Vendor Submitted Questions with Responses

1. Since a large portion of the project involves planning/programming, would it be okay if our firm included planning projects as part of our five (5) completed projects?

*Yes.*

2. Can our firm include projects that have been completed with the past 5-10 years?

*Yes.*

3. Can the listed completed projects be completed by our consultants, or must they all be completed by our in-office staff?

*It doesn't matter to us. We are looking for complete and accurate answers to help us review the proposal accurately. It is your decision on who can do that.*
