney's request, I am recommending that Chief Hickman be reappointed to the board to finish the term that expires August 31, 2022. Chief Hickman is a valuable asset to the E-911 Board and its service to our public safety agencies.

Do not hesitate to contact me with any questions.

Hon. Bill Brittain

Morristown, Tennessee 37814

County Mayor Brittain –

In 2017, Tennessee Code Annotated §7-86-314, Title 8, Chapter 44 was amended relative to members of boards of directors for emergency communications districts.

This amendment, passed by the Tennessee General Assembly and signed by the Governor, states:

- (a)(1) Effective July 1, 2017, any member of the board of directors of an emergency communications district with four (4) consecutive unexcused absences or who fails to attend at least fifty percent (50%) of regularly scheduled meetings within any twelve-month period shall automatically be removed from the board.*
- (2) Upon removal of a member pursuant to this subdivision (a)(1), the chair of the board of directors or acting chair shall notify the appointing authority in writing that a member has been removed and that a vacancy exists on the board. A successor shall be appointed to serve the remainder of the term of the member being replaced.*

As Chairman of the Hamblen County ECD Board of Directors, and in compliance with the above stated statute, please be advised that a vacancy exists on the ECD Board. Chief Mark Hickman is removed from the Board pursuant to this law. I respectfully request that an appointment be made to fill this unexpired term, ending 31 August 2022.

Respectfully,

RESOLUTION 22-01

A JOINT RESOLUTION OF THE COUNTY LEGISLATIVE BODY OF HAMBLLEN COUNTY, TENNESSEE AND THE CITY OF MORRISTOWN, TENNESSEE REQUESTING THE STATE OF TENNESSEE TO KEEP THE SWIMMING POOL AT PANTHER CREEK STATE PARK OPEN

WHEREAS, Panther Creek State Park is one of 56 state parks in Tennessee that attract millions of visitors from throughout the United States every year to enjoy hiking, camping, boating, swimming and many other outdoor activities; and,

WHEREAS, state parks play a key role in making tourism the third leading industry in Tennessee generating millions of dollars' worth of economic activity for their communities; and,

WHEREAS, the swimming pool at Panther Creek State Park has offered park visitors and the Lakeway Region a public place to swim with family and friends and to enjoy other park amenities for 36 years and is the only public pool in operation in Hamblen County ; and,

WHEREAS, the Tennessee Department of Environment and Conservation (TDEC) announced in December 2021 its plans to close the swimming pools at 11 state parks including the one at Panther Creek State Park citing declining usage, cost to repair the pools and cost of operation for a seasonal activity; and

WHEREAS, many park patrons, such as members of Friends of Panther Creek State Park, and local leaders disagree with the state's decision and want state officials to consider options to keep the pool open because of its value to park visitors and the community;

NOW THEREFORE, BE IT RESOLVED by the members of the Hamblen County Commission and Morristown City Council, with the support of State Representative Rick Eldridge and State Senator Steve Southerland, that Tennessee state park officials reverse their decision to close the pool at Panther Creek State Park and choose to keep it open with possible changes to its operation to make it more accessible for public use.

BE IT FURTHER RESOLVED that certified copies of this resolution are mailed to the offices of Governor Bill Lee, TDEC Commissioner David Salyers and Deputy Commissioner for Parks and Conservation Jim Bryson.

Adopted this 20th day of January, 2022.

PRESS RELEASE

January 5, 2022

For Immediate Release

The mayors of Morristown and Hamblen County announced today plans to introduce a joint resolution to their legislative bodies strongly urging the State of Tennessee to reverse its decision to close the swimming pool at Panther Creek State Park and to start discussions with local leaders about other options.

The state's Parks and Conservation Bureau announced in December plans to close the swimming pools at 11 state parks, including the pool at Panther Creek State Park. Hamblen County Mayor Bill Brittain said the decision was made without input for local elected officials or park supporters.

"The swimming pool at the park is the last public pool in operation in Hamblen County," Brittain said. "It attracts about 9,000 visitors a year and is a significant attraction during the summer months. We want state parks officials to keep the pool open and lengthen its season so it will get more use."

The swimming pool at the park has been closed the last two summers because of the COVID pandemic, and state officials say it needs repairs that will cost about \$580,000. They say it also costs about \$45,000 more to operate than it generates in revenue each season.

"The park's swimming pool is a valuable asset for our community," Morristown Mayor Gary Chesney said. "The state announced recently that it has more than a billion dollars in reserves so they should use some of the money to make the repairs and keep the pool in operation."

State parks officials have allocated \$400,000 to develop another swimming option using Cherokee Lake or to develop other recreation options. Public input is currently being solicited by the Parks and Conservation Bureau.

The Park is located within Hamblen County Commissioner Eileen Arnwine's district. "The state park attracts visitors from several states as well as throughout East Tennessee," she said. "The pool needs to stay open to continue generating tourism related business for our county."

The mayors said the joint resolution will be presented the Morristown City Council and Hamblen County Commission during their January meetings and sent to Governor Bill Lee and the state parks commissioner after it's adopted.

**TENNESSEE STATE PARKS TO INVEST FUNDS, SEEK VISITOR INPUT
AT 5 AREA PARKS FOR YEAR-ROUND OUTDOOR RECREATION OPTIONS**

NASHVILLE – Tennessee State Parks will seek input from visitors of five parks in Upper East Tennessee in meetings beginning Dec. 13 to discuss replacement options for swimming pools currently at those parks.

Parks officials announced that swimming pools will not reopen at David Crockett Birthplace State Park, Roan Mountain State Park, Warriors' Path State Park, Panther Creek State Park and Cove Lake State Park. The swimming pools were closed in 2020 and 2021 due to complications related to COVID-19. Reopening the pools is unfeasible due to aging facilities, declining visitation pre-COVID 19 and high expenses. Tennessee State Parks has allocated \$400,000 for each park to invest in new outdoor recreation activities. State parks officials encourage Tennesseans to voice their opinions on options for alternative, year-round outdoor recreational operations at each park.

"The swimming pools at these parks require major maintenance upgrades while usage continues to decline. We believe it is unfair to Tennessee taxpayers for the state to continue to invest in these swimming pools with rising costs and declining visitation," Jim Bryson, deputy commissioner of the Tennessee Department of Environment and Conservation, said.

"Fortunately, the Tennessee General Assembly has been very supportive of the parks in recent years, which has allowed us to allocate funding for options that are more fiscally responsible to taxpayers and that visitors can enjoy year-round. We first want to hear from visitors of the parks about what they would prefer and use."

The funds for each park will go to options that can be used throughout the year. Swimming pools, in contrast, operate only 70 days each year.

At David Crockett Birthplace State Park, the pool is 46 years old, and visitation is down.

At Roan Mountain State Park, the pool is 41 years old, and visitation is down.

At Warriors' Path State Park, the pool is 59 years old, visitation is down, a public pool exists nearby, and swimming in the lake is available.

At Panther Creek State Park, the pool is 36 years old, visitation is down, lake swimming opportunities exist, and a public splashpad is five miles away.

At Cove Lake State Park, the pool is 72 years old, and visitation is down.

Anyone may attend the following meetings:

Monday, Dec. 13 – David Crockett Birthplace State Park, 5-6 p.m., Limestone Ruritan, 121 Limestone Ruritan Rd., Limestone 37681

January 7, 2022

The Honorable Bill Lee, Governor
State Capital, First Floor
600 Dr. Martin Luther King, Jr. Dr.
Nashville, TN 37243

Dear Governor Lee,

Panther Creek State Park appreciates over 580,000 visitors a year. It is the lynchpin of the Morristown/Hamblen County area's tourism assets, as well as a much-loved amenity for the residents of Hamblen County. Many of those visitors are in town to compete in the countless trail runs, ultramarathons, mountain bike and cycling races, and disc golf tournaments that utilize the park. Pre-COVID, these visitors enjoyed cooling off in the pool following their competitions. We have heard of and fully understand a decline in daily attendance as assets aren't maintained, their appearance and appeal decline which directly reflect the decline in attendance.

As the area's destination marketing organization, the Morristown Area Chamber of Commerce stands with the Hamblen County Commission and Morristown City Council in requesting the Panther Creek State Park swimming pool be repaired and remain open. We would also love to see continual investment and funding similar to other state parks that have been highlighted for a state investment for over \$40,000,000 just this past month. If our State, County, and park system is to remain a tourism asset and highlight, we fully support maintaining those assets as the state has previously committed in their designs and plans when designed and presented to our community.

Very truly yours,

Marshall Ramsey
President

At **2,500 signatures**, this petition is more likely to get picked up by **local news!**

in the park. As I said to officials present at the gathering on December 20, it's neither safe nor reasonable to expect young mothers, for example, to pack their small children, lawn chairs, coolers, life vests, etc, and hike back into the woods a mile just for access to lake water. **WE NEED A POOL!**

The pool is a place to offer swimming lessons, which obviously can't happen at a splash pad. Full water submersion is liberating for the disabled, crippled, and others with physical limitations as they are able to move freely in a body of water. And unlike the lake, if a child or adult gets in trouble, it's easier to spot them in the clear waters of a blue pool than the deep, murky green waters of the lake with its hidden currents. The pool promotes physical exercise and outdoor experiences, both severely lacking in our society and our hometown.

Let's come together and make our voices heard. This is OUR park. This is OUR money. This is OUR pool. Roll up your sleeves with me, dig in your heels and sign this petition to fight the state on this terrible decision. This will affect our community for generations to come, so think longterm. Think of your children's children, and great-grandchildren. The "official" cut-off date for public input is January 19, 2022, but emails can be sent directly to state officials now and even after January 19. But we **MUST ACT** to reverse the state's decision to permanently close our pool!

Click on the link below to make your comments known directly to the State of Tennessee. Additional emails for state representatives are listed further below for your convenience. I love this great state and this park, but closing this pool would be a travesty.

REQUEST: Rezoning from R-1 to A-1 for Antique Store

A request to rezone has been submitted by Gary and Rachel Mitchell for their property located at 2801 Boatman's Mountain Road. They have asked their property be rezoned from R-1 (Single Family Residential) to A-1 (Agriculture and Forestry).

The half-acre site sits at the intersection of Noe's Chapel Road with Boatman's Mountain Road. It appears to have been improved in the early 1980's with a 1,200 square foot structure. This building has remained empty for many years.

The site is surrounded by R-1(Single Family) zoning to the north, south and west, with single family and vacant land uses. Across Boatmans' Mountain road to the northeast is a church which is zoned A-1.

Hamblen County A-1 uses include neighborhood convenience stores, car washes, and airports. All of these uses by right would have heavy impacts to the surrounding properties as well as Noes Chapel and Boatmans Mountain Road. An antique store would have far less traffic than any of the uses listed; therefore Staff would ask the Planning Commission to send a recommendation for approval of this request to the Hamblen County Commission.

RE: Fiscal Year 2022-2023 Preliminary Budget Plan of Action Memo

Anne Bryant-Hurst, Finance Director and I present the following preliminary plan of action for the upcoming FY 2022-2023 Budget Plan. We look forward to working with the Budget Committee, elected officials, and department heads to develop a budget that will allow us to meet the needs of Hamblen County taxpayers in an efficient manner.

As in previous years, it is our plan to present to you the budget in its totality; and the goal is to pass a budget by June 30, 2022. We encourage you to please contact us if you have questions or need additional explanations. Please keep in mind that the budget process is a fluid process.

Budget worksheets will be prepared and presented to the elected officials and department heads by mid-February 2022. Meetings will be held with the elected officials/department heads on an individual basis during March 2022 to discuss the specifics of their budget request. If a **SPECIAL REQUEST** exists, it is to be discussed during the individual meetings, and a request by memo is to be submitted to the Finance Department. Based on the nature of the special requests, the elected official/department head may be required to appear before the Budget Committee for explanation. The Finance Director with the aid of the Mayor's Executive Assistant will manage the agendas of the Budget Committee to allow elected officials/department heads to be heard should the need arise.

We are scheduling the large courtroom as usual for May & June on Tuesdays and Thursdays at 5:00 PM. Please see the attached Preliminary Budget Plan of Action for the anticipated meetings and corresponding agendas. These dates are subject to change. We will meet on an as-needed basis as determined by you, the Budget Committee Chairman.

We look forward to working together, so that we can and will prepare a budget that meets the needs of the citizens.

CONSULTING AGREEMENT

Real Estate Consulting Agreement

THIS REAL ESTATE CONSULTING AGREEMENT (hereinafter “Agreement”) is made this 24th day of February, 2022, by and between Hamblen County, Tennessee (the “County”) and LeBel Commercial Realty (the “Consultant”).

BACKGROUND:

- a. The County desires to retain the Consultant to provide certain real estate consulting services, and is of the opinion that Consultant has the necessary qualifications, experience, and abilities to provide such services to the County.
- b. The Consultant desires to provide certain real estate consulting services to the County in accordance with the terms and conditions contained in this Agreement.

NOW, THEREFORE, in consideration of the mutual benefits and obligations set forth in this Agreement, the receipt and sufficiency of which consideration is hereby acknowledged, County and Consultant agrees as follows:

Services Provided

1. The County hereby agrees to retain the Consultant to provide the County with real estate consulting services (hereinafter “Services”) related to a) the search for property for needs that may arise; b) the negotiation for the purchase and/or lease of identified property; and c) assistance with the process of closing the purchase and/or lease of identified property. The Consultant shall provide such real estate consulting services as reasonably requested by the County during the term of this Agreement, provided that nothing here within shall require the Consultant to devote a minimum number of hours per week to the performance of services herein.
2. Services will also include any other tasks that the County and the Consultant both mutual agree on.

Terms of Agreement

3. The term of this agreement will begin on the date of this Agreement and will remain in full force and effect until February 28, 2024.
4. Services shall be performed at the request of the County Mayor and/or the Chairman of the County Commission. A scope of work agreement must be signed by the County Mayor and the Consultant before billable hours can begin.
5. The Consultant shall provide a certificate of insurance which shall insure County against any errors or omissions of Consultant which might result in a claim or claims

against County due to any act or failure to act of Consultant in connection with services provided hereunder. Consultant's production of a certificate of such insurance in an amount not less than one million dollars (\$1,000,000) shall be a precondition of Consultant's providing services hereunder.

6. Notwithstanding the above, the County acknowledges and takes full responsibility and maintains control of all conclusions and decisions made as a result of the services provided by the Consultant. The County acknowledges that the Consultant cannot control future events, and therefore, cannot be responsible for long-term outcomes of budget or financial strategies.
7. This Agreement shall be for a time period specified by and agreed to by both parties. Cancellation of the Agreement requires written notification by the requesting party not less than 30 days in advance of cancellation unless it is determined by the County or the Consultant that a direct or indirect conflict of interest exists. If so, this Agreement will be terminated immediately without prejudice.
8. Under certain circumstances, brokers can have a conflict in the representation of two parties. If a professional conflict of interest arises involving lead broker Paul LeBel, LeBel Commercial Realty will assign broker Will Sliger to represent the County.
9. County acknowledges that the Consultant is an independent contractor and is NOT considered an employee of the County. Consultant acknowledges that it is an independent contractor and has no expectations to be treated as an employee.

Performance

10. Both parties agree to do everything necessary to ensure that the terms of this Agreement take effect.

Compensation

11. For the services rendered by the Consultant, the Consultant will be compensated on a case by case basis depending on the scope of work. The Consultant may be paid a commission fee by the Seller/Landlord if a property transaction takes place. If the County is responsible for paying the fee, it may be a percent of the transaction amount or an hourly rate depending on the scope of work agreed upon by the Consultant and the County Mayor before work begins. The percentage fee, to be divided among the relators involved, will be 7% for transactions below \$300,000 and 5% for transactions at or above \$300,000. The hourly fee is \$130 per hour. The hourly rate will be used for consulting duties that do not involve property transactions, such as negotiating lease agreements. For work compensated by the hourly rate, the Consultant shall submit an invoice for payment on a monthly basis that will be paid by the fifteenth of the subsequent month.

IN WITNESS WHEREOF, the parties have duly affixed their signatures on the 24th day of February, 2022.

January 18, 2022

Listed below are deaths in Hamblen County that COVID-19 caused or directly contributed to as the cause of death. We Recorded our first confirmed Hamblen County Covid-19 Death on January 3, 2020.

My totals do not match the State of Tennessee's Totals because I count ALL Covid-19 deaths in Hamblen County regardless of where the Victim is from are all counted herein. Many Covid-19 victims have traveled to Hamblen County from surrounding counties, and other states, to receive medical care.

These numbers do not account for Hamblen County Residents who died of Covid-19 in another area outside our jurisdiction, we are aware of several occurrences in other counties and states.

Respectively Submitted,

Hamblen County Government Information from Comptroller's Website Concerning Reporting Fraud

Report Fraud, Waste and Abuse

<https://comptroller.tn.gov/office-functions/investigations/fraud-waste-and-abuse.html>

Fraud, Waste and Abuse Hotline

Fraud – An intentional deception that violates a law or the public trust for personal benefit or the benefit of others.

Waste – Behavior involving the extravagant, careless, or needless use of government funds, property, and/or personnel.

Abuse – Behavior involving the use of government funds or property that a prudent person would not consider reasonable and necessary business practice given the facts and circumstances.

Since October 1983, the Comptroller of the Treasury has provided a toll-free hotline for reporting fraud, waste and abuse of government funds and property. Periodicals throughout Tennessee publish information to alert citizens to the hotline and to encourage them to report wasteful, inefficient or fraudulent activities. In addition, all state agencies, as well as those agencies receiving community grant funds, are required to call attention to the hotline by displaying in a prominent place signs with the following language:

If you observe an agency director or employee engaging in any activity which you consider to be illegal, improper or wasteful, please call the State Comptroller's Toll-Free Hotline:

1.800.232.5454

Calls and online submissions to the hotline should concern allegations of fraud, waste, and abuse. Substantive notifications, may concern a wide range of entities, including municipalities, counties and state agencies and departments. In the event of nonsubstantive notifications, such as requests for assistance or information, the reporting party may be referred to the appropriate agency or department for assistance.
